**Item 8.01 Other Events**

On January 15, 2009, DeVry Inc. issued a press release announcing two transactions as part of its ongoing real estate optimization program. DeVry University has signed a lease on a new location in Long Beach, Calif. DeVry University will relocate from its current facility in Long Beach to the new location which is scheduled for completion in March 2010. In addition, the Company has entered into an agreement to buy out of a portion of its lease at DeVry University's Long Island City, New York, campus. The full text of that press release is included in Exhibit 99.1 in this Form 8-K.

*Forward Looking Statements*

Certain statements contained in this Form 8-K and related press release, including those that affect DeVry's expectations or plans, may constitute forward-looking statements subject to the Safe Harbor Provision of the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally can be identified by phrases such as DeVry Inc. or its management "anticipates," "believes," "estimates," "expects," "forecasts," "foresees," "intends," "plans," "may," "might," "will," "could," "should," "intends to," "may be," "may not," "may have," "may not have," "may be able to," "may not be able to," "may be subject to," "may not be subject to," "may be dependent on," "may not be dependent on," "may be contingent on," "may not be contingent on," "may be subject to the availability of," "may not be subject to the availability of," "may be subject to the approval of," "may not be subject to the approval of," "may be subject to the terms and conditions of," "may not be subject to the terms and conditions of," "may be subject to the performance of," "may not be subject to the performance of," "may be subject to the actions of," "may not be subject to the actions of," "may be subject to the decisions of," "may not be subject to the decisions of," "may be subject to the actions of third parties," "may not be subject to the actions of third parties," "may be subject to the actions of government," "may not be subject to the actions of government," "may be subject to the actions of competitors," "may not be subject to the actions of competitors," "may be subject to the actions of customers," "may not be subject to the actions of customers," "may be subject to the actions of suppliers," "may not be subject to the actions of suppliers," "may be subject to the actions of industry," "may not be subject to the actions of industry," "may be subject to the actions of market," "may not be subject to the actions of market," "may be subject to the actions of economy," "may not be subject to the actions of economy," "may be subject to the actions of technology," "may not be subject to the actions of technology," "may be subject to the actions of other factors," "may not be subject to the actions of other factors," "may be subject to the actions of other parties," "may not be subject to the actions of other parties," "may be subject to the actions of other events," "may not be subject to the actions of other events," "may be subject to the actions of other circumstances," "may not be subject to the actions of other circumstances," "may be subject to the actions of other conditions," "may not be subject to the actions of other conditions," "may be subject to the actions of other risks," "may not be subject to the actions of other risks," "may be subject to the actions of other uncertainties," "may not be subject to the actions of other uncertainties," "may be subject to the actions of other factors of similar import," "may not be subject to the actions of other factors of similar import," "may be subject to the actions of other words or phrases of similar import," "may not be subject to the actions of other words or phrases of similar import."

Because these forward-looking statements involve risks and uncertainties, there are important factors that could cause DeVry's actual results to differ materially from those projected or implied by these forward-looking statements. Additional information regarding factors that could cause results to differ can be found in DeVry's Annual Report on Form 10-K for the fiscal year ended June 30, 2008.

These forward-looking statements are based on information as of January 15, 2009, and DeVry assumes no obligation to publicly update or revise its forward-looking statements even if experience or future changes make it clear that any projected results expressed or implied therein will not be realized.
