**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**Why am I receiving this Proxy Statement?**

This Proxy Statement is furnished by the Board of Equity Commonwealth, a Maryland real estate investment trust, in connection with the Board's solicitation of proxies for the Annual Meeting, and any adjournments or postponements thereof, to be held June 20, 2017, at 1:00 p.m., Central Time, at Two North Riverside Plaza, Chicago, Illinois 60606. This Proxy Statement is first being made available to shareholders on or about April 21, 2017. Unless the context requires otherwise, references in this Proxy Statement to "Equity Commonwealth," "we," "our," "us" and the "Company" refer to Equity Commonwealth, together with its consolidated subsidiaries.

**Why didn't I automatically receive a paper copy of the Proxy Statement, proxy card and Annual Report?**

Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials via the Internet. Accordingly, rather than paper copies of our proxy materials, we are sending a Notice of Internet Availability of Proxy Materials (the "Proxy Notice") to our shareholders.

**How can I receive electronic access to the proxy materials?**

The Proxy Notice includes instructions on how to access our proxy materials over the Internet at [www.proxyvote.com](http://www.proxyvote.com) and how to request a printed set of the proxy materials by mail or an electronic set of materials by e-mail.

In addition, shareholders may request to receive future proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing documents to you and will reduce the environmental impact of our annual meetings. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and the proxy voting site. Your election to receive future proxy materials by e-mail will remain in effect until you terminate it.

**What am I being asked to vote on?**

You are being asked to vote on the following proposals:

***Proposal 1 (Election of Trustees):*** the election of 11 trustees to our Board;

***Proposal 2 (Advisory Vote on Executive Compensation):*** the approval, on a non-binding advisory basis, of the compensation of our named executive officers;

***Proposal 3 (Advisory Vote on Frequency of Advisory Vote on Executive Compensation):*** the selection, on a non-binding advisory basis, of the frequency with which the advisory vote on executive compensation should be held; and

***Proposal 4 (Ratification of the Appointment of Ernst & Young LLP):*** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017.

Our Board knows of no other matters to be brought before the Annual Meeting.

Table of Contents

**What are the Board's voting recommendations?**

The Board recommends that you vote as follows:

**Proposal 1 (Election of Trustees): "FOR"** each of the Board's nominees for election as trustee;

**Proposal 2 (Advisory Vote on Executive Compensation): "FOR"** approval, on a non-binding advisory basis, of the compensation of our named executive officers;

**Proposal 3 (Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation): "ONE YEAR,"** on a non-binding advisory basis, for the frequency of holding advisory votes on executive compensation; and

**Proposal 4 (Ratification of the Appointment of Ernst & Young LLP): "FOR"** ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017.

**Who is entitled to vote at the Annual Meeting?**

The close of business on April 12, 2017 has been fixed as the record date (the "Record Date") for the Annual Meeting. Only shareholders of record of our common shares of beneficial interest, \$0.01 par value per share ("common shares"), at the close of business on the Record Date are entitled to notice of, to attend, and to vote at the Annual Meeting. On April 12, 2017, we had approximately 124,064,195 common shares outstanding.

**What are the voting rights of shareholders?**

Each common share is entitled to one vote on each matter to be voted on.

**How do I vote?**

If your shares are registered directly in your name with our transfer agent, Wells Fargo Bank, National Association, you are considered the shareholder of record with respect to those shares and the Proxy Notice was sent directly to you by us. In that case, you may instruct the proxy holders named in the proxy card (the "Proxy Agents") how to vote your common shares in one of the following ways:

*Vote online.* You can access proxy materials and vote at [www.proxyvote.com](http://www.proxyvote.com). To vote online, you must have the shareholder identification number provided in the Proxy Notice.

*Vote by telephone.* If you received printed materials, you also have the option to vote by telephone by following the "Vote by Phone" instructions on the proxy card.

*Vote by regular mail.* If you received printed materials and would like to vote by mail, please mark, sign and date your proxy card and return it promptly in the postage-paid envelope provided.

Proxies submitted over the internet, by telephone or by mail must be received by 11:59 p.m. Eastern Time on June 19, 2017.

Table of Contents

If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in "street name," and the Proxy Notice was forwarded to you by that organization. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. You should instruct your broker or nominee how to vote your shares by following the voting instructions provided by your broker or nominee.

**How are proxy card votes counted?**

Proxies submitted properly via one of the methods discussed above will be voted in accordance with the instructions contained therein. If the proxy is submitted but voting instructions are not made, the proxy will be voted "FOR" each of the 11 trustee nominees, "FOR" approval, on a non-binding advisory basis, of the compensation of our named executive officers, "ONE YEAR" for the frequency of the advisory vote on executive compensation and "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, and in such manner as the Proxy Agents, in their discretion, determine upon such other business as may properly come before the Annual Meeting. If the proxy is submitted and voting instructions are made for some, but not all, of the proposals, as to matters in which instructions are given, the proxy will be voted in accordance with those instructions, and for all other proposals, the proxy will be voted as described in the prior sentence.

If your common shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, under applicable rules of the New York Stock Exchange (the "NYSE") (the exchange on which our common shares are traded), the brokers will vote your shares according to the specific instructions they receive from you. If brokers that hold common shares for a beneficial owner do not receive voting instructions from that owner at least 10 days prior to the Annual Meeting, the broker may vote only on the proposal if it is considered a "routine" matter under the NYSE's rules. On non-routine matters, nominees do not have discretionary voting power and cannot vote without instructions from the beneficial owners, resulting in a so-called "broker non-vote." Pursuant to the rules of the NYSE, the election of trustees, the approval of the compensation of our named executive officers and the vote on the frequency of the advisory vote on executive compensation are each a "non-routine" matter and brokerage firms may not vote without instructions from their client on these matters, resulting in a broker non-vote. In contrast, ratification of the appointment of an independent registered public accounting firm is considered a "routine" matter under NYSE's rules, which means that brokers have discretionary voting authority to the extent they have not received voting instructions from their client on the matter.

**How many votes are needed for each of the proposals to pass?**

The proposals to be voted on at the Annual Meeting have the following voting requirements:

***Proposal 1 (Election of Trustees):*** You may vote "FOR" all nominees, "WITHHOLD" your vote as to all nominees, or vote "FOR" all nominees except those specific nominees from whom you "WITHHOLD" your vote. Pursuant to our declaration of trust (our "Charter"), in an uncontested election, a majority of votes cast at the Annual Meeting is required to elect each trustee. "Majority of votes cast" means that the number of shares voted "FOR" a trustee's election exceeds 50% of the total number of votes cast with respect to that trustee's election, with votes "cast" including all votes "FOR" and "WITHHOLD." There is no cumulative voting in the election of trustees. For purposes of the election of trustees, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Table of Contents

**Proposal 2 (Advisory Vote on Executive Compensation):** You may vote "FOR," "AGAINST" or "ABSTAIN" on Proposal 2. The affirmative vote of a majority of votes cast at the Annual Meeting is required to adopt a resolution approving, on a non-binding advisory basis, the compensation of our named executive officers described in this Proxy Statement. For purposes of the vote on Proposal 2, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote, although abstentions and broker non-votes will count toward the presence of a quorum. While the vote on Proposal 2 is advisory in nature and non-binding, the Board will review the voting results and expects to take them into consideration when making future decisions regarding the compensation of our named executive officers.

**Proposal 3 (Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation):** You may vote "ONE YEAR," "TWO YEARS," "THREE YEARS" or "ABSTAIN" on Proposal 3. The frequency that receives the highest number of votes cast by shareholders will be the frequency selected (on a non-binding advisory basis) by the shareholders. For purposes of the vote on Proposal 3, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote, although abstentions and broker non-votes will count toward the presence of a quorum. While the vote on Proposal 3 is advisory in nature and non-binding, the Board will review the voting results and expects to take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation.

**Proposal 4 (Ratification of the Appointment of Ernst & Young LLP):** You may vote "FOR," "AGAINST" or "ABSTAIN" on Proposal 4. The affirmative vote of a majority of votes cast at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. For purposes of the vote on Proposal 4, abstentions and other shares not voted will not be counted as votes cast and will have no effect on the result of the vote, although abstentions will count toward the presence of a quorum.

**What will constitute a quorum at the Annual Meeting?**

A quorum of shareholders is required for shareholders to take action at the Annual Meeting, except that the Annual Meeting may be adjourned if less than a quorum is present. The presence, in person or by proxy, of holders of common shares entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum. Shares that are voted "FOR," "AGAINST," "ONE YEAR," "TWO YEARS," "THREE YEARS," "WITHHOLD," or "ABSTAIN" will be treated as being present at the Annual Meeting for purposes of establishing a quorum. Accordingly, if you have returned a valid proxy or attend the Annual Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters. Broker non-votes will also be counted as present for purposes of determining the presence of a quorum.

**Who can attend the Annual Meeting?**

Only shareholders as of the Record Date, or their duly appointed proxies, may attend the Annual Meeting. Shareholders may be asked to present valid picture identification such as a driver's license or passport and proof of stock ownership as of the Record Date. If you are not a shareholder of record but hold shares through a broker or nominee (i.e., in street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement, a copy of the

Table of Contents

voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. The use of cell phones, smartphones, pagers, recording and photographic equipment and/or computers is not permitted at the Annual Meeting. For directions to the Annual Meeting, contact our Investor Relations department at (312) 646-2801 or ir@eqcre.com.

**If I plan to attend the Annual Meeting, should I still vote by proxy?**

Yes. Voting in advance does not affect your right to attend the Annual Meeting. If you send in your proxy card and also attend the Annual Meeting, you do not need to vote again at the Annual Meeting unless you want to change your vote. Written ballots will be available at the meeting for shareholders of record. If you are not a shareholder of record but hold shares through a broker or nominee (i.e., in street name), you may vote your shares in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions prior to the meeting as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

**Will any other matters be voted on?**

The proposals set forth in this Proxy Statement constitute the only business that the Board intends to present at the Annual Meeting. The proxy does, however, confer discretionary authority upon the Proxy Agents or their substitutes to vote on any other business that may properly come before the meeting. If the Annual Meeting is postponed or adjourned, the Proxy Agents can vote your shares on the new meeting date as well, unless you have revoked your proxy.

**May I change my vote after I have voted?**

You may revoke your proxy at any time prior to its use by (i) delivering a written notice of revocation to our Secretary at Two North Riverside Plaza, Suite 2100, Chicago, Illinois 60606, (ii) filing a duly executed proxy bearing a later date with us or (iii) attending the Annual Meeting and voting in person. If your common shares are held by a broker, bank or any other persons holding common shares on your behalf, you must contact that institution to revoke a previously authorized proxy.

**Who is soliciting the proxies and who pays the costs?**

The enclosed proxy for the Annual Meeting is being solicited by the Board. Proxies also may be solicited, without additional compensation, by our trustees and officers by mail, telephone or other electronic means or in person. We are paying the costs of this solicitation, including the preparation, printing, mailing and website hosting of proxy materials. We will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of our common shares and to obtain their voting instructions. We will reimburse those firms for their expenses. In addition, we have retained D.F. King & Co., Inc. ("D.F. King") to assist in the solicitation of proxies for a fee of \$8,000 plus reimbursement of expenses. We have agreed to indemnify D.F. King against certain liabilities arising out of our agreement with D.F. King.

No person is authorized to give any information or to make any representation not contained in this Proxy Statement, and, if given or made, you should not rely on that information or representation as having been authorized by us. The delivery of this Proxy Statement does not imply that the information herein has remained unchanged since the date of this Proxy Statement.

**Whom should I call if I have questions or need assistance voting my shares?**

Please call the firm assisting us in the solicitation of proxies, D.F. King, if you have any questions or need assistance in voting your shares. Banks and brokers may call D.F. King collect at (212) 269-5550. Shareholders may call D.F. King toll-free at (866) 751-6317.

