fiscal year ended June 30, 2002 and for the review of consolidated financial statements included in the quarterly reports on Form 10Q. The aggregate fees billed by KPMG LLP for professional services rendered for the audit of the Company's annual financial statements for the year ended June 30, 2002 and the reviews of the financial statements included in the Company's quarterly reports on Form 10Q during the year were approximately \$54,000. No additional fees were billed by KPMG for other professional services during fiscal year 2002.

The Board of Directors, upon recommendation of the Audit Committee, has selected the firm of KPMG LLP to audit the consolidated financial statements of the Company for the fiscal year ending June 30, 2003. A representative of KPMG LLP is expected to be present at the Meeting, have an opportunity to make a statement, and be available to respond to appropriate questions.

The Board of Directors recommends a vote "FOR" the proposal to ratify the appointment of KPMG LLP as independent auditors for the fiscal year ending June 30, 2003.

VOTING PROCEDURES

Each proposal submitted to the Company's stockholders for a vote is deemed approved if a majority of the shares of Common Stock of the Company present in person or by proxy at a meeting at which a quorum is present votes in favor of the proposal. The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting constitutes a quorum. A stockholder is entitled to one vote for each share owned.

Stockholder votes are tabulated by the Company's Registrar and Transfer Agent. Proxies received by the Registrar, if such proxy is properly executed and delivered, will be voted in accordance with the voting specifications made on such Proxy. Proxies received by the Registrar on which no voting specification has been made by the stockholder will be voted FOR all items discussed in the Proxy Statement, in the manner stated on the proxy card. Stockholders who execute and deliver proxies retain the right to revoke them by notice in writing delivered to the Company's Secretary at any time before such proxies are voted.

Under applicable Delaware corporate law and the Charter and By-Laws of the Company, proxies received by the Registrar specifying an abstention as to any proposal will cause the shares so represented to be counted toward a quorum, but are not counted as favorable votes and, therefore, have the same effect as a vote against the proposal. To the extent holders or brokers having the right to vote shares do not attend the meeting or return a proxy, such shares will not count toward a quorum, and if a quorum is otherwise achieved, will have no effect on the vote of the proposals considered at the meeting which shall be based solely upon the vote of the shares represented at the meeting.

2003 ANNUAL MEETING OF STOCKHOLDERS

If any stockholder intends to present a proposal for consideration at the 2003 Annual Meeting of Stockholders, such proposal must be received by the Company on or before September 1, 2003, in order to be included in the Company's Proxy Statement and form of proxy for such meeting. Nothing in this paragraph shall be deemed to require the Company to include in its proxy

-7-

statement and form of proxy relating to the 2003 Annual Meeting of Stockholders any stockholder proposal which does not meet all of the requirements for such inclusion established by the Securities and Exchange Commission at that time in effect.

As of the date of this Proxy Statement, the Board of Directors knows of no matters, other than those stated above, that may be brought before the Meeting. However, if other matters do properly come before the Meeting, the persons named in the enclosed proxy will vote upon them in their discretion and in accordance with their best judgment.

AUDIT COMMITTEE REPORT

The Audit Committee reviews and supervises the Company's procedures for recording and reporting the financial results of its operations on behalf of the Board of Directors. The Company's management has primary responsibility for the consolidated financial statements and the reporting process, including the systems of internal controls.

The Audit Committee consists of four members of the Board, and each member of the Audit Committee is independent of the Company and its management. The Board adopted a written charter, a copy of which is included as Appendix A to this proxy statement. The charter specifies the scope of the Audit Committee's responsibilities and how it carries out those responsibilities.

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended June 30, 2002 and has discussed those financial statements with the Company's management and the independent auditors. The Audit Committee has reviewed and discussed the Company's unaudited financial statements for the quarters ended September 30, 2001, December 31, 2001 and March 31, 2002 with management and with KPMG LLP.

The Audit Committee has also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, as amended. The Audit Committee has also received from KPMG the written disclosures required by Independence Standards Board Standard No. 1 regarding their independence, and has discussed with KPMG their independence relative to the Company.

Based on the reviews and discussion described above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements for the fiscal year ended June 30, 2002 be included in the Company's Annual Report on Form 10-K for the year then ended to be filed with the Securities and Exchange Commission.
