The actual value of such options, if any, would be realized only upon the exercise of such options and depends upon the future performance of the Common Stock. No assurance can be made that the amounts reflected in these columns will be achieved. The potential realizable value was computed as the difference between the appreciated value (at the end of the term of the options) of the Common Stock into which the listed options are exercisable and the aggregate exercise price of such options. The calculations assume annual compounding and continued retention of the options and the underlying Common Stock by the optionee for the full option term.

OPTION/SAR EXERCISES AND YEAR-END VALUE TABLE

The following table shows, with respect to the named executive officers, the number of shares covered by both exercisable and non-exercisable stock options as of December 31, 2003, with respect to options to purchase Common Stock of American Vanguard Corporation. Also reported are the values for in-the-money options which represent the positive spread between the exercise price of any such existing stock options and the year-end closing price of the Common Stock. The figures shown in the table are adjusted for stock splits and stock dividends distributed to date, including the 3 for 2 stock split distributed in April 2004. The closing price of the Common Stock on December 31, 2003, the last trading day of American Vanguard's fiscal year, was \$24.97 per share (after giving effect for a 3 for 2 stock split distributed in April 2004).

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee sets and administers the policies which govern annual and long-term executive compensation. The Committee is responsible for the design and implementation of salary and incentive programs for executive officers and other key officers/employees/personnel which are consistent with American Vanguard's overall compensation philosophy. Key elements of that philosophy include:

Attract and retain quality talent, which is critical to both the short-term and long-term success of the Company.

Assuring that total compensation levels are competitive with those at peer companies and are commensurate with relative stockholder returns and the Company's financial performance.

Focusing executives on the financial objectives that support total stockholder returns.

Emphasizing long-term financial performance and sustained market value creation vs. short-term gains.

Executive officers of the Company are paid salaries in line with their responsibilities. The salaries (short-term cash compensation) are set in an attempt to pay such officers competitively. With respect to long-term incentive compensation, upon the Committee's recommendation, the Board adopted and the stockholders approved in 1995, the Company's 1994 Stock Incentive Plan, as amended and restated (the Plan), which is designed to link such officers and other key employees' long-term financial interests to those of the stockholders. The Committee expects to consider future various cash incentive compensation programs specifically tied to Company performance for the employees as a potential method of rewarding the achievement of specific Company performance based goals.

STOCK PERFORMANCE GRAPH

The following graph presents a comparison of the cumulative, five-year total return for the Company, the S&P 500 Stock Index, and a peer group selected by Value Line (Chemical Specialty Industry). The graph assumes that the beginning values of the investments in the Company, the S&P 500 Stock Index, and the peer group of companies each was \$100. All calculations assume reinvestment of dividends. Returns over the indicated period should not be considered indicative of future returns.

PROPOSAL 2 RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of American Vanguard Corporation has appointed and the stockholders ratified BDO Seidman, LLP (BDO) as independent auditors for the year ended December 31, 2003.

BDO has served as independent accountants of the Company continuously since 1991. It is believed that its knowledge of the Company's business gained through this period of service is valuable.

Past practice required reassignment of the partner responsible for the Company's account no less than every seven years. Securities and Exchange Commission rules now require reassignment of the lead partner after five years. This rotation provides the Company the benefit of new thinking and approaches in the audit area.

Aggregate fees for professional services rendered to the Company by BDO for the years ended December 31, 2003 and 2002, were (in thousands):

	<u>2003</u>	<u>2002</u>
Audit	\$ 187	\$ 154
Audit related	25	19
Tax	81	121
	<u>\$ 293</u>	<u>\$ 294</u>

Audit fees for 2003 and 2002 were for professional services rendered for the audits of the consolidated financial statements of the Company, timely reviews of quarterly financial statements, consents, income tax provision procedures, and assistance with review of documents filed with the Securities and Exchange Commission.

Audit Related fees for 2003 and 2002 were primarily for assurance services, accounting consultations in connection with acquisitions, and consultations concerning financial accounting and reporting standards.

Tax fees for 2003 and 2002 were for services related to tax compliance, including the preparation of tax returns and claims for refund, and tax planning and tax advice, including assistance with and representation in tax audits, advice related to acquisitions, and requests for technical advice from tax authorities.

Representatives of BDO are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

REQUIRED VOTE AND RECOMMENDATION

The affirmative vote of holders of a majority of the shares of Common Stock represented and entitled to vote at the meeting is required to ratify the appointment of BDO Seidman, LLP. Abstentions will count as a vote against the proposal but broker/non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE FOLLOWING RESOLUTION:

RESOLVED: That the action of the Audit Committee in employing BDO Seidman, LLP as independent accountants for the year 2004 to perform the functions assigned to them hereby is ratified.

