Monrovia, California 91016

May 27, 2015

You are cordially invited to attend the annual meeting of the stockholders (the “Annual Meeting”) of STAAR Surgical Company (“STAAR” or the “Company”). The Annual Meeting will be held on Wednesday, July 8, 2015 at 8:30 a.m. (Pacific time), at STAAR’s headquarters at 1911 Walker Avenue, Monrovia, California, 91016.

The actions we expect to take at the Annual Meeting are described in detail in the attached Notice of Annual Meeting of Stockholders and Proxy Statement.

Please use this opportunity to take part in the affairs of STAAR by voting on the business to come before the Annual Meeting.

If you are a record holder of STAAR’s Common Stock at the close of business on May 11, 2015, you are eligible to vote on these matters, either by attending the Annual Meeting in person or by proxy. It is important that your shares be voted, whether or not you plan to attend the Annual Meeting, to ensure the presence of a quorum. Therefore, please follow the instructions for voting (whether by Internet, telephone or mail) in the enclosed proxy statement and on the enclosed proxy card. If you wish to vote by mail, complete, date, sign, and return the accompanying proxy in the enclosed postage-paid envelope. Returning the proxy or voting electronically does NOT deprive you of your right to attend the Annual Meeting and vote your shares in person at the Annual Meeting.

We are pleased this year to again take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that this e-proxy process expedites stockholders’ receipt of proxy materials, while lowering the costs and reducing the environmental impact of our annual meeting. Stockholders receiving e-proxy materials have been sent a notice containing instructions on how to access the proxy statement and annual report over the Internet and how to vote.

Thank you for your continued support of the Company.

Sincerely,

Caren Mason
President and Chief Executive Officer

STAAR SURGICAL COMPANY

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

The annual meeting of the stockholders of STAAR Surgical Company (the “Annual Meeting”) will take place on Wednesday, July 8, 2015, at 8:30 a.m. (Pacific time), at STAAR’s headquarters at 1911 Walker Avenue, Monrovia, California, 91016. The purpose of the meeting is to do the following:

- elect the following seven director nominees for a term of one year expiring at the 2016 annual meeting of stockholders and until their successors are duly elected and qualified: Mark B. Logan, Caren Mason, Richard A. Meier, John C. Moore, J. Steven Roush, Louis E. Silverman, and Charles Slacik;
2. ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending January 1, 2016;
3. hold an advisory vote to approve STAAR’s compensation of its named executive officers; and
4. transact such other business as may properly come before the meeting or any adjournment or postponement of the meeting.

The Board of Directors recommends a vote “FOR” the election of its director nominees, “FOR” the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending January 1, 2016, and “FOR” the approval of the compensation of our named executive officers.

Only stockholders listed on STAAR’s records at the close of business on May 11, 2015 (“stockholders”) are entitled to vote.

As stated in the enclosed Proxy Statement, we are soliciting proxies on behalf of the Board of Directors of STAAR. All proposals presented above are proposals of the Board of Directors.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
STOCKHOLDER MEETING TO BE HELD ON JULY 8, 2015**

You can find our 2015 Proxy Statement and 2014 Annual Report on Form 10-K at www.proxyvote.com. We are making our proxy materials available to stockholders over the Internet. Stockholders will receive a written notice of the Internet availability of these materials, including instruction for obtaining a printed copy by mail.

We cordially invite all stockholders to attend the Annual Meeting in person. Your vote is important. Please vote as promptly as possible, whether by Internet or telephone or, by completing, dating, signing and returning the accompanying proxy in the enclosed postage-paid envelope. Your prompt electronic voting or return of the proxy will help us in quickly processing votes and in ensuring that a quorum is present. If you return your proxy or vote electronically, you may nevertheless attend the Annual Meeting and vote your shares in person if you wish.

If you want to revoke your proxy for any reason, you may do so in the manner described in the attached Proxy Statement at any time prior to its exercise.

By Order of the Board of Directors,

Samuel Gesten
Vice President, General Counsel and Secretary

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To Be Held July 8, 2015

The Board of Directors of STAAR Surgical Company is soliciting your proxy for use at the 2015 Annual Meeting of Stockholders to be held on Wednesday, July 8, 2015. The Board of Directors is making proxy materials available on the Internet to stockholders on or about May 29, 2015.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Q: ***Why are you providing this proxy statement?***

A: The Board of Directors is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on May 11, 2015—the “Record Date” for the Annual Meeting—and as such you are entitled to vote at the meeting. STAAR has made the proxy statement and related materials available to you on the Internet, in connection with this solicitation.

Q: ***What is included in the proxy materials that I should read?***

A: The proxy materials include the following:

- this Proxy Statement; and

- our Annual Report on Form 10-K for fiscal year 2014.

You should also have received a proxy card or a voting instruction card. This is only one method to vote your shares; we describe other methods below.

Q: What is the voting requirement to elect the directors and to approve each of the proposals?

A: In Proposal No. 1, the election of directors, the seven persons receiving the highest number of affirmative votes will be elected. Abstentions and broker non-votes have no effect on the vote.

In Proposal No. 2, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending January 1, 2016, requires the affirmative vote of a majority of voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect of a vote “AGAINST” this proposal. Brokers may vote on this proposal if not instructed by their clients.

Proposal No. 3 is an advisory vote to approve the compensation of our named executive officers. The vote standard is a majority of voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote “AGAINST” the proposal. Broker non-votes have no effect because under applicable stock exchange rules they are not entitled to vote on this proposal.

Q: *What are “broker non-votes”?*

If a beneficial owner fails to give voting instructions for the 2015 Annual Meeting, the stock broker, bank or other nominee will be able to vote the beneficial owner’s shares on routine proposals such as the proposal to ratify the selection of our independent registered public accountant, but may not vote the shares on non-routine proposals, which includes all other matters currently proposed at the 2015 meeting. When a broker or nominee votes a client’s shares on routine proposals, those shares are included in the vote (and in establishing a quorum for the meeting) but they will be missing from the vote on non-routine proposals, where brokers are not entitled to vote. These missing votes are called “*broker non-votes*.” Broker non-votes have a varying effect on the approval or disapproval of proposals, as described above under the answers to the question “*What is the voting requirement to elect the directors and to approve each of the proposals?*”

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: If you hold shares through a stock certificate registered directly in your name with STAAR’s transfer agent, American Stock Transfer & Trust Company, you are a stockholder of record with respect to those shares.

If you hold shares in a stock brokerage account or through a bank or other nominee, you are considered the “beneficial owner” of shares held in street name. As the beneficial owner, you have the right to instruct your broker, bank or nominee how to vote your shares by the various methods described below.

Q: *How do I vote before the Annual Meeting?*

A: There are three ways to vote before the meeting:

By Internet. If you have Internet access, we encourage you to vote on www.proxyvote.com by following instructions on the proxy card.

- **By telephone.** You may vote by making a toll-free telephone call from the U.S. or Canada to 1-800-690-6903.

