Item 8.01 Other Events

On March 23, 2005, Metromedia International Group, Inc. (the "Company")

## Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form 8-K/A

announced that it has not fully completed the preparation of its consolidated financial statements and footnote disclosures for the annual audit of the Company, as required for filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 (the "Form 10-K"), and therefore does not expect that it will file its Form 10-K with the United States Securities and Exchange Commission ("SEC") by March 31, 2005, the required date in order for the Form 10-K to be timely filed. The Company also announced that upon the determination that the Company's 2004 financial results are not subject to substantial change, the Company plans to issue a press release containing its 2004 financial results to provide further insight on its 2004 business performance.

The delay in filing the Form 10-K is attributable to the additional time required by the finance teams of the Company's PeterStar and Magticom business ventures to prepare and finalize their final US GAAP financial results, which in turn has significantly delayed the completion of audit procedures by the Company's outside independent accountants for these business ventures. At present, the Company anticipates that the final US GAAP financial results reports for PeterStar and Magticom will be finalized and delivered to the Company shortly, and upon their receipt, the Company will finalize its consolidated financial statements and management's discussion and analysis of the Company's financial condition and results of operation.

Shortly following the Company's filing of the Form 10-K, the Company expects to file with the SEC a preliminary proxy statement on Schedule 14A and schedule a meeting of the Company's stockholders for consideration of the previously announced proposed sale of the Company's interest in PeterStar and for the election of directors by the holders of the Company's common and preferred stock. Assuming approval of the sale of the Company's interest in PeterStar by a majority of the holders of the Company's common stock at such stockholder meeting, the Company presently expects to consummate the sale of PeterStar during the third quarter of this year.

At present, the Company can not provide any further guidance as to when the Form 10-K will be filed with the SEC or when the annual audited financial statements will be completed.

The press release announcing this matter is attached as Exhibit 99.1 and is incorporated herein by reference.

### Additional Information and Where to Find It:

The Company and its directors, executive officers, certain members of management and certain employees may be deemed to be participants in the solicitation of proxies in respect of the proposed sale. its 2003 annual meeting of stockholders filed with the SEC on October 20, 2003.
