Tri-Continental Corporation an investment you can live with

September 18, 2006

Dear Valued Stockholder:

We have not yet received your vote for Tri-Continental Corporation's September 28th Special Meeting. Time is running out. Every vote counts. Please vote today.

We urge you to send a clear message to the hedge funds that you do not want them to radically alter your investment. We believe their ultimate intention is to open-end or liquidate Tri-Continental, despite their recent claims to the contrary.

Tri-Continental's strong investment results continue. Total return, based on market price, over the past three years exceeds 40%. Equally impressive, Tri-Continental's year-to-date, one-, and three-year investment results on both NAV and market price surpass the S&P 500.

	Return	Average Annu	al Returns	Cumulative Return
	Year-to-Date	1 Year	3 Years	3 Years
Market Price	12.6%	14.7%	12.4%	41.8%
NAV	8.3	10.7	11.4	38.3
S&P 500	7.2	9.6	11.1	37.3

Based on total return as of Friday, September 15, 2006

Please take a minute to sign and date the enclosed WHITE proxy card and return it in the postage paid envelope provided. If you would prefer to cast your vote with a live person, please contact Georgeson, our proxy firm, at 888-219-8293.

Your vote is critical. We need your help, regardless of the number of shares owned, to defeat these hedge funds and protect your investment. Please act today.