By mail. You can vote by mail by requesting a paper copy of the materials, which will include a proxy card. Please see the instructions on the Notice of Availability of Proxy Materials.

Q: *How can I vote at the Annual Meeting?*

A:

If you are a stockholder of record, you may vote in person at the Annual Meeting, or vote through a representative at the meeting by executing a proper proxy designating that person.

If you are a beneficial owner and wish to vote in person, you must obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

Q: ***How many votes do I have?***

A: You are entitled to one vote for each share of common stock that you hold.

Q: ***Can I cumulate votes?***

A: No, STAAR does not have cumulative voting for directors. This means you have one vote per share for each of the seven seats subject to election.

Q: ***What can I do if I change my mind after I vote my shares?***

A: If you change your mind, you can revoke your proxy by any of the following methods:

• By voting again by proxy over the Internet or by telephone until 11:59 p.m. on July 7, 2015—only your last Internet or telephone vote will be counted.

• By mailing a new proxy card.

If you are a record holder, by attending the Annual Meeting and voting in person; attending the Annual Meeting in person will not automatically revoke your proxy unless you vote again at the Meeting or file a written revocation with STAAR's Secretary at or before the Annual Meeting.

If you are a beneficial holder, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

Q: Who will count the vote?

A: An automated system independently maintained by Broadridge Financial Solutions, Inc. will tabulate the vote and submit the results to officers of STAAR who will be designated as the inspectors of election.

Q: What constitutes a quorum?

A: As of the record date, 38,852,136 shares of common stock were issued and outstanding. A majority of the outstanding shares, or 19,426,069 shares, present or represented by proxy, constitutes a quorum for the purpose of electing directors and adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum. Broker non-votes are also included in establishing a quorum.

Q: Who can attend the Annual Meeting?

A: Any stockholder as of the Record Date may attend the Annual Meeting. Stockholders of record will be required to show valid identification. Beneficial owners must request an admission ticket in advance of the meeting by writing to the Office of the Secretary, STAAR Surgical Company, 1911 Walker Ave., Monrovia, California 91016, or faxing the request to (626) 358-3049. You must provide evidence of your ownership of shares with your request, which you can obtain from your broker, bank or nominee. We encourage you or your broker to fax your ticket request and proof of ownership in order to avoid any mail delays.

Q: What authority does my broker have to vote my shares?

A: If you are a beneficial owner holding your shares through a broker or other nominee, and you do not return your voting instruction card to your broker, the broker or other nominee has the ability to vote your shares at the Annual Meeting on matters that are defined as "routine" under the rules of the New York Stock Exchange. The ratification of the selection of BDO USA, LLP to serve as our independent registered public accountants is considered a routine matter on which brokers will generally have the discretion to give a proxy to vote common stock. None of the other proposals at the Annual Meeting is considered routine and your broker has no authority to vote on them.

Q: What happens if a nominee for director is unable to serve?

A: If a nominee becomes unavailable for election—a circumstance we do not expect—the proxy holders may vote for a substitute nominee designated by the Board of Directors.

Q: When are stockholder proposals due for the 2016 Annual Meeting?

If a stockholder seeks to include a proposal in the proxy statement for STAAR's 2016 Annual Meeting, our corporate secretary must receive the proposal at our offices at 1911 Walker Avenue, Monrovia, California 91016 no later than January 30, 2016 in a form that complies with the regulations of the Securities and Exchange Commission (the "SEC"). If we advance or delay the date of the 2016 Annual Meeting more than 30 days from the anniversary date of the 2015 Annual meeting, stockholder proposals intended to be included in the proxy statement for the 2016 Annual Meeting must be received by us within a reasonable time before STAAR begins to print and mail the proxy statement for the 2016 Annual Meeting. If we determine that the date of the 2016 annual meeting will be advanced or delayed by more than 30 days from the anniversary date of the 2015 Annual Meeting, we will disclose the change in the earliest practicable Quarterly Report on Form 10-Q.

Q: *Can stockholders propose individuals to be considered as nominees for the 2016 Annual Meeting?*

Our Bylaws provide that stockholders may nominate candidates for the Board of Directors or present other business at our annual meeting only if they have given timely notice to the Secretary of STAAR, at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, that in the event that the date of the annual meeting is advanced by more than 30 days, or delayed by more than 70 days, from the anniversary date of the previous year's meeting or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered not earlier than 120 days prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. For the 2016 annual meeting of stockholders, notice must be delivered no sooner than March 10, 2016 and no later than April 9, 2016. Stockholders are advised to review the Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals.

Q: *How often will STAAR conduct an advisory vote to approve executive compensation?*

STAAR currently intends to conduct an advisory vote to approve executive compensation—sometimes referred to as “say on pay”—at each annual meeting of the stockholders. In an advisory vote at the 2011 Annual Meeting, approximately 98% of the voting power present in person or by proxy and entitled to vote on the matter voted in favor of annual advisory votes on executive compensation.

Q: *How often will STAAR conduct an advisory vote on the frequency of holding future advisory votes on executive compensation?*

The rules under the Securities Exchange Act require STAAR to conduct an advisory vote every six years on whether “say on pay” votes shall take place every one, two or three years. Therefore, the next such vote will take place no later than our annual meeting of stockholders in 2017.

Q: *How much did this proxy solicitation cost and who is paying for it?*

STAAR will bear the costs of this solicitation, including the expense of preparing, printing, assembling and mailing this Proxy Statement and any other material used in this solicitation of Proxies. We expect officers and regular employees of STAAR to communicate with stockholders, banks, brokerage houses, custodians, nominees and others by telephone, facsimile, email or in person to request that Proxies be furnished. No additional compensation will be paid for these services. We will reimburse banks, brokerage firms and other persons representing beneficial owners of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation materials to the beneficial owners.

Q: *Will other business be presented at the Annual Meeting?*

Edgar Filing: STAAR SURGICAL CO - Form DEF 14A

As of the date of this Proxy Statement, the Board of Directors knows of no business to be presented for consideration at the Annual Meeting other than those matters described in the Notice of Annual Meeting. If, however, other matters are properly brought before the Annual Meeting, including a motion to adjourn the Annual Meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the proxy holders intend to vote the shares represented by the Proxies on such matters in accordance with the recommendation of the Board of Directors, and the authority to do so is included in the Proxy.

Q: *Can I obtain additional information on STAAR's website?*

A: STAAR's home page is www.staar.com. In the Investor Information area of the website you can find the following information:

- Audit Committee Charter;
- Compensation Committee Charter;
- Nominating and Governance Committee Charter;
- Quality and Regulatory Committee Charter;
- Code of Business Conduct and Ethics; and

Based on 38,852,136 shares of common stock outstanding on the Record Date. Under Rule 13d-3 of the Securities Exchange Act of 1934, certain shares may be deemed to be beneficially owned by more than one person (if, for (1) example, a person shares the power to vote or the power to dispose of the shares). As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of Common Stock actually outstanding on the Record Date.