Table of Contents**PROPOSAL 1: ELECTION OF TRUSTEES**

The Board has set the number of trustees at 11. The 11 individuals named below, each of whom currently serves on our Board, have been recommended by our Nominating and Corporate Governance Committee and nominated by our Board to serve on the Board until our 2018 Annual Meeting of Shareholders and until their respective successors are elected and qualify. Based on its review of the relationships between the trustee nominees and the Company, the Board has determined that all of our trustees, other than Sam Zell and David Helfand, are independent under applicable SEC and NYSE rules.

The Board has no reason to believe that any of the persons named below as a nominee for our Board will be unable, or will decline, to serve as a member of the Board if elected. If any nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board. Under these circumstances, the Board also may, as permitted by our bylaws, decrease the size of the Board.

The Nominating and Corporate Governance Committee has set forth in a written policy minimum qualifications that a trustee candidate must possess. See "Corporate Governance and Board Matters Trustee Nominee Selection Process."

**Vote Required and Recommendation**

Trustees are elected by a majority of votes cast in an uncontested election (meaning an election in which the number of nominees for election equals or is less than the number of trustees to be elected). The current election is uncontested and therefore, a majority of votes cast for each trustee nominee is required to elect a trustee nominee. For purposes of this proposal, "a majority of votes cast" means that the number of shares voted "FOR" a trustee's election exceeds 50% of the total number of votes cast with respect to that trustee's election, and votes "cast" means votes "FOR" and "WITHHOLD." There is no cumulative voting in the election of trustees. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

***THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT  
SHAREHOLDERS VOTE "FOR" ELECTION OF EACH OF THE NOMINEES SET FORTH ABOVE.***

**PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 (the "Exchange Act"), we are presenting this proposal, commonly known as a "say-on-pay" proposal, to provide shareholders the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as described in this Proxy Statement.

We believe our executive compensation policies and procedures are centered on pay-for-performance principles and are closely aligned with the long-term interests of our shareholders. As described under the heading "Compensation Discussion and Analysis," our executive compensation program is designed to attract and retain effective executives, to reward them for superior performance and to ensure that compensation provided to them remains competitive. We seek to align the interests of our executives and shareholders by tying compensation to the achievement of key operating objectives that we believe enhance shareholder value over the long term and by encouraging executive share ownership so that a portion of each executive's compensation is tied directly to shareholder value.

For these reasons, we are recommending that our shareholders vote "FOR" the following resolution:

"RESOLVED, that the shareholders hereby approve, on a non-binding advisory basis, the compensation of the Company's named executive officers for 2016, as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related narrative executive compensation disclosure contained in the Proxy Statement."

While the vote on this resolution is advisory in nature and therefore will not bind us to take any particular action, our Board of Trustees intends to carefully consider the shareholder vote resulting from the proposal in making future decisions regarding the compensation of our named executive officers.

**Vote Required and Recommendation**

The affirmative vote of a majority of the votes cast at the Annual Meeting with respect to the matter is required to endorse (on a non-binding advisory basis) the compensation of the Company's named executive officers. For purposes of the vote on this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

***THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.***

Table of Contents

**PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Exchange Act, we are presenting this proposal, commonly referred to as a "say-on-frequency" proposal, to provide shareholders the opportunity to cast a non-binding advisory vote on how frequently a "say-on-pay" proposal (similar to Proposal 2) should be included in our proxy statement. As a shareholder, you may vote to hold the Company's say-on-pay vote every one, two or three years.

The Company's shareholders voted in 2011, in a similar advisory vote, in favor of conducting a say-on-pay vote each year, and the Company adopted this approach. After careful consideration, our Board believes that continuing to conduct a say-on-pay vote every year is the most appropriate frequency for the Company. Our Board believes that a yearly vote is consistent with our philosophy on executive compensation and will allow shareholders to provide their most direct input on our executive compensation philosophy, policies and practices as disclosed in the proxy statement each year. For these reasons, the Board is asking the Company's shareholders to indicate their support for conducting a say-on-pay vote every year.

As an advisory vote, this proposal will not bind us to adopt any particular frequency. However, the Board values the opinions expressed by the shareholders and intends to carefully consider the shareholder vote resulting from the proposal in deciding how frequently we hold our say-on-pay votes.

**Vote Required and Recommendation**

The frequency of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency selected (on a non-binding advisory basis) by the shareholders. For purposes of this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

***THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS  
VOTE FOR THE "ONE YEAR" ALTERNATIVE FOR THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE  
COMPENSATION.***

**PROPOSAL 4: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board is directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm selected to audit our consolidated financial statements. The Audit Committee has selected and appointed Ernst & Young LLP as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2017. In order to ensure continuing auditor independence, the Audit Committee periodically considers whether there should be a regular rotation of our independent registered public accounting firm. Further, the Audit Committee and its chairman were directly involved in the selection of Ernst & Young LLP's lead engagement partner. The members of the Audit Committee and the Board believe that the continued retention of Ernst & Young LLP to serve as our independent registered public accounting firm is in the best interests of the Company and its shareholders.

Although shareholder approval is not required, we desire to obtain from our shareholders an indication of their approval of the Audit Committee's selection of Ernst & Young LLP as our independent registered public accounting firm for 2017. Even if the appointment of Ernst & Young LLP as our independent registered public accounting firm is ratified, the Audit Committee may, in its discretion, change that appointment at any time during the year should it determine such a change would be in our and our shareholders' best interests. If our shareholders do not ratify this appointment, the Audit Committee may consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

A representative of Ernst & Young LLP will not be making a statement at the Annual Meeting but will be present and available to respond to appropriate questions.

**Vote Required and Recommendation**

The affirmative vote of a majority of votes cast at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Therefore, for purposes of this proposal, abstentions and other shares not voted will not be counted as votes cast and will have no effect on the result of the vote, although abstentions will count toward the presence of a quorum.

***THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.***

**Principal Accountant Fees and Services**

Ernst & Young LLP acted as our independent registered public accounting firm for 2016 and 2015. The fees and expenses for services provided by Ernst & Young LLP to us for the last two fiscal years are listed in the table below:

	<b>2016</b>	<b>2015</b>
Audit fees	\$1,096,620	\$1,321,000
Audit related fees <sup>1</sup>	\$42,000	\$140,000
Tax fees <sup>2</sup>	\$407,125	\$183,295
<i>Subtotal</i>	\$1,545,745	\$1,644,295
All other fees	\$4,000	\$1,995
Total fees	\$1,549,745	\$1,646,290

**Pre-Approval Policies and Procedures**

The Audit Committee has established policies and procedures to review and approve, either pursuant to the Audit Committee's Policy Regarding Pre-Approval of Audit and Non-Audit Services (the "Pre-Approval Policy") or through a separate pre-approval by the Audit Committee, the engagement of the Company's independent auditor to provide any audit or non-audit services to the Company, which policies and procedures are intended to control the services provided by our independent registered public accounting firm and to monitor their continuing independence.

Under these policies and procedures, no services may be undertaken by the independent registered public accounting firm unless the engagement is specifically approved by the Audit Committee or the services are included within a category that has been pre-approved in the Pre-Approval Policy. The maximum charge for services is established by the Pre-Approval Policy or by the Audit Committee when the specific engagement or the category of services is approved.

All services for which we engaged our independent registered public accounting firm in 2016 and 2015 were approved by the Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2016 and 2015 are set forth above. The Audit Committee approved the engagement of Ernst & Young LLP to provide the non-audit services because it determined that Ernst & Young LLP providing these services would not compromise its independence and that its familiarity with our record keeping and accounting systems would permit it to provide these services with equal or higher quality, more quickly and at a lower cost than we could obtain these services from other providers.

<sup>1</sup> Audit related fees in 2016 and 2015 related to services provided with respect to our leases.

<sup>2</sup> The tax fees in 2016 and 2015 were for services involved in reviewing our tax reporting and tax compliance procedures related to our income tax returns for the fiscal years ended December 31, 2015 and 2014, respectively, including services relating to the Company's conversion to an UPREIT.

One of the principal purposes of the Audit Committee is to assist the Board in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the financial statements and the reporting process, including the Company's accounting policies, internal audit function, system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2016 with our management.

The Audit Committee also is responsible for assisting the Board in the oversight of the qualification, independence and performance of the Company's independent auditors. The Company's independent auditor is currently Ernst & Young LLP. The Audit Committee reviewed the audited financial statements for the year ended December 31, 2016 with the independent auditors, which are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and those matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board Auditing Standard No. 1301, *Communications with Audit Committees*.

The independent auditors have provided to the Audit Committee the written disclosures regarding the independent auditor's independence required by PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, and the Audit Committee has discussed with the independent auditors their independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board the inclusion of the Company's audited consolidated financial statements in its Annual Report on Form 10-K for the fiscal year ended December 31, 2016, for filing with the SEC.

Respectfully submitted,

THE AUDIT COMMITTEE

we actively engage with our shareholders throughout the year;

we do not have employment agreements with our named executive officers; and

our Board and committees actively oversee and manage the Company's risk.

Our Charter and bylaws provide that the number of trustees constituting the Board may be increased or decreased by a majority vote of the entire Board, provided the number of trustees may not be greater than 13 and may not be decreased to fewer than three.

There are no family relationships among our executive officers and trustees. The Board has affirmatively determined that all of our trustee nominees except Mr. Zell, the Chairman of the Board, and Mr. Helfand, our President and Chief Executive Officer, are independent under applicable NYSE and SEC rules.

**Board Leadership Structure**

Sam Zell has served as Chairman and David Helfand has served as our President and Chief Executive Officer since May 2014. The Board does not have a policy requiring the separation of the roles of Chief Executive Officer and Chairman of the Board. However, it evaluates the combined role of Chairman and Chief Executive Officer, and the Board has determined that, based on Messrs. Zell and Helfand's combined experience, it is in our best interests and the best interests of our shareholders at this time to separate the roles.

To strengthen the role of our independent trustees and encourage independent Board leadership, the Board has established the position of lead independent trustee. Currently, Mr. Linneman serves as our lead independent trustee. In accordance with our Corporate Governance Guidelines, the responsibilities of the lead independent trustee include, among others:

serving as liaison among (i) management, including the Chief Executive Officer, (ii) our other independent trustees, (iii) employees reporting misconduct that by their nature cannot be brought to management, and (iv) interested third parties and the Board;

presiding at executive sessions of the independent trustees;

serving as the focal point of communication to the Board regarding management plans and initiatives;

ensuring that the role between Board oversight and management operations is respected;

providing the medium for informal dialogue with and among independent trustees, allowing for free and open communication within that group; and

serving as the communication conduit for third parties who wish to communicate with the Board.

Our lead independent trustee will be selected on an annual basis by a majority of the independent trustees then serving on the Board.

Table of Contents**Executive Sessions**

Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, in order to promote open discussion among non-management trustees, our Board devotes a portion of each regularly scheduled board meeting to executive sessions without management participation. In addition, our Corporate Governance Guidelines provide that if the group of non-management trustees includes trustees who are not independent, as defined in the NYSE's listing standards, at least one such executive session convened per year shall include only independent trustees, at which the lead trustee presides.

**Attendance of Trustees at 2016 Board Meetings and Annual Meeting of Shareholders**

During the year ended December 31, 2016, our Board held five meetings and took eleven actions by unanimous written consent. In 2016, each trustee attended 75% or more of the aggregate of all meetings of the Board and the committees on which he or she served. Ten of our current trustees attended our 2016 annual meeting of shareholders. In accordance with our Corporate Governance Guidelines, the Company's policy is for trustees to attend the annual meeting of shareholders.

**Committees of the Board**

Our Board has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. Each of these committees must have at least three members who are each independent trustees, as that term is defined in the NYSE listing standards. Our Board may from time to time establish other committees to facilitate the management of our Company.

The table below provides membership information for each of the Board committees as of the date of this Proxy Statement:

reviewing, evaluating and recommending changes, if appropriate, to the remuneration for trustees.

