PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

To be held May 24, 2006

These proxy materials are furnished in connection with the solicitation of proxies by the Board of Directors of Actuate Corporation, a Delaware corporation (Actuate), for the Annual Meeting of Stockholders (the Annual Meeting) to be held at Actuate s corporate headquarters located at 701 Gateway Boulevard, South San Francisco, California, on Wednesday, May 24, 2006, at 9:00 a.m., and at any adjournment or postponement of the Annual Meeting. These proxy materials were first mailed to stockholders on or about April 24, 2006.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders. Each proposal is described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Actuate s Common Stock is the only type of security entitled to vote at the Annual Meeting. On April 3, 2006, the record date for determination of stockholders entitled to vote at the Annual Meeting, there were 60,298,504 shares of Common Stock outstanding. Each stockholder of record on April 3, 2006 is entitled to one vote for each share of Common Stock held by such stockholder on April 3, 2006. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Quorum Required

Fifty percent (50%) of Actuate s issued and outstanding Common Stock entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as

Edgar Filing: ACTUATE CORP - Form DEF 14A

present for the purpose of determining the presence of a quorum.

Votes Required

Proposal 1. Directors are elected by a plurality of the affirmative votes of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. The six nominees for director receiving the highest number of affirmative votes will be elected. Withheld votes and broker non-votes will have no effect in the outcome of the election of directors.

Proposal 2. Ratification of the appointment of KPMG LLP as Actuate's Independent Registered Public Accountants for the fiscal year ending December 31, 2006 requires the affirmative vote of a majority of those shares present in person or represented by proxy and entitled to vote on Proposal 2. An abstention on Proposal 2

has the effect of a vote against the proposal because it requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the meeting. Broker non-votes will have no effect on the outcome of Proposal 2 because shares represented by such broker non-votes are not considered present and entitled to vote with respect to the matter.

Proxies

Whether or not you are able to attend the Annual Meeting, you are urged to complete and return the enclosed proxy, which is solicited by Actuate's Board of Directors and which will be voted as you direct on your proxy when properly completed. In the event no directions are specified, such proxies will be voted FOR the Nominees of the Board of Directors (as set forth in Proposal 1), FOR Proposal 2, and in the discretion of the proxy holders as to other matters that may properly come before the Annual Meeting. You may also revoke or change your proxy at any time before the Annual Meeting. To do this, send a written notice of revocation or another signed proxy with a later date to the Secretary of Actuate Corporation at Actuate's principal executive offices before the beginning of the Annual Meeting. You may also automatically revoke your proxy by attending the Annual Meeting and voting in person. All shares represented by a valid proxy received prior to the Annual Meeting will be voted.

Solicitation of Proxies

Actuate will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional soliciting material furnished to stockholders. Copies of solicitation material will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, Actuate may reimburse such persons for their costs of forwarding the solicitation material to such beneficial owners. The original solicitation of proxies by mail may be supplemented by solicitation by telephone, telegram, or other means by directors, officers, employees, or at Actuate's request, The Altman Group (AG), a professional proxy solicitation firm. No additional compensation will be paid to directors, officers or employees for such services, but AG will be paid its customary fee, estimated to be about \$1,665, for search and distribution services.

As of the date of this Proxy Statement, the Board of Directors is not aware of any Nominee who is unable or will decline to serve as a director. Board of Directors Meetings and Committees

During the fiscal year ended December 31, 2005, the Board of Directors held six meetings. During the fiscal year ended December 31, 2005, all of the directors attended or participated in at least 75% of the aggregate of (i) (with the exception of Arthur Patterson) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which each such director served. Mr. Patterson attended four of the six meetings of the Board of Directors.

The Board of Directors currently has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance/Nominating Committee. Arthur Patterson was a member of all Committees until April 2005.