PROPOSAL 3 APPROVAL TO AMEND THE

AMENDED AND RESTATED

CERTIFICATE OF INCORPORATION

In March 2004, the Board unanimously adopted, subject to stockholder approval, to amend the Company's Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock from 10,000,000 to 40,000,000. As of May 5, 2004, 8,964,263 shares of Common Stock are outstanding. The Board determined that it is in the best interests of the Company and its stockholders to increase the number of authorized shares of Common Stock because the current number of authorized shares is close to depletion and additional authorized shares will permit (if and when declared, distributed and/or issued) stock dividends and stock splits, stock options to retain and attract key personnel and equity-based consideration for use in financings, acquisitions or other business transactions.

Subject to stockholder approval, Article FOURTH of the Amended and Restated Certificate of Incorporation shall be deleted in its entirety and shall be replaced with the following:

FOURTH: The total number of shares of stock which this corporation shall have authority to issue is 40,400,000, divided into classes, consisting of 400,000 shares of Preferred Stock, par value \$0.10 per share, and 40,000,000 shares of Common Stock, par value \$0.10 per share.

The board of directors is authorized to provide for the issuance of shares of the Preferred Stock in series, and by filing a certificate pursuant to the applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers preferences and rights of the shares of each such series and the qualifications, limitations and restrictions thereof.

REQUIRED VOTE AND RECOMMENDATION

The affirmative vote of holders of a majority of the shares of Common Stock represented and entitled to vote at the meeting is required for approval of the amendment to the Company's Amended and Restated Certificate of Incorporation. Abstentions will count as a vote against the proposal but broker/non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THIS PROPOSAL.

PROPOSAL 4 APPROVAL OF THE FOURTH AMENDED AND RESTATED

1994 STOCK INCENTIVE PLAN

The stockholders approved the Company's 1994 Stock Incentive Plan at the 1995 Annual Meeting, the First Amended and Restated Stock Incentive Plan at the 2000 Annual Meeting, the Second Amended and Restated Stock Incentive Plan at the 2002 Annual Meeting and the Third Amended and Restated Stock Incentive Plan at the 2003 Annual Meeting (collectively, the Plan). The Plan is intended to provide individual participants with an opportunity to acquire a proprietary interest in American Vanguard Corporation and give them an additional incentive to use their best efforts for American Vanguard's long-term success.

The Plan is administered by a committee designated by the Board of Directors (the Committee) consisting of not less than two members of the Board of Directors, each of whom shall be disinterested persons within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 (the Exchange Act) or any successor rule and, to the extent and when required by such Regulations, within the meaning of Section 162(m) of the Internal Revenue Code of 1986 (the Code) and the final regulations thereunder (the Regulations).

The Plan permits the granting of stock options in the form of Incentive Stock Options and Non-Qualified Stock Options, in the sole discretion of the Committee. The terms and conditions of each award are set forth in a written agreement with the participant. All officers, directors, or employees of or consultants to the Company or its subsidiaries, as the Committee shall in its sole discretion select, are eligible to participate in the Plan; however, no person shall receive any Incentive Stock Option unless such person is an employee of the Company, or a subsidiary at the time the Incentive Stock Option is granted.

The exercise price per share shall not be less than 100% of the Fair Market Value (as defined and determined in accordance with the Plan) of a share of Common Stock at the time the option is granted (or such later date as the Committee shall determine in the case of Non-Qualified Stock Options), and may be exercisable for a term of no longer than ten years from the date of grant. Options generally cease to be exercisable upon termination of employment, or a period following such termination of employment not exceeding three months (as determined by the Committee), except that such period may be extended if employment shall have been terminated by reason of disability, death or retirement. In no event may the exercise period be extended beyond the original exercise period of the option.

The aggregate Fair Market Value (determined at the time the option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are first exercisable during any calendar year by any participant may not exceed \$100,000. No Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless (i) the exercise price per share of such Incentive Stock Option is at least 110% of the Fair Market Value of a share of Common Stock on the date of grant, and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

The Board of Directors may, from time to time, suspend or discontinue the Plan or revise or amend it in any respect whatsoever, except that no such amendment will alter or impair any rights or obligation under any award theretofore made under the Plan without the consent of the participant to whom such award was made and provided that no such amendment (unless approved by the stockholders of the Company) will: (i) materially increase the number of shares of Common Stock in respect of which awards may be granted; (ii) amend the provisions with respect to Incentive Stock Options in any manner which would disqualify such Incentive Stock Options under Section 422 of the Code; (iii) materially modify the class of eligible employees; or (iv) materially increase the benefits accruing to participants.

Changes to the Plan

The Board of Directors proposes to amend and restate the Plan to make two material modifications:

(i) to increase, effective as of March 12, 2004, the number of shares of Common Stock available for granting awards under the Plan from 874,000 (or 1,311,000 as adjusted for the 3 for 2 stock split distributed in April 2004) to 1,074,000 (or 1,611,000 as adjusted for said stock split); and

(ii) to provide that any repricing of a previously granted award or cancellation of a previously granted award and the issuance of a new substituted award requires stockholder approval.