Based on a Form 4 filed November 19, 2014, Broadwood Capital, Inc., Broadwood Partners, L.P. and Neal C. (2) Bradsher reported beneficial ownership of 7,417,582 shares as of November 19, 2014. Neal C. Bradsher reported on the same Form 4 direct ownership of an additional 25,900 shares as of such date.

In its Schedule 13G/A filed on February 17, 2015 with respect to its ownership of STAAR securities as of December 31, 2014, Putnam Investments, LLC states that it has sole voting power as to 91,375 shares, shared voting power as to no shares, sole dispositive power as to 5,759,039 shares, and shared dispositive power as to no shares. Putnam Investment Management, Inc., states that it has sole voting power as to 3,355 shares, shared voting (3) power as to no shares, sole dispositive power as to 5,655,394 shares, and shared dispositive power as to no shares. The Putnam Advisory Company, LLC states that it has sole voting power as to 88,020 shares, shared voting power as to no shares, sole dispositive power as to 103,645 shares, and shared dispositive power as to no shares. Putnam Equity Spectrum Fund states that it has sole voting power as to 4,765,587 shares, shared voting power as to no shares, sole dispositive power as to 4,765,587 shares, and shared dispositive power as to no shares.

In its Schedule 13G/A filed February 14, 2014 with respect to its ownership of STAAR securities as of
 (4) December 31, 2013, each of Palo Alto Investors, LLC, Patrick Lee, MD and Anthony Joonkyoo Yun, MD reports shared voting and shared dispositive power as to 3,214,253 shares, Palo Alto Healthcare Master Fund II, L.P. states that it has shared voting and dispositive power as to 1,845,574 shares.

In its Schedule 13G/A filed February 2, 2015 with respect to its ownership of STAAR securities as of
 (5) December 31, 2014, Blackrock, Inc. states that it has sole voting power as to 2,167,674 shares and sole dispositive power as to 2,237,742 shares.

In its Schedule 13G/A filed February 17, 2015 with respect to its ownership of STAAR securities as of
 (6) December 31, 2014, Ameriprise Financial, Inc. states that it has shared voting power as to 1,558,689 shares and shared dispositive power as to 2,146,443 shares. Columbia Management Investment Advisors, LLC states that it has shared voting power as to 1,558,689 shares and shared dispositive power as to 2,146,443 shares.

The following table shows, as of the Record Date, information with respect to the shares of Common Stock beneficially owned by (1) each director and director nominee, (2) each person (other than a person who is also a director or a director nominee) who is named in the Summary Compensation Table below, and (3) all current executive officers and directors as a group. Director or Nominee.

(1) The business address of each person named is c/o STAAR Surgical Company, 1911 Walker Avenue, Monrovia, California 91016.

Pursuant to Rule 13d-3(a), includes all shares of common stock over which the listed person has, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise, voting power, which includes the power to vote, or to direct the voting of, the shares, or investment power, which includes the power to (2) dispose, or to direct the disposition of, the shares. STAAR believes that each individual or entity named has sole investment and voting power with respect to shares of Common Stock indicated as beneficially owned by him or her, subject to community property laws, where applicable, except where otherwise noted. Restricted shares are listed even when unvested and subject to forfeiture because the holder has the power to vote the shares.

In accordance with Rule 13d-3(d)(1) under the Securities Exchange Act of 1934, each listed person is deemed the (3) beneficial owner of shares that the person has a right to acquire by exercise of a vested option or other right on or before July 10, 2015 (60 days after the Record Date).

Based on 38,852,136 shares of Common Stock outstanding on the stock records as of the Record Date. The percentages are calculated in accordance with Rule 13d-3(d)(1), which provides that shares not outstanding that are (4) subject to options, warrants, rights or conversion privileges exercisable on or before July 10, 2015 (60 days after the Record Date) are deemed outstanding for the purpose of calculating the number and percentage that each person owns, but not deemed outstanding for the purpose of calculating the percentage that any other listed person owns.

(5) Includes shares that are restricted and subject to forfeiture pursuant to vesting conditions that expire on March 4, 2016 and March 7, 2016, respectively, 15,000 and 8,500 shares.

Includes the following shares that are restricted and subject to forfeiture pursuant to vesting conditions that expire on March 4, 2016 and March 7, 2016, March 7, 2017, April 7, 2017 and April 7, 2018, respectively, as follows: (6) shares; Stephen Brown, 0, 3,500, 3,500, 5,000 and 5,000 shares; James Francese, 7,500, 3,500, 3,500, 5,000 and 5,000 shares; Samuel Gesten, 7,500, 2,750, 2,750, 3,500 and 3,500; and Robin Hughes, 7,500, 3,500, 3,500, 3,500 and 3,500 shares.

PROPOSAL NO.1

ELECTION OF DIRECTORS

STAAR's directors each serve a one-year term and are subject to election at each annual meeting of the stockholders. The authorized number of directors is currently set at seven and the Board currently consists of seven members.

The Board of Directors has nominated Mark B. Logan, Caren Mason, Richard A. Meier, John C. Moore, and Charles Slacik for re-election, and J. Steven Roush and Louis Silverman for initial stockholder election to their seat. Each of these nominees has indicated their willingness to serve and, unless otherwise instructed, the Proxy holders will vote the Proxies received by them for those seven nominees. If any nominee is unable or unwilling to serve as a director at

the time of the Annual Meeting or any continuation, postponement or adjournment of the meeting, the Proxy holders will vote the Proxies for another nominee, if any, the current Board of Directors designates to fill the vacancy. STAAR has no reason to believe that any of its seven nominees will be unable or unwilling to serve if elected as a director.

The qualifications of the individual directors upon which the Nominating and Governance Committee based its nominations are described along with the biography of each nominee below.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF THE BOARD OF DIRECTORS’ NOMINEES.

The following table shows the composition of our Board of Directors on the date of this Proxy Statement. All terms expire at the 2015 Annual Meeting.

Name of Director	Board of Directors Positions and Committee Memberships	Independent(1)
Mark B. Logan	Chairman of the Board of Directors Member, Compensation Committee Member, Nominating and Governance Committee	ü
Caren Mason	Chairman, Quality and Regulatory Committee

J. Steven Roush	Member, Audit Committee	ü
Louis E. Silverman	Chairman, Compensation Committee Member, Nominating and Governance Committee	ü
Charles Slacik	Chairman, Audit Committee Member, Quality and Regulatory Committee	ü

(1) Directors designated as “independent” have been determined by the Board of Directors to be independent as that term is defined under the rules of the NASDAQ Global Market and the SEC.

Information regarding the business experience of each current director nominee and each executive officer is provided below.