Audit Committee The principal functions of the Audit Committee are to monitor the integrity of Actuate's financial statements; oversee the accounting and financial reporting process and the systems of internal accounting and financial controls; review the qualifications (including independence) and performance of the Independent Registered Public Accountants; and oversee compliance with Actuate's ethics policies and applicable legal and regulatory requirements. The Audit Committee met four times during 2005. The Audit Committee acts pursuant to a written charter adopted by the Board which can be viewed on our website at www.actuate.com. Messrs. Beitzel, Marshall and Whiteman serve on the Audit Committee and the Board has determined that each of them is an independent director under the applicable listing standards of Nasdaq. The Board has determined that Mr. Whiteman is an audit committee financial expert as defined in SEC rules.

Compensation Committee The Compensation Committee reviews and sets the compensation for Actuate's Chief Executive Officer and certain of its other executive officers, evaluates the performance of the Chief Executive Officer, and oversees the administration of Actuate's equity compensation plans. The Compensation Committee met six times during 2005. The Compensation Committee acts pursuant to a written charter adopted by the Board that can be viewed on our website at www.actuate.com. Messrs. Beitzel, Marshall and Whiteman serve on the Compensation Committee and the Board has determined that each of them is an independent director under the applicable listing standards of Nasdaq.

Corporate Governance/Nominating Committee The Corporate Governance/Nominating Committee is responsible for overseeing Actuate's corporate governance policies and processes and evaluating and recommending qualified candidates to election to the Board of Directors. The

Edgar Filing: ACTUATE CORP - Form DEF 14A

Corporate Governance Committee met three times during 2005. The Corporate Governance/Nominating Committee acts pursuant to a written charter adopted by the Board that can be viewed on our website at www.actuate.com. Messrs. Beitzel, Marshall and Whiteman serve on the Corporate Governance/Nominating Committee and the Board has determined that each of them is an independent director under the applicable listing standards of Nasdaq.

The Corporate Governance/Nominating Committee does not have a formal policy with regard to the process for identifying and evaluating director nominees. The Corporate Governance/Nominating Committee will give the same consideration to candidates for director nominees recommended by Company stockholders as those candidates recommended by others. To recommend a candidate for the Corporate Governance/Nominating Committee's consideration, a stockholder should submit the candidate's name and qualifications to the Company's corporate secretary in writing at the following address: 701 Gateway Boulevard, South San Francisco, CA 94080. To date, Actuate has not received director candidates recommended by its stockholders and consequently the Board of Directors has believed that it could appropriately address any such recommendations received without a formal policy.

Stockholders may communicate with the Board of Directors by sending a letter to the Company's corporate secretary at the following address: 701 Gateway Boulevard, South San Francisco, CA 94080. Stockholders who would like their submission directed to a particular member of the Board of Directors may so specify. The Corporate Governance/Nominating Committee will implement the Board's procedures for consideration of stockholder recommendations.

The Board has determined that, except as noted below, all members of the Board are independent directors within the meaning of the applicable listing standards of Nasdaq. Messrs. Cittadini and Nierenberg are not considered independent because they are executive officers of Actuate.

Although Actuate does not have a formal policy regarding attendance by members of the Board of Directors at annual meetings of stockholders, directors are encouraged to attend annual meetings. No directors attended the 2005 annual meeting of stockholders.

Compensation of Directors

In 2005, non-employee directors received an annual retainer, which included any lead director or committee service. The retainer paid by Actuate to Messrs. Beitzel, Marshall, Patterson and Whiteman in 2005 was \$44,000 each. Directors are reimbursed for certain expenses in connection with attendance at a board or committee meeting.

Non-employee Board members are automatically granted stock option grants pursuant to the provisions of the 1998 Non-Employee Directors Option Plan. Pursuant to such plan, each individual who first joins the Board as a non-employee director, whether through election or appointment will automatically receive at that time, an option grant to purchase 80,000 shares of Common Stock. Such initial automatic option grant will become exercisable as to 25% of the shares after one year of Board service and the balance of the shares in a series of 36 equal monthly installments over the remaining period of optionee's Board service. In addition, at each annual stockholders meeting, each non-employee director will automatically be granted at that meeting, whether or not he or she is standing for re-election at that particular meeting, a stock option to purchase 10,000 shares of Common Stock, which will become fully exercisable on the first anniversary of such meeting. Each option will have an exercise price equal to the fair market value of the Common Stock on the automatic grant date and a maximum term of ten years, subject to earlier termination following the optionee's cessation of Board service. However, vesting will automatically accelerate in full upon (i) an acquisition of Actuate by merger, consolidation or asset sale, (ii) a tender offer for more than 50% of the outstanding voting stock or proxy contest for Board membership or (iii) the death or disability of the optionee while serving as a Board member. Messrs. Beitzel, Marshall, Patterson and Whiteman each received an automatic option grant to purchase 10,000 shares of Common Stock with an exercise price per share of \$1.99 on May 26, 2005 pursuant to the 1998 Non-Employee Directors Option Plan.

