**** Gains foothold in a market with 20 million retail investors ****

HSBC has completed the acquisition of 93.86 per cent of IL&FS Investsmart Limited (Investsmart), a leading retail brokerage in India, for a total consideration of INR 1,311.0 crore (approximately US\$296.4 million).

Sandy Flockhart, Group Managing Director and Chief Executive Officer of HSBC Asia-Pacific, said: "Investsmart gives HSBC access to the world's third-largest investor base, with over 20 million retail investors. In fact, the business already has 143,000 customers and operates in 128 cities. With Indian GDP expected to grow by 7.8 per cent in 2009, the opportunity here is obvious and underlines why HSBC has a stated strategic aim of focusing on high-growth economies."

Under the transaction agreement, HSBC acquired 43.85 per cent of Investsmart from E*TRADE Mauritius Limited, an indirectly wholly-owned subsidiary of E*TRADE Financial Corporation, and 29.36 per cent from Infrastructure Leasing and Financial Services Limited (IL&FS). The decision to acquire a controlling stake in Investsmart triggered an open offer to public shareholders, through which HSBC has accepted shares equivalent to 20.65 per cent of Investsmart's capital.

E*TRADE Mauritius Limited, IL&FS and those that tendered shares through the open offer received INR200 per share for their Investsmart shares. In addition, IL&FS was paid, as part of a three-year non-compete agreement,

INR82.0 crore (approximately US\$17.9 million).

In accordance with local regulations, HSBC paid interest of INR2.3 per share to the public shareholders who tendered their shares. This amounted to INR3.31 crore (approximately US\$0.72 million).

Naina Lal Kidwai, Group General Manager and Chief Executive Officer, HSBC in India, added: "Investsmart is a great addition

to our current operations, which already constitute the second largest foreign banking network in India

. We look forward to working with Investsmart's management team and growing this business

;

HSBC was advised on the acquisition by the investment banking division of HSBC Global Banking and Markets.
