Establishment of the Amount of Remuneration for Directors in the Form of

Stock Options and the Details of Issue of Stock Options

Komatsu Ltd. (the Company) hereby gives announcement that at the meeting of the Board of Directors held on May 11, 2006, the Company resolved to propose to the 137th Ordinary Meeting of the Shareholders of the Company which will be held on June 23, 2006, an agendum to establish an amount for stock options as a remuneration and to issue Stock Acquisition Rights as stock options to the Directors of the Company, as set forth below:

1. Reasons for Resolution

The Company wishes to grant Stock Acquisition Rights (stock options) as compensation to Directors, separate from the amount of remuneration that the shareholders have already approved, for the purposes of raising the motivation and morale of the Directors of the Company, which shall contribute to the improvement of the consolidated performance of the Company. The maximum limit of such remuneration would be a yearly amount of JPY360 million.

Before the effective date of the Corporation Act, stock options were considered to be Stock Acquisition Rights issued on preferential terms and conditions to persons other than shareholders; accordingly, their issuance required the adoption of a special resolution at a General Meeting of Shareholders. Since the Corporation Act came into effect, such Stock Acquisition Rights issued as stock options are to be regarded as a part of Directors' remuneration, and as such, they constitute a change in Directors' remuneration.

2. Details of Agenda

- (1) At the 135th Ordinary General Meeting of Shareholders, held on June 25, 2004, the shareholders approved a monthly remuneration amount for Directors of not more than JPY60 million (provided however, that the salaries for Directors who also serve as Company employees are not included in this monthly amount.) . This limit remains in force today.
