Item 1.01. Entry into Material Definitive Agreement.

On August 31, 2005, in order to align the bonus plan for certain executive officers of Motive, Inc. (the Company) with the calendar year (which is also the Company's fiscal year), the Compensation Committee (the Committee) of the Company's Board of Directors established the maximum potential amounts of discretionary cash bonuses that may be awarded by the Committee to such executive officers for the six-month period ending December 31, 2005, and the factors to be considered by the Committee in determining those bonus awards after the end of that period. These factors include the Company's achievement of targets for revenue, operating profit, earnings per share, and total bookings, as well as the overall performance of the individual officer in question. The amount of each officer's bonus payment could range from 0% to 31% of the officer's base salary, depending on the Company's achievement of the target levels and the overall performance of the individual officer.

The maximum bonus amount that could be awarded to the relevant executive officers of the Company is as set forth below.
