Section- Registrant's Business and Operations**Item 1.01 Entry into a Material Definitive Agreement**

On February 15, 2007, the conditions to closing the recent financing by Tethys Petroleum Limited, a company incorporated under the laws of the Bailiwick of Guernsey and a wholly owned indirect subsidiary of CanArgo (TPL) were satisfied and accordingly TPL issued 33,500,575 ordinary shares of £0.01 each to a limited group of private investors and 1,173,815 ordinary shares of £0.01 each to certain agents as commission representing in aggregate approximately 33% of the issued and outstanding share capital of TPL for approximately US\$17.3 million in gross proceeds (the TPL Financing). The net proceeds from the TPL Financing in the amount of approximately US\$16.8 million will be used to fund the operations of TPL and its wholly owned subsidiary Tethys Kazakhstan Limited, a company incorporated under the laws of the Island of Guernsey (TKL).

Investment Agreement. TPL and its parent CanArgo Limited, an indirect wholly owned subsidiary of CanArgo incorporated under the laws of the Bailiwick of Guernsey (CanArgo Limited) entered into a conditional investment agreement with its new investors in connection with the TPL Financing on January 24, 2007 (the Agreement). Pursuant to the Agreement, TPL issued on February 15, 2007 an aggregate of approximately 34.7 million ordinary shares of £0.01 each in the capital of TPL to a limited group of private investors (the Investors), representing approximately 33% of the issued and outstanding share capital of TPL, for a subscription price of US\$0.50 per ordinary share. TPL received gross proceeds of approximately US\$17.3 million pursuant to the TPL Financing. Included in the ordinary shares issued in connection with the TPL Financing were approximately 1.1 million ordinary shares issued to certain agents as commission.

Under the terms of the Agreement, TPL is subject to certain positive and negative covenants which require the consent of the holders of not less than 75% of the ordinary shares in issue in TPL from time to time (the Shareholder Majority). These covenants include respectively (a) providing current financial and business information regarding TPL and rights of inspection; CanArgo Limited appointing an independent board and TPL appointing and retaining an auditor of appropriate standing and experience; conducting its business and affairs in a manner consistent with the Agreement and the articles of associate of TPL; maintenance of insurance and accounting records; the business of TPL is to be exclusively exploration, production, processing, transportation, marketing and selling of crude oil, oil products, natural gas, natural gas liquids and related products; the business of TPL other than routine day to day business is to be transacted by the TPL board; and (b) restrictions on: creating security interests or liens over TPL property and assets (except specified exemptions or those created in the ordinary course of business); sale of the business, assets or a substantial part of TPL other than in the ordinary course of business; altering the authorized or issued share capital of TPL or the granting of any options or like rights to acquire any share capital of TPL (other than specified permitted issuances); disposal of the

business or all or part of the share capital of TPL or any interest in TPL or any member of the TPL group; altering the constitutional documents of TPL; taking steps to have a member of the TPL group wound up or put into administration; capitalizing profits of TPL or sums standing to the credit of the share premium account or capital redemption reserve or any other reserve of TPL; entering a contract to purchase any of its share capital or passing a resolution to approve such a contract.

Certain basic warranties are provided in the Agreement (i) to TPL by the Investors; and (ii) to the Investors by CanArgo Limited and TPL. The Agreement also outlined certain provisions in relation to the conduct of the TPL business and provided that the intention of TPL, CanArgo Limited and the Investors is to use their reasonable endeavors to work towards a listing of TPL as soon as practicable, subject to (i) the financial and commercial circumstances of TPL, and the pre-money valuation of TPL prior to the listing being acceptable to the Shareholder Majority; and (ii) the terms and amounts (if any) raised by TPL on such listing being acceptable to the board of TPL. The Agreement provides that in the event of a deadlock TPL will invite sealed bids from all of the parties to the Agreement to buy TPL with the highest bidder being entitled to buy out the remaining parties at the price specified in their bid or in the event that there are no bids TPL shall be wound up and the assets shall be distributed to the parties in proportion to their ownership at that time. The Agreement terminates in the event of (i) a listing of TPL; (ii) any person acquiring 100% of the share capital of TPL; (iii) an insolvency event of TPL; and (iv) in respect of an individual shareholder upon such shareholder ceasing to hold shares in TPL.

The Agreement is governed by English law and all parties subject themselves to the jurisdiction of the courts of England and Wales.

Senior Secured Notes. On July 25, 2005, CanArgo entered into a Note Purchase Agreement (Senior Secured Note Purchase Agreement) with a group of private investors (the Senior Secured Note Purchasers). In addition, on February 9, 2007, the Senior Secured Note Purchasers entered into a certificate of discharge thereby terminating the Tethys Pledge (the Discharge) and entered into a new pledge of all of the outstanding stock of TPL held by CanArgo Limited (the New Pledge Agreement) in favour of the Senior Secured Note Purchasers.