This summary description of the proposed amendment and restatement to the Plan is qualified in its entirety by reference to the full text of the Fourth Amended and Restated 1994 Stock Incentive Plan, which is attached to this Proxy Statement as Appendix A.

As of May 5, 2004, there have been awards issued under the Plan for the right to acquire 1,260,820 shares of Common Stock (as adjusted for stock splits and stock dividends distributed to date). The Board determined that it is in the best interest of the Company and its stockholders to increase the number of reserved shares under the Plan because the current number of reserved shares is close to depletion and additional shares will permit (if and when offered by the Committee or the Board) equity incentive to retain and attract key personnel. In addition, the Board determined that it is in the best interest of the Company's stockholders that the Plan restrict the ability to reprice a previously granted award or cancel a previously granted award and issue a new substituted award without stockholder approval.

Awards under the Proposed Amendment and Restatement

Benefits payable or amounts that will be granted after the effective date of the proposed amendment and restatement of the Plan are not determinable at this time. The proposed amendment and restatement would define the class of eligible employees to be consistent with the manner in which the Plan is currently being administered.

United States Federal Income Tax Aspects of the Plan

Non-statutory Stock Options. As a general rule, no federal income tax is imposed on the optionee upon the grant of a non-statutory stock option (an option other than an incentive stock option, which is described below). In addition, American Vanguard is not entitled to a tax deduction by reason of such a grant. Generally, upon the exercise of a non-statutory stock option, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise over the option price paid for such shares.

Upon the exercise of a non-statutory stock option, American Vanguard may claim a deduction for compensation paid at the same time and in the same amount as compensation income is recognized to the award recipient assuming any federal income tax withholding requirements are satisfied. Upon a subsequent disposition of the shares received upon exercises of a non-statutory stock option, any appreciation after the date of

exercise should qualify as a capital gain.

Incentive Stock Options. The incentive stock options under the Plan are intended to constitute incentive stock options within the meaning of Section 422 of the Internal Revenue Code. Incentive stock options are subject to special federal income tax treatment. No federal income tax is imposed on the optionee upon the grant or exercise of incentive stock options if the optionee does not dispose of shares acquired pursuant to the exercise within the two-year period beginning on the date the option was granted or within the one-year period beginning on the date the option was exercised (collectively, the holding period). If these conditions are met and no tax is imposed on the optionee, then American Vanguard would not be entitled to any deduction for federal income tax purposes in connection with the grant or exercise of the option or the disposition of the underlying shares. With respect to an incentive stock option, the difference between the fair market value of the stock on the date of exercise and the exercise price generally must be included in the optionee's alternative minimum taxable income.

Upon disposition of the shares received upon exercise of an incentive stock option after the holding period, the difference between that amount realized and the exercise price would constitute a long-term capital gain or loss. If an optionee disposes of shares acquired pursuant to his or her exercise of an incentive stock option prior to the end of the holding period, the optionee will be treated as having received, at the time of disposition, compensation taxable as ordinary income. In such event, American Vanguard may claim a deduction for compensation paid at the same time and in the same amount as compensation is treated as received by the optionee. The amount treated as compensation is the excess of the fair market value of the shares at the time of exercise (or in the case of a sale in which a loss would be recognized, the amount realized on the sale if less) over the exercise price, and any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as short-term or long-term capital gain, depending on the holding period of the shares.

REQUIRED VOTE AND RECOMMENDATION

The affirmative vote of holders of a majority of the shares of Common Stock represented and entitled to vote at the meeting is required for approval of the Fourth Amended and Restated 1994 Stock Incentive Plan. Abstentions will count as a vote against the proposal but broker/non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THIS PROPOSAL.

(u) *Regulations* shall mean the temporary and final regulations adopted by the United States Treasury Department pursuant to the Code.

(v) *Reserved Shares* has the meaning set forth in Section 1.4.

(w) *Retirement* shall mean retirement from active employment with the Company and its subsidiaries on or after the normal retirement date specified in the Company's retirement plan for salaried employees or such earlier retirement date as approved by the Committee for purposes of the Plan or, in the case of Participants that are not employees of the Company, such date as may be approved by the Committee for purposes of the Plan.

(x) *Securities Act* means the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

(y) *Termination of Employment* shall mean the discontinuance of employment, service as a director or retention as a consultant of a Participant, for any reason by the Participant, the Company or any subsidiary of the Company.

1.3 Eligibility for Participation.

Awards under the Plan may be made to such directors, officers or employees of or consultants to the Company or its subsidiaries as the Committee shall in its sole discretion select; provided, however, that no person shall receive any Incentive Stock Option unless such person is an employee of the Company, a parent or a subsidiary (within the meaning of Section 422 of the Code) at the time the Incentive Stock Option is granted.

