If you own Sara Lee common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of these proxy materials. To assist us in saving money and to serve you more efficiently, we encourage you to have all your accounts registered in the same name and address by contacting Sara Lee's Shareholder Services Department at +1.888.422.9881. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission and that is designed to assist you in voting your shares. On September 22, 2006, we began mailing these proxy materials to all stockholders of record as of the close of business on September 1, 2006.

Electronic Delivery. This proxy statement and Sara Lee's 2006 annual report are available on our corporate Web site at www.saralee.com. You can help us save significant printing and mailing expenses by

consenting to access the proxy statement, proxy card and annual report for future meetings electronically over the Internet. If you hold shares in your name (instead of through a broker or other nominee), you can choose this option by following the instructions at the Internet voting website at www.proxyvote.com, which has been established for you to vote your shares for this year's Annual Meeting. If you hold your shares through a broker or other nominee, you should follow the instructions regarding electronic delivery, if any, provided by your broker or other nominee.

If you vote your shares for the 2006 Annual Meeting over the Internet, you will be given the opportunity to consent to future delivery of Sara Lee documents over the Internet, unless you hold your shares through a broker that is unable to accommodate your request. If you are not given an opportunity to consent to delivery over the Internet when you vote your proxy, you may contact the bank, broker or other holder of record through which you hold your shares and inquire about the availability of Internet delivery. You also can access our 2006 proxy statement and annual report on our corporate Web site at www.saralee.com under the caption Investors Reports and Documents. If you choose to receive your proxy materials and annual report electronically, then prior to next year's Annual Meeting you will receive e-mail notification when the proxy materials and annual report are available for your online review. Madison Street, Chicago, Illinois 60602-4260.

Householding. The Securities and Exchange Commission's rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as householding and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the proxy statement or annual report, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of a proxy statement or annual report, either now or in the future, send your request in writing to us at the following address: Shareholder Services Department, Sara Lee Corporation, 70 W. Madison Street, Chicago, Illinois 60602-4260.

If you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future proxy statements and annual reports for your household, please contact us at the above address.

Information About Voting

Stockholders can vote in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

By Telephone Stockholders located in the United States can vote by telephone by calling +1.800.690.6903 and following the instructions on the proxy card;

By Internet You can vote over the Internet at www.proxyvote.com by following the instructions on the proxy card; or

By Mail You can vote by mail by signing, dating and mailing the enclosed proxy card.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on October 25, 2006. If you hold shares in the Sara Lee Common Stock Fund under any of Sara Lee's retirement or savings plans, your voting instructions for those shares must be received by 5:00 p.m. (EDT) on October 23, 2006 to allow sufficient time for voting by the trustees and

administrators of the plans.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are

Table of Contents

not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the Annual Meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted for or against each of the other proposals. If you sign and return the proxy card without indicating your instructions, your shares will be voted as follows:

FOR the election of the 12 nominees for directors;

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accountants for fiscal year 2007; and

AGAINST the two stockholder proposals.

You may revoke or change your proxy at any time before it is exercised by delivering to us a signed proxy card with a date later than your previously delivered proxy, by voting in person at the Annual Meeting or granting a subsequent proxy through the Internet or telephone, or by sending a written revocation to Sara Lee's Secretary, Roderick A. Palmore. Your most current proxy card or telephone or Internet proxy is the one that is counted.

Each share of Sara Lee common stock is entitled to one vote. The record date for determining stockholders entitled to notice of and to vote at the Annual Meeting is September 1, 2006. As of September 1, 2006, there were 762,893,856 shares of Sara Lee common stock outstanding.

Information for Sara Lee Employees Who are Stockholders

If you are a Sara Lee employee who is a stockholder, or if you hold shares in the Sara Lee Common Stock Fund under any of Sara Lee's retirement or savings plans (the Savings Plans) or participate in Sara Lee's Investment Plan, you will receive one proxy for all accounts registered in the same name. If all of your accounts are not registered in the same name, you will receive a separate proxy for each account that is registered in a different name. If you participate in the Savings Plans, your proxy card will serve as voting instructions to the trustees of those plans for shares allocated to your account, as well as a proportionate share of any unallocated shares and unvoted shares. If you fail to give voting instructions to the trustees, your shares will be voted by the trustees in the same proportion as shares held by the trustees for which voting instructions have been received. **To allow sufficient time for voting by the trustees and administrators of the Savings Plans, your voting instructions for shares held in the Savings Plans must be received by 5:00 p.m. (EDT) on October 23, 2006.**

Information Regarding Tabulation of the Vote

Sara Lee has a policy that all proxies, ballots and votes tabulated at a meeting of stockholders are confidential, and the votes will not be revealed to any Sara Lee employee or anyone else, other than to the non-employee tabulator of votes or an independent election inspector, except (1) as necessary to meet applicable legal requirements, (2) if a stockholder writes comments on the proxy card directed to Sara Lee's Board or

Edgar Filing: LEE SARA CORP - Form DEF 14A

management, or (3) in the event a proxy solicitation in opposition to the election of the Board of Directors is initiated. Representatives of ADP Investor Communication Services will tabulate votes and act as Inspectors of Election at this year's Annual Meeting.

