(b) Pro Forma Financial Information

Unaudited Pro Forma Condensed Combined Financial Statements

The first paragraph of Item 2.01 above is incorporated by reference herein.

The following unaudited pro forma condensed combined balance sheet of Teradyne reflects the disposition of TCS as if it had occurred on October 2, 2005. The accompanying unaudited pro forma condensed combined statements of operations for the nine months ended October 2, 2005 and October 3, 2004 and for the years ended December 31, 2004, 2003 and 2002, reflect the disposition of the TCS business as if the sale had occurred on January 1, 2002. The pro forma adjustments are based on the operations of TCS during the periods presented, the impact from the sale of the TCS business and other transactions associated with the disposition. These adjustments have been made to illustrate the anticipated financial effect of the sale of the TCS business and are based on presently available information. Consequently, the pro forma financial information presented is not necessarily indicative of the results that would have been reported had the transactions actually occurred on the dates specified.

The final accounting for the disposition of the TCS business is still under review by management and will be finalized prior to the filing of Teradyne's Annual Report on Form 10-K for the year ended December 31, 2005. Effective in the fourth quarter of 2005, Teradyne will classify the assets and liabilities of TCS as discontinued operations and report the results of operations for TCS in discontinued operations in accordance with SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets. The pro forma information related to the sale of the TCS business is based on the net book value of net assets sold as of October 2, 2005. Accordingly, Teradyne's actual recording of the disposition, including the final sale price, may differ from the pro forma financial information based on the net book value of net assets as of the closing date. The pro forma financial information does not purport to indicate the future financial position or future results of Teradyne's operations.