1.4 Shares Available Under the Plan; Limitation on Options Granted to any One Participant.

(a) There are reserved for issuance under the Plan an aggregate of 1,074,000 shares of Common Stock, but when adjusted for the 3 for 2 stock split to be distributed on April 16, 2004 will be 1,611,000 shares of Common Stock (the *Reserved Shares*), subject to further adjustment as provided in Article III. The Reserved Shares may be authorized but unissued or treasury shares. The Reserved Shares underlying Options which, by reason of the expiration, cancellation or other termination of such Options, are not issued shall again be available for future Awards. For purposes of determining the number of Reserved Shares, the number of shares of Common Stock delivered in connection with the exercise of an Option shall be determined net of any previously acquired shares tendered by the Participant in payment of the exercise price or of any withholding taxes.

(b) Notwithstanding Section 1.4(a), the maximum number of shares of Common Stock that may be granted in the form of Incentive Stock Options under the Plan shall not exceed the Reserved Shares, subject to adjustment as provided in Article III. To the extent required under Section 162(m) of the Code, the maximum number of shares of Common Stock subject to Options that may be granted to any one Participant pursuant to the Plan in any one calendar year shall not exceed the Reserved Shares, subject to adjustment as provided in Article III.

1.5 Administration of the Plan.

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

(a) The Plan shall be administered by the Committee, which, subject to the limitations set forth in the Plan, shall have full and exclusive power and authority to: (i) exercise all of the powers granted to it under the Plan, (ii) construe, interpret and implement the Plan and any Agreements, (iii) prescribe, amend and rescind rules and regulations relating to the Plan, (iv) make all determinations necessary or advisable in administering the Plan, (v) correct any defect, supply any omission and reconcile any inconsistency in the Plan, (vi) establish selection guidelines and select eligible persons for participation and determine the form and amount of the Award to be granted, (vii) determine the duration and purposes for leaves of absence which may be granted to a Participant on an individual basis without constituting a Termination of Employment for purposes of the Plan, and (viii) establish or waive any restriction and forfeiture provisions, the time and conditions of vesting or exercise,

A-3

the conditions, if any, under which time of vesting or exercise may be accelerated, the conditions, form, time, manner and terms of payment of any Award, and all other terms and conditions of the Award.

(b) The Committee's powers include, without limitation, the adoption of modifications, amendments, procedures, subplans and the like as are necessary to comply with provisions of the laws of other countries in which the Company may operate in order to assure the viability of Awards granted under the Plan and to enable Participants employed in such other countries to receive advantages and benefits under the Plan and such laws.

(c) The determination of the Committee on all matters relating to the Plan or any Agreement shall be conclusive. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award. The Company shall indemnify and hold harmless each member of the Committee and each other director or employee of the Company to whom any duty or power relating to the administration of the Plan has been delegated against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee in bad faith and without reasonable belief that it was in the best interest of the Company.

(d) Without limiting the foregoing and notwithstanding any other provisions of the Plan, the Committee is authorized to take any such action as it determines to be necessary or advisable, and fair and equitable to Participants, with respect to Options in the event of: (i) a merger of the Company with, consolidation of the Company into, or the acquisition of the Company by, another corporation; (ii) a sale or transfer of all or substantially all of the assets of the Company to another corporation or any other person or entity; (iii) a tender or exchange offer for shares of Common Stock made by any corporation, person or entity (other than the Company); or (iv) other reorganization in which the Company will not survive as an independent, publicly owned corporation. Such action may include (but shall not be limited to) establishing, amending or waiving the forms, terms, conditions and duration of Options so as to provide for earlier, later, extended or additional times of exercise or payments, differing methods for calculating payments, alternate forms and amounts of payment or other modifications. The Committee may take such actions pursuant to this Section 1.5(d) by adopting rules and regulations of general applicability to all Participants or to certain categories of Participants, by including, amending or waiving terms and conditions in Awards, or by taking action with respect to individual Participants. The Committee may take such actions in advance of, or as part of any such merger, consolidation, acquisition, sale or transfer of assets, tender or exchange offer or other reorganization.

1.6 Types of Awards Under the Plan.

Awards may be made under the Plan in the form of Incentive Stock Options or Non-Qualified Stock Options, in the sole discretion of the Committee.

1.7 Agreements Evidencing Awards.

Options granted under the Plan shall be evidenced by written Agreements, which shall not be inconsistent with the terms and provisions of the Plan, and which shall contain such provisions as the Committee in its sole discretion deems necessary or desirable. Each Participant accepting an Award pursuant to the Plan shall agree that each such Award shall be subject to all of the terms and provisions of the Plan and the Agreement.

