Item 1.01 Entry into a Material Definitive Agreement

On November 9, 2010, Acorn Energy, Inc. (the “Company”) entered into a letter of intent (the “Letter of Intent”) with Coreworx Inc., a wholly-owned subsidiary of the Company (“Coreworx”), for the Company to sell all of its common stock in Coreworx to a management buyout group consisting of Coreworx’ management and certain employees and other investors. Under the terms of the Letter of Intent: Coreworx’ remaining indebtedness owed to the Company of approximately \$5.4 million will be reduced by approximately \$1.4 million to \$4.0 million in consideration of the Company receiving at closing 10% of the outstanding shares of common stock of Coreworx (“New Coreworx Shares”); the Company will receive at closing warrants to acquire that number of additional shares of common stock of Coreworx equal to the number of New Coreworx Shares; the debt of \$4.0 million owed by Coreworx to the Company (the “Coreworx Debt”) will be non-interest bearing, and the first payment will be due January 31, 2012; the Coreworx Debt will be repaid in an amount equal to 4% of Coreworx’ gross revenues commencing at the date of closing, and payments for the period commencing on the closing date through December 31, 2011 will be paid in 12 equal monthly installments starting on January 31, 2012 and on the last day of each of the following 11 months; the payments of the Coreworx Debt for revenue periods subsequent to Coreworx’ 2011 fiscal year will be payable on a quarterly basis within 45 days following the end of Coreworx’ fiscal quarter-end periods; following repayment of the Coreworx Debt, Coreworx will pay the Company a royalty fee (the “Royalty”) equal to 4% of Coreworx’ gross revenues up to a maximum amount of \$20 million; the Royalty will be paid on a quarterly basis within 45 days following the end of Coreworx’ fiscal quarter-end periods; and Coreworx will pay the Company a restructuring fee of \$40,000 on or before July 1, 2011.

Repayment of the Coreworx Debt will be secured by a security interest in Coreworx’ intellectual property on a pari passu basis with the other holders of Coreworx’ common stock following closing which will necessitate the Company releasing its present security interest in Coreworx’ other personal property and intangibles at closing.

The Letter of Intent is binding, and is conditional upon, among other things, execution and delivery of the definitive transaction documents, Coreworx raising capital of a minimum of CDN\$3 million on or before November 30, 2010 and approval of the transaction documents by the Company’s Board of Directors. Upon satisfaction of such conditions, closing is to occur on or before December 15, 2010.