Director Nominees

Mark B. Logan

Director since November 2010

Chairman of the Board of Directors

Member of the Compensation Committee

Member of the Nominating and Governance Committee

Age 76

Background. Mr. Logan has served as the co-founder and President and Chief Executive Officer of TearSolutions, L.L.C., a company focused on a natural replacement therapy for dry eyes since 2013. Previously, he served as Chairman and Chief Executive Officer of VISX, Inc., an excimer refractive surgical systems designer and manufacturer, from 1994 to 2001. VISX was subsequently acquired by Advanced Medical Optics (now a part of Abbott Laboratories). Prior to joining VISX, Mr. Logan served as Chairman and Chief Executive Officer of Inmed Pharmaceuticals, Inc., from 1992 through 1994, and before that he was a principal at McManus Associates, a healthcare research and management firm, from 1985 through 1992. Before that, he spent four years as Executive Vice President and Chief Operating Officer and board member at Bausch & Lomb, one of the largest companies in the ophthalmic surgical sector. His prior experience includes senior executive positions at Becton, Dickinson & Company and Wyeth, Inc. Mr. Logan is member of the Board of Directors of Tear Solutions, L.L.C. Mr. Logan serves on the Board of the University of Virginia Heart & Vascular Center, serves on the Board of Advisors of Gencia Inc., and serves as a trustee of the Southern Environmental Law Center. Mr. Logan earned a B.A. in Biology from Hiram College. He was a Woodrow Wilson Fellow at New York University and has completed the Program for Management Development (PMD) at Harvard University.

Qualifications. In January 2014, the Board of Directors unanimously elected Mr. Logan to serve as Chairman based on his past experience as Chairman of VIVUS and Chairman of VISX. Also, the Nominating and Governance Committee believes Mr. Logan's expertise in management of an expanding ophthalmic business, especially in the area of refractive surgery brings valuable insight and experience to the Board of Directors. In particular, as Chairman and Chief Executive Officer of VISX from 1994 to 2001, Mr. Logan oversaw from 2007 through 2014, the successful introduction of the leading excimer laser system used in custom LASIK. Through his chairmanship of VIVUS he gained recent experience in the FDA-regulated environment and familiarity with best current practices in corporate governance. The Nominating and Governance Committee believes the skills he has exhibited in the past leadership

roles will help increase stockholder value at STAAR. For these reasons, the Board of Directors unanimously recommends his re- election.

Caren Mason

Director since June 2014

President and Chief Executive Officer

Chairman, Quality and Regulatory Committee

Age 61

Background. Ms. Mason was elected to STAAR's Board of Directors at its 2014 Annual Meeting, and she has served as STAAR's Chief Executive Officer since March 3, 2015. From 2010 to 2012, Ms. Mason served as Chief Executive Officer of Verinata Health, Inc. (f/k/a Artemis Health, Inc.), a provider of non-invasive prenatal genetic sequencing tests for the early identification of fetal chromosomal abnormalities. In February 2013, Verinata was acquired by Illumina for \$350 million. Ms. Mason served as the President, Chief Executive Officer and a Director of Quidel Corporation from 2004 to 2009, a publicly traded company engaged in the development, manufacturing and marketing of rapid diagnostic solutions at the professional point-of-care in infectious diseases and reproductive health. Prior to joining Quidel, Ms. Mason provided consultative services from 2003 to 2004 for Eastman Kodak Health Imaging as a result of the sale of MiraMedica to Eastman Kodak. She served as President and Chief Executive Officer for MiraMedica, Inc., an early phase start-up developing computer-aided detection software for breast cancer, from 2002 through 2003. Prior to her tenure with MiraMedica, Ms. Mason served as Chief Executive Officer of eMed Technologies of Lexington, Massachusetts, a teleradiology and picture archiving and communications systems business. Ms. Mason served as General Manager of the Women's Healthcare business and as a General Manager in various capacities for the Services business of General Electric Healthcare from 1996 to 2000. Ms. Mason's additional healthcare experience includes her tenure with Bayer AG/AGFA from 1989 to 1996 where she last held the positions of Senior Vice President for Bayer Corporate Health Care and Senior Vice President for the AGFA Technical Imaging Business Group. Ms. Mason began her career in healthcare with American Hospital Supply/Baxter Healthcare in sales, marketing and managerial roles from 1977 through 1988. Ms. Mason received her B.A. from Indiana University. Ms. Mason's prior corporate governance experience includes both private and public boards with Verinata Health, eMed Technologies, MiraMedica and Quidel Corporation. She currently serves as a director of HealthTell, an early stage life sciences company, and also on the Executive Committee for the Board of Visitors for UCSD Moores Cancer Center.

Qualifications. The Nominating and Governance Committee believes it is important that STAAR's Chief Executive Officer also serves on its Board of Directors to provide a critical link between management and our Board. Before Ms. Mason became Chief Executive Officer in 2014, the Nominating and Governance Committee nominated her to serve as an independent director. The Nominating and Governance Committee believes that Ms. Mason brings nearly 35 years of senior executive experience in leadership and marketing from varied healthcare, life sciences, diagnostic technology and medical device companies. The Nominating and Governance Committee believes Ms. Mason's experience and expertise in growing innovative, medical device businesses will help to add stockholder value. Also, her experience as a director at Quidel has provided her with knowledge and familiarity with best practices in corporate governance. For these reasons, the Board of Directors unanimously recommends her re-election.

Richard A. "Randy" Meier

Director since June 2009

Chairman of the Nominating and Governance Committee

Member of the Compensation Committee

Member of the Audit Committee

Age 55

Background. Since March 2013, Mr. Meier has served as Executive Vice President, Chief Financial Officer of Owens & Minor, Inc., a global provider of healthcare products and services. Mr. Meier has served as a director of BioMarin Pharmaceutical Inc. since 2006, and is expected to serve as Lead Independent Director effective June 2015. Mr. Meier served as Executive Vice President and Chief Financial Officer of Teleflex Incorporated, a global provider of medical devices, from January 2010 to March 2012. Prior to that position he was President and Chief Operating Officer of Advanced Medical Optics (AMO), one of the largest companies in the ophthalmic surgical sector, from February 2007 through April 2009, when it was acquired by Abbott Laboratories. From April 2006 to February 2007, Mr. Meier was AMO's Executive Vice President, Operations, President, Global Eye Care, and Chief Financial Officer. From February 2004 to April 2006, he was AMO's Executive Vice President of Operations and Finance and Chief Financial Officer, and from April 2002 to February 2004, Mr. Meier was Corporate Vice President and Chief Financial Officer. Prior to joining AMO, Mr. Meier was the Executive Vice President and Chief Financial Officer of Valeant Pharmaceuticals, Inc., from October 1999 to April 2002, and Senior Vice President & Treasurer from May 1998 to October 1999. Before joining Valeant, Mr. Meier was an executive with the investment banking firm of Schroder & Co. Inc. in New York, from 1996 to 1998. Prior to Mr. Meier's experience at Schroder & Co., he held various financial and banking positions at Salomon Smith Barney, Manufacturers Hanover Corporation, Australian Capital Equity, and Greyhound Lines, Inc. Mr. Meier is a graduate of Princeton University with a B.A. in Economics.

Qualifications. The Nominating and Governance Committee believes that Mr. Meier's experience in the ophthalmic industry, including several years at AMO, has provided key insights to the Board of Directors in areas such as marketing, strategic planning, mergers and acquisitions, the FDA regulatory process, financial management, public company reporting, investor relations, and public finance. Mr. Meier is the only member of the Board of Directors with significant investment banking experience. For these reasons, the Board of Directors unanimously recommends his re-election.