All directors are eligible to receive options under Actuate's 1998 Equity Incentive Plan and directors who are also employees of Actuate are also eligible to participate in Actuate's 1998 Employee Stock Purchase Plan.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE NOMINEES LISTED HEREIN.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has selected KPMG LLP, Independent Registered Public Accountants (KPMG) as Actuate s Independent Registered Public Accountants for 2006. Representatives from KPMG are not expected to be at the Annual Meeting, however, should they desire to attend, they will have the opportunity to make a statement and will be available to respond to appropriate stockholder questions.

The affirmative vote of the holders of a majority of shares present or represented by proxy and entitled to vote on this proposal will be required to ratify the appointment of KPMG. In the event the stockholders fail to ratify the appointment, the Board of Directors will reconsider its selection. Even if the appointment is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Board of Directors feels that such a change would be in Actuate s and its stockholders best interests.

On June 9, 2004, the Audit Committee decided to dismiss Ernst & Young LLP as Actuate s independent accountants and notified Ernst & Young LLP of such dismissal on June 13, 2004. On June 9, 2004, the Audit Committee of Actuate appointed KPMG as its new independent accountants. The decision to change accountants was approved by the Audit Committee. From the beginning of the 2004 fiscal year until June 13, 2004, Actuate did not consult with KPMG regarding (i) the application of accounting principles to a specified transaction either completed or proposed; (ii) the type of audit opinion that might be rendered on Actuate s financial statements, and neither a written report was provided to Actuate or oral advice was provided that KPMG concluded was an important factor considered by Actuate in reaching a decision as to the accounting, auditing or financial reporting issue; or (iii) any matter that was either the subject of disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulations S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

The reports of Ernst & Young LLP on Actuate for fiscal years 2002 and 2003 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with its audits for fiscal years 2002, 2003 and 2004 through June 13, 2004, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Ernst & Young LLP would have caused them to make reference thereto in their reports on the financial statements for such years. Other than as described below, during fiscal years 2002, 2003 and 2004 through June 13, 2004, there were no reportable events (as defined in Regulation S-K, Item 304(a)(1)(v)). On May 29, 2003 Ernst & Young LLP provided the Audit Committee of Actuate with a report that identified material weaknesses with certain internal controls related to the detection of side letters and the process of investigating customer assertions regarding terms not specified in the agreements. Ernst & Young LLP discussed these material weaknesses with the Audit Committee and management of Actuate. Actuate implemented a remedial action plan, which included implementing certain new processes and procedures to address the identified material weaknesses. Such action plan was based in large part on recommendations made by Ernst & Young LLP.

Actuate reported its change of accountants on a Form 8-K on June 16, 2004. The Form 8-K contained a letter from Ernst & Young LLP addressed to the Securities and Exchange Commission, stating that it agreed with the statements concerning Ernst & Young LLP on such Form 8-K.

Fees Paid to KPMG LLP

Edgar Filing: ACTUATE CORP - Form DEF 14A

Audit Fees Audit fees include fees paid by Actuate to KPMG in connection with the annual audit of Actuate's consolidated financial statements and the review of Actuate's interim financial statements. Audit fees also include fees for advice on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements and statutory audits required by non-United States jurisdictions. The aggregate fees billed to Actuate by KPMG for audit services rendered to Actuate totaled approximately \$445,468 and \$326,500 for fiscal years 2005 and 2004, respectively.

Audit Related Fees Audit related fees primarily consist of fees for accounting consultations. The aggregate fees billed to Actuate by KPMG for audit related services rendered to Actuate totaled approximately \$11,812 and \$0.00 for fiscal years 2005 and 2004, respectively.

