Explanatory Note:

On June 4, 2014, Advanced Photonix, Inc. (the “Company”) filed a Current Report under the cover of a Form 8-K (the “Original 8-K”) with the Securities and Exchange Commission (the “Commission”) to report its entry into an underwriting agreement with B. Riley & Co., LLC, as sole underwriter for the offer and sale in a firm commitment underwritten public offering of the Company’s Class A Common Stock, par value \$0.001 per share (the “Common Stock”). The transaction was expected to close on or about June 6, 2014, subject to the satisfaction of customary closing conditions for transactions of this nature.

This Amendment No. 1 on Form 8-K/A (the “Amendment”) is being filed to amend the Original 8-K to report the closing of the transaction and file a copy of the opinion of Dornbush Schaeffer Strongin & Venaglia, LLP relating to the legality of the issuance and sale of the shares of Common Stock issued to B. Riley & Co., LLC pursuant to the underwriting agreement.

Item 1.01 - Entry Into a Material Definitive Agreement.

As previously reported in the Original 8-K, the Company entered into an underwriting agreement (the “Underwriting Agreement”) with B. Riley & Co., LLC, (the “Underwriter”) as sole underwriter for the offer and sale in a firm commitment underwritten public offering of 5,391,304 shares of the Company’s Common Stock at a price to the public of \$0.530 per share (\$0.493 per share, net of underwriting discounts) (the “Offering”). Pursuant to the Underwriting Agreement, the Company also (i) granted to the Underwriter a 30-day option to purchase up to an additional 808,696 shares of Common Stock to cover over-allotments, if any, at the same price and (ii) agreed to reimburse the Underwriter for certain of its out-of-pocket expenses.

The Offering was (i) made pursuant to a prospectus supplement dated May 30, 2014, and an accompanying prospectus dated May 5, 2014 pursuant to the Company’s existing shelf registration statement on Form S-3 (File No. 333-195689), which was filed with the Commission on May 5, 2014 and declared effective by the Commission on May 12, 2014; and (ii) subject to the satisfaction of customary closing conditions for transactions of this nature including, but not limited to, NYSE MKT approval of the Company’s additional listing application to list the Common Stock issued accordance with the Underwriting Agreement on NYSE MKT (the “Additional Listing Application”). On June 5, 2014, NYSE MKT approved the Additional Listing Application and the Offering closed on June 6, 2014, when the Company and Underwriter satisfied the other closing conditions.

The net proceeds to the Company from selling 5,391,304 shares of the Company’s Common Stock in the Offering, after underwriting discounts and estimated transaction expenses, are anticipated to be approximately \$2,552,374. The Company intends to use the net proceeds of the Offering to reduce its outstanding indebtedness and pay certain related fees.

The foregoing description of the Underwriting Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Underwriting Agreement, a copy of which was attached as Exhibit 1.1 to the Original 8-K and the terms of which are incorporated herein by reference. A copy of the opinion of Dornbush Schaeffer Strongin & Venaglia, LLP relating to the legality of the issuance and sale of the shares of Common Stock in the Offering is attached as Exhibit 5.1 hereto.

The Underwriting Agreement has been included to provide investors and stockholders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of Underwriting Agreement and as of specific dates, were solely for the benefit of the parties to the Underwriting Agreement, may be subject to limitations agreed upon by the contracting parties (including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Underwriting Agreement instead of establishing these matters as facts) and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Underwriting Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Underwriting Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