John C. Moore

Director since January 2008

Member of the Quality and Regulatory Committee

Member of the Audit Committee

Age 71

Background. Since December 2012, Mr. Moore has served as Chairman of the Board of Directors of Optovue, Inc., an ophthalmic medical device company. Since May 2014 Mr. Moore has also served as Chief Technical Officer of TearSolutions, L.L.C., a company focused on a natural replacement therapy for dry eyes. Between April 2005 and January 2007, Mr. Moore served as Chief Executive Officer of Notal Vision, an Israel-based ophthalmic company that develops diagnostic solutions for the early detection and monitoring of age-related macular degeneration (AMD). Mr. Moore served as the President and Chief Executive Officer of Laser Diagnostic Technologies, a manufacturer of ophthalmic diagnostic laser devices used for the early detection of glaucoma, from 2000 until 2004 when it was acquired by Carl Zeiss Meditec, Inc. Before this, Mr. Moore was a vice president at Alcon Laboratories, one of the largest companies in the ophthalmic surgical sector, where he was responsible for pursuing and executing strategic acquisitions and partnerships to broaden that company's product portfolio. Mr. Moore also spent more than 10 years in various roles at Carl Zeiss, Inc., a multinational ophthalmic company with primary businesses in optics, medical, scientific and semiconductor products. Mr. Moore received his B.S. in General Science from University of Rochester.

Qualifications. Mr. Moore's extensive experience in the ophthalmic and medical device industries encompasses both large, well established companies and innovative start-ups. The Nominating and Governance Committee believes that Mr. Moore's familiarity with the technical side of the industry and the challenges faced by emerging technology companies has been an important resource for the Board of Directors and has been especially valuable in guiding the management of research and development, strategic planning and "right-sizing." The Nominating and Governance Committee believes his familiarity with international operations in the medical device industry will be especially important in light of STAAR's global operations. For these reasons, the Board of Directors unanimously recommends his re-election.

J. Steven Roush

Member of the Audit Committee

Director since April 2015

Age 68

Background. Mr. Roush, CPA, retired from PricewaterhouseCoopers in 2007 after 39 years, 30 of those as a Partner. During his career at PricewaterhouseCoopers, Mr. Roush served as an office managing partner; a Securities and Exchange Commission Partner for over 20 years; and as a Risk Management Partner for five years in addition to his direct client responsibilities. Mr. Roush is currently a member of the Board and Chairman of the Audit Committee for Summit Healthcare REIT, an organization with a portfolio of 17 healthcare facilities. Mr. Roush is also a member of the Board of Air Touch Communications and W.E. Hall Company. Mr. Roush was also Chairman of the Budget Review Committee, member of the Corporate Operations Coordinating Committee and member for six years of the Audit Committee for the National American Heart Association. Based on these experiences and his lengthy tenure as a partner at PricewaterhouseCoopers, Mr. Roush brings a combination of financial regulatory and reporting agencies expertise. Mr. Roush received his BS in Accounting from Drake University. He also holds an advanced Professional

Directors Certification from the American College of Corporate Directors.

Qualifications. Throughout his career as a partner at PricewaterhouseCoopers, Mr. Roush has obtained experience and knowledge regarding a diverse number of industries, including the ophthalmic, diagnostics and medical device industry from clients such as Advanced Medical Optics (AMO) and Edwards Lifesciences. He also has experience with Securities and Exchange Commission regulatory matters, risk management and serving on, and working with, boards of directors. The Nominating and Governance Committee believes that his vast accounting, audit committee and board of directors' experience will assist us in achieving our corporate goals. For these reasons, the Board of Directors unanimously recommends his election.

Louis E. Silverman

Chairman of the Compensation Committee
Member of the Nominating and Governance Committee

Mr. Silverman earned a B.A. from Amherst College and an M.B.A. from Harvard Business School.

Qualifications. The Nominating and Governance Committee believes that Mr. Silverman brings to the Board of Directors senior executive experience in leadership and corporate strategy from various healthcare technology companies. For these reasons, the Board of Directors unanimously recommends his election.

Charles Slacik

Director since September 2012

Chairman of the Audit Committee

Member of the Quality and Regulatory Committee

Age 61

Background. Mr. Slacik served as the Senior Vice President and Chief Financial Officer of Beckman Coulter Inc. from October 2006 until June 2011 and has retired since then. Prior to joining Beckman Coulter, Mr. Slacik served as Executive Vice President and Chief Financial Officer of Watson Pharmaceuticals Inc. from 2003 to 2006. From 1999 to 2003 he served as Senior Vice President and Chief Financial Officer of C.R. Bard, Inc. Compensation of Directors

Non-employee directors are compensated as follows:

Each director who serves on the Board of Directors of STAAR and is not an employee of STAAR or a parent or subsidiary of STAAR (each “non-employee director”) receives an annual director’s fee of \$40,000.

- The Chairman of the Board of Directors receives an additional annual fee of \$25,000.
- The Chairman of the Audit Committee receives an additional annual fee of \$15,000.
- The Chairman of the Compensation Committee receives an additional annual fee of \$15,000.
- The Chairman of the Quality and Regulatory Committee receives an additional annual fee of \$15,000.
- The Chairman of the Nominating and Governance Committee receives an additional annual fee of \$10,000.

Each member of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee (other than the respective chairs) receives an additional annual fee of \$5,000 for each such committee on which they serve.

In 2014 non-employee directors were given the choice to choose the form of equity they received based upon a fixed ratio of stock options to restricted stock. The aggregate award value was \$139,800 and was determined based on a Black Scholes value of an award of 20,000 stock options. The options and restricted stock vest in full on the first anniversary of grant and are granted upon election or re-election to the Board of Directors. As such, each received an option to purchase up to 10,000 shares of Common Stock. The options have an exercise price of \$15.73 per share. The option and restricted stock awards vest on June 9, 2015, provided that if a director leaves service for reasons other than removal for cause, vesting of the award will be accelerated to a time immediately prior to cessation of service. All of the options and restricted stock granted to directors in 2014 were granted under STAAR’s 2003 Plan.

The Board of Directors can change the compensation of directors at any time.

(8) Includes compensation related to the following: an award of 4,500 shares of restricted stock and an option to purchase up to 10,000 shares of common stock, granted on June 9, 2014, which had a grant date fair value of \$70,785 and \$157,300, respectively, vesting on June 9, 2015. As of the end of fiscal year 2014, the aggregate number of stock and option awards outstanding for Mr. Slacik were 4,500 and 30,000, respectively.

(9) Includes compensation related to the following: an award of 1,585 shares of restricted stock and an option to purchase up to 3,589 shares of common stock, granted on January 13, 2014, with a grant fair value of \$26,295 and \$59,542, respectively, vesting on May 12, 2014. As of the end of the fiscal year 2014, the aggregate number of stock and option awards outstanding for Ms. Tunstall were 1,585 and 3,589, respectively. Ms. Tunstall resigned from the Board of Directors during 2014.