Tax Fees No fees were billed to Actuate by KPMG for fiscal years 2004 or 2005, in either case, for corporate tax compliance and tax advisory services.

All Other Fees No fees were billed to Actuate by KPMG for fiscal years 2004 or 2005, in either case, for other services not included above.

SOX 404 Fees Sarbanes-Oxley Section 404 fees paid by Actuate to KPMG totaled approximately \$1,006,342 and \$1,437,277 for fiscal years 2005 and 2004, respectively.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Independent Registered Public Accountants. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee provided that the decisions of that member must be presented to the full committee at its next scheduled meeting. All of the audit and non-audit services performed by the Company's Independent Registered Public Accountants in 2004 and 2005 were pre-approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The members of the Board of Directors, the executive officers of Actuate and persons who hold more than 10% of Actuate's outstanding Common Stock are subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, which require them to file reports with respect to their ownership of Actuate's Common Stock and their transactions in such Common Stock. Based upon (i) the copies of Section 16(a) reports that Actuate received from such persons during 2005 for their transactions in the Common Stock and their Common Stock holdings and (ii) the written representations received from one or more of such persons that no annual Form 5 reports were required to be filed by them for 2005, Actuate believes that all reporting requirements under Section 16(a) for such fiscal year were met in a timely manner by its executive officers, directors and greater than 10% stockholders.

(2) The potential realizable value is calculated based on the term of the option at the time of grant (ten years). Stock price appreciation and potential realizable values at 5% and 10% appreciation are calculated in accordance with Section 402 of Regulation S-K under the Securities Act of 1933, as amended, and do not represent Actuate's prediction of its stock price performance.

EQUITY COMPENSATION PLAN INFORMATION

The following table provides information as of December 31, 2005 with respect to shares of our Common Stock that may be issued under our existing equity compensation plans. The table does not include information with respect to shares of our Common Stock subject to outstanding options granted under equity compensation plans or option agreements assumed by us in connection with our acquisitions of the companies that originally granted those options. However, Footnote (5) to the table sets forth the total number of shares of our Common Stock issuable upon the exercise of those assumed options as of December 31, 2005, and the weighted average exercise price of those options. Except for the adjustments described in Footnote (5) with respect to the outstanding assumed options, no additional options may be granted under those assumed plans.

- (1) Consists of three plans: our Amended and Restated 1998 Equity Incentive Plan, 1998 Non-Employee Directors Option Plan and the Amended and Restated 1998 Employee Stock Purchase Plan (the "Purchase Plan").
- (2) Consists of one plan: our 2001 Supplemental Stock Plan. See Note 9 of the Notes to Consolidated Financial Statements in our Annual Report on Form 10-K for a description of such plan.
- (3) Excludes purchase rights accruing under the Purchase Plan. Under the Purchase Plan, each eligible employee may purchase up to \$25,000 worth of Actuate's Common Stock (determined on the basis of the fair market value per share on the date or dates such rights are granted and subject to a maximum number of shares, as determined by the Board from time to time, which is currently 500 shares per offering period) at each semi-annual purchase date (the last business day of January and July each year) at a purchase price per share equal to eighty-five percent (85%) of the lower of (i) the closing selling price per share of Common Stock on the date immediately preceding the start date of offering period in which that semi-annual purchase date occurs and (ii) the closing selling price per share of Common Stock on the semi-annual purchase date.
- (4) Includes shares available for future issuance under the Purchase Plan, the Amended and Restated 1998 Equity Incentive Plan (the "1998 Plan"), and the Non-Employee Directors Option Plan (the "Directors Plan"). As of December 31, 2005, an aggregate of 860,573 shares of common stock were available for issuance under the Purchase Plan, 10,556,200 shares of common stock under the 1998 Plan, and 370,000 shares of common stock under the Directors Plan. The number of shares of common stock available for issuance under the Purchase Plan automatically increases on January 1st each calendar year by an amount equal to the lesser of (i) 2% of Actuate's outstanding shares of common stock as of December 31 of the immediately preceding calendar year or (ii) 600,000 shares. The number of shares of common stock available for issuance under the 1998 Plan automatically increases on January 1st each calendar year by an amount equal to the lesser of (i) 5% of Actuate's outstanding shares of common stock as of December 31 of the immediately preceding calendar year or (ii) 2,800,000 shares.
- (5) The table does not include information with respect to equity compensation plans or option agreements assumed by Actuate in connection with our acquisitions of the companies that originally established those plans or agreements. As of December 31, 2005 a total of 21,061 shares of Common Stock were issuable upon exercise of outstanding options. The weighted average exercise price of the outstanding

