Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 21, 2005, the Board of Directors of the Company approved an amendment to the Bylaws of the Company to change the current plurality vote standard for director elections to a majority vote standard. The amendment was effective May 21, 2005 following the completion of the 2005 annual meeting of shareholders.

The text of the new Bylaw provision follows:

"A majority of the shares of the respective class of the Capital Stock outstanding and eligible to vote in the election shall elect each Director for such class. "Majority" as used in the preceding sentence with respect to any nominee for Director is defined to mean that the affirmative vote of more than one half (1/2) of the shares of the respective class outstanding and eligible to vote in the election has been cast for such Director."

Following is the old Bylaw provision, which has been replaced in its entirety by the new Bylaw provision:

"If, at such time, the Certificate of Incorporation does not provide for election by a particular class, then persons shall be placed in nomination for election by the Capital Stock of the Corporation entitle to vote for Directors. If persons have been nominated for election as Directors for a particular class of the Capital Stock of the Corporation, a plurality of the shares of the respective class cast in the election shall elect the Directors for such class. If persons have not been nominated for election as Directors for a particular class of the Capital Stock of the Corporation, then a plurality of the shares of Capital Stock in the election for Directors shall elect the Directors."
