EXHIBITS

Exhibit Number

- 1.1 Announcement regarding spectrum usage fees for GSM network, dated May 2, 2002.

FORWARD-LOOKING STATEMENTS

The Announcement, constituting Exhibit 1.1 to this Form 6-K, contains forward-looking statements that are, by their nature, subject to significant

Edgar Filing: CHINA MOBILE HONG KONG LTD /ADR/ - Form 6-K

risks and uncertainties. Such forward-looking statements include, without limitation, statements relating to the Company's expenses in the future and the Company's financial and other performances.

Such forward-looking statements reflect the current views of the Company with respect to future events. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation, any further restructuring of the telecommunications industry, any changes in regulatory policies of the Ministry of Information Industry and other relevant government authorities, the effects of competition of the demand and price of the Company's cellular services, any changes in wireless and related technology, which could affect the viability and competitiveness of the Company's cellular networks and its cellular and other services, and changes in political, economic, legal and social conditions in China including the Chinese government's policies with respect to economic growth, foreign exchange, foreign investment and entry by foreign companies into China's telecommunications market. In addition, the Company's future network expansion and other capital expenditure and development plans are dependent on numerous factors, including the availability of adequate financing on acceptable terms, the adequacy of currently available spectrum or the availability of additional spectrum, the availability of transmission lines and equipment when required on acceptable terms, and the availability of qualified management and technical personnel.
