Item 7.01. Regulation FD Disclosure.

On March 10, 2015, the Company announced that its Board of Directors has approved a two-year extension of its Stock Repurchase Plan ("Plan") through January 1, 2017. The Plan was originally launched in January 2013, authorizing the Company to repurchase in aggregate up to \$3 million of its outstanding common stock over a two-year period. The Company purchased \$809,175 (191,250 shares) under the Plan to date, leaving a remaining authorized amount of \$2,190,825 in the Plan. A copy of the press release is attached as Exhibit 99.1.

The shares would be purchased from time to time on the open market or in privately negotiated transactions, at the Company's discretion, in each case, in compliance with Rule 10b-18 under the Securities Exchange Act of 1934, as amended, subject to market and business conditions, applicable legal requirements, explicit black-out dates and other factors. The purchases will be funded using the Company's available cash balances and cash generated from operations. The program does not obligate the Company to acquire any particular amount of common stock and may be modified, suspended or terminated at any time at the Company's discretion in accordance with Rule 10b-18.
