earlier letter received from the Exchange notifying Orion of its failure to comply with listing standards in connection with two issuances of common stock in 2003 and 2004 without advanced shareholder approval. The April 5th letter stated that the American Stock Exchange has granted the Company an extension of time to regain compliance with the continued listing standards. The Company will be subject to periodic review by Exchange staff during the extension period, which ends May 31, 2005. Failure to make progress consistent with the plan or to regain compliance with the continued listing standards by the end of the extension period could result in the Company being delisted from the American Stock Exchange. Pursuant to its compliance plan, the Company intends to submit the prior stock issuances for stockholder approval at the 2005 Annual Meeting of Stockholders.

Attached is a copy of a press release issued on April 12, 2005, by Orion regarding the Exchange action. Also attached is a copy of the Exchange's April 5, 2005, letter to the Company.
