PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

JUNE 13, 2006

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of American Eagle Outfitters, Inc., a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on June 13, 2006, at 11:00 a.m., local time, at the Loews Regency Hotel, 540 Park Avenue, New York, New York and at any adjournment thereof. It is being mailed to the stockholders on or about May 4, 2006. (We, our, and the Company refer to American Eagle Outfitters, Inc.)

Questions and Answers About the Annual Meeting

Who is entitled to vote?

Stockholders of record at the close of business on April 21, 2006, the record date for the Annual Meeting, are entitled to vote at the Annual Meeting. As of the record date, there were 149,757,023 shares of Common Stock, with \$.01 par value, outstanding and entitled to vote. Each share that you own entitles you to one vote.

What am I voting on?

There are two matters scheduled for a vote at the Annual Meeting:

1. The election of three Class II directors to serve until the 2009 Annual Meeting of Stockholders, or until their successors are duly elected and qualified and one Class III director to serve until the 2007 Annual Meeting of Stockholders, or until his successor is duly elected and qualified; and
2. The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007.

How does the Board recommend I vote on these proposals?

The Board of Directors recommends a vote FOR each of the nominees for director listed in this Proxy Statement and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007.

How do I vote my shares?

If your shares are registered directly in your name (you are a registered stockholder), you may complete and sign the enclosed proxy card and return it in the pre-paid envelope. Alternatively, you may attend and vote in person at the Annual Meeting.

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent (in street name), you should have received a voting instruction form along with this Proxy Statement. You should follow the instructions on that form in order to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a legal proxy from the broker, bank or agent that holds your shares.

Can I change or revoke my vote after I return my proxy card?

Edgar Filing: AMERICAN EAGLE OUTFITTERS INC - Form DEF 14A

Yes. If you are a registered stockholder, you may revoke your proxy at any time before it is voted by delivering written notice to the Company (Attention: Neil Bulman, Jr., Secretary), by submitting a properly executed proxy bearing a later date or by attending the meeting and voting in person.

If your shares are held in street name, you may revoke your proxy by submitting new voting instructions to your broker or, if you have obtained a legal proxy from your broker, by attending the Annual Meeting and voting in person.

What constitutes a quorum?

A quorum of stockholders is necessary to transact business at the Annual Meeting. A quorum will be present if a majority of the outstanding shares of the Company's common stock, as of the close of business on the record date, are represented by stockholders present at the meeting or by proxy. At the close of business on the record date, there were 149,757,023 shares of Common Stock outstanding and entitled to vote. Therefore, 74,878,512 shares will be required to be represented by stockholders present at the meeting or by proxy in order to establish a quorum.

Abstentions and broker non-votes will be counted towards the quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters but not others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on routine matters, which include the election of directors and the ratification of the appointment of an independent registered public accounting firm, but not on non-routine matters.

What vote is required to approve each proposal?

Once a quorum is established, directors are elected by a plurality of the votes represented by the shares of Common Stock present at the meeting in person or by proxy. A properly executed proxy marked "Withhold Authority" and broker non-votes will not be voted with respect to the nominee or nominees indicated, although it will be counted for purposes of determining if a quorum is present.

To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm, an affirmative vote of a majority of the shares of Common Stock present at the meeting, in person or by proxy, will be required.

For each other item that is properly submitted to stockholders for approval at the Annual Meeting, an affirmative vote of a majority of the shares of Common Stock voting on the matter will be required for approval. For purposes of determining the number of shares of Common Stock voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

Who will bear the costs of this solicitation?

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Our representatives may solicit proxies by mail, telegram, telephone or personal interview. To solicit proxies, we will request the assistance of banks, brokerage houses and other custodians, and, upon request, will reimburse such organizations for their reasonable expenses in forwarding soliciting materials to beneficial owners and in obtaining authorization for the execution of proxies.

Can I nominate someone for election to the Board of Directors?

Yes. Stockholders wishing to nominate directors for election at the 2007 Annual Meeting of Stockholders may do so by delivering to the Corporate Secretary, no earlier than March 15, 2007 and no later than April 14, 2007, a notice stating: (a) the name and address of the stockholder who intends to make the nomination; (b) the name, age, business address and, if known, residence address of each nominee; (c) the principal occupation or

employment of each nominee; (d) the number of shares of stock of the Company that are beneficially owned by each nominee and the nominating stockholder; and (e) such other information specified in Article Tenth (b) of our Certificate of Incorporation. Our Certificate of Incorporation is available on our website at www.ae.com under the links About AE, AE Investment Info, Corporate Governance, Other Governance Documents.

Additionally, you may recommend a nominee for consideration by our Nominating and Corporate Governance Committee (the Nominating Committee). Recommendations should be submitted to our Nominating Committee in accordance with the procedures described below under the *Nominating Committee* section.

