State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof could not be filed within the prescribed period.

Registrant was unable to file its Report on Form 10-Q for the calendar ended September 30, 2011, because it was unable prepare the financial statements required in that report without unreasonable effort or expense. Specifically, Registrant is in default of certain covenants under its loan agreement with LC Capital Master Fund Ltd and its loan agreement with Bridge Bank National Association, and Registrant has been discussing waivers of such defaults and forbearance agreements with such lenders. No agreement as to those matters had been reached. The outcome of those discussions will materially affect the treatment of those loans on Registrant's financial statements, which therefore could not have been prepared without unreasonable effort or expense.