options is \$2.37 per share. No additional options may be granted under any of those assumed plans.

EMPLOYMENT AGREEMENTS AND CHANGE OF CONTROL AND SEVERANCE AGREEMENTS

Under the Amended and Restated 1998 Equity Incentive Plan, upon a Change in Control, an award will become fully vested as to all shares subject to such award if such award is not assumed by the surviving corporation or its parent and the surviving corporation or its parent does not substitute such award with another award of substantially the same terms. In the event of an involuntary termination of a participant within 12 months following a Change in Control, the vesting of an award will accelerate in full.

A Change in Control includes (i) a merger or consolidation after which Actuate's then current stockholders own less than 50% of the surviving corporation, (ii) sale of all or substantially all of the assets of Actuate, (iii) a proxy contest that results in replacement of more than one-third of the directors over a 24-month period or (iv) acquisition of 50% or more of Actuate's outstanding stock by a person other than a trustee of any of Actuate's employee benefit plans or a corporation owned by the stockholders of Actuate in substantially the same proportions as their stock ownership in Actuate.

In October, 2005, Actuate entered into a change of control severance benefit agreement (the "Severance Agreements") with each of the following named executive officers: Messrs. Cittadini, Gaudreau, Coggins, Akiha and Ms. Vogt.

Pursuant to the terms of the Severance Agreements, in the event the executive's employment with Actuate terminates pursuant to an involuntary termination, or his or her resignation for good reason, within 12 months following a change in control of Actuate, or should such executive's employment be terminated by Actuate for a reason other than a termination for cause during the period commencing with Actuate's execution of a definitive agreement to effect a change in control of Actuate and ending on the earliest to occur of (i) the closing of the change in control contemplated by such definitive agreement, (ii) the termination of such definitive agreement without the consummation of the contemplated change in control or (iii) December 31, 2007 (the "Pre-Closing Period"), then the executive will become entitled to receive the following change in control severance benefits, provided the executive executes a general release of all claims against Actuate: (i) each outstanding option held by the executive will become fully vested and exercisable, (ii) a lump-sum cash severance payment in an amount equal to 1.5 times (1 times for Mr. Akiha and Ms. Vogt and 0.5 times for Mr. Coggins) the sum of (a) the executive's annual rate of base salary and (b) the executive's average bonus (measured over a 3-year period), and (iii) continued health care coverage at Actuate's expense for a period of up to 18 months (up to 12 months for Mr. Akiha and Ms. Vogt and up to 6 months for Mr. Coggins). In the event the executive's employment is terminated by Actuate for a reason other than a termination for cause during the Pre-Closing Period, the lump-sum cash severance payment will be paid only if the change in control is consummated prior to the expiration of the Pre-Closing Period. Any severance benefits which are treated as parachute payments under Section 280G of the Internal Revenue Code will be subject to reduction, to the extent such reduction would provide the executive with the greatest after-tax amount of benefits after taking into account any excise tax to which he or she might be subject under Section 4999 of the Internal Revenue Code.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee currently consists of Messrs. Beitzel, Marshall and Whiteman. None of these individuals was at any time during 2005, or at any other time, an officer or employee of Actuate. No executive officer of Actuate serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of Actuate's Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT

Overview The Compensation Committee of Actuate's Board of Directors assists the Board in fulfilling its responsibilities related to the compensation of Actuate's executive officers. The Compensation Committee also exercises the authority of the Board with respect to Actuate's equity-based and other incentive compensation plans.

