- (2) To be issued pursuant to the registrant's Amended and Restated 1999 Equity Incentive Plan (see Introductory Note below).
- (3) Estimated solely for the purpose of determining the registration fee pursuant to Rule 457(h) under the Securities Act of 1933, as amended, on the basis of the average of the high and low prices for the registrant's common stock on January 22, 2004, as reported by the Nasdaq Stock Market.
- (4) Pursuant to a Rights Agreement entered into on September 17, 2002, one right (each a "Right") is deemed to be delivered with each share of common stock issued by the registrant. The Rights currently are not separately transferable apart from the common stock, and they are not exercisable until the occurrence of certain events. Accordingly, no independent value has been attributed to the Rights.

INTRODUCTORY NOTE

This registration statement relates to the registration of additional securities of the same class as other securities for which registration statements are effective relating to the registrant's Amended and Restated 1999 Equity Incentive Plan. Pursuant to General Instruction E of Form S-8, except as otherwise provided herein, this registration statement also incorporates by reference the registrant's registration statement on Form S-8 (Registration No. 333-79167) and registration statement on Form S-8 (Registration No. 333-60046), relating to the registration of an aggregate of 1,880,000 shares issuable under the registrant's Amended and Restated 1999 Equity Incentive Plan. Following the registration of the additional 450,000 shares under this registration statement, a total of 2,330,000 shares will be registered under the Amended and Restated 1999 Equity Incentive Plan.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Except as otherwise provided herein, the contents of the registrant's registration statement on Form S-8 (Registration No. 333-79167), filed with the Securities and Exchange Commission on May 24, 1999, and the registrant's registration statement on Form S-8 (Registration No. 333-60046), filed with the Securities and Exchange Commission on May 2, 2001, are incorporated by reference herein.

Item 3. Incorporation of Documents By Reference.

The following documents are incorporated by reference into this registration statement:

- (a) The registrant's Annual Report on Form 10-K for the fiscal year ended September 27, 2003;
- (b) All other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Annual Report referred to in (a) above; and
- (c) The description of the registrant's common stock and rights to purchase preferred stock which are contained in the registrant's registration statements filed pursuant to Section 12 of the Exchange Act and all amendments thereto and reports filed for the purpose of updating such description.

All documents filed by the registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, subsequent to the date hereof and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which de-registers all securities then remaining unsold, shall be deemed hereby incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement.

Note Regarding Consent of Arthur Andersen LLP. The registrant dismissed Arthur Andersen LLP (Andersen) as its independent auditors, effective as of June 24, 2002. For additional information, see the registrant's Current Report on Form 8-K dated June 27, 2002. Andersen has been barred from practicing before the Securities and Exchange Commission, and therefore the registrant is unable to obtain Andersen's written consent to the incorporation by reference into this registration statement of Andersen's audit report with respect to the registrant's consolidated balance sheet as of September 29, 2001, and the related consolidated statement of operations, stockholders' equity and cash flows for the year ended September 29, 2001. Under these circumstances, Rule 437a under the Securities Act permits the registrant to file this registration statement, which incorporates by reference Andersen's audit report referred to above, without a written consent from Andersen. The absence of such consent may limit recovery by investors on certain claims. In particular, and without limitation, investors will not be able to assert claims against Andersen under Section 11(a) of the Securities Act for any untrue statement of a material fact contained in the financial statements audited by Andersen or for any omission of a material fact required to be stated therein. Accordingly, investors would be unable to assert a claim against Andersen under Section 11(a) of the Securities Act because it has not consented to the incorporation by reference of its previously issued report in this registration statement.
