AMENDMENT NO. 1 TO THE PROXY STATEMENT FOR THE

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON AUGUST 29, 2018

EXPLANATORY NOTE

The following information supplements and amends the definitive proxy statement (the "Proxy Statement") of America's Car-Mart, Inc. (the "Company") originally filed with the Securities and Exchange Commission ("SEC") on July 18, 2018, in connection with the solicitation of proxies by the Company's Board of Directors for use at the Company's 2018 Annual Meeting of Stockholders or any adjournment(s) thereof. The Annual Meeting will be held at our offices located at 802 Southeast Plaza Ave., Suite 200, Bentonville, Arkansas 72712 on Wednesday, August 29, 2018 at 10:00 a.m. local time.

This Amendment No. 1 to the Proxy Statement (this "Amendment") is being filed in order to correct and supplement certain disclosures in the "Executive Compensation" section of the Proxy Statement, as originally filed with the SEC on July 18, 2018, to reflect the named executive officers' earned or possible non-equity incentive plan compensation for fiscal year 2018, which was inadvertently omitted from the Summary Compensation Table, the Grants of Plan-Based Awards table and the computation of the total compensation and pay ratio under the Chief Executive Officer Pay Ratio. No other changes have been made to the Proxy Statement, and this Amendment has not been updated to reflect events occurring subsequent to the filing of the Proxy Statement. If you have already voted, you do not need to vote again unless you would like to change or revoke your prior vote on any proposal. If you would like to change or revoke your prior vote on any proposal, please refer to the Proxy Statement for instructions on how to do so. Capitalized terms used in this Amendment and not otherwise defined have the meaning given to such terms in the Proxy Statement.

THE PROXY STATEMENT CONTAINS IMPORTANT INFORMATION AND THIS AMENDMENT AND THE INFORMATION SET FORTH BELOW SHOULD BE READ IN CONJUNCTION WITH THE PROXY STATEMENT.

Chief Executive Officer Pay Ratio

The following information about the relationship between the compensation of our associates and the compensation of our Chief Executive Officer is provided in compliance with the requirements of Item 402(u) of Regulation S-K under the Exchange Act (“Item 402(u)”). In fiscal 2018, the estimated median of the annual total compensation of our associates, excluding our current and former Chief Executive Officers, Mr. Williams and Mr. Henderson, was \$43,684. Our Chief Executive Officer’s annual total compensation for fiscal 2018, calculated according to the method described below, was \$546,199. The resulting estimated ratio of the annual total compensation of the Chief Executive Officer to the median of the annual total compensation of all associates was 12.5 to 1.

We took the following steps in identifying the median of the annual compensation of all our associates. We determined that as of April 30, 2018, we employed 1,690 associates, all located in the United States. This number includes all the individuals determined to be employees for federal tax purposes during the year, whether full-time, part-time, seasonal, or temporary. We determined the median employee by conducting a full analysis of this employee population using total pay, which included regular wages, overtime, bonuses, commissions and any other taxable income.

For full-time associates that were not employed for the whole year, regular wages were annualized. For part-time associates that were not employed for the whole year, we calculated the average hours worked per week for each associate, and annualized regular wages based on a 52-week fiscal year. No adjustments were made for seasonal or temporary associates.

Due to Mr. Williams' appointment to Chief Executive Officer as of January 1, 2018, we estimated the Chief Executive Officer's annual compensation by substituting his annual salary as of April 30, 2018 (\$430,000) in place of his actual regular wages for fiscal 2018. We then calculated the Chief Executive Officer's and the median employee's annual total compensation in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.

The resulting pay ratio was calculated in a manner consistent with Item 402(u) and we believe it constitutes a reasonable estimate. However, as contemplated by Item 402(u), we relied on methods and assumptions that we determined to be appropriate for calculating the Company's pay ratio. Other public companies will use methods and assumptions that differ from the ones we chose, but are appropriate for their circumstances. It may therefore be difficult to compare our reported pay ratio to pay ratios reported by other companies.