Quorum Requirement

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting are present in person or by proxy, a quorum will exist. Abstentions and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker does not

Table of Contents

vote on some matter on the proxy card because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Information About Votes Necessary for Action to be Taken

Twelve directors will be elected at the Annual Meeting by a plurality of all the votes cast at the Annual Meeting. This means that the 12 nominees for director who receive the most votes will be elected. Other matters to be considered at the Annual Meeting require an affirmative vote of the majority of all votes cast on the matter. Only votes FOR or AGAINST are counted as votes cast on a matter. Abstentions and broker non-votes will have no effect on any of the items to be presented at the Annual Meeting.

Other Business to be Considered

The Board of Directors does not intend to present any business at the Annual Meeting other than the proposals described in this proxy statement. However, if any other matter properly comes before the Annual Meeting, including any stockholder proposal omitted from the proxy statement and form of proxy pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, your proxies will act on such matter in their discretion.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Sara Lee has adopted Corporate Governance Guidelines, which are available at www.saralee.com under the caption Investors Corporate Governance. The Guidelines contain general principles regarding the functions of Sara Lee's Board of Directors and Board Committees.

Director Independence

Sara Lee's Corporate Governance Guidelines require that a substantial majority of the Board of Directors be comprised of independent directors. For a director to be considered independent under the listing standards of the New York Stock Exchange, the Board must affirmatively determine that a director has no direct or indirect material relationship with Sara Lee. The Board has adopted categorical standards, which are contained in Sara Lee's Corporate Governance Guidelines and conform to and exceed the independence criteria specified by the New York Stock Exchange, to assist it in making determinations regarding independence. The full text of the categorical standards is attached as Appendix A to this proxy statement. These categorical standards specify the criteria by which the independence of Sara Lee's directors will be determined, including whether a director or any member of the director's immediate family has any past employment or affiliation with Sara Lee or Sara Lee's independent registered public accountants. After considering these categorical standards, the listing standards of the New York Stock Exchange and any other commercial or charitable relationships between the directors and Sara Lee, the Board has determined that all of the current directors are independent, except Brenda C. Barnes, who is an executive officer of Sara Lee.

Process for Nominating Potential Director Candidates

The Corporate Governance, Nominating and Policy Committee of Sara Lee's Board of Directors is responsible for screening potential director candidates and recommending qualified candidates to the full Board for nomination. In evaluating potential director candidates, the Committee considers the qualifications listed in Sara Lee's Corporate Governance Guidelines, which are available at www.saralee.com under the caption Investors' Corporate Governance. The Corporate Governance, Nominating and Policy Committee considers recommendations of potential candidates from incumbent directors, management and stockholders. Any recommendation submitted by a stockholder to the Corporate Governance, Nominating and Policy Committee must include the same information concerning the potential candidate and the stockholder, and must be received

Table of Contents

in the time frame, described in Article I, Section 10 of Sara Lee's Bylaws. From time to time the Committee also retains search firms to assist it. The Committee applies the same standards in evaluating candidates submitted by stockholders as it does in evaluating candidates submitted by other sources. Suggestions regarding potential director candidates, together with the required information described above, should be submitted in writing to Sara Lee's Secretary, Roderick A. Palmore, at Sara Lee Corporation, 70 W. Madison Street, Chicago, Illinois 60602-4260 (or, beginning in January 2007, at Sara Lee Corporation, 3500 Lacey Road, Downers Grove, Illinois 60515-5424).

Code of Conduct

Sara Lee's Global Business Standards, the company's written corporate code of business conduct and ethics, embody Sara Lee's long-standing history of requiring adherence to high standards of ethical conduct and business practices. The Global Business Standards are available on Sara Lee's Web site at www.saralee.com under the caption "Our Company Global Business Practices." All of Sara Lee's officers, directors and employees, including its Chief Executive Officer, Chief Financial Officer and principal accounting officer, are required to comply with the Global Business Standards.

Examples of such inappropriate communication include business solicitations, advertising and communication that is frivolous in nature, relates to routine business matters (such as product inquiries, complaints or suggestions), or raises grievances that are personal to the person submitting the communication. Upon request, any director may review communication that is not forwarded to the directors pursuant to this policy.

The Audit Committee of the Board of Directors has established procedures for employees, stockholders and others to submit confidential and anonymous reports of suspected illegal or unethical behavior, violations of Sara Lee's Global Business Standards or concerns regarding Sara Lee's accounting, internal accounting controls or auditing matters. DIRECTOR COMPENSATION

Directors who are Sara Lee employees are not compensated for their services as directors. Outside directors of Sara Lee receive an annual retainer of \$75,000 and an annual grant of restricted stock units with a fair market value of \$75,000 on the date of grant. Restricted stock units granted prior to July 2005 vest in full three years after the date of grant and, upon vesting, each restricted stock unit will be converted into one share of Sara Lee common stock. Beginning with fiscal year 2006, restricted stock units granted to the outside directors vest one year after the date of grant but will not be converted into shares of Sara Lee common stock until six months after the director leaves Sara Lee's Board. Outside directors also may elect to receive Sara Lee common stock or restricted stock units in lieu of all or a portion of their annual retainer. Directors do not receive any meeting or attendance fees. In addition, each outside director who chairs a committee of the Board (other than the Audit Committee) receives an additional retainer of \$10,000. The chair of the Audit Committee receives an additional \$20,000 retainer and each other outside director who is a member of the Audit Committee receives an additional \$7,500 retainer. Committee retainers are paid 50% in cash and 50% in restricted stock units. Restricted stock units granted to the outside directors for Committee service vest one year after the date of grant but will not be converted into shares of Sara Lee common stock until six months after the director leaves Sara Lee's Board.