General Compensation Policy The Compensation Committee's policy is to provide Actuate's executive officers with compensation opportunities that are based upon their personal performance, the financial performance of the company and their contributions to that performance and which are competitive enough to attract and retain highly skilled individuals. Each executive officer's compensation package is comprised of three elements: (i) base salary that is competitive with the market and reflects individual performance, (ii) annual variable performance awards payable in cash and tied to company performance goals and (iii) long-term stock-based incentive awards designed to strengthen the mutuality of interests between the executive officers and Actuate's stockholders.

The Compensation Committee targets compensation levels between the 50th percentile and 75th percentile of Actuate's peer group based on the factors outlined above. In selecting the companies to survey for compensation purposes, the Compensation Committee considered many factors not directly associated with stock price performance, such as geographic location, development stage, organizational structure and market capitalization. For this reason, there is not a meaningful correlation between the companies included within the peer group identified for comparative compensation purposes and the companies included within the RDG Software Composite Index, which the Company has selected as the industry index for purposes of the stock performance graph appearing later in this Proxy Statement.

In 2005, the Compensation Committee retained an independent compensation consultant, Compensia, to advise it about executive compensation practices in the market and in peer groups.

Executive Severance Agreements In October, 2005, the Compensation Committee, after reviewing the findings of Compensia, the independent compensation consultant retained by it, authorized Actuate to enter into change of control severance benefit agreements with each of the following executive officers: Messrs Cittadini, Gaudreau, Coggins, Akiha and Ms. Vogt. The severance agreements are described in detail in this proxy statement under the heading Employment Agreements and Change of Control and Severance Agreements. The Compensation Committee felt that entering into the severance agreements was advisable so that the executive officers can focus their attention primarily on business operations in the event of a change of control of the company without concern over their personal financial situations.

Annual Base Salary for Executive Officers Each executive officer's base salary is adjusted each year on the basis of (i) the Compensation Committee's evaluation of the officer's personal performance for the year and (ii) the competitive marketplace for persons in comparable positions. Actuate's performance may also be a factor in determining the base salaries of executive officers. The weight given to these factors differed from individual to individual, as the Compensation Committee deemed appropriate. In addition, in setting base salaries for the CEO and the CFO in the 2005 year, the Compensation Committee identified a group of companies for comparative compensation purposes and reviewed the detailed compensation data incorporated into their proxy statements. The compensation level set for the Company's CEO and CFO for the 2005 fiscal year ranged from the 50th percentile to the 75th percentile of the market base salary levels in effect for executive officers with comparable positions at the peer group companies in 2004, which was the most recent full year for which data was available. Based on this analysis, the Committee decided to implement salary increases for the executive officers, other than for Mr. Cittadini and Ms. Vogt.

Annual Cash Bonuses for Executive Officers Actuate's cash bonus program seeks to motivate executives to work effectively to achieve Actuate's corporate goals. Bonuses under the program are tied to the

attainment of pre-established goals, and the executive's bonus entitlement is accordingly dependent upon the successful attainment of those goals. The corporate goals set for the 2005 bonus for Mr. Cittadini and Mr. Gaudreau were based on the achievement of certain annual license revenue, total revenue and non-GAAP earnings goals, and actual bonuses paid to them reflect Actuate's level of accomplishment of such goals. The corporate goals set for the 2005 bonus for Mr. Akiha and Mr. Coggins were based on achievement of total revenue, and actual bonuses paid to them reflect Actuate's level of achievement of such respective goals. The cash bonus for Ms. Vogt is based on a sales commission plan, and the actual bonus paid to her reflects the achievement of goals set forth in such plan.

Long-Term Equity Compensation During 2005, the Board made option grants to Mr. Cittadini (300,000 shares), Mr. Gaudreau (200,000 shares), Ms. Vogt (100,000 shares), Mr. Coggins (100,000 shares) and Mr. Akiha (100,000 shares). Generally, a significant grant is made in the year that an executive officer commences employment. Thereafter, option grants may be made at varying times and in varying amounts based on the recommendation of the Compensation Committee and in the discretion of the Board of Directors. Generally, the size of each grant is set at a level that the Compensation Committee deems appropriate to create a meaningful opportunity for stock ownership based upon the individual's position with Actuate, the individual's potential for future responsibility and promotion, the individual's performance in the recent period and the number and value of unvested options held by the individual at the time of the new grant. The relative weight given to each of these factors will vary from individual to individual at the Compensation Committee's discretion. Typically, Actuate's executive officers receive a yearly option grant based on such factors.

