ITEM 7. FINANCIAL STATEMENTS AND EXHIBITS

(c) The following exhibit is furnished as part of this Form 8-K.

<u>No.</u>	<u>Description</u>
99.1	Press Release of Constellation Brands, Inc., dated July 18, 2003.

ITEM 9. REGULATION FD DISCLOSURE

On July 18, 2003, Constellation Brands, Inc. (the Company), a Delaware corporation, issued a press release (the release), a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The information in this Item 9 is furnished pursuant to Item 9. Consequently, it is not deemed filed for the purposes of Section 18 of the Securities and Exchange Act of 1934, or otherwise subject to the liabilities of that section. It may only be incorporated by reference in another filing under the Exchange Act or Securities Act of 1933 if such subsequent filing specifically references this Form 8-K.

The release contains non-GAAP financial measures; in the release these are referred to as comparable measures. For purposes of Regulation G, a non-GAAP financial measure is a numerical measure of a registrant's historical or future financial performance, financial position or cash flows that excludes amounts, or is subject to adjustments that have the effect of excluding amounts, that are included in the most directly comparable measure calculated and presented in accordance with GAAP in the statement of income, balance sheet or statement of cash flows (or equivalent statements) of the issuer; or includes amounts, or is subject to adjustments that have the effect of including amounts, that are excluded from the most directly comparable measure so calculated and presented. In this regard, GAAP refers to generally accepted accounting principles in the United States. Pursuant to the requirements of Regulation G, the Company has provided reconciliations within the earnings release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

Comparable measures are provided because management uses this information in evaluating the results of the continuing operations of the Company and in internal goal setting. In addition, the Company believes this information provides investors a better insight on underlying business trends and results in order to evaluate year over year financial performance. As such, an increase in cost of goods sold resulting from the step up of inventory associated with the acquisition of BRL Hardy Limited (now known as Hardy Wine Company Limited) (Hardy), financing costs and the imputed interest charges associated with the Hardy acquisition, restructuring charges and a gain on change in fair value of derivative instruments are excluded from comparable results.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned, hereunto duly authorized.