The Board strongly believes that the directors should have a meaningful ownership interest in Sara Lee and has implemented stock ownership guidelines for Sara Lee's directors. The ownership guidelines require directors to own a minimum of 20,000 shares of Sara Lee common stock (including restricted stock units) by July 1, 2007, or within five years after a director is first elected to the Board, whichever is later.

Under the amended 1999 Non-Employee Director Stock Plan, outside directors may elect to defer all or a portion of their annual retainer into a non-qualified, unfunded deferred compensation program. At the election of the director, deferred amounts earn a return equivalent to the return on an investment in an interest-bearing account or a stock equivalent account. The amounts deferred, dividend equivalents, plus interest and any appreciation, are paid in cash or in shares of Sara Lee common stock, as applicable, on dates selected by the director.

Cornelis J.A. van Lede also serves as Chairman of the Supervisory Board of Sara Lee International B.V., a Dutch subsidiary of Sara Lee, and, for such service he receives an annual retainer of Euro 60,000 (approximately \$76,500) and a representation allowance of Euro 5,446 (approximately \$6,900) for expenses.

EXECUTIVE COMPENSATION

Report of the Compensation and Employee Benefits Committee on Executive Compensation

The Compensation and Employee Benefits Committee consists of eight non-management directors whom the Board has determined satisfy the independence requirements of the New York Stock Exchange and the Board independence standards contained in Sara Lee's Corporate Governance Guidelines. As specified in our Committee's charter, we are responsible for the review of all aspects of executive compensation, including special benefits and perquisites as well as the preparation of this report. The Committee regularly meets in executive session to discuss matters related to the performance of the company and the compensation of its senior executives. Following each meeting the Chairperson of the Committee reports on the Committee's activities to the full Board.

We have retained the services of an outside executive compensation consultant to assist us in evaluating the competitiveness and appropriateness of Sara Lee's executive compensation program. The consultant reports directly to the Committee and only the Committee has the authority to modify or terminate this relationship.

Executive Compensation Philosophy and Guiding Principles

Edgar Filing: LEE SARA CORP - Form DEF 14A

In 2006, the company's senior management team in collaboration with the Committee and its consultant reviewed and reaffirmed Sara Lee's executive compensation philosophy and guiding principles. Sara Lee's executive compensation program is designed to support the company's objectives of profitable growth and increased stockholder value. In order to accomplish these objectives the executive compensation program must support the company's ability to retain, recruit, and motivate the highest caliber of executive talent. The guiding principles of Sara Lee's executive compensation program are to:

support Sara Lee's short- and long-term strategic objectives and reinforce a pay-for-performance culture;

align executives' goals and rewards with our stockholders' best interests;

reward executives for their contribution to Sara Lee's success;

Table of Contents

provide a competitive compensation opportunity in comparison to Sara Lee's peer group of companies; and

encourage significant ownership of Sara Lee stock by its senior executives.

Elements of the Executive Compensation Program

Sara Lee's executive compensation program consists of the following elements (which are shown, for the named executive officers, in the Summary Compensation Table on page 20 of this proxy statement):

1. **Annual compensation** includes salary and annual bonus. The Committee typically reviews executives' salaries annually, and increases may be granted based upon an individual's performance, competitive practice and pay relationship to the marketplace.

The amounts of any annual bonuses paid to the named executive officers are based upon the achievement of specified financial goals and individual objectives that are set at the beginning of the fiscal year. The Committee retains full discretion as to the amount, if any, of the annual bonuses paid.

2. **Long-term compensation** in fiscal year 2006, for the named executive officers, consisted of a combination of service-based restricted stock units and stock options. Restricted stock units represent the right to receive a specified number of shares of Sara Lee common stock if and to the extent the restricted stock units vest. Stock options are the right to purchase shares of Sara Lee common stock at a specified price, over a ten-year term following the grant date. Both the restricted stock units and stock options are subject to service-based vesting on a graduated basis over a three-year time period. A portion of Ms. Barnes' 2006 stock options are subject to a dual vesting requirement consisting of the service-based vesting described above, as well as a condition that the price of Sara Lee's common stock reach \$27.36 per share (which represents a 40% appreciation in the price of Sara Lee's common stock above the stock option exercise price).

3. **Other compensation** includes typical employee benefit and perquisite programs that are considered competitive for senior executives. Among these benefit programs, Sara Lee provides retirement, healthcare, life insurance, severance and a deferred compensation program to its executives. There are two investment alternatives under the deferred compensation program, a Sara Lee stock equivalent account and an interest income account. The interest rate applicable to the latter investment alternative was 4.755% in fiscal year 2006. This interest rate is set at the beginning of each fiscal year and is based upon Sara Lee's cost of issuing five-year maturity debt.

The perquisites offered are typical of those provided to senior executives and include company-provided cars, financial counseling, club memberships and use of the company's aircraft for business and personal usage. Executives permitted to make personal use of Sara Lee's aircraft are required to reimburse the company for that personal use to the maximum extent permitted by law.

