Item 1.01. Entry into a Material Definitive Agreement.

On September 3, 2015, Molina Healthcare, Inc. (the “Company”) announced that it has entered into a Membership Interest Purchase Agreement (the “Purchase Agreement”) with The Providence Service Corporation (“PSC”) and Ross Innovative Employment Solutions Corp. (“Ross” and, together with PSC, the “Sellers”). Upon the closing of the transactions contemplated by the Purchase Agreement (the “Closing”), the Company will acquire from the Sellers all of the membership interests held by the Sellers in Providence Human Services, LLC and Providence Community Services, LLC, comprising PSC’s Human Services segment, in exchange for cash proceeds of approximately \$200 million (the “Transaction”). The purchase price will be subject to customary working capital and closing adjustments.

The Purchase Agreement contains customary representations and warranties of the parties, customary covenants regarding the conduct of business by the Sellers prior to the Closing and other typical matters. Following the Closing, the Company will have certain rights to indemnification for breaches of representations and warranties, covenants and other matters as specified in the Purchase Agreement, subject to customary baskets, caps and other limitations set forth therein and supported by an escrow of \$10 million of the Transaction proceeds.

The Purchase Agreement is subject to termination under customary circumstances, including:

by the written consent of PSC and the Company;

by the nonbreaching party if any Seller, on the one hand, or the Company on the other hand, breaches its representations and warranties or covenants under certain circumstances;

by either PSC or the Company if the Closing is not consummated on or prior to the sixty day anniversary of the effective date of the Purchase Agreement (subject to extension to an additional fifteen business days thereafter under certain circumstances);

by either PSC or the Company if any governmental authority issues a judgment, order, decree or other ruling permanently enjoining, or otherwise prohibiting the transactions contemplated by the Purchase Agreement, and such judgment, order, decree or other ruling becomes final and non-appealable; and

by PSC in the event that all closing conditions have been satisfied or waived but Buyer fails to consummate the Closing, in which event Buyer will pay the Sellers a \$15 million fee if the Purchase Agreement is terminated under this circumstance.

The Transaction is expected to close in the fourth quarter of 2015, subject to customary regulatory approvals including clearance under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, and closing conditions including the performance by the parties of their respective obligations under the Purchase Agreement and the accuracy of each party’s representations and warranties set forth therein.

The foregoing description of the Purchase Agreement does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the Purchase Agreement, which is filed as Exhibit 2.1 to this Current Report and is incorporated herein by reference.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: This Current Report on Form 8-K contains “forward-looking statements” regarding the Membership Interest Purchase Agreement entered into by The Providence Service Corporation, Ross Innovative Employment Solutions Corp., and the Company. All forward-looking statements are based on current expectations that are subject to numerous risk factors that could cause actual results to differ materially. Such risk factors include, without limitation, risks related to: the timely closing of the acquisition, including the need to obtain third party consents, regulatory approvals and clearance under the Hart-Scott-Rodino (HSR) Antitrust Improvement Act of 1976; any conditions imposed on the parties in connection with consummating the transaction described herein; the ability of Providence Human Services and Providence Community Services (together, the “Acquired Companies”) to maintain relationships with customers and employees following the announcement of this transaction; the ability of the parties to satisfy other conditions to closing the transaction described herein; the integration of the operations and employees of the Acquired Companies’ businesses into the Company’s business; the retention and renewal of the Acquired Companies’ business contracts; synergies from the proposed transaction; the Acquired Companies’ future financial conditions and operating results; and the possibility that the transaction will not be completed on a timely basis or at all.