The Compensation Committee Charter permits the committee to delegate its authority to its members as the committee deems appropriate, provided that any delegate must report any actions taken by the delegate to the full committee at its next regularly scheduled meeting. The Compensation Committee has not delegated its authority to any member of the committee.

During the year ended December 31, 2016, our Compensation Committee held six meetings and took no actions by unanimous written consent.

Table of Contents

The Nominating and Corporate Governance Committee Charter sets forth the principal functions of the Nominating and Corporate Governance Committee, which include:

identifying, recruiting and recommending to the full Board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at each annual meeting of shareholders;

developing and recommending to the Board Corporate Governance Guidelines, including the committee's selection criteria for trustee nominees, and implementing and monitoring such guidelines;

reviewing and making recommendations on matters involving the general operation of the Board, including board size and composition, and committee composition and structure;

recommending to the Board nominees for each committee of the Board;

annually facilitating the assessment of the Board's performance as a whole and of the individual trustees, as required by applicable law, regulations and the NYSE corporate governance listing standards; and

overseeing the Board's evaluation of management.

During the year ended December 31, 2016, our Nominating and Corporate Governance Committee held five meetings and took no actions by unanimous written consent.

**Trustee Nominee Selection Process**

Our Corporate Governance Guidelines set forth minimum qualifications that trustee candidates must possess. At a minimum, a trustee candidate must possess:

integrity;

an ability to exercise sound judgment;

an ability to make independent analytical inquiries;

an ability and willingness to devote adequate time and resources to diligently perform Board duties;

appropriate and relevant business experience and acumen; and

a reputation, both personal and professional, consistent with our image and reputation.

The Board does not have a formal policy specifying how diversity of background and personal experience should be applied in identifying or evaluating trustee candidates. A trustee candidate's background and personal experience, however, will be significant in the Board's candidate identification and evaluation process to help ensure that the Board remains aware of and responsive to the needs and interests of our customers, shareholders, employees and other stakeholders.

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form 10-Q

The Nominating and Corporate Governance Committee will seek to identify trustee candidates based on input provided by a number of sources, including (a) members of the Nominating and

Corporate Governance Committee, (b) our trustees, and (c) our shareholders. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified trustee candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified trustee candidates.

As part of the candidate identification process, the Nominating and Corporate Governance Committee will evaluate the skills, expertise and diversity possessed by the current Board, and whether there are additional skills, expertise or diversity that should be added to complement the composition of the existing Board. The Nominating and Corporate Governance Committee also will take into account whether existing trustees have indicated a willingness to continue to serve as trustees if re-nominated. Once trustee candidates have been identified, the Nominating and Corporate Governance Committee then will evaluate each candidate in light of his or her qualifications and credentials, and any additional factors that the Nominating and Corporate Governance Committee deems necessary or appropriate. Existing trustees who are being considered for re-nomination will be re-evaluated as part of the Nominating and Corporate Governance Committee's process of recommending trustee candidates. The Nominating and Corporate Governance Committee evaluates the performance of each current trustee and considers the results of such evaluation when determining whether to recommend the nomination of such trustee for an additional term. All candidates submitted by shareholders will be evaluated in the same manner as all other trustee candidates, provided that the advance notice and other requirements set forth in our bylaws have been followed. At an appropriate time prior to each annual meeting at which trustees are to be elected or re-elected, the Nominating and Corporate Governance Committee recommends to the Board for nomination by the Board such candidates as the Nominating and Corporate Governance Committee, in the exercise of its judgment, has found to be well-qualified and willing and available to serve.

At an appropriate time after a vacancy arises on the Board or a trustee advises the Board of his or her intention to resign, the Nominating and Corporate Governance Committee will recommend to the Board for election by the Board to fill such vacancy, such prospective member of the Board as the Nominating and Corporate Governance Committee, in the exercise of its judgment, has found to be well-qualified and willing and available to serve. In determining whether a prospective member is qualified to serve, the Nominating and Corporate Governance Committee will consider the factors listed above.

Pursuant to our bylaws, any nominee for trustee that is not elected by the vote required by our bylaws and who is an incumbent trustee will promptly tender his or her resignation to the Board for consideration. The Nominating and Corporate Governance Committee will recommend to the Board whether to accept or reject the resignation, or whether other action should be taken.

**Board Oversight of Risk Management**

One of the key functions of our Board is informed oversight of our risk management process. Our Board will administer this oversight function directly, with support from its three standing committees, the Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee, each of which addresses risks specific to their respective areas of oversight as follows:

*Audit Committee:* The Audit Committee, which meets at least quarterly and reports its findings to the Board, will perform a lead role in helping our Board fulfill its responsibilities for oversight of our financial reporting, internal audit function, risk management and our compliance with legal and regulatory requirements. Our Audit Committee will review periodic reports from our independent registered public accounting

Table of Contents

firm regarding potential risks, including risks related to our internal controls. Our Audit Committee also will annually review, approve and oversee an internal audit plan developed by our internal auditor with the goal of helping us systematically evaluate the effectiveness of our risk management, control and governance processes, and periodically meet with our internal auditing personnel to review the results of our internal audits, and direct or recommend to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of our risk management.

*Compensation Committee:* The Compensation Committee, in consultation with the Company's executive officers, reviews the Company's policies and procedures with respect to risk assessment and risk management for compensating all employees of the Company, including non-executive employees, on an annual basis and periodically reports its findings to the Board. The Compensation Committee does not believe there are any risks from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on the Company.

*Nominating and Corporate Governance Committee:* The Nominating and Corporate Governance Committee will monitor the general operations of the Board and the effectiveness of our Corporate Governance Guidelines, including whether they are successful in assuring adherence to good corporate governance principles.

The Board believes that the composition of its committees, and the distribution of the particular expertise of each committee's members, makes this an appropriate structure to effectively monitor the risks discussed above.

**Corporate Governance Guidelines**

Our Corporate Governance Guidelines reflect the Board's commitment to monitoring the effectiveness of decision-making at the Board and management level and ensuring adherence to good corporate governance principles, all with the goal of enhancing shareholder value over the long term. The Corporate Governance Guidelines address, among other things:

the responsibilities and qualifications of trustees, including trustee independence;

the functioning of the Board;

the responsibilities, composition and functioning of the Board committees;

the appointment and role of the lead independent trustee;

principles of trustee compensation; and

management succession and review.

A copy of the Corporate Governance Guidelines is available on our website at [www.eqcre.com](http://www.eqcre.com).

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

A copy of the Code of Business Conduct and Ethics is available on our website at [www.eqcre.com](http://www.eqcre.com).

**Communications with the Board**

The lead independent trustee will decide what action should be taken with respect to the communication, including whether such communication should be reported to the full Board.

**Compensation Committee Interlocks and Insider Participation**

No member of the Compensation Committee is or has ever been an officer or employee of the Company, and no member of the Compensation Committee had any relationships requiring disclosure by us under the SEC's rules requiring disclosure of certain relationships and related party transactions. No executive officer serves as a member of a board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of the Board or Compensation Committee. Accordingly, during 2016 there were no interlocks with other companies within the meaning of the SEC's proxy rules.

**COMPENSATION DISCUSSION AND ANALYSIS**

**Compensation Overview**

This Compensation Discussion and Analysis provides a detailed description of the Company's executive compensation philosophy and programs, the compensation decisions the Compensation Committee has made under those programs and the factors considered in making those decisions. This Compensation Discussion and Analysis discusses the compensation of the following individuals, who were the Company's named executive officers for 2016:

Name	Title
David A. Helfand	President and Chief Executive Officer
Adam S. Markman	Executive Vice President, Chief Financial Officer and Treasurer
David S. Weinberg	Executive Vice President and Chief Operating Officer
Orrin S. Shifrin	Executive Vice President, General Counsel and Secretary

**Overview of Company Performance during 2016**

2016 was another year of significant accomplishment for our Company. We continued to create value and reduce risk by making significant progress on our business strategy to reshape our portfolio, strengthen our balance sheet, improve leasing and operations, and foster a cohesive culture to serve as the foundation for value creation for our shareholders. More specifically, we accomplished the following during 2016:

*Continued Repositioning Our Portfolio*

Disposed of 30 properties consisting of 62 buildings in 19 separate transactions at an aggregate sales price of \$1.26 billion, representing 33% of our portfolio square footage

Significantly increased the quality of our portfolio, which now consists of larger buildings in better locations that generate higher revenue and net operating income per square foot

Evaluated numerous external growth opportunities, including single and multi-asset acquisitions as well as corporate-level opportunities

Completed conversion to an umbrella partnership REIT ("UPREIT"), making tax efficient currency available for acquisitions

*Strengthened Balance Sheet*

Utilized sale proceeds from our dispositions to repay approximately \$832.0 million of debt and preferred shares while increasing our cash balance to \$2.1 billion (cash balance exceeds total debt by over \$950 million)

Repurchased approximately 2.5 million common shares at an average price of \$27.68 per share

Earned an improved rating's outlook, from stable to positive with Moody's, reflecting management's success in simplifying the portfolio, reducing exposure to numerous smaller markets and weaker properties, and improving leasing velocity

Table of Contents

Positioned our capital structure with flexibility and liquidity to utilize in creating future shareholder value

*Improved Leasing and Operations*

Completed new leasing of approximately 860,000 square feet and renewed leases covering approximately 2.3 million square feet in our 33-property portfolio

Active ownership created value through asset repositioning and executing material leases that enhanced the value of sold assets

*Fostered a Corporate Culture to Serve as Foundation for Value Creation for Shareholders*

Fostered a company culture where alignment with shareholders, integrity and open debate are priorities

Reduced corporate office staffing in connection with downsizing of portfolio, generating annual payroll savings of approximately \$1.6 million

Our Company's total return in 2016 was 9.05%. Overall, as shown below, since implementing our disposition strategy in January 2015, the quality of our portfolio has increased significantly, with 69% of annualized rental revenue earned from assets in our five largest markets at year-end 2016, up from 43% of annualized rental revenue at year-end 2014:

**Completed \$4.2 billion of dispositions since taking ownership responsibility in 2014**

<sup>1</sup> Year-End 2016 Portfolio excludes two land parcels.

<sup>2</sup> Annualized Rental Revenue is a non-GAAP measure. Please see footnote 2 on page 22 of the Company's Annual Report on Form 10-K for the year ended December 31, 2016 for a description of this measure. During the period 4Q 2014, Annualized Rental Revenue included revenue from straight line rent adjustments and excluded revenue during free rent periods.

Table of Contents

During this same time period, the market value of our equity increased \$0.5 billion, we reduced our debt and preferred equity balances by approximately \$1.4 billion, and we increased our cash balance by \$1.7 billion:

We now have a portfolio of higher quality properties in better markets with reduced exposure to lower quality assets in tertiary markets, having created significant value while reducing risk. We have generated a significant amount of cash through asset dispositions, which we will look to deploy into opportunistic investments that further improve the quality of our portfolio and create long-term value for our shareholders. The Company is an atypical REIT where standard REIT financial metrics are not currently an appropriate gauge of our performance given our focus on asset dispositions and the repositioning of our portfolio.

**Compensation Objectives and Philosophy**

Our compensation program, as approved by the Compensation Committee for 2016, is designed generally to accomplish four key principal objectives:

1. attract, retain and reward effective executive officers who create long-term value for the Company's shareholders;
2. align the long-term interests of our executive officers with the interests of the Company and the Company's shareholders;
3. reward financial and operating performance and leadership excellence; and
4. motivate executives to remain at the Company for the long-term.

To align with these objectives, we compensate our named executive officers using a combination of the following components: (1) base salary, (2) annual cash incentive compensation, (3) long-term at-risk time and performance-based equity compensation, and (4) broad-based health and welfare benefits that are made available to all of our employees.

We maintain an open dialogue with investors and are open to investor feedback on executive compensation.