Determining Competitiveness of Executive Compensation Program

Edgar Filing: LEE SARA CORP - Form DEF 14A

One of the guiding principles underlying Sara Lee's executive compensation program is to provide a competitive compensation opportunity in comparison to Sara Lee's peer group of companies. This peer group is used for comparisons of all elements of the compensation and benefits package. The companies used by Sara Lee for compensation comparisons consist of a select group of the largest global consumer products companies, many of which are represented in the S&P Peer Composite index shown in the Performance Graph on page 19.

Sara Lee sets its basic program elements to approximate the median compensation levels of its peer group. When an executive's performance is outstanding, and Sara Lee's financial performance and stock price outperforms that of its peer group of companies, then the executive has the potential to earn compensation that is

Table of Contents

meaningfully above the median of the peer group. Likewise, in years when the company, a business segment or a particular individual's performance is below standards, the actual compensation provided to an individual may be below competitive market norms.

Annual Compensation

Salary: We determine the appropriateness of an executive's salary by considering his or her responsibilities and individual performance and by reference to the median salary levels paid by peer group companies to executives in positions of similar responsibility. Salary increases are typically considered annually and are based on both financial and non-financial results achieved by the executive during the preceding fiscal year. All named executive officers received salary increases sometime during fiscal year 2006, except Ms. Barnes whose salary was last increased in May 2005.

Annual Bonus: For the named executive officers listed in the Summary Compensation Table on page 20 of this proxy statement, annual bonus is the lesser of:

1. An incentive pool which is 1.5% of the net income in excess of that necessary to achieve a 10% return on average total common stockholders equity, with 30% of the incentive pool allocated to the chief executive officer and the remainder divided equally among the other named executive officers, or
2. An amount which is based upon the achievement of performance goals such as earnings per share, operating profit, return on capital, cash flow, sales, and the achievement of non-financial objectives, such as increasing operational capabilities, succession planning and diversity-related initiatives, each of which is set at the beginning of the fiscal year. Target and maximum award levels are set as a percent of salary which if earned would result in competitive pay for competitive performance. Annual bonus payments to the named executive officers for fiscal year 2006 were paid in the form of cash.

Long-Term Compensation

Under Sara Lee's long-term compensation program, we annually review and approve awards to key executives based upon their individual performance and, if appropriate, performance of their business unit. Additionally, we may consider the individual's potential for advancement, his or her importance to the success of the company and market competitive practices.

In fiscal year 2006, the named executive officers received a combination of service-based restricted stock units and stock options. This program is designed to align executives' and stockholders' interests and retain executive talent. As previously mentioned, a portion of Ms. Barnes' 2006 stock options are subject to a dual vesting requirement consisting of the three-year graduated, service-based vesting, as well as a condition that the price of Sara Lee's common stock reach \$27.36 per share.

Service-based restricted stock units were granted under the Long-Term Restricted Stock Unit Program for Fiscal Years 2006-2008. One-third of the total service-based restricted stock units granted will vest on each August 31 of 2006, 2007 and 2008. On each of those vesting dates

Edgar Filing: LEE SARA CORP - Form DEF 14A

one-third of the service-based restricted stock units will be converted to shares of Sara Lee common stock and released to the executive. Dividend equivalents are accrued during the restriction period and will be paid upon the respective vesting date of each tranche of service-based restricted stock units. If the executive voluntarily terminates employment, other than for retirement, before completion of the restriction period, all of the service-based restricted stock units, any accrued dividend equivalents on those restricted stock units and stock options that are not yet vested will be forfeited.

Executive Stock Ownership Requirements

We believe it is important to align executives' interests with those of Sara Lee's stockholders. Sara Lee's key executives have a substantial portion of their incentive compensation paid in the form of Sara Lee common

Table of Contents

stock. Approximately 120 of the company's most senior executives, including all corporate officers, are subject to stock ownership requirements. The ownership requirements vary by the executive's level and range from a minimum of 10,000 shares to a maximum of 400,000 shares. When expressed as a percentage of salary, the ownership requirements range from a low of approximately 78% to a high of approximately 660% of salary, in the case of Ms. Barnes.

Other Changes in the Executive Compensation Program

The company and the Committee recently took several compensation-related actions that are noteworthy and described below:

the Committee added a fourth scheduled meeting to its regular annual meeting schedule

the Company presented tally sheets to the Committee on the Chief Executive Officer and four of her direct reports

the Company changed its vesting protocols for equity incentive awards from three-year graduated vesting to three-year cliff vesting for equity awards granted beginning in fiscal year 2007

the Company modified its severance plan for corporate officers who are involuntarily terminated as follows:

Removed discretion to award three to six extra months of severance pay based upon the age of the officer

Replaced discretion to include 50% of maximum annual bonus in severance pay with the non-discretionary inclusion of 75% of target annual bonus

Imposed a maximum severance period of 24 months versus the prior potential of 30 months

the Company modified its change in control plan for corporate officers as follows:

Maximum severance payment for Chief Executive Officer and Executive Vice President positions was reduced from three times salary plus bonus to two and one-half times salary plus bonus

Changed the definition of bonus which is used in determining benefits under the plan from the higher of current target bonus or prior year's actual bonus to current target bonus

Adopted a new rule pertaining to the vesting of equity grants such that both a change in control and the termination of the officer must occur (commonly referred to as "double trigger" vesting) before the vesting of the outstanding equity awards is accelerated versus merely the occurrence of the change in control (commonly referred to as "single trigger" vesting) that was previously in the Plan

Eliminated excise tax reimbursements and gross-ups

Added a non-compete provision to the change in control severance agreements

Chief Executive Officer's Compensation

Ms. Barnes was elected President and Chief Executive Officer of the Corporation in February 2005 and at that time her salary was increased from \$800,000 to its current level of \$1,000,000.