Each grant allows the executive officer to acquire shares of Actuate's Common Stock at a fixed price per share (the market price on the grant date) over a specified period of time. Options typically vest in installments over a four-year period, contingent upon the executive officer's continued employment with Actuate. The vesting schedule and the number of option shares granted are established to ensure a meaningful incentive in each year following the year of grant. Accordingly, the option will provide a return to the executive officer only if he or she remains in Actuate's employ, and then only if the market price of Actuate's Common Stock appreciates over the option term.

Chief Executive Officer In setting the total compensation payable to Actuate's Chief Executive Officer for the 2005 fiscal year, the Compensation Committee sought to make that compensation competitive with the compensation paid to the chief executive officer of the companies in the surveyed group, while at the same time assuring that a significant percentage of compensation was tied to Actuate's performance.

The Compensation Committee maintained Mr. Cittadini's base salary for the 2005 fiscal year at \$400,000 with the objective of maintaining his base salary at a competitive level when compared with the base salary levels in effect for similarly situated chief executive officers. This salary is at the 75th percentile of market base salary levels in effect for other chief executive officers at the peer group of companies.

Mr. Cittadini received a cash bonus in the amount of \$151,200 for 2005. As discussed above, the cash bonus portion of Mr. Cittadini's 2005 compensation was based on the achievement of certain annual license revenue, total revenue and non-GAAP earnings goals. The actual bonus paid to Mr. Cittadini reflects Actuate's level of accomplishment of such goals.

The 300,000-share option grant made to Mr. Cittadini in 2005 is intended to provide him with a significant incentive to remain in the Company's employ and to contribute to the creation of stockholder value in the form of stock price appreciation, since the grant is subject to four-year vesting schedules and will not have any value unless the market price of the Company's common stock appreciates over the market price in effect at the time the grants were made.

Tax Limitation Under the Federal tax laws, a publicly-held company such as Actuate will not be allowed a federal income tax deduction for compensation paid to certain executive officers to the extent that

compensation exceeds \$1.0 million per officer in any year. The limitation applies only to compensation that is not considered to be performance based. Non-performance based compensation paid to Actuate's executive officers for the 2005 year did not exceed the \$1.0 million limit per officer and the Compensation Committee does not anticipate that the non-performance based compensation to be paid to the company's executive officers for the 2006 year will exceed that limit. To qualify for an exemption from the \$1.0 million deduction limitation, the stockholders approved a limitation under Actuate's Amended and Restated 1998 Equity Incentive Plan on the maximum number of shares of Common Stock for which any one participant may be granted stock options per calendar year. Because this limitation was adopted, any compensation deemed paid to an executive officer when he exercises an outstanding option under the Amended and Restated 1998 Equity Incentive Plan with an exercise price equal to the fair market value of the option shares on the grant date will qualify as performance-based compensation that will not be subject to the \$1.0 million limitation.

However, the Compensation Committee believes that in establishing the cash and equity incentive compensation programs for the Company's executive officers, the potential deductibility of the compensation payable under those programs should be only one of a number of relevant factors taken into consideration, and not the sole governing factor. For that reason the Compensation Committee may deem it appropriate to provide one or more executive officers with the opportunity to earn incentive compensation, whether through cash bonus programs tied to the Company's financial performance or restricted stock units tied to the executive officer's continued service, which may be in excess of the amount deductible by reason of Section 162(m) or other provisions of the Internal Revenue Code. The Compensation Committee believes it is important to maintain cash and equity incentive compensation at the requisite level to attract and retain the executive officers essential to the Company's financial success, even if all or part of that compensation may not be deductible by reason of the Section 162(m) limitation.

Conclusion It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align the interests of each executive officer and the interests of the Company's stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short term and long term.
