**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

**SEPTEMBER 14, 2005**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Avalon Holdings Corporation (the Company) of proxies in the form enclosed herewith to be voted at the Annual Meeting of Shareholders to be held at the Avalon Golf and Country Club at Squaw Creek, located at 761 Youngstown-Kingsville Road, Vienna, Ohio, on Wednesday, September 14, 2005, at 10:00 A.M., local time, and at any adjournment thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement is being sent to each holder of the issued and outstanding shares of Class A Common Stock, \$.01 par value, (Class A Common Stock) and Class B Common Stock, \$.01 par value, (Class B Common Stock, and together with the Class A Common Stock, the Common Stock) of the Company entitled to vote at the meeting in order to furnish information relating to the business to be transacted at the meeting. The Company's Annual Report to Shareholders for the fiscal year ended December 31, 2004, including financial statements, is being mailed to shareholders, together with this Proxy Statement and the accompanying form of proxy, beginning on or about August 12, 2005.

Any shareholder giving a proxy will have the right to revoke it at any time prior to the voting thereof by giving written notice to the Secretary of the Company, by voting in person at the Annual Meeting, or by execution of a subsequent proxy provided that such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken. Shares of Common Stock represented by the proxies in the form enclosed, properly executed, will be voted in the manner designated, or if no applicable instructions are indicated, in favor of the Directors named therein. The persons named in the enclosed form of proxy are authorized to vote, in their discretion, upon such other business as may properly come before the meeting and any adjournment thereof. Only those shares represented at the Annual Meeting in person or by proxy shall be counted for purposes of determining the number of votes required for any proposals upon which shareholders of the Company shall be called upon to vote. Abstentions and broker non-votes shall not be counted as votes for or against any matter upon which shareholders of the Company shall be called upon to vote. The Articles of Incorporation of the Company do not permit cumulative voting in the election of Directors.

The Annual Meeting, which is usually held at the end of April, was delayed while the Board of Directors of the Company explored the possibility of delisting the Company's common stock by reducing the number of shareholders of record below 300, thereby eliminating the requirements for compliance with the Sarbanes-Oxley Act. The Company believes compliance with the requirements of the Sarbanes-Oxley Act will be very costly. However, as a result of the Securities and Exchange Commission's (SEC) decision to extend the compliance deadline under Section 404 of the Act (SOX 404) by one year for small public companies and the ongoing review by the SEC of how to minimize the costly impact of SOX 404 on small companies, the Board of Directors decided not to pursue delisting at this time, but intends to review the situation again as future developments warrant.

**VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The Board of Directors has fixed the close of business on August 3, 2005, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the meeting or any adjournment thereof. At the Annual Meeting, the holders of Class A Common Stock will be entitled, as a class, to elect two Directors (Class A Directors) and the holders of Class B Common Stock will be entitled, as a class, to elect three Directors (Class B Directors, and together with the Class A Directors, the Directors).

Except for the election of Directors and as otherwise required by the provisions of the Company's Articles of Incorporation or by law, holders of the Class A Common Stock and Class B Common Stock will vote or consent as a single class on all matters with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share. In the event that the outstanding shares of Class B Common Stock constitute less than 50% of the total voting power of the issued and outstanding shares of Class A Common Stock and Class B Common Stock, the holders of the Class A Common Stock (one vote per share) and Class B Common Stock (ten votes per share) will vote as a single class for the election of Directors. At the close of business on August 3, 2005, the Company had outstanding 3,190,786 shares of Class A Common Stock entitling the holders thereof to 3,190,786 votes in the aggregate and 612,545 shares of Class B Common Stock entitling the holders thereof to 6,125,450 votes in the aggregate.

Each share of Class B Common Stock is convertible at any time, at the option of the shareholder, into one share of Class A Common Stock. Shares of Class B Common Stock are also automatically converted into shares of Class A Common Stock on the transfer of such shares to any person other than the Company, another holder of Class B Common Stock or a Permitted Transferee as defined in the Company's Articles of Incorporation. The Class A Common Stock is not convertible.

The following table sets forth information with respect to beneficial ownership of the Class A Common Stock and Class B Common Stock by each person known to the Company to be the beneficial owner of more than five percent of either class of Common Stock. This information is as of August 2, 2005, unless noted that it is based upon Schedules 13-D, 13-G or Form 4 filed with the Securities and Exchange Commission (the Commission).

## MEETINGS AND COMMITTEES OF THE BOARD

The Board of Directors has established four standing committees to assist in the discharge of its responsibilities. These are the Executive, Audit, Option Plan and Compensation Committees. The Board as a whole nominates directors for election. During 2004, the Board of Directors had six meetings.

Each incumbent Director acted pursuant to all written consents without formal meeting and attended at least 75% of the total number of meetings of the Board of Directors and the committees of the Board on which the respective Directors served during 2004.

The Executive Committee, subject to the restrictions of the Ohio General Corporation Law, may exercise the authority of the Board of Directors in the management of the business and affairs of the Company during intervals between meetings of the Board. During 2004, the Executive Committee held no meetings. The Executive Committee consists of three members, as follows: Messrs. Klingle (Chairman), Wesolowski and Arnoni.