We reviewed and approved specific financial and non-financial performance goals for Ms. Barnes at the beginning of fiscal year 2006 for annual bonus purposes. The financial measures for fiscal year 2006 were sales, operating profit and cash flow and the non-financial measures consisted of such things as the divestment of certain businesses, increasing focus on customer relationships and improvements in operational capability and processes. Ms. Barnes' target annual bonus opportunity was 200% of salary and based upon our assessment of her performance, the company's financial results and the progress made in the transformation of Sara Lee in fiscal year 2006, a bonus of \$1,144,000 or 114.4% of salary was approved.

Table of Contents

On August 25, 2005, Ms. Barnes received 85,900 restricted stock units under the Long-Term Restricted Stock Unit Program for Fiscal Years 2006-2008 and 700,000 stock options at an exercise price of \$19.54. Both the restricted stock units and the stock options will vest in three equal installments on August 31, 2006, 2007 and 2008. Ms. Barnes also was granted 250,000 stock options with an exercise price of \$19.54 and subject to a dual vesting requirement consisting of the service-based vesting just described as well as the condition that Sara Lee Corporation's common stock price must reach \$27.36 per share.

On August 31, 2006, the Committee agreed with Ms. Barnes' request to forgo any salary increase in fiscal year 2007 and maintained her base salary at \$1,000,000. Her target bonus opportunity will remain at 200% of salary for fiscal year 2007, the same as in 2006. Bonus will be earned in relation to sales, operating profit and cash flow goals that were established by the Committee at the beginning of fiscal year 2007. In addition, we awarded Ms. Barnes 200,000 performance-based restricted stock units that are subject to three-year service-based cliff vesting and performance criteria related to relative growth in Sara Lee's diluted earnings per share against a peer group of companies and 750,000 stock options that are subject to three-year, service-based cliff vesting. All stock options and performance-based restricted stock units granted on August 31, 2006, as well as prior outstanding equity awards, will be subject to equitable adjustment for the Hanesbrands Inc. spin-off as required by Sara Lee's compensation and benefits plans.

Tax Deductibility of Compensation

The Internal Revenue Code contains a provision that limits the tax deductibility of certain compensation paid to named executive officers. This provision disallows the deductibility of certain compensation in excess of \$1,000,000 per year unless it is considered performance-based compensation under the tax code. We have adopted policies and practices that should ensure the maximum tax deduction possible under Section 162(m) of the tax code of Sara Lee's annual bonus payments and stock option awards. However, we reserve the right to forgo any or all of the tax deduction if we believe it to be in the best long-term interests of Sara Lee's stockholders. All compensation paid to our named executive officers for fiscal year 2006 is expected to be tax deductible except for the service-based restricted stock units that vest in fiscal year 2006 and related dividend equivalents.

Summary

We believe the compensation programs of Sara Lee are designed and administered in a manner consistent with the company's executive compensation philosophy and guiding principles. The programs continue to emphasize attracting and retaining key executives and rewarding them appropriately for positive results. We continually monitor these programs and change them in recognition of the dynamic, global marketplace in which Sara Lee competes for talent and the transformation of Sara Lee Corporation into a smaller, integrated and more efficient operating company. Sara Lee will continue to emphasize pay-for-performance and equity-based incentive programs that reward executives for results that are consistent with stockholder interests.

Sara Lee utilizes a weighted composite of the S&P Packaged Foods & Meats, Household Products (Non-Durables) and Apparel, Accessories and Luxury Goods Indices because no single standardized industry index represents a comparable peer group. As of June 30, 2006, the three indices were comprised of the following companies: the S&P Packaged Foods & Meats Index – Campbell Soup Company, ConAgra Foods Inc., Dean Foods Company, General Mills, Inc., H.J. Heinz Company, Hershey Foods Corporation, Kellogg Company, McCormick & Company Inc., Sara Lee Corporation, Tyson Foods Inc. and Wm. Wrigley Jr. Company; the S&P Household Products Index – The Clorox Company, Colgate-Palmolive Company, Kimberly-Clark Corporation and The Procter & Gamble Company; and the S&P Apparel, Accessories and Luxury Goods Index – Coach, Inc., Jones Apparel Group Inc., Liz Claiborne, Inc. and VF Corporation. The returns on the Peer Composite index were calculated as follows: at the beginning of each fiscal year the amount invested in each S&P industry sector index was equivalent to the percentage of Sara Lee’s operating profits in its food and beverage and foodservice businesses, its household products business and its branded apparel business, respectively, for the preceding year. As a result, the investment allocation was re-weighted each year to reflect the profit percentage change that occurred in Sara Lee’s business mix during the prior year.