Table of Contents

**Compensation Snapshot: What We Pay and Why**

	<b>OBJECTIVES</b>	<b>KEY FEATURES</b>
<b>Base Salary</b>	Recognize ongoing performance of job responsibilities and leadership excellence	Fixed compensation paid in cash
	Provide a regular source of income so employees can focus on day-to-day responsibilities	Based on competitive pay, taking into account job scope, position, knowledge, skills and experience
<b>Short-Term Annual Incentive Program (STIP)</b>	Motivate the achievement of Company and individual strategic objectives on an annual basis	Variable cash compensation based on achievement of pre-defined annual performance goals
	Reward financial and operating performance and leadership excellence	For 2016, funded upon achievement of objective corporate goals (33%) and individual subjective goals (67%); for 2017, funded upon achievement of objective corporate goals (50%) and individual subjective goals (50%)
	Balances objectivity with subjectivity in an effort to support the Company's business strategy	
<b>Long-Term Incentive Compensation Program (LTIC Program)</b>	Encourages executives to achieve multi-year strategic and financial objectives to create shareholder value	Performance-based equity compensation with a majority (67%) based on achievement of pre-defined forward looking performance-goals and the remainder (33%) based on service with the Company
	Aligns the long-term interests of executives with the interests of the Company and the Company's shareholders	Performance is based on relative TSR over a three-year performance period (vs. the TSRs of the companies that comprise the NAREIT Office Index) with a modifier (reduction) applied for absolute TSR performance that is negative
	Provides a retention mechanism with vesting over a multi-year period to motivate our executives to remain at the Company for the long-term	
		For the time-based and performance-based awards, vesting is back-end loaded (50% vests on the fourth anniversary)

We believe that the structure of our executive compensation program, as outlined above, will contribute to our achievements and strikes an appropriate balance between the need to attract and retain executives while enabling our executives to execute the Company's strategy. With a majority of each executive's compensation opportunity "at risk", we believe the interests of the executives are appropriately aligned with the interests of stockholders and linked with Company performance.

Table of Contents

The following charts illustrate the target mix between compensation elements for our Chief Executive Officer and the average target mix of our other named executive officers. For our Chief Executive Officer and other named executive officers, the majority (65% and 60%, respectively) of their total target compensation is at-risk, performance-based compensation (i.e., the annual cash bonus and performance-based equity). For our Chief Executive Officer and other named executive officers, the majority (67% and 57%, respectively) of their total target compensation is allocated to long-term incentive (equity) pay subject to various additional performance and vesting criteria while a minority portion is cash-based, further enhancing our named executive officers' alignment with our shareholders.

*\* The totals in the charts may not equal the sum of the components due to rounding.*

The following chart illustrates that with respect to the LTIC Program portion of at-risk pay, a significant portion is subject to future performance requirements based on relative total shareholder return vs. our peers while a limited portion is based on continued service with the Company. The allocation of performance-based and time-based awards is consistent between our Chief Executive Officer and other named executive officers. We believe this structure encourages performance yet promotes retention during a period in which we are undergoing significant change at our organization while repositioning our portfolio.

**Executive Compensation Program Highlights**

The table below highlights certain practices that we have utilized and others that we have avoided because we believe doing so is in the best interests of our shareholders:

**Pay for Performance.** *Compensation paid under our annual short-term incentive program and our LTIC Program is based on a mixture of performance metrics that span both annual (short-term) and multi-year (long-term) performance periods. The leading metric is our relative total shareholder return compared to the total shareholder returns of the companies that comprise the NAREIT Office Index, with a reduction modifier applied if our return is negative.*

**Pay for Performance Compensation Mix.** *The overall compensation opportunity that is fixed is limited while a significant portion is at-risk and can only be earned based on the achievement of certain criteria.*

**Stock Ownership Guidelines.** *We have ownership guidelines in place for the CEO and other named executive officers, as well as for our non-employee trustees.*

**Clawback Policy.** *Our clawback policy covers all incentive-based compensation (cash and equity) and applies to all of our named executive officers in the event of a material restatement of the Company's financials as a result of misconduct.*

**Independent Compensation Consultant.** *The Compensation Committee retained an independent compensation consulting firm, FPL Associates, with expertise in the REIT industry.*

**Compensation Risk Assessment.** *The Compensation Committee conducted a compensation risk assessment to ensure that the executive compensation program does not encourage excessively risky behaviors.*

**No Single Trigger Change in Control Provisions.**

*Upon a change in control, a qualified termination must occur for award acceleration to occur (12-month window period).*

**No Executive Perquisites.** *We do not provide any supplemental executive retirement plans, company cars, club memberships or other executive perquisites.*

**Limited Retirement and Health Benefits.** *We do not have a defined benefit plan.*

**No Hedging or Pledging of Company Stock.** *Our anti-hedging and anti-pledging policies prohibit our trustees and employees from engaging in hedging and pledging activities.*

**No Gross-Ups.** *We do not have any arrangements requiring us to gross-up compensation to cover taxes owed by the executives, including excise taxes payable by the executive in connection with a change in control.*

**No Dividends on Unearned Performance Awards.**

*We will not pay dividend equivalents with respect to performance-based awards unless and until the awards are earned, at which time each holder of an earned award will receive an amount in cash equal to the aggregate amount of ordinary cash dividends that would have been paid in respect of the common shares underlying the award had such shares been issued to the holder on the first day of the performance period. Thereafter, dividend equivalents will be paid currently on earned awards.*

**Compensation Determination Process**

***Role of the Compensation Committee and Management***

The Compensation Committee reviews and approves the corporate goals and objectives with respect to the compensation of the Company's named executive officers on an annual basis. The Compensation Committee evaluates the performance of each named executive officer in light of these goals and objectives and, on the basis of such evaluation, determines and approves the compensation for each named executive officer. Our Chief Executive Officer makes recommendations to the Compensation Committee regarding the compensation of the named executive officers other than the Chief Executive Officer.

In determining the appropriate compensation for the Company's named executive officers, the Compensation Committee considers the Company's performance and shareholder return, the amount of compensation payable, including incentive awards, to similarly-situated officers at comparable companies, any shareholder vote on compensation and any other factors the Compensation Committee deems necessary or appropriate in its discretion. The Compensation Committee seeks to ensure that our compensation plans are designed with an appropriate balance of risk and reward in relation to the Company's overall business strategy and do not encourage excessive or unnecessary risk-taking behavior. In addition, the Compensation Committee seeks to ensure that our programs encourage high performance, promote accountability and align our named executive officers' interests with those of our shareholders.

***Advisory Vote on Named Executive Officer Compensation***

Our shareholders overwhelmingly approved the compensation of our named executive officers in the non-binding advisory vote that we conducted at the 2016 annual meeting of shareholders, with approximately 96% of the votes cast in favor of this proposal. The Compensation Committee considered these voting results as supportive of our executive compensation philosophy and determined to continue our current compensation practices.

***The Role of the Compensation Consultant***

Under its charter, the Compensation Committee has the sole authority to retain and terminate outside legal or other advisors to the Compensation Committee as it deems necessary and appropriate in its sole discretion, including compensation consultants. The Compensation Committee has engaged FPL Associates L.P. ("FPL") to advise it on matters related to the compensation of our executive officers and our compensation plans. FPL is engaged by, and reports directly to, the Compensation Committee, which has the sole authority to retain or terminate FPL and to approve the consultant's fees and other retention terms. FPL provides no other services to the Company. The Compensation Committee has reviewed the independence of FPL in light of SEC rules and NYSE listing standards regarding compensation consultants, and the Compensation Committee has concluded that FPL's work is independent and does not raise any conflict of interest.

***Use of Benchmarking and Peer Group Data***

The Compensation Committee uses peer group data as one tool in assessing and determining pay for our executive officers. Competitive market data is intended to provide a framework for current market pay practices, trends, best practices, and overall industry performance. We believe this use of peer company data is consistent with how shareholders and proxy advisory firms use such data. However, over reliance on market data can provide an incomplete picture, and therefore we also factor

in an individual's personal contributions to the organization, unique qualifications and skills sets, the particular circumstances of our Company at this time, and ultimately strive to create compensation magnitudes that are appropriate for the risk profile of our Company today and over the longer-term. As an initial reference point, the market median (or a reasonable range above or below the median) for each compensation element serves as an indicator of competitive market trends, and the Compensation Committee uses it as a starting point when setting each of our named executive officer's compensation.

The Compensation Committee has retained FPL to, among other things: (1) assist in benchmarking our executive compensation against our peers; (2) analyze trends in compensation in the marketplace generally and compensation program design changes among our peers specifically; and (3) provide updates with respect to new legislative matters related to compensation.

In 2014, with recommendations from FPL, the Compensation Committee selected the companies to be included in our peer groups based on best market practices for peer group selection while recognizing that our particular company circumstance was unique due to our recent transition to an internally managed company and our disposition strategy, and as such, direct peers were difficult to find. Ultimately, a variety of factors were utilized to determine our peer groups' members, including: (1) REITs that are comparable to us based on size, (2) REITs that are comparable to us based on asset class (office), and/or (3) REITs with a higher degree of complexity and management intensive operations. As a result, both a Public REIT Peer Group was utilized as well as an Office REIT Subset Peer Group. The Compensation Committee, with advice from FPL, annually reviews our peer groups and may update their compositions to better reflect our competitive landscape or, if necessary, to account for any corporate changes, including acquisitions and dispositions. The Compensation Committee determined that no changes to our peer groups were necessary or appropriate for fiscal year 2016.

The following table contains the names of each company within both peer groups. As of December 31, 2016, all of the peer companies (with the sole exception being Boston Properties) rank between 0.7x and 2.5x our Company's equity market capitalization and total market capitalization.

Table of Contents**Elements of Compensation*****Base Salary***

We pay our named executive officers base salaries to provide them with a predictable and stable source of cash income in order to compensate them for performing the requirements of their respective positions and to retain and motivate them.

The Compensation Committee reviews each named executive officer's annual base salary on an annual basis, and any adjustments to an executive's base salary are based on the Compensation Committee's evaluation of the executive's performance in light of the corporate goals and objectives established by the Compensation Committee each year with respect to the compensation of the executive officers. In determining the appropriate annual base salary for each named executive officer, the Compensation Committee also considers the executive's contribution to the Company, the Company's performance and shareholder return, the amount of compensation payable to similarly-situated executives at comparable companies (including any increases in such compensation), any shareholder vote on compensation and any other factors the Compensation Committee deems necessary or appropriate in its discretion.

On January 26, 2016, the Compensation Committee approved a 3% increase in the annual base salary for each of Messrs. Helfand, Markman and Shifrin for the 2016 fiscal year. The Compensation Committee also approved a 22% increase in the annual base salary for Mr. Weinberg for the 2016 fiscal year. The Compensation Committee approved these increases based on the factors discussed above in the preceding paragraph, and, with respect to Mr. Weinberg, in recognition of his increased contribution to the Company and to align his base salary with the base salaries of similarly-situated executives at comparable companies.

<b>Named Executive Officer</b>	<b>2015 Base Salary</b>	<b>2016 Base Salary</b>	<b>Percent Change</b>

Adam S. Markman	\$450,000	\$463,500	3%
David S. Weinberg	\$450,000	\$550,000	22%
Orrin S. Shifrin	\$450,000	\$463,500	3%

See the section below entitled "*Compensation Discussion and Analysis 2017 Compensation Actions 2017 Base Salaries*" for information on certain increases in the annual base salaries for the named executive officers that the Compensation Committee approved in 2017 for the 2017 fiscal year.

***Annual Cash Incentive Compensation***

The Company's named executive officers are eligible to receive annual bonuses under the Company's Short-Term Annual Incentive Program (the "STIP") based on the achievement of certain performance criteria for the applicable fiscal year, as determined by the Compensation Committee. The purpose of the STIP is to encourage outstanding Company and individual performance by motivating the Company's executives to achieve short-term Company and individual goals by rewarding performance measured against key annual strategic objectives. STIP bonuses are paid 100% in cash.

