ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On January 17, 2005, Virginia Electric and Power Company (VEPCO) and Mettiki Coal, LLC (Mettiki), a subsidiary of Alliance Resource Partners, L.P. (the Partnership), entered into an agreement (Amendment No. 1 to the Coal Supply Agreement) to amend their Agreement for the Supply of Coal to Mt. Storm Power Station between VEPCO and Mettiki Coal Corporation (predecessor of Mettiki Coal LLC) dated January 15, 1996 (the Coal Supply Agreement). Pursuant to the Coal Supply Agreement, Mettiki has agreed to sell to VEPCO, and VEPCO has agreed to purchase, coal from Mettiki s mine located in Garrett County, Maryland for use in VEPCO s Mt. Storm Power Station, which is located in Grant County, West Virginia (the Station). The Coal Supply Agreement has a term beginning January 15, 1996 and continuing through December 31, 2006.

Mettiki and VEPCO from time to time enter into spot sale and purchase agreements for the delivery of Mettiki coal to the VEPCO Station that is in addition to the parties purchase and sales obligations under the Coal Supply Agreement (Spot Agreement(s)). Furthermore, Mettiki and VEPCO are currently in negotiations to enter into a letter of intent (LOI) outlining the key terms and conditions of a successor coal supply agreement pursuant to which Mettiki, or one or more of its affiliates, (collectively Mettiki) is proposing to sell to VEPCO coal from existing and/or new mining operations to be developed in Western Maryland and/or West Virginia with a proposed term beginning on January 1, 2007 (the Successor Agreement).

Mount Storm Coal Supply, LLC (Mount Storm Supply) and its affiliate, PC West Virginia Synthetic Fuel #2, LLC (PCWV#2), have entered into various transactions with VEPCO whereby PCWV#2 shall produce synthetic fuel that qualifies for Section 29 tax credits that is derived from coal (Synfuel) at PCWV#2 s synthetic fuel facility (the Synfuel Facility), which Synfuel Facility shall be operated and maintained by PCWV#2 adjacent to or near VEPCO s Station.

Pursuant to Amendment No. 1 to the Coal Supply Agreement and the Memorandum of Understanding dated January 17, 2005 between VEPCO and Mettiki (the Memorandum of Understanding), VEPCO and Mettiki have agreed upon certain terms and conditions to provide that Mount Storm Supply intends to purchase coal from Mettiki, which in turn shall be sold by Mount Storm Supply to PCWV#2 to produce Synfuel at PCWV#2 s Synfuel Facility which shall then be purchased by VEPCO under synfuel supply agreements (Synfuel Supply Agreement(s)) between PCWV#2 and VEPCO. Under Amendment No. 1 to the Coal Supply Agreement and the Memorandum of Understanding, the Synfuel purchased by VEPCO from PCWV#2 under the Synfuel Supply Agreements which is produced from coal supplied to Mount Storm Supply by Mettiki will reduce the quantity of coal that is otherwise required to be purchased by VEPCO from Mettiki under the respective Coal Supply Agreement, Spot Agreement(s) and/or the Successor Agreement.