Edgar Filing: LEE SARA CORP - Form DEF 14A

-
- (1) In fiscal year 2005, Ms. Barnes received 45,783 restricted stock units in lieu of a portion of her cash annual incentive bonus, and in fiscal year 2004, 25% of the annual incentive bonus paid to each named executive officer (except Ms. Barnes) was paid in restricted stock units. The fair market value of these restricted stock units is reported in the Restricted Stock Awards column for the applicable fiscal year.
 - (2) Other Annual Compensation includes the aggregate incremental cost to Sara Lee of providing certain perquisites to the named executive officers. Below is the type and amount of each perquisite and other personal benefits exceeding 25% of the total perquisites and other personal benefits reported for each named executive officer:

Ms. Barnes personal use of corporate aircraft (\$48,533 in fiscal year 2006 and \$77,317 in fiscal year 2005).

Beginning in fiscal year 2005, Sara Lee requires its executive officers to reimburse the company for the incremental costs associated with their personal use of corporate aircraft; however, FAA rules limit the amount of reimbursement Sara Lee can accept for each flight. As a result, an executive officer may be precluded from reimbursing Sara Lee for the full incremental costs associated with certain personal flights. In addition, during fiscal year 2005, changes in the tax law increased the incremental cost to Sara Lee of personal use of its corporate aircraft. The amount reported in this column in fiscal years 2006 and 2005 equals the excess of Sara Lee's incremental cost for the executive officer's personal use of corporate aircraft over the maximum amount the officer was allowed to reimburse Sara Lee.

Mr. de Kool cost of living adjustments and housing provided by Sara Lee paid in accordance with Sara Lee policies applicable generally to employees assigned to locations outside their home countries (\$187,357 in fiscal year 2006, \$187,140 in fiscal year 2005 and \$187,351 in fiscal year 2004).

Table of Contents

Mr. Chaden	personal use of corporate aircraft (\$28,708 in fiscal year 2006); personal use of corporate automobile (\$19,426 in fiscal year 2006); financial advisory services (\$24,650 in fiscal year 2006 and \$18,483 in fiscal year 2005); and club membership dues (\$35,730 in fiscal year 2005).
Mr. Fraleigh	expenses for relocation and sale of his home incurred in connection with Mr. Fraleigh joining Sara Lee and moving to Chicago (\$124,791 in fiscal year 2005)

(3) Amounts represent the market value of restricted stock units (RSUs) based on the closing price per share of Sara Lee common stock on the date of grant. The RSUs vest if and only to the extent that the executive officer continues to be employed by, or retires or receives severance from, Sara Lee or, for performance-based RSUs, to the extent the specific performance goals are achieved. Upon vesting, each RSU will be converted into one share of Sara Lee common stock. The number of shares subject to RSUs that vest, in whole or in part, in under three years from the date of grant and their respective vesting schedules are: (i) RSUs granted on August 25, 2005, to each of the named executive officers, which RSUs vest over three years in equal annual increments: Ms. Barnes, 85,900; Mr. de Kool, 34,033 shares; Mr. Chaden, 37,922 shares; Mr. Noll, 12,794 shares; and Mr. Fraleigh, 23,030 shares; (ii) 45,783 RSUs granted to Ms. Barnes on August 25, 2005, in lieu of a portion of her fiscal year 2005 cash annual incentive bonus, which vested on August 17, 2006; (iii) 83,333 RSUs granted to Ms. Barnes on May 3, 2005, in recognition of her promotion to Chief Executive Officer, which vest in three equal annual installments; (iv) 13,080 RSUs granted to Mr. Fraleigh on January 27, 2005 in connection with his joining Sara Lee, of which 6,540 RSUs vest over three years in equal annual increments and 6,540 RSUs vest on August 31, 2007, if and to the extent certain predetermined performance targets have been achieved; (v) RSUs granted on August 26, 2004, to each of the following executive officers in lieu of 25% of their fiscal year 2004 annual incentive bonus, which RSUs vested on July 2, 2005: Mr. de Kool, 10,783 shares; Mr. Chaden, 13,123 shares; and Mr. Noll, 10,040 shares; (vi) RSUs granted on August 26, 2004, to each of the following executive officers, which RSUs vest over three years in equal annual increments: Ms. Barnes, 53,580; Mr. de Kool, 26,790 shares; Mr. Chaden, 34,505 shares; and Mr. Noll, 18,055 shares; and (vii) RSUs granted on August 26, 2004, to each of the indicated executive officers, which RSUs vest on August 31, 2007, if and to the extent certain predetermined performance targets have been achieved: Ms. Barnes, 53,580; Mr. de Kool, 26,790 shares; Mr. Chaden, 34,505 shares; and Mr. Noll, 18,055 shares.

Dividend equivalents granted on the RSUs during the vesting period are escrowed and the dividend equivalents are distributed at the end of the vesting period in the same proportion as the RSUs vest. For RSUs granted prior to fiscal year 2005, interest accrues on the escrowed dividend equivalents and will be paid at the end of the vesting period with the accrued dividend equivalents. To the extent an executive officer terminates employment with Sara Lee or the applicable performance goals, if any, are not attained, the RSUs, and the escrowed dividend equivalents and interest, if any, are forfeited.