In January 2016, the Compensation Committee approved corporate and individual performance goals for determining the amount of cash bonuses to be awarded to our named executive officers for the 2016 fiscal year under the STIP. With respect to the corporate performance goals, the

Compensation Committee did not believe that, as an atypical REIT in the midst of repositioning the portfolio, standard REIT financial metrics were an appropriate measure of the Company's performance. Rather, the goals were based 33% on the achievement of the following objective corporate performance metrics, with threshold, target and maximum values established by the Compensation Committee at what it believed to be appropriately rigorous and challenging levels for each metric:

volume of property dispositions;

same property leased occupancy; and

same property cash net operating income.

Specifically, in connection with our Board-approved disposition strategy, the Compensation Committee tied the Company's named executive officers' annual bonuses to this objective by measuring the volume of property dispositions. Additionally, the Compensation Committee looked to quantify the effectiveness of our named executive officers in retaining and attracting tenants to the Company's assets, which is captured in the measurement of same property leased occupancy. Change in same property cash net operating income measures the named executive officers' ability to impact the Company's earnings at our assets, which captures both changes in rents and whether expenses are being properly controlled. The Compensation Committee selected these metrics as they believed that they are key indicators of whether we are successfully executing our business strategy. The Compensation Committee established the following rigorous threshold, target and maximum values for each metric, whereby the Company exceeded target but fell short of maximum for two metrics and fell below the minimum/threshold requirement for the other metric:

Performance Metric	Percentage	Threshold	Target	Maximum	Actual
Volume of Property Dispositions	33.33%	\$500 Million	\$1.0 Billion	\$1.5 Billion	\$1.26 Billion
Same Property Leased Occupancy	33.33%	50 Basis Points below Target	2016 Budget	50 Basis Points above Target	180 Basis Points below Target
Same Property Cash Net Operating Income <sup>1</sup>	33.33%	50 Basis Points below Target	2016 Budget	50 Basis Points above Target	17 Basis Points above Target

As shown in the table above, for fiscal year 2016, the Company achieved the volume of property dispositions and same property cash net operating income metrics between the target and the maximum values established by the Compensation Committee for each such metric, and interpolated between those levels for purposes of determining the bonus payouts. The Company achieved the same property leased occupancy metric below the threshold value established by the Compensation Committee for such metric, resulting in no bonus payout for this metric.

<sup>1</sup> Cash Net Operating Income is net operating income, or NOI, excluding the effects of straight line rent adjustments, lease value amortization, and lease termination fees. The year-to-date same property versions of these measures include the results of properties continuously owned from January 1, 2015 through December 31, 2016. Land parcels and properties classified as held for sale within our condensed consolidated balance sheets are excluded from the same property versions of these measures. Please see footnote 3 on page 33 of the Company's Annual Report on Form 10-K for the year ended December 31, 2016 for a description of NOI.

Table of Contents

The other 67% of award determinations under the STIP for fiscal year 2016 were based on the achievement of subjective individual performance goals that the Compensation Committee established for each of our named executive officers. The Compensation Committee believes that in the near term, as the Company continues to execute on its new strategic direction, the performance of our named executive officers will be difficult to assess with purely objective, quantitative goals. Since the completion of our transition to being an internally managed REIT in 2015, we have focused on rationalizing and upgrading our portfolio through asset dispositions and investments in higher quality and more profitable properties. We have generated a significant amount of cash through asset dispositions, which we will look to use to make opportunistic investments that further improve the quality for our portfolio and create long-term value for our shareholders. The Compensation Committee does not believe that at this time, standard REIT financial metrics are an appropriate gauge of our performance given our focus on asset dispositions and repositioning our portfolio. In order to continue to motivate our named executive officers and reward their performance during this time of transition, the Compensation Committee determined that it is appropriate for subjective individual performance goals to play a meaningful role in determining the named executive officers' annual bonuses for the 2016 fiscal year. The Compensation Committee expects to continue to shift to more objective, quantitative goals for the STIP following the completion of the Company's repositioning. As set forth in the table below, the Company has progressively made a transition in that direction since the Company assumed responsibility for its operations from its former external manager in 2014, subsequently completed the internalization of management in 2015 and undertook to reposition the portfolio:

<b>Bonus Determination</b>	<b>2015</b>	<b>2016</b>	<b>2017</b>
Percentage Based on Objective Goals	0%	33%	50%
Percentage Based on Subjective Goals	100%	67%	50%

The 2016 individual goals for our named executive officers included, among others:

for Mr. Helfand, providing leadership to create value for all of our stakeholders, leading the underwriting and evaluation of future growth opportunities, facilitating effective board and senior management leadership, communication and teamwork, fostering a corporate culture grounded in our core values that promotes integrity and achievement through a period of transition, and cultivating relationships with senior executives in the real estate and investment communities to raise our profile and maximize investment opportunities;

for Mr. Markman, cultivating and improving relationships with institutional investors and analysts, improving access to capital through growing relationships with rating agencies and investment banks, evaluating and executing on growth opportunities, effectively managing our accounting and tax functions, and supporting the maintenance and enhancement of our corporate earnings and net asset value models;

for Mr. Weinberg, effectively managing the Company and our third party property manager, CBRE, Inc., overseeing dispositions, increasing acquisition activity, and developing our investment professionals, asset managers and financial analysts; and

for Mr. Shifrin, providing valuable legal advice on real estate, public market and transactional-related matters, proactively supporting property operations and leasing to enhance efficiencies while promoting compliance with laws and regulations, facilitating effective board and senior management leadership infused with the highest level of ethical integrity, including by maintaining "best in class" corporate governance and compliance environment, facilitating effective and cost-efficient insurance procurement taking into account the changing portfolio, and encouraging an effective risk management culture.

The threshold, target and maximum annual bonus amounts for Messrs. Helfand, Weinberg, Markman and Shifrin under the STIP for fiscal year 2016, as a percentage of their respective annual base salaries, were as follows:

<b>Named Executive Officer</b>	<b>Threshold</b>	<b>Target</b>	<b>Maximum</b>
David A. Helfand	75%	150%	225%
Adam S. Markman	50%	100%	150%
David S. Weinberg	50%	100%	150%
Orrin S. Shifrin	50%	100%	150%

On January 24, 2017, as set forth in the table below, the Compensation Committee approved the following cash bonus awards under the STIP for the named executive officers for fiscal year 2016: (i) Mr. Helfand, \$1,177,290; (ii) Mr. Markman, \$588,645; (iii) Mr. Weinberg, \$698,500; and (iv) Mr. Shifrin, \$588,645.

<b>Named Executive Officer</b>	<b>Threshold (0.5x)</b>	<b>Target (1.0x)</b>	<b>Maximum (1.5x)</b>	<b>Actual<sup>1</sup></b>
David A. Helfand	\$463,500	\$927,000	\$1,390,500	\$1,177,290
Adam S. Markman	\$231,750	\$463,500	\$695,250	\$588,645
David S. Weinberg	\$275,000	\$550,000	\$825,000	\$698,500
Orrin S. Shifrin	\$231,750	\$463,500	\$695,250	\$588,645

The bonus amount awarded to each of Messrs. Helfand, Markman, Weinberg and Shifrin is between the target and maximum bonus amounts that were established for the executive. The Compensation Committee determined the bonus amounts based on the level of achievement of the applicable corporate performance metrics (with each metric weighted equally) and its subjective assessment of each executive's achievement of the applicable individual performance goals. In determining the bonus amounts for fiscal year 2016, the Compensation Committee also considered, among other things, the successful execution of the Company's business strategy and each of the executive's contributions to the improvement of the Company's capital structure.

### ***Long-Term Equity Compensation***

For 2016, the Company's named executive officers were eligible to receive annual equity awards with time-based vesting requirements, such as restricted shares, and equity awards with a combination of time and performance-based vesting requirements, such as restricted share units ("RSUs"), under our Long-Term Incentive Compensation Program (the "LTIC Program"). The purpose of the LTIC Program is to attract and retain talented executives and key employees, to motivate future performance and to link compensation to performance of the Company's stock over a multi-year period. The Compensation Committee believes that it is appropriate to use a combination of time and performance-based awards in order to attract and retain talented executives and key employees, and to link compensation to performance of the Company's stock over a multi-year period. The Compensation Committee grants LTIC Program awards to our named executive officers in January of each fiscal year. The amount of awards granted to each executive is determined based on his performance and the

Company's performance during the prior fiscal year. We grant equity awards under the Equity Commonwealth 2015 Omnibus Incentive Plan, as amended (the "2015 Omnibus Plan"). Prior to obtaining shareholder approval of the 2015 Omnibus Plan at our 2015 annual meeting of shareholders, we granted equity awards under the Equity Commonwealth 2012 Equity Compensation Plan, as amended (the "2012 Equity Plan"). The 2015 Omnibus Plan replaced the 2012 Equity Plan, under which no additional awards will be granted.

LTIC Shares. For each executive, 33% of the target LTIC Program award consists of equity awards with time-based vesting requirements, such as restricted shares ("LTIC Shares"). In January 2016, the Compensation Committee granted 37,987 LTIC Shares to Mr. Helfand, 15,930 LTIC Shares to Mr. Markman, 19,606 LTIC Shares to Mr. Weinberg and 12,254 LTIC Shares to Mr. Shifrin. Based on the closing price per share of our common shares of beneficial interest, \$0.01 par value per share (the "Common Shares"), of \$26.93 on January 26, 2016, the LTIC Shares had a value on the grant date of \$1,022,990, \$527,990, \$428,995 and \$330,000 for Messrs. Helfand, Markman, Weinberg and Shifrin, respectively.

The LTIC Shares will vest 25% on the second anniversary of the grant date, 25% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date, subject to the executive's continued employment with the Company through the applicable vesting date. Each LTIC Share entitles the named executive officer to receive any dividends declared on the Common Shares beginning on the grant date of the LTIC Share.

LTIC RSUs. The other 67% of the target LTIC Program award for each executive consists of equity awards with time-based and performance-based vesting requirements, such as RSUs (the "LTIC RSUs"). Each LTIC RSU represents the right to receive one Common Share. In January 2016, the Compensation Committee granted 77,126 LTIC RSUs to Mr. Helfand, 32,343 LTIC RSUs to Mr. Markman, 39,807 LTIC RSUs to Mr. Weinberg and 24,879 LTIC RSUs to Mr. Shifrin, which is the number of LTIC RSUs that each executive will earn if the applicable performance measure is achieved at the target level. The actual number of LTIC RSUs that each executive will earn will be between 0% and 249.25% of the number of LTIC RSUs granted to him, depending on the achievement of the applicable performance criteria. Based on the closing price per Common Share of \$26.93 on January 26, 2016, the number of LTIC RSUs that will be earned by the executives if the Company's performance is at the target level had a value on the grant date of \$2,077,003, \$1,072,003, \$870,997 and \$669,991 for Messrs. Helfand, Markman, Weinberg and Shifrin, respectively. Since the number of LTIC RSUs that will be earned, if any, will not be determined until the end of the three-year performance period, the actual value of the LTIC RSUs could be higher or lower than the foregoing target levels, depending on the Company's achievement of the applicable performance criteria.

The performance measure for the LTIC RSUs is the TSR of the Company's Common Shares over a three-year performance period relative to the TSRs of the companies that comprise the NAREIT Office Index over the same period of time, provided that only companies that are public throughout the entire performance period will be included for purposes of calculating the relative TSR comparison. After the Company's TSR percentile is determined, the number of LTIC RSUs that will be

earned by an executive will be determined by multiplying the number of LTIC RSUs that was granted to the executive by the applicable percentage listed in the table below.