Code of Business Conduct and Ethics

STAAR has adopted a Code of Business Conduct and Ethics applicable to the principal executive officer and senior financial executives, including the chief financial officer and the controller of STAAR, as well as all employees and directors of STAAR. The Code of Business Conduct and Ethics, is published on our website, at www.staar.com, under “Investor Information—Corporate Governance.” We intend to disclose future amendments to, or waivers from, certain provisions of the Code of Business Conduct and Ethics applicable to senior executives on our website.

Board of Directors Leadership Structure

Since 2005 the Board of Directors has kept the positions of Chief Executive Officer and Chairman separate and followed a policy that the Chairman shall be an independent director. The Board of Directors believes that this separation of roles serves the interests of our stockholders because combining the positions might hamper the Board of Director’s ability to provide independent oversight and concentrate too much power in the hands of a single executive. Moreover, the Board of Directors believes that it is important for the Chief Executive Officer to report to an independent Board of Directors, and that having a separate and independent chairman may help facilitate communications and relations between the Board of Directors and officers.

Board of Director's Role in Risk Oversight

The Board of Directors is charged with general oversight of the management of STAAR's risks. Our management is responsible for enterprise risk management on a day-to-day basis. The role of our Board of Directors and its committees is to oversee the risk management activities of management. When reviewing STAAR's strategy, business plan, budgets and major transactions the Board of Directors continuously examines the elements of risk in each proposed activity. Each of the Board of Director's standing committees assists the Board of Directors in overseeing the management of risk in the area overseen by the committee. In particular, the Audit Committee assists the Board of Directors by systematically reviewing periodically a report from management on the risks related to such matters as financial reporting, internal controls, revenue recognition, treasury management, information technology, insurable risks, and compliance with legal and regulatory requirements. The Compensation Committee oversees risks related to our compensation programs and policies. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, and succession planning for our directors. The Quality and Regulatory Committee assists the Board of Directors in overseeing product quality, safety, and regulatory compliance matters.

Compensation Policies and Practices Related to Risk Management

STAAR's Compensation Committee, Audit Committee and Board of Directors have analyzed and continue to monitor whether STAAR's compensation practices with respect to executive officers or any of its employees create incentives for risk-taking that could harm STAAR or its business. The Compensation Committee, Audit Committee and the Board of Directors have all determined that STAAR's compensation practices and policies do not create any risk that is reasonably likely to have a material adverse effect on STAAR.

Meetings of the Board of Directors

The Board of Directors held 11 meetings during 2014. During 2014 each director attended more than 75% of the total number of Board of Directors meetings (during their service as director) and meetings of the committees on which they served. In addition to Board of Directors meetings, directors are kept informed of our business through personal meetings and other communications, including telephone and electronic contacts with our Chief Executive Officer and others regarding matters of interest and concern to us and our stockholders. Independent directors meet when they deem necessary in an executive session without management and at such other times as may be requested by any independent director.

It is the policy of STAAR to require members of the Board of Directors to attend the Annual Meeting of stockholders, if practicable. All directors except Kathryn Tunstall attended the 2014 Annual Meeting of stockholders.

Committees

The Board of Directors has four committees: an Audit Committee, a Nominating and Governance Committee, a Compensation Committee, and a Quality and Regulatory Committee. The Board of Directors has adopted a written charter for each committee to provide for its organization and procedures and to delegate requisite authority for the committee to carry out its purposes.

Nominating and Governance Committee

The principal purposes of the Nominating and Governance Committee are to help ensure that the Board of Directors is appropriately constituted to meet its fiduciary obligations to stockholders and STAAR, and that STAAR has and follows appropriate governance standards. To carry out these purposes, in accordance with its written charter, the Committee periodically does the following:

- identifies individuals qualified to become directors, consistent with criteria approved by the Board of Directors; recommends the director nominees to be selected by the Board of Directors for the next annual meeting of stockholders;
- reviews best practices in corporate governance, and recommends to the Board of Directors stockholder-oriented improvements in corporate governance that may be applicable to STAAR; and
 - oversees the evaluation of the Board of Directors and management.

In addition to the candidates proposed by the Board of Directors or identified by the Committee, the Committee considers candidates for director suggested by our stockholders in accordance with the procedures described in the Questions and Answers section in response to the question: “*Can stockholders propose individuals to be considered as nominees for the 2016 Annual Meeting?*” Stockholder nominations that comply with those procedures and that meet the criteria outlined below will receive the same consideration that the Committee’s nominees receive.

The process for evaluating prospective nominees for director, including candidates recommended by stockholders, includes meetings from time to time to evaluate biographical information and background material relating to prospective nominees, interviews of selected candidates by members of the Nominating and Governance Committee and other members of the Board, and application of our general criteria for director nominees set forth in our *Guidelines on Significant Corporate Governance Issues*. These criteria include, among other things, the prospective nominee's integrity, business or other experience and expertise, and independence. The Committee believes that the backgrounds and qualifications of the directors considered as a group should provide a significant breadth of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities.

In selecting nominees for the Board of Directors, the Committee evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate's ability to contribute to the success of STAAR.

The Nominating and Governance Committee believes that differences in background, professional experiences, education, skills and viewpoints enhance the performance of the Board of Directors. Thus, the Nominating and Governance Committee considers such diversity in selecting, evaluating and recommending proposed nominees. However, neither the Nominating and Governance Committee nor the Board of Directors has implemented a formal policy with respect to the consideration of diversity for the composition of the Board of Directors.

The Board of Directors' nominees for the Annual Meeting have been recommended by the Committee, and have been nominated by the independent directors and the full Board of Directors.

The Committee received no stockholder recommendations of candidates for election at the 2015 Annual Meeting.

The current members of the Nominating and Governance Committee are Richard Meier, who serves as chair, Mark Logan and Louis Silverman. Each member of the Nominating and Governance Committee is "independent" as that term is defined under the Listing Rules of the NASDAQ Stock Market. During 2014, the Nominating and Governance Committee held two meetings.

Compensation Committee

Under its written charter, the principal purposes of the Compensation Committee are to help ensure that STAAR's compensation of its executive officers and those of its subsidiaries satisfies the following requirements:

- alignment with the compensation strategy of STAAR determined by the Board of Directors;
- equitable and consistent treatment of all executive officers; and
- enabling STAAR to compete in recruiting and retaining qualified executive officers.

The Compensation Committee makes recommendations to the Board of Directors on all decisions for the total direct compensation of the executive officers of STAAR, including base salary, annual bonus, long-term equity compensation and perquisites. The Compensation Committee also generally approves company-wide pay increases and discretionary compensation that may be allocated to non-executive employees by management. The Committee also administers STAAR's Amended and Restated 2003 Omnibus Equity Incentive Plan.

The current members of the Compensation Committee are Louis Silverman, who serves as chair, Richard Meier and Mark Logan. Each member of the Compensation Committee is "independent" as that term is defined under the Listing Rules of the NASDAQ Stock Market. During 2014, the Compensation Committee held four meetings.