May I submit a stockholder proposal for next year's Annual Meeting?

Yes. Stockholder proposals to be included in the proxy statement for the 2007 Annual Meeting of Stockholders must be received by the Company (addressed to the attention of the Secretary) by January 3, 2007. We may omit from the proxy statement and form of proxy relating to the next annual meeting of stockholders any proposals that are not received by the Secretary by January 3, 2007. Any stockholder proposal submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934 for presentation at our 2007 Annual Meeting will be considered untimely for purposes of Rule 14a-4 and 14a-5 if notice thereof is received before March 15, 2007 or after April 14, 2007. To be submitted at the meeting, any such proposal must be a proper subject for stockholder action under the laws of the State of Delaware, and must otherwise conform to applicable requirements of the proxy rules of the Securities and Exchange Commission (the SEC).

The following forms of equity interests in the Company count towards the stock ownership requirement: shares purchased on the open market; shares obtained through stock option exercise; shares held as deferred stock units; shares held in benefit plans; shares held in trust for the economic benefit of the Director or spouse or dependent children of the Director; and shares owned jointly or separately by the spouse or dependent children of the Director. Audit Committee

The primary function of the Audit Committee is to assist the Board in monitoring (1) the integrity of the financial statements of the Company, (2) the qualifications, performance and independence of the independent registered public accounting firm, (3) the performance of the internal auditors, and (4) the Company's compliance with regulatory and legal requirements. The Audit Committee also reviews and approves the terms of any new related party agreements. The Audit Committee met ten times in Fiscal 2005.

The Board has determined that Mr. McMaster and Mr. Presby qualify as audit committee financial experts as defined by the Securities and Exchange Commission rules adopted pursuant to the Sarbanes-Oxley Act of 2002.

Compensation Committee

The function of the Compensation Committee is to aid the Board in meeting its responsibilities with regard to oversight and determination of executive compensation. The Compensation Committee reviews, recommends and approves salaries and other compensation of executive officers, administers the Company's 1994 Stock Option Plan, 1999 Stock Incentive Plan and 2005 Stock Award and Incentive Plan and administers the Company's Management Incentive Plan. The Compensation Committee met sixteen times in Fiscal 2005.

Nominating Committee

The function of the Nominating Committee is to aid the Board in meeting its responsibilities with regard to the organization and operation of the Board, selection of nominees for election to the Board and other corporate governance matters. The Nominating Committee met eight times in Fiscal 2005. The Nominating Committee developed and reviews each year the Company's Corporate Governance Guidelines, which were adopted by the Board and are available on our website at www.ae.com under the links About AE, AE Investment Info, Corporate Governance.

The Nominating Committee periodically reviews the appropriate size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. In evaluating and

determining whether to recommend a candidate to the Board, the Committee reviews the appropriate skills and characteristics required of Board members in the context of the background of existing members and in light of the perceived needs for the future development of the Company's business, including issues of diversity and experience in different substantive areas such as retail operations, marketing, technology, distribution, real estate and finance. Candidates may come to the attention of the Committee from a variety of sources, including current Board members, stockholders, and management. All candidates are reviewed in the same manner regardless of the source of the recommendation. Mr. J. Thomas Presby, the first time nominee for election at the Annual Meeting, was recommended to the Nominating Committee by a current Board member. The Nominating Committee is using the services of a search firm to assist in identifying and evaluating qualified director candidates for the current vacancy on the Board.

The Committee will consider the recommendations of stockholders regarding potential director candidates. In order for stockholder recommendations regarding possible candidates for director to be considered by the Nominating Committee:

such recommendations must be submitted to the Nominating Committee in care of: Corporate Secretary, American Eagle Outfitters, Inc., 150 Thorn Hill Drive, Warrendale, PA 15086-4857, in writing at least 120 days prior to the date of the next scheduled Annual Meeting;

the nominating stockholder must meet the eligibility requirements to submit a valid stockholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934; and

the stockholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The key elements of our executive officer compensation include both short-term and long-term components. Short-term compensation consists of annual base salary, annual cash bonus and certain equity-based compensation, typically grants of restricted stock. Long-term compensation includes LTI awards, which are earned based on annual performance but are payable over a period of years, and certain equity-based compensation, principally stock options awards.

The Board of Directors has delegated to the Compensation Committee the authority with respect to our overall compensation policy, including authority to establish the annual salary and cash bonus compensation of executive officers under our Management Incentive Plan, as amended (the Incentive Plan). The Compensation Committee also has the authority to grant awards in the form of stock options, stock appreciation rights, restricted stock awards, performance units, or performance shares under our 2005 Stock Award and Incentive Plan, as amended (the Stock Plan). During Fiscal 2005, the Compensation Committee established stock ownership guidelines for executive officers. These guidelines set a minimum level of ownership value ranging from one to five times the respective executive officer's annual base salary, depending upon position.