II. OPTIONS

2.1 Grants.

The Committee may grant Options pursuant to the Plan, which Options shall be evidenced by Agreements containing such terms and conditions as the Committee shall from time to time approve, including any provisions

A-4

as to continued employment as consideration for the grant or exercise of such Option and any provisions which may be advisable to comply with applicable laws, regulations or rulings of any governmental authority. All Options granted under the Plan shall be clearly identified in the Agreement evidencing such Option as either Incentive Stock Options or Non-Qualified Stock Options. Options shall comply with and be subject to the terms of this Article II.

2.2 Incentive Stock Options.

Each provision of the Plan and of each Option designated as an Incentive Stock Option shall be construed so that each such Option shall be an incentive stock option as that term is defined in Section 422 of the Code, and any provision that cannot be so construed shall be disregarded. Incentive Stock Options shall be granted only to eligible Participants, and shall be subject to the following conditions:

(a) The exercise price per share of each Incentive Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date the Option is granted.

(b) The aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are first exercisable during any calendar year by any eligible Participant shall not exceed \$100,000. In the event that the aggregate Fair Market Value of shares of Common Stock with respect to such Incentive Stock Options exceeds \$100,000, then Incentive Stock Options granted under the Plan to such Participant shall, to the extent and in the order required by the Regulations (or any other authority having the force of Regulations), automatically be deemed to be Non-Qualified Stock Options, but all other terms and provisions of such Incentive Stock Options shall remain unchanged. In the absence of such Regulations (or authority), or in the event such Regulations (or authority) require or permit a designation of the Options which shall cease to constitute Incentive Stock Options, then Incentive Stock Options granted under the Plan shall, to the extent of such excess and in the order in which they were granted, automatically be deemed to be Non-Qualified Stock Options, but all other terms and provisions of such Incentive Stock Options shall remain unchanged.

(c) The provisions of Sections 2.2(a) and 2.4(a) notwithstanding, no Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (within the meaning of Section 424 of the Code), unless (i) the exercise price per share of such Incentive Stock Option is at least 110% of the Fair Market Value of a share of Common Stock on the date such Incentive Stock Option is granted, and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

(d) Any other terms and conditions which the Committee determines, upon advice of counsel, should be imposed for the Option to qualify as an Incentive Stock Option and any other terms and conditions not inconsistent with the Plan as determined by the Committee, including provisions making the Option exercisable in installments (which need not be equal) and at varying times depending upon events specified by the Committee upon grant as set forth in the Agreement.

2.3 Non-Qualified Stock Options.

One or more Options may be granted as Non-Qualified Stock Options to purchase Common Stock to an eligible Participant at such time or times determined by the Committee, following the Effective Date, subject to the following terms and conditions:

(a) The exercise price per share of each Non-Qualified Stock Option shall be not less than 100% of the Fair Market Value of a share of Common Stock on the date of the grant (or such later date as the Committee shall determine).

(b) The Option grant may include any other terms and conditions not inconsistent with the Plan as determined by the Committee, including provisions making the shares of Common Stock subject to such

A-5

Option restricted stock and/or provisions making the Options exercisable in such installments (which need not be equal) and at varying times depending upon events specified by the Committee upon grant as set forth in the Agreement.

2.4 Exercise of Options.

(a) An Option may be exercised in whole or in part from time to time within ten years from the date of the grant, or such shorter period as may be specified by the Committee as set forth in the Agreement, provided that in any event such Option shall lapse and cease to be exercisable upon, or within such period following, Termination of Employment as shall have been determined by the Committee and as specified in the Agreement; provided, however, that such period following Termination of Employment shall not exceed three months unless employment shall have terminated:

(i) as a result of Disability, in which event such period shall not exceed twelve months after the date of Termination of Employment in the case of an Incentive Stock Option or such other period as the Committee may specify in the case of a Non-Qualified Stock Option; or

(ii) as a result of Retirement in the case of a Non-Qualified Stock Option, in which event such period shall not exceed twelve months after the date of Termination of Employment; or

(iii) as a result of death or death shall have occurred following Termination of Employment and while the Option was still exercisable, in which event such period shall not exceed twelve months after the date of the Participant's death;

provided, however, that such period following Termination of Employment shall in no event extend the original exercise period of the Option.

(b) An Option shall be exercised by the filing of a written notice of exercise with the Company, specifying the number of shares as to which the Option is so exercised, on such form and in such manner as the Committee shall in its sole discretion prescribe.