Role of Consultant

The Compensation Committee has sole authority to retain and terminate a compensation consultant to assist in the evaluation of CEO or senior executive compensation. In 2013, the Committee retained Radford, a compensation consultant, to evaluate the Company's compensation philosophy and structure. In 2014, the Committee consulted with Radford regarding compensation for the Chief Executive Officer and certain senior executives. The Compensation Committee has assessed the independence of Radford considering the factors set forth in applicable SEC rules and the Listing Rules of the NASDAQ Stock Market and has concluded no conflicts of interest were raised by the work performed by Radford in 2014.

Compensation Committee Interlocks and Insider Participation

Mark Logan, Richard Meier, John Moore, Kathryn Tunstall and Louis Silverman each served at some point in 2014 on the Compensation Committee. There were no Compensation Committee interlocks or insider (employee) participation during 2014.

Audit Committee

The principal purpose of the Audit Committee is to oversee (i) the quality and integrity of STAAR's financial statements, (ii) the qualifications and independence of STAAR's independent registered public accounting firm, and (iii) the performance of STAAR's independent registered public accounting firm.

The current members of the Audit Committee are Charles Slacik, who serves as chair, Richard Meier, John Moore and J. Steven Roush. Each member of the Audit Committee is "independent" as that term is defined under the Audit Committee rules of the SEC and the Listing Rules of the NASDAQ Stock Market. STAAR has determined that Messrs. Slacik, Meier, and Roush each qualify as an "audit committee financial expert" under the rules of the SEC. In 2014 the Audit Committee met six times.

Quality and Regulatory Committee

The principal purpose of the Quality and Regulatory Committee is to oversee (i) product quality, (ii) safety, and (3) regulatory compliance. The Quality and Regulatory Committee operates under a written charter adopted by the Board of Directors.

The current members of the Quality and Regulatory Committee are Caren Mason, who serves as chair, John Moore and Charles Slacik. Messrs. Slacik and Moore are "independent" as that term is defined under the general independence rules of the Listing Rules of the NASDAQ Stock Market. In 2014 the Quality and Regulatory Committee met eight times.

Stockholder Communications with Directors

Edgar Filing: STAAR SURGICAL CO - Form DEF 14A

You may communicate with the chairman of our Audit Committee or the chairman of our Nominating and Governance Committee, or with our outside directors as a group, by writing to such persons c/o Office of the Secretary, STAAR Surgical Company, 1911 Walker Avenue, Monrovia, California 91016.

The Corporate Secretary distributes communications to the Board of Directors or to any individual director or directors, as appropriate, depending on the facts and circumstances outlined in the communication. In that regard, the Board of Directors has requested that certain items that are unrelated to the duties and responsibilities of the Board of Directors should be excluded, such as the following:

- junk mail and mass mailings;
- new product suggestions; and
- resumes and other forms of job inquiries.

In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is excluded must be made available to any outside director upon request.

Communications that include information better addressed by the complaint hotline supervised by the Audit Committee will be forwarded to the hotline.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the following Compensation Discussion and Analysis. Based on its review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in STAAR's Proxy Statement for 2015 and into its 2014 Annual Report on Form 10-K/A.

Compensation Discussion and Analysis

General

The following Compensation Discussion and Analysis describes the material elements of compensation for the named executive officers identified in the summary compensation tables and related disclosures below. The Compensation Committee of the Board of Directors, to which we refer in this discussion as the "Committee," makes recommendations to the Board of Directors for the total direct compensation—including, the base salary, annual bonus, long-term equity compensation and perquisites—of our executive officers, including the named executive officers. The Board of Directors then acts on the recommendation of the Committee. Both the Board of Directors and the Committee exercise independent discretion in making judgments regarding executive compensation.

Compensation Program Objectives and Rewards

Compensation Philosophy. We design our compensation programs to promote a high-performance culture that attracts, motivates and retains the key talent necessary to optimize stockholder value in a competitive environment. Our market-driven compensation program is designed to motivate and reward our executives for meeting or exceeding corporate financial and non-financial goals, and individual contributions towards the same. In the Committee's deliberations, management other than the CEO, is involved only to the extent of providing performance information and recommendations. When the Board of Directors makes its final determinations of compensation, the Chief Executive Officer has no participation in the determination of her own compensation, but joins with the full Board of Directors in the determination of compensation of other executive officers.

The Committee periodically reviews the Radford Global Life Sciences Survey as well as benchmark data regarding our peer group. This data is used to assess the general competitiveness of our compensation program, and to assist the Committee in making compensation decisions.

Beginning in the fall of 2013 the Committee retained Radford, a third party consulting firm, as their compensation consultants. The Committee received advice and analysis from Radford regarding our compensation practices and programs, and also provided advice and analysis to assure consistency with our compensation philosophy and our industry generally. In 2014, the Compensation Committee consulted with Radford regarding compensation for the Chief Executive Officer and certain senior executives.

In 2013, Radford reviewed our peer group and based upon criteria including industry focus (medical device companies), competitiveness, revenue (from \$20 million to \$300 million) and market capitalization (\$120 million to \$1.9 billion) they recommended that STAAR remove Integra Lifesciences Corporation, Iridex Corporation, LCA Vision, Inc. and Palomar Medical Technologies from our peer group. The 2014 peer group which was recommended by Radford and the Compensation Committee and approved by the Board of Directors consisted of the following companies:

AngioDynamics	Merit Medical Systems, Inc.
Anika Therapeutics	Solta Medical, Inc.
Atricure, Inc.	Synergetics, USA Inc.
Cardiovascular Systems, Inc.	Syneron Medical, Ltd.
Cryolife, Inc.	The Spectranetics Corporation
Cutera, Inc.	Vascular Solutions, Inc.
Cynosure, Inc.	Volcano Corporation
Endologix, Inc.	

During 2014 Solta Medical Group and Volcano Corp were acquired and subsequently were dropped from the peer group.

Elements of Compensation

The elements of compensation that may be paid to our executive officers include base salary, annual incentive cash bonuses, and equity compensation. All components of each named executive officers compensation are annually reviewed in relationship to benchmark data provided by Radford, compared to our other executive officers, and performance.

Base Salaries. We generally establish base salaries at a level necessary to attract and retain the talent we need to achieve our plans. The Board of Directors generally reviews base salaries in the first quarter of each year and approves any changes based on market data (as noted above), its subjective assessment of the executive's scope of responsibility, level of experience, individual performance, and past and potential contribution to our business. The Committee's objective is to target base salaries at the 50th percentile of our peer companies. In 2013, Radford provided our Committee with an analysis of data from our peer companies and additional medical industry data to review salary ranges for our named executive officers. The Committee reviewed and discussed this data in establishing 2014 salaries. For 2014, named executive officer salaries increased between 1-5%, except Mr. Hughes' salary increased 12% based on market data. Generally, the base salaries for the named executive officers were at or around the 50th percentile of our peer companies.