<b>Company TSR Relative to NAREIT Office Index TSRs over Performance Period</b>	<b>% of Granted RSUs Earned<sup>1</sup></b>
90th Percentile and Above	249.5%
80th Percentile	212.0%
70th Percentile	174.5%
60th Percentile	137.0%
50th Percentile (Target)	100.0%
40th Percentile	68.5%
30th Percentile	37.5%
25th Percentile	25.5%
Below 25th Percentile	0.0%

If the Company's total TSR for the performance period is negative, any LTIC RSUs deemed earned based on the table above will be reduced by 25%. To the extent performance falls between two levels in the table above, linear interpolation will apply in determining the percentage of the LTIC RSUs that are earned. Any LTIC RSUs that do not become earned at the end of the performance period will be forfeited.

The LTIC RSUs will vest, if at all, as follows: (i) 50% following the conclusion of the performance period on the date that the Compensation Committee determines whether and to what extent the performance criteria have been achieved, and (ii) 50% on the fourth anniversary of the grant date, subject in each case to the executive's continued employment with the Company through such date. Earned LTIC RSUs, if any, will generally be paid out as soon as practicable following the applicable vesting date. The Compensation Committee believes that subjecting 50% of any earned RSUs to an additional one-year vesting period further serves to motivate and retain our named executive officers and to align their interests with the interests of our shareholders.

The named executive officers will not be entitled to receive any dividends with respect to the Common Shares underlying the LTIC RSUs unless and until the LTIC RSUs are earned, at which time each executive will be entitled to receive an amount in cash equal to the aggregate amount of ordinary cash dividends that would have been paid in respect of the Common Shares underlying the executive's earned LTIC RSUs had such Common Shares been issued to the executive on the first day of the performance period. Following the performance period, each executive will be entitled to receive, in respect of each earned LTIC RSU held by the executive, whether or not vested, an amount in cash equal to the per share amount of any ordinary cash dividend paid by the Company to the shareholders.

<sup>1</sup> The actual number of LTIC RSUs earned will be the number of LTIC RSUs awarded to each executive, which is the target number of LTIC RSUs that can be earned, multiplied by the applicable percentage listed in the table above. The actual number of LTIC RSUs will be determined at the end of the three-year performance period. The percentages listed in the table above are rounded to the nearest 0.5%.

Table of Contents

The following charts illustrate the performance for the outstanding LTIC RSUs that were granted to our named executive officers in 2014, 2015 and 2016, and the percentage of each such tranche of LTIC RSUs that would become earned based on actual performance through December 31, 2016. The actual number of LTIC RSUs in each tranche that will become earned will be determined at the end of the applicable performance period.

The treatment of the LTIC Shares and LTIC RSUs upon a termination of the executive's employment and/or a change in control of the Company is described below in the section entitled "*Potential Payments Upon Termination or Change in Control.*"

***No Employment Agreements or Severance Plans***

Our named executive officers do not have employment agreements with the Company, and they are not entitled to receive any severance payments or benefits upon a termination of employment, other than the acceleration of all or a portion of their outstanding equity awards upon certain terminations of employment or in connection with a change in control of the Company, as described below in the section entitled "*Potential Payments Upon Termination or Change in Control.*"

***Other Employee Benefits and Perquisites***

We provide to all our employees, including our named executive officers, broad-based health and welfare benefits that are intended to attract and retain employees while providing them with health and welfare security. Our named executive officers are eligible to receive the same benefits, including life and health benefits and vacation, holiday and sick time, that are available to all employees. We do not provide executive perquisites to our named executive officers.

**Other Compensation Practices and Policies**

***Stock Ownership Guidelines***

We believe that equity ownership by our officers helps align their interests with our shareholders' interests. To that end, we have adopted formal stock ownership guidelines applicable to all of our named executive officers. On an annual basis, we evaluate the ownership status of the named executive officers.

Pursuant to our Corporate Governance Guidelines, our Chief Executive Officer is required to own our securities equal in value to at least five times his base salary. Each of our other named executive officers is required to own our securities equal to at least three times his base salary. Each named executive officer has five years to comply with the ownership requirement and is required to hold shares at this level while serving in his position. Each named executive officer must retain all net securities (after payment of applicable taxes) earned from any equity award until the applicable stock ownership requirement is achieved. All of our named executive officers are in compliance with our stock ownership guidelines as of the date of this Proxy Statement. See the section below entitled "*Trustee Compensation Stock Ownership Guidelines*" for a discussions of the stock ownership guidelines applicable to non-employee trustees.

***Anti-Hedging and Anti-Pledging Policies***

The Board has adopted restrictions on hedging and pledging securities issued by the Company. With respect to hedging, trustees, officers, employees and their family members who reside with them are prohibited from trading in any interest relating to the future price of the Company's securities, such as a put, call or short sale. With respect to pledging, trustees, officers, employees and their family members who reside with them are prohibited from holding securities issued by the Company in a margin account or pledging these securities as collateral for a loan. The Board may grant exceptions to this anti-pledging policy. No such exceptions have been granted since the implementation of the policy on July 31, 2014.

***Tax Deductibility of Executive Compensation***

Under Section 162(m) of the Internal Revenue Code, a public company generally is limited to a \$1 million deduction for compensation paid to its chief executive officer or any of its three other most highly compensated executive officers (other than the chief financial officer). This limitation does not apply to compensation that meets the requirements under Section 162(m) for qualifying performance-based compensation. The 2015 Omnibus Plan is intended to permit awards that comply with the Section 162(m) exception for qualifying performance-based compensation. The Company believes that because it qualifies as a real estate investment trust under the Internal Revenue Code and pays dividends sufficient to minimize federal income taxes, the payment of compensation that may not satisfy the requirements under Section 162(m) for qualified performance-based compensation generally will not materially affect the Company's net income. For these reasons, the Compensation Committee's compensation policy and practices may not be directly guided by considerations relating to Section 162(m).

***Clawback Policy***

The Compensation Committee adopted a clawback policy in 2014, pursuant to which if the Company is required to restate its financial results due to material noncompliance with any financial reporting requirement under the securities laws as a result of misconduct, the Chief Executive Officer

Table of Contents

and Chief Financial Officer must reimburse the Company for (i) any bonus or other incentive-based or equity-based compensation received during the 12 months following the public issuance of the non-compliant document, and (ii) any profits realized from the sale of its securities during those 12 months. In March 2017, the Compensation Committee modified the clawback policy so that it now applies to all of our named executive officers. In connection with the requirement under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 that we implement a policy providing for the recovery of incentive-based compensation subject to recoupment following a required accounting restatement, we intend to revise our clawback policy after final rules are issued by the Securities and Exchange Commission to conform to such rules.

**2017 Compensation Actions***2017 Base Salaries*

On January 24, 2017, the Compensation Committee approved a 3% increase in the annual base salary for each of Messrs. Helfand, Markman, Weinberg and Shifrin for the 2017 fiscal year. The Compensation Committee approved these increases in recognition of each named executive officer's contribution to the Company, taking into consideration the base salary increases of similarly-situated executives at the companies in the Company's peer group.

*2017 STIP Performance Goals*

In January 2017, the Compensation Committee approved a modification to the STIP for fiscal year 2017. Specifically, 50% of award determinations under the STIP for fiscal year 2017 will be based on the achievement of objective, quantitative corporate performance metrics and 50% of award determinations under the STIP for fiscal year 2017 will be based on the achievement of subjective, individual performance goals. The Compensation Committee expects to continue to shift to more objective, quantitative goals for the STIP following the completion of the Company's repositioning. As set forth in the table below, the Company has progressively made a transition in that direction since the Company assumed responsibility for its operations from its former external manager in 2014, subsequently completed the internalization of management in 2015 and undertook to reposition the portfolio:

On January 24, 2017, the Compensation Committee approved the grant of equity awards to our named executive officers for fiscal year 2016 performance and to motivate future performance and further align the interests of our executive officers and our shareholders pursuant to the LTIC Program.

Table of Contents

The named executive officers (and other employees who are eligible to receive long-term incentive compensation as part of their annual compensation package) were given the option to elect to receive their 2016 LTIC Program awards in the form of LTIC Shares and LTIC RSUs or in the form of LTIP Units, which are discussed in more detail below. Messrs. Helfand, Weinberg and Shifrin elected to receive their 2016 LTIC Program awards in the form of LTIC Shares and LTIC RSUs, and Mr. Markman elected to receive his 2016 LTIC Program awards in the form of LTIP Units.

For each of Messrs. Helfand, Weinberg and Shifrin, 33% of the executive's target LTIC Program award consists of LTIC Shares and 67% consists of LTIC RSUs. For Mr. Markman, 33% of his target LTIC Program award consists of LTIP Units with time-based vesting requirements (the "Time-Based LTIP Units") and 67% consists of LTIP Units with time-based and performance-based vesting requirements (the "Performance-Based LTIP Units"). The table below lists the 2016 LTIC Program awards that were granted by the Compensation Committee to each named executive officer in January 2017, which were all granted under the 2015 Omnibus Plan.

<b>Named Executive Officer</b>	<b>Time-Based LTIC Shares</b>	<b>Performance-Based LTIC RSUs</b>	<b>Time-Based LTIP Units</b>	<b>Performance-Based LTIP Units</b>
David A. Helfand	33,482	67,979		
Adam S. Markman			14,041	28,507
David S. Weinberg	16,662	33,829		
Orrin S. Shifrin	10,801	21,929		

**LTIC Shares.** Based on the closing price per Common Share of \$31.47 on January 24, 2017, the LTIC Shares granted to Messrs. Helfand, Weinberg and Shifrin had a grant date value of \$1,053,679, \$524,353 and \$339,907, respectively.

**LTIC RSUs.** Based on the closing price per Common Share of \$31.47 on January 24, 2017, the number of LTIC RSUs that will be earned by the executives if the Company's performance is at the target level had a value on the grant date of \$2,139,299, \$1,064,599 and \$690,106 for Messrs. Helfand, Weinberg and Shifrin, respectively. The actual number of LTIC RSUs that each executive will earn will be between 0% and 249.25% of the number of LTIC RSUs granted to him, depending on the achievement of the applicable performance criteria. Since the number of LTIC RSUs that will be earned, if any, will not be determined until the end of the three-year performance period, the actual value of the LTIC RSUs could be higher or lower than the foregoing target levels, depending on the Company's achievement of the applicable performance criteria.

The LTIC Shares and LTIC RSUs granted in 2017 have the same terms and conditions as the LTIC Shares and LTIC RSUs granted in 2016, as described above in the section entitled "*Compensation Discussion and Analysis Elements of Compensation Long-Term Equity Compensation.*" The treatment of the LTIC Shares and LTIC RSUs granted in 2017 upon a termination of the executive's employment and/or a change in control of the Company is the same as the treatment of the LTIC Shares and LTIC RSUs granted in 2016 in such circumstances, as described below in the section entitled "*Potential Payments Upon Termination or Change in Control.*"

**LTIP Units.** LTIP Units are a special class of interests in EQC Operating Trust (the "Operating Trust") that may be issued to employees, officers or trustees of the Operating Trust, the Company or their subsidiaries ("LTIP Units"). The Operating Trust is the entity through which we now conduct our business following our conversion to an UPREIT in 2016. LTIP Units are structured to qualify as "profits interests" for tax purposes. Each LTIP Unit will convert automatically into a share of

Table of Contents

beneficial interest, designated as a unit, in the Operating Trust (an "OP Unit") on a one-for-one basis when the LTIP Unit becomes vested and upon equalization of its capital account with the per-unit capital account of the OP Units. Holders of OP Units (other than the Company) generally have the right, commencing six months from the date of issuance of such OP Units, to cause the Operating Trust to redeem their OP Units in exchange for cash or, at the option of the Company, Common Shares on a one-for-one basis.