We have several core principles at the forefront of our executive compensation plans:

Competitive. We believe that our executive compensation plans serve as a powerful attraction and retention tool. We are committed to providing a total compensation package that is competitive. During Fiscal 2005, we worked, along with an outside consultant, to conduct a comprehensive benchmark analysis to ensure our competitiveness relative to a select peer group of specialty retailers. We reviewed each executive to ensure that total compensation and each component are competitive and appropriately weighted.

Performance Driven. We believe in paying for performance. Our executive compensation plans reward strong company performance through an annual cash bonus, LTI awards and restricted stock that are based on annual EPS performance goals. These performance based compensation elements are designed to represent a significant portion, ranging from approximately 70% to 80%, of total targeted annual compensation for executive officers. If the EPS performance goals are not met, cash bonus payments and LTI awards are not made and restricted stock awards are forfeited. The design of our executive compensation plans also retains the flexibility to recognize and reward individual performance.

Simplicity. We strive to maintain plans that are powerful, but simple in their design and execution.

Chief Executive Officer's Compensation. James V. O'Donnell serves as Chief Executive Officer of the Company pursuant to an Employment Agreement, dated December 30, 2003, which sets forth a minimum base salary, cash bonus percentage and recommended annual restricted stock awards. During Fiscal 2005, his base salary was fixed by the Compensation Committee at \$950,000, which did not increase from Fiscal 2004. During Fiscal 2005, the Compensation Committee granted Mr. O'Donnell awards for 200,000 shares of performance based restricted stock pursuant to the Stock Plan. Additionally, the Compensation Committee fixed a target annual cash bonus and a target LTI award pursuant to the Incentive Plan. The restricted stock, annual cash bonus and target LTI award were each based on achieving annual EPS performance goals established by the Compensation Committee. After the Compensation Committee certified achievement of the EPS performance goals, a \$1,900,000 performance cash bonus was paid, a \$950,000 LTI award was credited to Mr. O'Donnell's LTI account and 200,000 shares of restricted stock became fully vested.

Executive Officer Compensation. The Fiscal 2005 base salaries, targeted annual cash bonuses and targeted LTI awards for the executive officers named in the Summary Compensation Table were determined by the Compensation Committee as a part of the Incentive Plan, which was approved by stockholders on June 22, 2004. Bonuses and LTI awards earned under the Incentive Plan are included in the Summary Compensation Table for the fiscal year that they were earned. The Incentive Plan was developed by the Compensation Committee with the assistance of an outside compensation consultant. As a part of the Incentive Plan, the Compensation Committee fixed annual bonus payments and LTI awards equal to varying percentages of base salary, with the bonus payments and LTI awards contingent on meeting the EPS performance goals set by the Committee. These various cash compensation components were fixed as composite elements of targeted total compensation for each officer as described above.

Stock Awards. The Stock Plan was approved by the stockholders on June 15, 2005, for the purpose of aiding the Company in attracting, retaining, motivating and rewarding employees and non-employee directors of the Company or its subsidiaries or affiliates, to provide for equitable and competitive compensation opportunities, to

recognize individual contributions and reward achievement of Company goals, and promote the creation of long-term value for stockholders by closely aligning the interests of participants with those of stockholders. During Fiscal 2005, the Compensation Committee granted options, at market value, to executive officers as set forth above under Options/SAR Grants in Last Fiscal Year and made awards of restricted stock that were subject to annual EPS performance goals. The options become exercisable one-third each year and expire in seven to ten years from the grant date. As a result of the performance goals being met during Fiscal 2005, the restricted stock became fully vested on February 28, 2006, the date the Fiscal 2005 performance was certified.

Tax Treatment. The Compensation Committee considers the potential impact of Section 162(m) of the Internal Revenue Code on its compensation plans and has determined that it is the Company's preference to qualify its executives' compensation for deductibility under applicable tax laws, to the extent the Compensation Committee determines it is consistent with the Company's best interests.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider its appointment. In addition, even if the stockholders ratify the appointment of Ernst & Young LLP, the Audit Committee may in its discretion appoint a different independent registered public accounting firm at any time during the year if the Audit Committee determines that a change is in the best interest of the Company.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting to respond to appropriate questions and to make a statement if such representatives so desire.

The Board of Directors recommends that the stockholders vote FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report for the year ended January 28, 2006 with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by *Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communications with Audit Committees)*. In addition, the Audit Committee has discussed with the independent registered public accounting firm, its independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, and considered the compatibility of nonaudit services with the firm's independence.

The Audit Committee discussed with the Company's internal auditors and its independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the year ended January 28, 2006 for filing with the Securities and Exchange Commission.
