Item 1.01. Entry into a Material Definitive Agreement.

On January 16, 2009, the Company entered into an indemnification agreement with each of the current directors that replaces similar 1987 agreements. The new agreement updates the prior agreement to incorporate changes in the applicable Michigan laws and the Company's articles and bylaws. The new agreement includes provisions requiring the Indemnitee's cooperation, allowing alternative resolutions without affecting the applicability of the indemnification, clarifying that the agreement is binding on a successor corporation and ensuring the indemnification provisions are consistent with the full provisions for indemnification allowed under Michigan law. In some situations, the new agreement eliminates the requirement for a determination that the director has met a specified standard of conduct, and where a determination is required, it establishes a reputable presumption that the director is entitled to indemnification.