(c) The exercise price of shares of Common Stock issuable upon exercise of an Option shall be paid in full at the time of the exercise in (i) cash, (ii) by certified check, (iii) bank cashier's check or wire transfer, (iv) if permitted by the Committee, by other means, including, without limitation, tendering Common Stock (or certifying as to ownership of Common Stock) that has been held by the Participant for at least six months prior to the date of exercise, valued at the Fair Market Value on the date of exercise, or (v) any combination thereof (subject to permission by the Committee with respect to clause (iv) thereof). Any payment in shares of Common Stock shall be effected by the delivery of such shares to the Secretary of the Company, duly endorsed in blank or accompanied by stock powers duly executed in blank, together with any other documents as the Secretary of the Company shall require from time to time. The Committee shall determine acceptable methods for tendering other Awards or options to exercise an Option as it deems appropriate.

(d) Any Option granted under the Plan may be exercised by a broker-dealer acting on behalf of a Participant if (i) the broker-dealer has received from the Participant or the Company a fully and duly endorsed Agreement evidencing such Option and instructions signed by the Participant requesting the Company to deliver the shares of Common Stock subject to such Option to the broker-dealer on behalf of the Participant and specifying the account into which such shares should be deposited, (ii) adequate provision has been made with respect to the payment of any withholding taxes due upon such exercise, and (iii) the broker-dealer and the Participant have otherwise complied with Section 220.3(e)(4) of Regulation T, 12 CFR Part 220.

(e) Certificates for shares of Common Stock purchased upon the exercise of an Option shall be issued in the name of the Participant and delivered to the Participant as soon as practicable following the effective date on which the Option is exercised; provided, however, that the time of such delivery may be postponed by the Company for such period as may be required for it with reasonable diligence to comply with applicable registration requirements, if any, under the Securities Act, the Exchange Act and applicable listing requirements

A-6

of any national securities exchange on which the Common Stock is then listed or approved for listing, and requirements under any other law or regulation applicable to the issuance or transfer of such shares. If the Participant fails to accept delivery of and pay for all or any part of the number of shares specified in the notice of exercise upon tender or delivery thereof, the Participant's right to purchase such undelivered shares may be terminated. If the Participant so elects and to the extent applicable, the shares may be issued in the name of the Participant or the Participant and the Participant's spouse jointly with right of survivorship or as community property.

III. ADJUSTMENTS UPON CHANGES IN COMMON STOCK

3.1 Shares Available for Grant.

In the event of any change in the number of shares of Common Stock outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of shares of Common Stock with respect to which the Committee may grant Options shall be appropriately adjusted by the Committee. In the event of any change by reason of any other event or transaction, the Committee may, but need not, make such adjustments in the number and class of shares of Common Stock with respect to which Options may be granted as the Committee may deem appropriate.

3.2 Outstanding Options.

(a) Subject to any required action by the stockholders of the Company, in the event of any increase or decrease in the number of issued shares of Common Stock resulting from a subdivision or consolidation of shares of Common Stock or the payment of a stock dividend (but only on the shares of Common Stock), or any other increase or decrease in the number of shares effected without receipt of consideration by the Company, the Committee shall proportionately adjust the number of shares of Common Stock subject to each outstanding Option and the exercise price per share of Common Stock of each such Option.

(b) Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Common Stock receive securities of another corporation), each Option outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of shares of Common Stock subject to such Option would have received, if any, in such merger or consolidation.

(c) In the event of a dissolution or liquidation of the Company, the Committee shall, in its absolute discretion, have the power to cancel, effective immediately prior to the occurrence of such event or such other date specified by the Committee, each Option outstanding immediately prior to such event (whether or not then exercisable) and, in full consideration of such cancellation, pay to the Participant to whom such Option was granted an amount in cash, for each share of Common Stock subject to such Option, equal to the excess of (A) the value, as determined by the Committee in its absolute discretion, of the Common Stock over (B) the exercise price of such Option.

(d) Upon the occurrence of an event constituting a Change in Control, each Option outstanding immediately prior to such event (whether or not then exercisable) shall automatically be immediately exercisable in full from and after the date of such event.

(e) In the event of any change in the capitalization of the Company or corporate change other than those specifically referred to in Section 3.2(a), (b), (c) or (d) hereof, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Options outstanding on the date on which such change occurs and in the per share exercise price of each such Option as the Committee may consider appropriate to prevent dilution or enlargement of rights.

A-7

IV. MISCELLANEOUS

4.1 Rights as a Stockholder.

No person shall have any rights as a stockholder with respect to any shares of Common Stock covered by or relating to any Award granted pursuant to the Plan until the date of the issuance of a stock certificate with respect to such shares. Except as otherwise expressly provided in Article III, no adjustments to any Award shall be made for dividends or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) for which the record date occurs prior to the date such stock certificate is issued.

4.2 Amendment of the Plan; Modification of Awards.

(a) The Board of Directors may from time to time suspend or discontinue the Plan or revise or amend it in any respect whatsoever, except that no such amendment shall adversely alter or impair any rights or obligations under any existing Award made under the Plan without the consent of the Participant to whom such Award was made, subject to any requirement of stockholder approval required by applicable law, rule or regulation.