The Audit Committee is responsible for recommending the firm of independent accountants to be engaged to audit the Company's financial statements, reviewing the scope and results of the audit with the independent accountants, reviewing with management and the independent accountants the Company's interim and year-end operating results, considering the adequacy of the internal accounting controls and procedures of the Company and reviewing the non-audit services to be performed by the independent accountants. During 2004, the Audit Committee held five meetings. The Audit Committee consists of three members, as follows: Messrs. Kniss (Chairman), Arnoni and Gordon. The Board of Directors has determined that each member of the Audit Committee is independent as defined by the Securities and Exchange Commission and American Stock Exchange. The Board of Directors has identified Mr. Kniss as the Audit Committee financial expert. The Company has adopted a formal written Audit Committee Charter. The Audit Committee reviews and reassesses the adequacy of the formal written charter on an annual basis.

The Compensation Committee is responsible for reviewing and establishing the compensation arrangements for employees of the Company, including the salaries and bonuses of top management. During 2004, the Compensation Committee held one meeting. The Compensation Committee consists of three members, as follows: Messrs. Klingle (Chairman), Wesolowski and Arnoni.

The Option Plan Committee determines grants of options to purchase shares under the Company's 1998 Long-Term Incentive Plan (the "Plan") based on recommendations made by the Company's Compensation Committee. During 2004, the Option Plan Committee held no meetings. The Option Plan Committee consists of three members, as follows: Messrs. Kniss (Chairman), Arnoni and Gordon.

Avalon Holdings Corporation is a controlled company as defined by the American Stock Exchange company guide because over 50% of the voting power of the Company is held by Mr. Klingle. As such, the Company does not have a Nominating Committee and the members of the Company's Compensation Committee are not all independent.

### Compensation Committee Interlocks and Insider Participation

Ronald E. Klingle served as Chairman of the Compensation Committee and was an executive officer of the Company during 2004. Furthermore, during 2004, Mr. Klingle was an executive officer and/or director of various directly or indirectly wholly owned subsidiaries of the Company.

No members of the Compensation Committee serve on a compensation committee or other board committees performing equivalent functions for any other entity other than a directly or indirectly wholly owned subsidiary of the Company.

**AUDIT COMMITTEE REPORT**

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2004 Annual Report on SEC Form 10-K with the Company's management and independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principals generally accepted in the United States of America.

The Audit Committee discussed with the Company's independent auditors, Grant Thornton LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has discussed with Grant Thornton LLP, their independence from the Company and its management including the matters in the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

## **Board Committee Reports on Executive Compensation**

**Compensation Committee Report.** The Company maintains a cash compensation program which is designed to motivate, retain and attract management and is comprised of salaries and bonuses. Under the Company's program, the cash compensation of executive officers of the Company is dependent, in part, on discretionary bonuses which take into account the past performance and potential of the executive officer.

Mr. Klinge is the Chairman of the Board and Chairman of the Compensation Committee. Ongoing executive officer compensation is determined subjectively, in that the Chairman of the Compensation Committee provides recommendations to the Compensation Committee for the proposed remuneration of the Company's officers based on his evaluation of those individuals' performance, any change in their responsibilities and their potential to contribute to the success of the Company. No specific weights have been assigned to these factors by the Committee. The basis upon which the compensation of the Chief Executive Officer of the Company for the last completed fiscal year was determined was generally the same as for other executive officers.

Avalon is a controlled company because over 50% of the voting power is held by Mr. Klinge. Although the Company's executive compensation program is established by the Compensation Committee of the Board of Directors, which is currently composed of the below-named directors, from time to time the Compensation Committee and the Board of Directors as a whole discuss, generally, the reasonableness of the amounts of compensation received by the Chief Executive Officer and the other executive officers.

The Compensation Committee recommended and the Board of Directors approved a discretionary contribution to the Company's 401(k) Profit Sharing Plan for 2004 in the amount of two percent of each participant's cash compensation subject to Internal Revenue Code limitations.

Section 162(m) of the Internal Revenue Code addresses the nondeductibility for federal income tax purposes of certain compensation in excess of \$1 million paid to an employee during the taxable year. As it is highly unlikely that any executive officer or other employee of the Company will be awarded compensation in excess of \$1 million in the foreseeable future, the Compensation Committee has not established a policy with respect to the nondeductibility of such employee compensation.

The Compensation Committee believes that the Chief Executive Officer, as well as the other executive officers of the Company, are dedicated to achieving significant improvements in the Company's long-term financial performance and that the compensation policies, plans and programs implemented by the Company contribute to achieving this management focus.

Officers and employees who serve as directors are not compensated for their services as directors. In accordance with the Avalon Holdings Corporation 1998 Long-Term Incentive Plan, non-employee directors are entitled to receive grants of options to purchase shares of Class A Common Stock as determined by the Board of Directors. All directors are reimbursed for expenses incurred in attending Board of Directors meetings and committee meetings.