Annual Incentive Cash Bonuses. A substantial element of each named executive officer's compensation is contingent upon achieving corporate objectives. The Board of Directors has exclusive discretion, acting on the recommendation of the Committee, to award bonuses to our executives, including the named executive officers, as an incentive for employee productivity and effectiveness over the course of each fiscal year in achieving those corporate objectives.

Since fiscal year 2011 the Committee and the Board of Directors have approved an Incentive Bonus Plan for both executive and non-executive management that funds predominantly based on STAAR having met or surpassed financial metrics established by the Board of Directors at the beginning of each fiscal year. The Committee establishes minimum financial objectives of net revenue and net income that the Company must reach in order to start funding the bonus pool. As Company performance increases over the predetermined minimum thresholds additional dollars are added to the bonus pool. After the Committee determines the extent to which the bonus pool is funded, based upon the relative achievement of the pre-established financial objectives, the determination of individual bonus awards is based upon each executive's performance relative to their respective performance goals.

Each of our current named executive officers has an established annual bonus target, as do the other key managers. The Committee determines these targets based on any pre-existing contractual commitments and through discussion regarding the executives' levels of salary and responsibility, equity among peer level officers and benchmark data.

The named executive officer's target bonus opportunity for 2014 is provided in the table below.

Named Executive Officer	Base Salary	Target	Target
		Bonus Payment	Bonus Percentage
Barry Caldwell	\$512,000	\$384,000	75%
Stephen Brown	\$305,000	\$122,000	40%
James Francese	\$268,000	\$107,200	40%
Samuel Gesten	\$323,000	\$145,350	45%
Robin Hughes	\$325,000	\$130,000	40%

In the first quarter of each year, our management, in consultation with the Board of Directors, establishes individual objectives for each executive (MBOs). The objectives typically relate to current year financial goals and milestones for projects or non-financial goals. If there is more than one objective for an executive, they may be weighted with the sum of the weights totaling 100%.

The Committee makes the performance evaluation regarding the Chief Executive Officer, and in the case of other executives, the Committee reviews performance evaluations relative to their MBOs prepared by the Chief Executive Officer. Each executive's performance relative to their MBOs provides guidance to the Committee, which retains significant discretion in deciding what portion, if any, of the targeted bonus amount will be recommended to the Board of Directors to be awarded. The Committee also has the discretion to recommend compensation in excess of target amounts to the Board of Directors in cases of extraordinary performance, especially if that performance relates to new challenges or opportunities not originally identified in the MBO process. The Company-wide performance, the individual's performance and the bonus target then used as a guideline for each officer's bonus determination. Management may make further recommendations, and the Committee then weighs both objective and subjective standards in following or departing from the guideline bonus amount. Finally, the Board of Directors exercises its own independent discretion in approving bonus determinations based on those recommendations.

Long-Term Equity Compensation. The Committee believes that long-term equity incentive awards serve to align the interests of the executive officers with the interests of our stockholders. Long-term equity incentive awards may be granted in the form of either stock options, restricted shares or other types of equity. In determining the size of equity grants to our executives officers, the Committee considers the peer group information, individual performance and level of responsibility in the company, and recommendations of the Chief Executive Officer regarding executive officers. The Committee decides on the allocation among the different forms of equity compensation consistent with the strategy of providing executives with a balanced portfolio of equity vehicles.

Stock options. Stock options become valuable if the price of our common stock rises after we grant the options. The Committee sets the exercise price of a stock option on the date of grant at fair market value, which is the closing price of our common stock on the NASDAQ Stock Market on that date. Under the 2003 Omnibus Plan, STAAR may not grant stock options having an exercise price below fair market value of our common stock on the date of grant. STAAR does not grant stock options with a so-called "reload" feature. To encourage retention by providing a long-term incentive, the ability to exercise an option vests over a period of years, normally three years.

Restricted shares/Restricted stock units. Restricted shares and restricted stock units are shares of common stock that STAAR grants or promises to grant subject to restrictions on sale or transfer for a specified period of time. For time-vesting awards, restricted shares are forfeited back to STAAR if the grantee's service to STAAR terminates before the end of the vesting period. Vesting of restricted shares and restricted stock units occurs when the restricted period ends and the grantee obtains full rights of ownership over the shares. Time-vesting restricted stock and restricted stock units provides a long-term incentive by aligning the grantee's interests with those of the stockholders and encourages retention through the risk of forfeiture if the grantee ceases working for us during the restricted period.

Beginning in 2012, we have also granted performance-contingent restricted stock unit awards, which do not vest unless pre-established performance goals are achieved. Performance-contingent restricted stock units encourage achievement of specific goals that the Board of Directors has determined are in the best interest of stockholders.

Performance Accelerated Restricted Shares. Beginning in 2011 STAAR has issued performance accelerated restricted shares (PARS) to its executive officers. PARS are restricted shares as described above, but with a relatively long vesting period and a provision that, if we meet or exceed predetermined performance metrics set by the Board of Directors, a portion of the shares will vest early. For example, the PARS granted to date fully vest three years from the date of grant, but vesting of up to one third of the grant may be accelerated annually if we exceed the pre-established operating metrics. STAAR believes that PARS are a useful tool because they reward not only retention but the achievement of specific goals that the Board of Directors has determined are in the best interest of stockholders.

2014 Bonus and Equity Determinations

As described above, our bonus pool is funded based upon how well we perform against pre-established corporate objectives. For 2014, these corporate objectives were a combination of year-over-year revenue growth, net income growth and execution of certain operating projects. The minimum thresholds to begin funding the bonus pool were achievement of \$72 million in net revenue and positive net income. The funding of the bonus pool would increase as our financial performance increased above previous year revenue and net income, so that upon reaching predetermined annual targets of \$82 million in net revenue and \$5.7 million in net income in constant currency, the pool would be funded at 100% of the target bonus amounts.

In 2014, we did not achieve our corporate objectives regarding revenue growth (goal of 8% to 10% increase), ICL growth (goal of 20% increase), gross margin improvement (65.1% target), full-year profitability, or manufacturing consolidation without disruption. As discussed above, a significant percentage of our named executive officers' annual compensation is "at risk" and tied to performance. Following the end of the 2014 fiscal year, the Committee and the Chief Executive Officer evaluated our disappointing performance relative to the corporate objectives above. As of result of our performance in 2014, no bonuses were earned by our named executive officers under our 2014 annual incentive cash bonus plan:

Named Executive Officer	Base Salary	Bonus Payment	Bonus Percentage
Barry Caldwell	\$512,000	\$ 0	0
Stephen Brown	\$305,000	\$ 0	0
James Francese	\$268,000	\$ 0	0
Samuel Gesten*	\$323,000	\$ 0	0
Robin Hughes*	\$325,000	\$ 0	0

* *One-time Discretionary Bonuses.* In June 2014, Messrs. Hughes and Gesten received a discretionary bonus approved by the Board of \$30,000 and \$15,000, respectively, for their contributions to the preparation and presentation of STAAR's Toric ICL PMA Supplement to an FDA Advisory Committee.