(b) With the consent of the Participant and subject to the terms and conditions of the Plan and the Agreement, the Committee may amend outstanding Agreements with such Participant; provided, however, that the Committee shall not have authority to reprice a previously granted Award or cancel a previously granted Award and issue a new substituted Award without obtaining stockholder approval.

4.3 Restrictions.

(a) The Company shall be under no obligation to effect the registration pursuant to the Securities Act of any shares of Common Stock to be issued under the Plan or to effect similar compliance under any state laws or other laws. Notwithstanding anything in the Plan to the contrary, the Company shall not be obligated to cause to be issued or delivered any certificates evidencing shares of Common Stock pursuant to the Plan unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and the requirements of any securities exchange on which the Common Stock may then be listed or approved for listing. If the Committee shall at any time determine that any Consent (as defined in Section 4.3(b)) is necessary or desirable as a condition of, or in connection with, the granting of any Award under the Plan, the issuance or purchase of shares or the taking of any other action (each such action being referred to as a Plan Action), then such Plan Action shall not be taken, in whole or in part, unless and until such Consent shall have been effected or obtained to the full satisfaction of the Committee. Without limiting the generality of the foregoing, in the event that (i) the Committee shall be entitled under the Plan to make any payment in Common Stock and (ii) the Committee shall determine that a Consent is necessary or desirable as a condition of, or in connection with, payment in such form, then the Committee shall be entitled to determine not to make any payment whatsoever until such Consent shall have been obtained in the manner provided in this Section 4.3(a).

(b) The term Consent as used with respect to any Plan Action means (i) any and all listings, registrations or qualifications with any securities exchange or under any federal, state or local law, rule or regulation, (ii) any and all written agreements and representations by the Participant with respect to the disposition of shares of Common Stock, or with respect to any other matter, which the Committee shall deem necessary or desirable to comply with the terms of any such listing, registration or qualification or to obtain an exemption from the requirement that any such listing, registration or qualification be made, and (iii) any and all consents, clearances and approvals in respect of a Plan Action by any governmental or other regulatory bodies.

4.4 Nonassignability.

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

(a) No Award or other right granted to any Participant under the Plan or under any Agreement shall be assignable or transferable, other than by will or by the laws of descent and distribution, or pursuant to a qualified

A-8

domestic relations order as provided by the Code or Title I of the Employee Retirement Income Security Act. During the life of the Participant, all rights granted to the Participant under the Plan or under any Agreement shall be exercisable only by him or her or by his or her guardian or legal representative.

(b) Notwithstanding Section 4.4(a), in the discretion of the Committee, Awards granted under the Plan may be transferred to members of the Participant's immediate family (which for purposes of the Plan shall be limited to the Participant's children, grandchildren and spouse), or to one or more trusts for the benefit of such family members, or to partnerships or limited liability companies in which such family members and/or trusts are the only partners or members, but only if the Agreement expressly so provides.

4.5 Withholding Taxes.

The Company shall have the right to deduct applicable taxes from any Award payment and withhold, at the time of delivery of shares under the Plan or upon the occurrence of any other event which subjects the Company to a requirement of withholding under applicable provisions of the Code and the Regulations, an appropriate number of shares for, or require as a condition of delivery or otherwise that the Participant remit an amount sufficient to satisfy, the payment of all taxes required by any federal, state or other governmental withholding tax requirements or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of taxes. The Company may elect to deduct such taxes from any other amounts payable then or thereafter in cash or otherwise to the Participant. If permitted by the Committee, a Participant may make a written election to have shares of Common Stock withheld from the shares otherwise to be received upon the exercise of an Option. If the Committee in its discretion permits Common Stock to be used to satisfy tax withholding, such stock shall be valued based on the Fair Market Value of the Common Stock on the date the applicable tax is required to be withheld.

4.6 Loans.

(a) The Company or any subsidiary may make loans to a Participant in connection with the exercise of an Option, subject to the following terms and conditions and such other terms and conditions not inconsistent with the Plan including the rate of interest, if any, as the Committee shall impose from time to time.

(b) No loan made under the Plan shall exceed the sum of (i) the aggregate purchase price payable pursuant to the Option with respect to which the loan is made, plus (ii) the amount of the reasonably estimated income taxes payable by the Participant with respect to the Award. In no event may any such loan exceed the Fair Market Value, at the date of exercise, of any such shares of Common Stock acquired upon such exercise.

(c) No loan shall have an initial term exceeding five years; provided, however, that loans under the Plan shall be renewable at the discretion of the Committee. Notwithstanding the foregoing in this Section 4.6(c), any such loan shall become immediately due and payable in full, at the option of the Company, upon Termination of Employment of the Participant for any reason.