In the event of a change of control, any RSUs held by the executive officers that were granted prior to August 31, 2006 will vest in full. The market value and the aggregate number of all restricted stock units held by each executive officer named above as of June 30, 2006, the last business day of fiscal year 2006 (based on the \$16.02 closing price per share of Sara Lee common stock on that day), were as follows: Ms. Barnes, \$4,430,139 (276,538); Mr. de Kool, \$4,335,781 (270,648); Mr. Chaden, \$1,849,189 (115,430); Mr. Noll, \$975,378 (60,885); and Mr. Fraleigh, \$683,253 (42,650).

- (4) The amounts reported in this column for fiscal year 2006 consist of matching contributions and annual company contributions under Sara Lee's 401(k) Plan and amounts allocated under a supplemental benefit plan.
- (5) On September 5, 2006, Sara Lee completed the spin-off of its wholly-owned subsidiary, Hanesbrands Inc., into an independent public company. As of that date, Messrs. Chaden and Noll ceased to be employees of Sara Lee.
- (6) Mr. Fraleigh joined Sara Lee in January 2005, so he did not receive any compensation from Sara Lee in fiscal year 2004. Mr. Fraleigh's bonus for fiscal year 2005 includes a \$300,000 sign-on bonus to induce Mr. Fraleigh to accept employment with Sara Lee.

- (1) The exercise price equals 100% of the fair market value of the common stock on the date of grant. Each option, other than the option described in footnote (3) below, vests over three years in equal annual increments and may be exercised for 10 years. In the event of a

change of control of Sara Lee, options held by the named executive officers will vest in full; however, Sara Lee's Severance Plans for Corporate Officers has been amended to provide that options granted beginning in August 2006 will vest only if both a change in control occurs and the executive officer's employment is terminated.

- (2) The potential realizable value assumes that the fair market value of Sara Lee common stock on the date the option was granted appreciates at the indicated annual growth rate (which is set by the rules of the Securities and Exchange Commission), compounded annually, for the option term. These growth rates are not intended by Sara Lee to forecast future appreciation, if any, of the price of common stock, and Sara Lee expressly disclaims any representation to that effect.
- (3) This option does not become exercisable until both time vesting and performance vesting criteria have been fulfilled. Under the performance vesting criteria, no portion of the option may be exercised unless and until the trading price of Sara Lee's common stock has reached or exceeded \$27.36 per share, which is 140% of the fair market value of Sara Lee common stock on the date of grant. Under the time vesting criteria, the option vests over three years in equal annual increments. If the performance vesting criteria have been fulfilled, the option may be exercised to the extent the option has vested under the time vesting criteria as of the date of exercise.

Option Exercises and Fiscal Year-End Values

The following table shows the number and value of stock options (exercised and unexercised) for Ms. Barnes, and Messrs. de Kool, Chaden, Noll and Fraleigh during fiscal year 2006.

(2) All options held by the named executive officers have an exercise price in excess of the \$16.02 closing price of Sara Lee common stock on June 30, 2006 (the last business day of the fiscal year).

Severance Plans

Sara Lee's Severance Plans for Corporate Officers provide that, if an officer's employment is terminated without cause, the officer will receive a minimum of 12 months and a maximum of 24 months of severance payments based upon the officer's position, length of service and age. Each severance payment equals the officer's salary plus 75% of the officer's target annual incentive bonus in effect on the date of termination, computed on a monthly basis. The terminated officer's participation in Sara Lee's medical, dental and Executive Life Insurance plans and Supplemental Benefit plans (which provide non-qualified retirement benefits) would continue for the same number of months for which he or she is receiving severance payments. An officer who was an Executive Vice President or Senior Vice President also is entitled to continued financial planning assistance reimbursed by the company through the severance period. The terminated officer's participation in all other benefit plans ceases as of the date of termination of employment. Severance payments terminate if the terminated officer becomes employed by a competitor of Sara Lee.

The Plan also provides for severance pay and continuation of certain benefits if an officer's employment is terminated involuntarily within two years following a change in control, or within six months prior to a change in control. The Plan provides that terminated officers will receive two times (or 2.5 times, for the Chief Executive Officer and any Executive Vice President) their base pay plus 75% of the terminated officer's target

annual bonus rate in effect on the date of termination, and continuation of some of the existing employee benefits during the severance period.

