Item 14. Indemnification of Directors and Officers

We are incorporated under the laws of the State of Delaware. Section 145 (Section 145) of the General Corporation Law of the State of Delaware, as the same exists or may hereafter be amended (the DGCL), provides that a Delaware corporation may indemnify any such person who was, is or is threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may indemnify any persons who are, were or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reasons of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer, director, employee or agent is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Our certificate of incorporation provides that to the fullest extent permitted by the DGCL and except as otherwise provided in its by-laws, none of our directors shall be liable to us or our stockholders for monetary

damages for a breach of fiduciary duty. In addition, our certificate of incorporation provides for indemnification of any person who was or is made or threatened to be made a party to any action, suit or other proceeding, whether criminal, civil, administrative or investigative, because of his or her status as a director or officer of us, or service as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise at our request to the fullest extent authorized under the DGCL against all expenses, liabilities and losses reasonably incurred by such person. Further, all of our directors and officers are covered by insurance policies maintained and held in effect by us against certain liabilities for actions taken in their capacities as such, including liabilities under the Securities Act.

Item 15. Recent Sales of Unregistered Securities

Except as set forth below, in the three years preceding the filing of this registration statement, we have not issued any securities that were not registered under the Securities Act.

On July 15, 2002, we sold to Steffan Burns, our former president and chief executive officer, 112,960 shares of our common stock at \$0.00138 per share, for a total purchase price of \$156 in cash. The securities were issued without registration in reliance on Section 4(2) of the Securities Act.

In connection with our acquisition of Mettis (UK) Limited and its subsidiaries on June 11, 2003, we issued the following securities without registration in reliance on Section 4(2) of the Securities Act:

On June 11, 2003, we issued \$36.0 million in aggregate principal amount of 12% subordinated notes, warrants to purchase an aggregate of 585,377 shares of our common stock at a purchase price of \$0.01 per share and warrants to purchase an aggregate of 3,530 shares of our class A preferred stock at a purchase price of \$0.01 per share for aggregate proceeds of \$36,000,000, to Windjammer Mezzanine & Equity Fund II, L.P., Olympus Growth Fund III, L.P., Olympus Growth Co-Investment Fund III, L.P., Olympus Executive Fund, L.P., Antares Capital Corporation, and RBS Equity Corporation.

We sold an aggregate of 6,998,521 shares of our common stock at \$3.04 per share and 48,257 shares of our class A preferred stock at \$1,000 per share for aggregate proceeds of approximately \$69,550,000 to Windjammer Mezzanine & Equity Fund II, L.P., RBS Equity Corporation, CIT Lending Services Corporation and Knowledge Ventures, LLC.

We exchanged an aggregate of 3,042 shares of our class B preferred stock held by Olympus/Symmetry Holdings LLC and its affiliates and Timothy E. Wood for an aggregate of 383,853 shares of our common stock, valued at \$3.04 per share, and 2,647 shares of our class A preferred stock, valued at \$1,000 per share.

We issued to Mettis Group Limited 208,450 shares of our common stock, having an aggregate value of \$4,592,149.54, and 10,408 shares of our class A preferred stock, having an aggregate value of \$10,407,851.

On June 12, 2003 and July 15, 2003, we sold an aggregate of 118,999 shares of our common stock at \$3.04 per share and 821 shares of our class A preferred stock at \$1,000 per share to certain of our executive officers, directors and key employees for aggregate proceeds of approximately \$820,590. The sales were made without registration in reliance on the exemption provided by Section 4(2) of the Securities Act.

On July 29, 2003, we granted options to purchase a total of 740,624 shares of our common stock to certain executive officers and employees under our 2003 Stock Option Plan at a per share exercise price of \$3.04. On December 12, 2003, we agreed to grant options to Fred Hite to

Edgar Filing: Symmetry Medical Inc. - Form POS EX

purchase 72,410 shares of our common stock under our 2003 Stock Option Plan at a per share exercise price of \$4.83 in connection with his employment. In each case, the options were granted without registration in reliance on the exemption provided by Rule 701 promulgated under the Securities Act.

II-2

On February 15, 2005, we granted each of Frank Turner, Francis Nusspickel and Stephen Oresman, each of whom is an independent director, 1,667 shares of restricted common stock under our 2004 Equity Incentive Plan. This grant to our independent directors, to the extent it may be deemed to be a sale, was made without registration in reliance on the exemption provided by Section 4(2) of the Securities Act of 1933.

On March 21, 2005, we issued 7,002 shares of our common stock to a consultant following the exercise of options granted to the consultant under our 2002 Stock Option Plan. The aggregate exercise price paid to us by the consultant was \$1,934.00, and this sale was made pursuant to the exemption from registration under the Securities Act of 1933 set forth in Rule 701.

On May 26, 2005, RBS Equity Corporation converted all of its warrants to purchase our common stock into 140,112 shares of our common stock. The issuance of our common stock was made without registration in reliance on the exemptions provided by Sections 3(a)(9) and 4(2) of the Securities Act of 1933.

No underwriters were involved in connection with any transactions set forth above. In each case we made inquiries to establish that these transactions qualified for exemptions from the registration requirements. In particular, for each sale made in reliance on the exemption provided by Section 4(2) of the Securities Act we received representations from the recipient of the securities that such recipient intended to acquire the securities for investment purposes only and not with a view to, or for sale in connection with, any distribution thereof and that such recipient was an accredited investor as defined in Rule 501(a) under the Securities Act. Appropriate legends were affixed to the securities issued.

Item 16. Exhibits and Financial Statement Schedules

(a) *Exhibits.*

The attached Exhibit Index is incorporated by reference herein.

(b) *Financial Statement Schedules*

All schedules for which provision is made in the applicable accounting regulations of the Commission are not required under the related instructions, are inapplicable or not material, or the information called for thereby is otherwise included in the financial statements and therefore has been omitted.

Item 17. Undertakings

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to provisions described in Item 14 above, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Edgar Filing: Symmetry Medical Inc. - Form POS EX

The undersigned Registrant hereby undertakes:

1) for purposes of determining any liability under the Securities Act, that the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in the form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective;

II-3

2) for the purpose of determining any liability under the Securities Act, that each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

3) to provide to the underwriters at the closing specified in the Underwriting Agreement, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.
