### ITEM 5.03. AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR.

(a) On October 4, 2006, the Company's Board of Directors amended and restated the Company's Amended and Restated Bylaws, as follows:

- o Section 1.1 was amended to provide that the Company's Annual Meeting will be held on the date and at the time and place designated by the Board of Directors. Section 1.1 previously provided that the Annual Meeting would be held on the second Tuesday in June, unless another date was fixed by the Board.
- o Section 1.8 has been updated to provide for the availability of a stockholder list prior to Annual Meetings to reflect changes in the Delaware General Corporation Law permitting the use of electronic facilities and also revises the provision regarding rights of recordholders in view of changes to the Delaware General Corporation Law permitting beneficial owners to inspect corporate books and records under circumstances provided by statute.
- o Section 1.10 now provides that directors are elected by a plurality of the shares present and entitled to vote. Section 1.10 previously provided that the vote of a majority of the stock present at a meeting and entitled to vote would decide any question unless a greater vote was required by law.
- o Section 2.2 now provides that the number of directors shall be as determined, from time to time, by resolution of the directors and that the Classes shall be as nearly equal as possible. Section 2.2 previously provided for a board of seven directors, specified the number of directors in each Class and required amendment of the Bylaws to increase or decrease the number of directors.
- o Section 2.7 was amended to conform and clarify the changes in the quorum requirements based on the changes to Section 2.2 and reflects the statutory requirement that a quorum may not consist of less than one third of the total number of directors constituting the full Board of Directors.