The Time-Based LTIP Units and the Performance-Based LTIP Units are subject to the same vesting requirements, and will be treated in the same manner upon a termination of employment and/or a change in control of the Company, as the LTIC Shares and the LTIC RSUs, respectively, as described above. LTIP Units generally will be entitled to receive the same per-unit distributions as the other OP Units of the Operating Trust, except that the Performance-Based LTIP Units will not participate in distributions until expiration of the applicable performance period, at which time they will become entitled to receive a special catch-up distribution for the periods prior to such time, and subject to the Operating Trust generating sufficient net income or gain after issuance of the LTIP Units. Based on the closing price per Common Share of \$31.47 on January 24, 2017, the Time-Based LTIP Units granted to Mr. Markman had a value on the grant date of \$441,870. Based on the same closing price per Common Share, the number of Performance-Based LTIP Units that will be earned by Mr. Markman if the Company's performance is at the target level had a value on the grant date of \$897,115. Since the number of Performance-Based LTIP Units that will be earned by Mr. Markman, if any, will not be determined until the end of the three-year performance period, the actual value of the Performance-Based LTIP Units could be higher or lower than the foregoing target levels, depending on the Company's achievement of the applicable performance criteria.

The executive will earn the target number of RSUs if the Company's relative TSR performance over the three-year performance period is in the 50th percentile. The amount in the "*Maximum*" column represents the number of RSUs that the executive will earn if the Company's relative TSR performance over the three-year performance period is in the 90<sup>th</sup> percentile, which is the maximum number of RSUs that the executive may earn under the award. David S. Weinberg	12,993	382,124
Orrin S. Shifrin	12,993	382,124

<sup>1</sup> The value realized upon vesting equals the closing market price of our common stock (\$29.41) on the date of vesting (October 28, 2016) multiplied by the number of shares vested.

**Potential Payments Upon Termination or Change in Control**

The LTIC Program awards granted to the named executive officers on January 26, 2016, the key terms of which are described above in the section entitled "*Compensation Discussion and Analysis Elements of Compensation Long-Term Equity Compensation*," provide for the accelerated vesting of the awards in the event of certain terminations of employment or a change in control of the Company, as described below. The named executive officers are not entitled to receive any other severance payments or benefits upon a termination of employment or a change in control of the Company.

*LTIC Program Awards Restricted Shares*

If a named executive officer's employment with the Company is terminated (i) by the Company without "Cause," (ii) by the executive for "Good Reason," (iii) due to the executive's "Retirement," or (iv) due to the executive's death or "Disability" (as such terms are defined in the equity award agreements) (any such termination, a "Qualified Termination"), then the executive's unvested restricted shares will vest as of the date of termination on a pro rata basis, determined based on the number of days that the executive was employed by the Company during the four-year vesting period. If the executive's Qualified Termination occurs within twelve months after a "Change in Control" (as such term is defined in the equity awards agreements), in which the restricted shares are assumed by the acquirer or surviving entity in the Change in Control transaction, then the executive's unvested restricted shares will become fully vested on the date of termination.

If a Change in Control occurs prior to the fourth anniversary of the grant date and while the executive is an employee of the Company, and the restricted shares are not assumed by the acquirer or surviving entity in the Change in Control transaction, then the executive's unvested restricted shares will become fully vested as of the date of the Change in Control.

*LTIC Program Awards RSUs*

If, during the performance period, the named executive officer's employment with the Company is terminated as a result of a Qualified Termination, then the number of RSUs that are earned by the executive will be determined at the end of the three-year performance period based on the achievement of the performance criteria. The executive's earned RSUs, if any, will become vested

Table of Contents

as of the date that the Compensation Committee determines the achievement of the performance criteria on a pro rata basis, determined based on the number of days that the executive was employed by the Company during the four-year period commencing on the first day of the performance period. If the executive's Qualified Termination occurs during the performance period and within twelve months after a Change in Control in which the RSUs are assumed by the acquirer or surviving entity in the Change in Control transaction, then any RSUs that become earned after the end of the three-year performance period will become fully vested as of the date the Compensation Committee determines the achievement of the performance criteria. With respect to any earned RSUs held by the named executive officer for which the performance period is complete but for which the additional vesting period is incomplete prior to the executive's Qualified Termination, such earned RSUs will become fully vested as of the date of the executive's Qualified Termination. The named executive officer will be issued one Common Share for each earned RSU that vests in accordance with the provisions described above, less applicable withholding taxes, as soon as practicable following the applicable vesting date (but in no event later than 60 days after such vesting date).

If, during the performance period, a Change in Control occurs while the named executive officer is an employee of the Company and the RSUs are not assumed by the acquirer or the surviving entity in the Change in Control transaction, then the executive's RSUs will be deemed earned based on the actual level of achievement of the performance criteria measured as of the date of the Change in Control, as determined by the Compensation Committee based on the 40-day trailing average price per Common Share. Any such earned RSUs will be fully vested. With respect to any earned RSUs held by the executive for which the performance period is complete but for which the additional vesting period is incomplete, such earned RSUs will become fully vested as of the date of the Change in Control. The named executive officer will be issued one Common Share for each earned RSU that vests in accordance with the provisions described above, less applicable withholding taxes, on the date of the Change in Control.

*Quantification of Payments*

The following table sets forth quantitative information with respect to potential payments to each of the named executive officers or their beneficiaries upon a termination of employment and/or a change in control of the Company in various circumstances as described above, assuming a termination of employment and/or a change in control of the Company occurred, in each case, on December 31, 2016. The amounts reported are based on the closing market price of our common stock as of December 30, 2016 (\$30.24). The amounts included in the table below do not include amounts

<sup>4</sup> In the circumstance of a Qualified Termination prior to a Change in Control, the restricted shares will vest on a pro rata basis. Accordingly, for purposes of the "*Qualified Termination Prior to Change in Control*" column in the table above, we determined the number of restricted shares that will vest based on (x) the number of days that have elapsed from the beginning of the applicable performance period (October 28, 2014, January 28, 2015 and January 26, 2016, respectively) through December 31, 2016, compared to (y) the total number of days during the four-year period commencing on the first day of the performance period. The restricted shares constitute a "double-trigger" arrangement because the vesting of the restricted shares will not accelerate upon a Change in Control in which the restricted shares are assumed by the acquirer or surviving entity in the Change in Control transaction unless and until the named executive officer experiences a Qualified Termination within twelve months after such Change in Control. In connection with such a Qualified Termination, the restricted shares will become fully vested as of the date of termination. In the circumstance in which there is a Change in Control but no termination, and the restricted shares are not assumed by the acquirer or surviving entity in the Change in Control transaction, the restricted shares will become fully vested as of the date of the Change in Control.

<sup>5</sup> For purposes of the "*Qualified Termination Prior to Change in Control*" and "*Qualified Termination After Change in Control (Awards Assumed)*" columns in the table above, we assumed that 50% of the RSUs granted to the executives on October 28, 2014, 40% of the RSUs granted to the executives on January 28, 2015 and 100% of the RSUs granted to the executives on January 26, 2016, respectively, will be earned at the end of the three-year performance period, which is the number of RSUs that the executives will earn if the target level of performance is achieved. The actual number of RSUs that would be earned in either of these circumstances will be determined at the end of the performance period based on the achievement of the performance criteria. The executives will earn between 0% and 100% of the RSUs depending on the achievement of the performance criteria. In the circumstance of a Qualified Termination prior to a Change in Control, the earned RSUs will vest on a pro rata basis. Accordingly, for purposes of the "*Qualified Termination Prior to Change in Control*" column, we determined the number of earned RSUs that will vest based on (x) the number of days that have elapsed from the beginning of the applicable performance period (October 28, 2014, January 28, 2015 and January 26, 2016, respectively) through December 31, 2016, compared to (y) the total number of days during the four-year period commencing on the first day of the performance period. The RSUs constitute a "double-trigger" arrangement because the vesting of the RSUs will not accelerate upon a Change in Control in which the RSUs are assumed by the acquirer or surviving entity in the Change in Control transaction unless and until the named executive officer experiences a Qualified Termination within twelve months after such Change in Control. In connection with such a Qualified Termination, earned RSUs will become fully vested. In the circumstance in which there is a Change in Control but no termination, and the RSUs are not assumed by the acquirer or surviving entity in the Change in Control transaction, the RSUs will be deemed earned based on the actual level of achievement of the performance criteria measured as of the date of the Change in Control and any earned RSUs will become fully vested. Assuming a Change in Control occurred on December 31, 2016 and performance was measured as of such date, the RSUs granted in 2014 and 2016 would be deemed earned between the threshold and target levels of performance and the RSUs granted in 2015 would be deemed earned between the target and maximum levels of performance.

Equity (restricted shares)	\$	100,000

We will also reimburse Independent Trustees for travel expenses incurred in connection with their activities on our behalf.

In lieu of the compensation for Independent Trustees described above, Mr. Zell, the Chairman of our Board of Trustees and our founder, is entitled to receive an annual grant of equity awards that generally have the same terms and conditions as the LTIC Program awards issued to the named executive officers pursuant to the LTIC Program. The equity awards consist 33% of awards subject to time-based vesting restrictions and 67% of awards subject to time-based and performance-based vesting restrictions. The LTIC Program awards issued will have a threshold, target and maximum value of \$1,000,000, \$2,000,000 and \$4,000,000, respectively.

Members of our Board who are also our employees do not receive any additional compensation for their services on the Board. Therefore, Mr. Helfand did not receive any additional compensation for his service on the Board beyond his compensation as an executive officer, described earlier in this Proxy Statement under the heading "*Executive Officer Compensation.*"

## Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form 10-Q

On June 15, 2016, the Compensation Committee approved the grant of 3,463 restricted Common Shares to each Independent Trustee in satisfaction of his or her annual equity retainer for fiscal year 2016. Each of these grants will vest on the first anniversary of the grant date of the award, subject to the Trustee's continued service as a Trustee throughout such period. All such restricted shares will fully vest upon a "Change in Control" (as such term is defined in the equity award agreements) or the death of the Trustee.

**Equity Awards Granted to Sam Zell**

As noted above, in lieu of receiving the compensation paid to our Independent Trustees, Mr. Zell as a non-independent Trustee participates in the LTIC Program and is entitled to receive an annual grant of equity awards that generally have the same terms and conditions as the LTIC Program awards issued to our named executive officers. The Compensation Committee believes that Mr. Zell's participation in the LTIC Program is appropriate because it aligns his compensation with the long-term interests of our shareholders and in recognition of his ongoing extraordinary contributions to the Company. Mr. Zell brings a well-recognized brand value to the Company that comes from his more than fifty years of experience in the real estate business and his unparalleled role in the evolution of the REIT industry. In addition, Mr. Zell has a distinguished track record and reputation for successfully leading companies with a focus on corporate governance and proper alignment of management and shareholder interests. The success of the unprecedented vote by our shareholders to remove the prior board of trustees and elect our Board in 2014 can be attributed to, among other things, Mr. Zell and his leadership of the Company through an extraordinary time period. Mr. Zell's oversight and experience led to the successful founding of Equity Commonwealth as an internally-managed company. As the founder, Mr. Zell played an integral role in guiding the Company through its transition and the unusual process of building a new internally-managed company, aligning the interests of our shareholders with management, and assembling an experienced team of professionals to turn around what was an undervalued and under managed portfolio of disparate real estate assets. In 2016, Mr. Zell played an integral role in guiding the Company as it executed its business strategy, and helped the Company achieve the accomplishments described above in the section entitled "*Compensation Discussion and Analysis Overview of Company Performance During 2016.*" Mr. Zell has and will continue to play an instrumental role with the Company in the setting and execution of its strategy.

