**Independent Auditor's Report**

To the Board of Directors of

Equus II Incorporated:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that Equus II Incorporated (the Company) complied with the requirements of subsections (b) and (c) of rule 17f-2 under the Investment Company Act of 1940 (the Act) as of November 26, 2002. Management is responsible for the Company's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of November 26, 2002:

Count and inspection of all securities located in the vault of Bank of America ( Custodian ) in Houston, Texas without prior notice to management

Confirmation of all securities hypothecated, pledged, placed in escrow, or out for transfer with brokers, pledgees, or transfer agents

Reconciliation of all such securities to the books and records of the Company and the Custodian

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.

In our opinion, management's assertion that Equus II Incorporated complied with the requirements of subsections (b) and (c) of rule 17f-2 of the Investment Company Act of 1940 as of November 26, 2002, with respect to securities reflected in the investment account of the Company is fairly stated, in all material respects.
