Camden National Corporation Retirement Savings 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of Camden National Corporation Retirement Savings 401(k) Plan as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Camden National Corporation Retirement Savings 401(k) Plan as of December 31, 2004 and 2003 and the changes in net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplementary information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. Description of Plan

The following description of the Camden National Corporation Retirement Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Camden National Corporation (the Corporation) and its subsidiaries, Camden National Bank, Acadia Trust, N.A., and UnitedKingfield Bank, who have at least 30 days of service and are age twenty-one or older. Under the provisions of the Plan, investment activity is directed by individual participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute the maximum amount allowed by law, but in no event more than \$13,000 in 2004 and \$12,000 in 2003. The Corporation matches 100% of participants' contributions, up to 3% of salary, and 50% of participants' contributions that exceed 3% of salary, but do not exceed 5% of salary. The Corporation may also make additional discretionary matching and profit sharing contributions. Contributions are subject to certain limitations.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon, safe harbor matching contributions and discretionary matching contributions. Vesting in the Corporation profit sharing portion of their accounts, plus earnings thereon, is based on a seven-year graded vesting schedule.

Participant Loans

Edgar Filing: CAMDEN NATIONAL CORP - Form 11-K

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses

Substantially all administrative expenses are paid by the Corporation.

Notes to Financial Statements

December 31, 2004 and 2003

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or a 50% joint and survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

2. Summary of Accounting Policies

Benefit Payments

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3. Investments

Investments are recorded at their fair values. Quoted market prices are used to determine the fair values. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their principal amount, which approximates fair value.

Investments that represent 5% or more of the Plan's net assets are as follows:
