Item 1.01. Entry into a Material Definitive Agreement.

On May 1, 2006, we obtained a new \$350 million, three-year unsecured revolving credit facility from Bank of America, N.A. We used \$273 million of proceeds from the new revolving credit facility, together with available cash, to pay off the remaining outstanding balance of \$178 million under our previous revolving credit facility and a \$100 million bank term loan, both of which have now been terminated. In connection with these payoffs, we expect to write off approximately \$0.5 million in unamortized deferred financing costs in the second quarter of 2006 as a loss on debt extinguishment. We and Bank of America plan to syndicate the new revolving credit facility later this year.

Our new revolving credit facility is initially scheduled to mature on May 1, 2009. Assuming no default exists, we have an option to extend the maturity date by one additional year and, at any time prior to May 1, 2008, may request increases in the borrowing availability under the credit facility by up to an additional \$100 million. The interest rate has been reduced from LIBOR plus 105 basis points to LIBOR plus 80 basis points and the annual base facility fee has been reduced from 25 basis points to 20 basis points.

Like our previous revolving credit facility, the new revolving credit facility requires us to comply with customary operating covenants and various financial and operating ratios. We believe the required financial and operating ratios under the new revolving credit facility are less stringent and more appropriately reflect our current and future business prospects than the requirements under our previous revolving credit facility. The new revolving credit facility also requires us to file the 2005 Annual Report on Form 10-K of Highwoods Properties, Inc. by June 30, 2006. We expect to be in compliance with these provisions of our new revolving credit facility for the foreseeable future. However, depending upon our future operating performance and property and financing transactions and general economic conditions, we cannot assure you that no circumstance will arise in the future that would render us unable to comply with any of these covenants or result in an increase in the borrowing costs under this facility.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information in this report set forth above under Item 1.01 regarding our new \$350 million, three-year unsecured revolving credit facility is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