(d) Loans under the Plan may be satisfied by a Participant, as determined by the Committee, in cash or, with the consent of the Committee, in whole or in part by the transfer of shares of Common Stock, the Fair Market Value of which on the date of such payment is equal to the amount of the loan so satisfied.

(e) Loans under the Plan shall be with full recourse against the Participant to whom the loan is granted and shall be secured by a pledge of shares with a Fair Market Value of not less than the principal amount of the loan at the time the loan is made. The Company shall retain physical possession of the stock certificates evidencing the shares so pledged together with a duly executed stock power for such shares. After partial

repayment of a loan, pledged shares of Common Stock no longer required as security may be released pursuant to the terms of the Agreement of the Participant.

A-9

4.7 No Special Employment Rights; No Right to Award.

Nothing contained in the Plan or in any Agreement shall confer upon any Participant any right with respect to the continuation of his or her employment or engagement by the Company or interfere in any way with the right of the Company, subject to the terms of any separate employment or engagement agreement to the contrary, at any time to terminate such employment or engagement or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award. No person shall have any claim or right to receive an Award. The Committee's grant of an Award to a Participant at any time shall neither require the Committee to grant an Award to such Participant or any other Participant or other person at any time nor preclude the Committee from making subsequent grants to such Participant or any other Participant or other person.

4.8 Nature of Payments.

Any and all payments of shares of Common Stock shall be granted, transferred or paid in consideration of services performed for the Company by the Participant. All such grants, issuances and payments shall constitute a special incentive payment to the Participant and shall not, unless otherwise determined by the Committee, be taken into account in computing the amount of salary or compensation of the Participant for the purposes of determining any pension, retirement, death or other benefits under (i) any pension, retirement, life insurance or other benefit plan of the Company, or (ii) any other agreement between the Company and the Participant.

4.9 Non-Uniform Determinations.

The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Agreements, as to (i) the person selected as Participants to receive Awards under the Plan, (ii) the terms, conditions and restrictions of Awards under the Plan, and (iii) the exercise by the Committee of its discretion with respect to all other powers granted to the Committee pursuant to the Plan.

4.10 Other Payments or Awards.

Nothing contained in the Plan shall be deemed in any way to limit or restrict the Company or the Committee from making any award or payments to any person under any other plan, arrangement or understanding, whether now existing or hereafter in effect.

4.11 Section Headings.

The section headings contained herein are for the purposes of convenience only and are not intended to define or limit the contents of said sections.

4.12 Unfunded Plan.

Insofar as it provides for Awards of Common Stock, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to the Participants who are entitled to Common Stock or rights under the Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Common Stock or rights to

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

Common Stock, nor shall the Plan be construed as providing for such segregation, nor shall the Company nor the Board of Directors nor the Committee be deemed to be a trustee of any Common Stock or rights to Common Stock to be granted under the Plan. Any liability of the Company to any Participant with respect to an Award under the Plan shall be based solely upon any contractual obligations that may be created by the Plan or any Agreement; no such

A-10

obligation of the Company shall be deemed to be secured by any pledged or other encumbrance on any property of the Company. Neither the Company or the Board of Directors nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by the Plan or any Agreement.

4.13 Governing Law.

The Plan and all determinations made and actions taken pursuant to the Plan, to the extent not otherwise governed by the Code or the securities laws of the United States, shall be governed by the laws of the State of California (without giving effect to the principles of conflicts of laws) and construed accordingly.

4.14 Effective and Termination Dates.

(a) The Plan shall become effective immediately upon the Effective Date. If, however, the Plan requires approval of the stockholders of the Company under applicable law, rule or regulation and such approval is not obtained at or before the first anniversary of the Effective Date, all Awards granted under the Plan shall be of no effect. Awards may be granted under the Plan prior to the receipt of such stockholder approval, provided, that each such grant shall be subject to such approval. Without limiting the foregoing, no Option granted under the Plan may be exercised prior to the date of such approval. Notwithstanding anything in the Plan to the contrary, nothing in the Plan is intended to require stockholder approval of the Predecessor Plans, the Predecessor Plan Shares, or the Incorporated Options pursuant to this Section 4.14(a).

(b) Subject to stockholder approval of the Plan as provided in Section 4.14(a), the Plan shall serve as the successor to the Predecessor Plans, all Incorporated Options shall be treated as outstanding Options under the Plan, and no further options shall be granted under the Predecessor Plans. The Incorporated Options shall be governed by the terms and conditions of the Plan; provided, however, that if the Plan is not approved by the stockholders as provided in Section 4.14(a) or to the extent the Plan adversely alters or impairs any rights or obligations under such Incorporated Option without the consent of the Participant holding such Incorporated Option, such Incorporated Option shall continue to be governed by the terms of the Predecessor Plan and related option agreement applicable to such Incorporated Option.

(c) The Plan shall terminate on December 15, 2010, subject to earlier termination pursuant to Section 4.2.