On January 26, 2016, as compensation for his service as Chairman of the Board for the 2015-2016 term, the Compensation Committee approved the grant of LTIC Program awards to Mr. Zell consisting of 24,508 LTIC Shares and 49,759 LTIC RSUs, which is the number of LTIC RSUs that Mr. Zell will earn if the applicable performance measure is achieved at the target level. The actual number of LTIC RSUs that Mr. Zell will earn will be between 0% and 249.25% of the number of LTIC RSUs granted to him, depending on the achievement of the applicable performance criteria. The LTIC Shares represent 33% of Mr. Zell's target LTIC Program award and the LTIC RSUs represent 67% of his target LTIC Program award. Mr. Zell's LTIC Program awards generally have the same terms and conditions (including time and performance-based vesting conditions) as the LTIC Program awards granted to our named executive officers, as described above in the section entitled "*Compensation Discussion and Analysis Elements of Compensation Long-Term Equity Compensation,*" except that Mr. Zell's LTIC Shares and any earned LTIC RSUs (i) vest on a pro-rata basis if Mr. Zell's service terminates due to his death and (ii) vest in full if Mr. Zell dies or is no longer Chairman of the Board within 12 months of a "Change in Control" transaction (as such term is defined in Mr. Zell's equity award agreement) in which the awards are assumed by the acquirer or surviving entity in such a transaction. Based on the closing price per Common Share of \$26.93 on January 26, 2016, the LTIC Shares had a value on the grant date of \$660,000 for Mr. Zell. Based on the same closing price per Common Share, the number of LTIC RSUs that will be earned by Mr. Zell if the Company's performance is at the target had a value on the grant date of \$1,340,010. Since the number of RSUs that will be earned by Mr. Zell, if any, will not be determined until the end of the three-year performance period, the actual value of the LTIC RSUs could be higher or lower than the foregoing target levels, depending on the Company's achievement of the applicable performance criteria.

All of the equity grants to the trustees described above were made under the 2015 Omnibus Plan.

<sup>1</sup> Represents the aggregate grant date fair value of the restricted shares and RSUs granted to Mr. Zell on January 26, 2016, computed in accordance with FASB ASC Topic 718, excluding the effect of estimated forfeitures for purposes of computing the value of the RSUs, and based on the assumptions described in Note 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2016. The grant date fair value of the restricted shares (\$660,000) is equal to the closing price per Common Share on the date of grant, \$26.93, multiplied by the number of shares granted (24,508). The grant date fair value of the RSUs (\$1,930,649) is based on a Monte Carlo simulation model, representing the number of RSUs that would be earned by Mr. Zell if the target level of performance is achieved (49,759), as such level of achievement represents the probable outcome as of the grant date. The number of RSUs that would be earned by Mr. Zell if the maximum level of performance is achieved is 124,025. The restricted shares represent 33% of Mr. Zell's target LTIC Program award and are subject to time-based vesting conditions, and the RSUs represent 67% of his target LTIC Program award and are subject to both time-based and performance-based vesting conditions. The RSUs awarded to Mr. Zell are fully at-risk, as he will earn between 0% and 249.25% of the RSUs based on the achievement of the applicable performance measure, as described above in the section entitled "*Trustee Compensation - Equity Awards Granted to Sam Zell*." As of December 31, 2016, Mr. Zell held 276,718 restricted shares and 637,066 RSUs in the aggregate. The restricted shares and RSUs granted to Mr. Zell, as a non-independent Trustee, generally have the same terms and conditions as the LTIC Program awards issued to our named executive officers.

<sup>2</sup> Represents the aggregate grant date fair value of the 3,463 restricted shares awarded to Messrs. Corl, Edelman, Glickman, Linneman, Lozier, Shea, Spector and Star, and Ms. Robertson, on June 15, 2016, computed in accordance with FASB ASC Topic 718 and based on the assumptions described in Note 13 of the Company's Annual Report on Form 10-K for the year ended December 31, 2016. The grant date fair value of the restricted shares is equal to the closing price per Common Share on the date of grant, \$28.88, multiplied by the number of shares granted. These restricted shares vest on the first anniversary of the grant date of the award. As of December 31, 2016, each Independent Trustee held 3,463 restricted shares in the aggregate.

**Stock Ownership Guidelines**

We believe that equity ownership by our trustees helps align their interests with our shareholders' interests. To that end, we have adopted formal stock ownership guidelines applicable to all of our trustees. On an annual basis, we evaluate the ownership status of the trustees. Pursuant to our Corporate Governance Guidelines, each non-employee trustee is required to own our securities equal in value to at least four times his or her annual base cash retainer. Each non-employee trustee has five years to comply with the ownership requirement and is required to hold shares at this level while serving in his or her position. Each non-employee trustee must retain all net securities (after payment of applicable taxes) earned from any equity award until the applicable stock ownership requirement is achieved. All of our non-employee trustees are in compliance with our stock ownership guidelines as of the date of this Proxy Statement.

**Equity Awards Granted to Sam Zell in 2017**

Mr. Zell was offered, as a non-independent Trustee, the option to elect to receive, as compensation for his service as Chairman of the Board for the 2016-2017 term, LTIC Program awards in the form of LTIC Shares and LTIC RSUs or in the form of LTIP Units. Mr. Zell elected to receive his LTIC Program awards in the form of LTIP Units, which were granted under the 2015 Omnibus Plan. On January 24, 2017, the Compensation Committee approved the grant of LTIC Program awards to Mr. Zell consisting of 20,972 Time-Based LTIP Units and 42,580 Performance-Based LTIP Units, which is the number of Performance-Based LTIP Units that Mr. Zell will earn if the applicable performance measure is achieved at the target level. The actual number of Performance-Based LTIP Units that Mr. Zell will earn will be between 0% and 249.25% of the number of Performance-Based LTIP Units granted to him, depending on the achievement of the applicable performance criteria. The Time-Based LTIP Units represent 33% of Mr. Zell's target LTIC Program award and the Performance-Based LTIP Units represent 67% of his target LTIC Program award. Mr. Zell's LTIC Program awards generally have the same terms and conditions (including time and performance-based vesting conditions) as the LTIC Program awards granted to our named executive officers, as described above in the section entitled "*Compensation Discussion and Analysis 2017 Compensation Actions 2016 LTIC Program Awards*," except that Mr. Zell's Time-Based LTIP Units and any earned Performance-Based LTIP Units (i) vest on a pro-rata basis if Mr. Zell's service terminates due to his death and (ii) vest in full if Mr. Zell dies or is no longer Chairman of the Board within 12 months of a "Change in Control" transaction (as such term is defined in Mr. Zell's equity award agreement) in which the awards are assumed by the acquirer or surviving entity in such a transaction. Based on the closing price per Common Share of \$31.47 on January 24, 2017, the Time-Based LTIP Units granted to Mr. Zell had a value on the grant date of \$659,989. Based on the same closing price per Common Share, the number of Performance-Based LTIP Units that will be earned by Mr. Zell if the Company's performance is at the target had a value on the grant date of \$1,339,993. Since the number of Performance-Based LTIP Units that will be earned by Mr. Zell, if any, will not be determined until the end of the three-year performance period, the actual value of the Performance-Based LTIP Units could be higher or lower than the foregoing target levels, depending on the Company's achievement of the applicable performance criteria.

However, the Code of Business Conduct and Ethics allows exceptions to this prohibition, but only if a majority of the disinterested trustees approves the transaction or the transaction has otherwise been approved pursuant to our Related Party Transaction Policy. According to our Related Party Transaction Policy and our Audit Committee's charter, our Audit Committee must review any transaction involving a trustee, officer or 5% shareholder that may create a conflict of interest. The Audit Committee must either approve or reject the transaction or refer the transaction to the full Board, excluding any interested trustees.

*Two North Riverside Plaza Joint Venture Limited Partnership*

Effective July 20, 2015, we entered into a lease with Two North Riverside Plaza Joint Venture Limited Partnership, an entity associated with Mr. Zell, our Chairman, to occupy office space on the twentieth and twenty-first floors of Two North Riverside Plaza in Chicago, Illinois (the "20<sup>th</sup>/21<sup>st</sup> Floor Office Lease"). The initial term of the lease is approximately five years, with one 5-year renewal option. The lease payment is approximately \$0.5 million for the initial year and \$0.8-\$0.9 million annually thereafter. This lease was approved by the Audit Committee on June 16, 2015. We have completed improvements to the office space utilizing the \$0.7 million tenant improvement allowance pursuant to the lease.

In connection with the 20<sup>th</sup>/21<sup>st</sup> Floor Office Lease, effective February 1, 2016, we entered into a lease with Two North Riverside Plaza Joint Venture Limited Partnership for storage space in the basement of Two North Riverside Plaza. The lease expires December 31, 2020; however, each party has the right to terminate on 30 days' prior written notice.

*Related and Corvex*

On June 10, 2014, our Audit Committee and Board recommended to shareholders the reimbursement of \$33.5 million of expenses incurred by Related Fund Management, LLC ("Related") and Corvex Management LP ("Corvex") since February 2013 in connection with their consent solicitations to remove the trustees on the Company's Board prior to that time, to elect our new Board of Trustees and to engage in related litigation (the "Reimbursement Proposal"). At the time the Reimbursement Proposal was recommended by our Board for approval by our shareholders, Related and Corvex each owned approximately 4.4%, or approximately 8.8% in the aggregate, of our common shares. Because the aggregate ownership of Related and Corvex was more than 5% of our outstanding common shares at the time, approval of the payment of the requested reimbursement to them would constitute a "related party transaction" under our Related Party Transactions Policy and our Audit Committee Charter, which require that the Audit Committee review any transaction involving an owner of more than 5% of our outstanding common shares and either approve or reject the transaction or refer the transaction to the full Board. Both our Audit Committee and our Board reviewed the Reimbursement Proposal and reached the unanimous conclusion that the Reimbursement Proposal was reasonable and fair to the Company's shareholders and recommended that shareholders approve the Reimbursement Proposal.

Table of Contents

On July 31, 2014, at our 2014 annual meeting of shareholders, our shareholders voted to approve the Reimbursement Proposal, subject to certain limitations. During 2014, in accordance with our shareholders' approval, we paid approximately \$16.7 million of the \$33.5 million approved for reimbursement. Approximately \$8.4 million was to be reimbursed only if the average closing price of our common shares was at least \$26.00 (as adjusted for any share splits or share dividends) during the one year period after the date on which the reimbursement was approved by shareholders, and the remaining amount up to \$8.4 million was to be reimbursed only if the average closing price of our common shares was at least \$26.00 (as adjusted for any share splits or share dividends) during the one year period between the first and second anniversaries of the date on which the reimbursement was approved by shareholders. The average closing price of our common shares was at least \$26.00 during both the first and second one year periods after the date on which the reimbursement was approved by shareholders, and as a result, in August 2016 and 2015 we paid an \$8.2 million final payment and \$8.4 million, respectively, to Related and Corvex.

**Indemnification**

The Maryland statute governing a REIT formed under the laws of Maryland, or the Maryland REIT law, permits a Maryland REIT to include in its charter a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for (a) liability resulting from actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established in a judgment or other final adjudication as being material to the cause of action. Our Charter contains such a provision that allows us to eliminate the liability of our trustees and officers to the maximum extent permitted by Maryland law.

The Maryland REIT Law permits a Maryland REIT to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted by the Maryland General Corporation Law for directors and officers of Maryland corporations. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be a party by reason of their service in those or other capacities unless it is established that:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

However, under the MGCL, a Maryland corporation may not indemnify a director or officer for an adverse judgment in a suit by or in the right of the corporation or if the director or officer was adjudged to be liable to the corporation nor may a director be indemnified in circumstances in which the director is found liable for an improper personal benefit, unless in either case a court orders indemnification and then only for expenses.

Table of Contents

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation; and

a written undertaking by the director or officer or on the director's or officer's behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the director or officer did not meet the standard of conduct.

Our Charter and bylaws obligate us, to the fullest extent permitted by Maryland law, to indemnify and to pay, reimburse or advance reasonable expenses to:

any present or former trustee or officer who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity; or

any individual who, while a trustee or officer of our company and at our request, serves or has served as a trustee, officer or partner of another corporation, REIT, limited liability company, partnership, joint venture, trust, employee benefit plan or any other enterprise and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity.

Our Charter and bylaws also permit us, with the approval of our Board, to indemnify and advance expenses to any person who served a predecessor of ours in any of the capacities described above and to any employee or agent of our company or a predecessor of our company. Our bylaws specify that any indemnification or payment or reimbursement of the expenses as described above will be made in accordance with the procedures provided by the MGCL for directors of Maryland corporations.