Table of Contents

In the event that any payments made in connection with a change in control would be subjected to the excise tax imposed by Section 4999 of the Internal Revenue Code, and if reducing the amount of the payments would result in greater benefits to the officer (after taking into consideration the payment by the officer of all income and excise taxes that would be owing as the result of the change in control payments), Sara Lee will reduce the change in control payments by the amount necessary to maximize the benefits received by such officer, determined on an after-tax basis. In addition, all of the terminated officer's options and restricted stock units that were granted after July 2006 automatically vest and forfeiture restrictions lapse if two events occur: (i) there has been a change in control of Sara Lee and (ii) a qualifying termination of such officer has occurred; provided, however, that if the transaction giving rise to the change in control is an offer to purchase all of Sara Lee's outstanding voting stock for cash, then such options automatically vest and forfeiture conditions on the RSUs automatically lapse upon the change in control. With respect to awards granted before August 2006, all of the terminated officer's options and restricted stock units automatically vest and forfeiture restrictions lapse upon the occurrence of a change in control of Sara Lee. Generally, a change in control will be deemed to occur in the event of (a) certain acquisitions of 20% or more of the voting power of the then outstanding capital stock of Sara Lee, (b) the consummation of a reorganization, merger or consolidation of Sara Lee or a sale or other disposition of all or substantially all of Sara Lee's assets (unless, among other conditions, the stockholders of Sara Lee immediately prior to the transaction hold, in substantially the same proportion immediately after the transaction, more than 50% of the combined voting power of the entity resulting from the transaction), (c) the consummation of a plan of complete liquidation or dissolution of Sara Lee, or (d) a change in the Board such that the Continuing Directors (as defined below) cease to constitute at least a majority of the Board. The term Continuing Director is defined to mean (A) any member of the Board who was a member of the Board immediately after the 2005 Annual Meeting and (B) any individual who becomes a director of Sara Lee after the 2005 Annual Meeting whose election or nomination for election was approved by the vote of at least a majority of the Continuing Directors then comprising the Board.

Retirement Plans

The following table shows the approximate annual pension benefits payable under Sara Lee's qualified U.S. pension plans, as well as a nonqualified supplemental benefit plan. The compensation covered by the pension program is based on an employee's average annual salary and cash bonus for the highest five consecutive years in the last ten years. The amounts payable under the pension program are computed on the basis of a straight-life annuity and are not subject to deduction for Social Security benefits or other amounts.

As of September 1, 2006, Ms. Barnes had 2 years of credited service and Messrs. Chaden, Noll and Fraleigh had 14, 14 and one years of credited service, respectively, under the U.S. pension plans. Ms. Barnes receives one additional month of credited service in the U.S. pension plan for each full calendar month of active participation. This additional benefit is provided entirely through the company's nonqualified supplemental benefit plan.

Table of Contents

Mr. de Kool currently participates in the U.S. pension plan and additionally has prior non-U.S. service credited under the pension plan of Sara Lee International B.V., a Dutch subsidiary of Sara Lee. As of September 6, 2006, Mr. de Kool had 4 years of credited service under the U.S. pension plan and 9 years of credited service under the Dutch pension plan. Due to his participation in the U.S. plan, Mr. de Kool's participation in the Dutch plan is frozen, which means he does not accrue additional benefits under that plan. Mr. de Kool's annual normal retirement pension is Euro 62,574 under the Dutch pension plan. Pension benefits payable under the pension plans of Sara Lee International B.V. also are based on an employee's annual salary and cash bonus and are computed on the basis of a straight-life annuity.

The nonqualified benefits accrued by Mr. Chaden are funded with periodic payments made by Sara Lee to trusts established by him. This program, which no longer allows new participants, had been available to officers of Sara Lee if the present value of their accrued benefit exceeded \$100,000 and they were age 55 and older, or \$300,000 if they had not yet attained age 55. Sara Lee discontinued this program beginning in 2004 and allowed those already participating in the program to continue their participation under its original terms and conditions.

Section 16(a) Beneficial Ownership Reporting Compliance

Based on its review of filings made with the SEC and representations made by the reporting persons, Sara Lee believes that during fiscal year 2006, its executive officers and directors timely filed all reports that were required to be filed under Section 16(a) of the Securities Exchange Act of 1934, except in the two instances described below. Diana S. Ferguson vested in a retention RSU and Sara Lee withheld 4,303 shares to satisfy tax withholding obligations incurred upon the vesting; due to administrative difficulties in processing the vesting, a Form 4 reporting this transaction was filed one day late. Jonathan P. Ward was issued 1,674 shares of Sara Lee common stock in lieu of a portion of his annual cash retainer for service as a director; due to an unintentional oversight, a Form 4 disclosing this transaction was filed approximately two weeks late. In both instances, a Form 4 was filed to report the transaction promptly after the oversight was discovered.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee of Sara Lee's Board of Directors is comprised of six independent directors and operates under a written Charter adopted by the Board of Directors, which is reviewed annually and is available on our corporate Web site at www.saralee.com under the caption "Our Company Board of Directors." The Committee held five meetings during the last fiscal year. The Committee has selected PricewaterhouseCoopers LLP (PWC) as Sara Lee's independent registered public accountants for fiscal year 2007, subject to stockholder ratification. The Committee discussed its selection with Sara Lee's Board of Directors and the Board unanimously ratified the selection of PWC. PWC also served as Sara Lee's independent registered public accountants for fiscal year 2006.

Management is responsible for Sara Lee's internal controls and the financial reporting process. The independent registered public accountants are responsible for performing an independent audit of Sara Lee's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. As provided in its Charter, the Committee's responsibilities include oversight of these processes.

In this context, and in accordance with its Charter, the Committee has met with management and PWC to discuss and review Sara Lee's audited financial statements. The Committee meets separately at each meeting with Sara Lee's internal auditors and PWC. Management represented to the Committee that Sara Lee's audited consolidated financial statements for the fiscal year ended July 1, 2006 (the Financial Statements) were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the Financial Statements with management and PWC. The Committee also discussed with PWC the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards).

In addition, the Committee has received from PWC the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with PWC their independence from Sara Lee and its management. In accordance with the Sarbanes-Oxley Act of 2002, the Committee pre-approves all audit and non-audit services performed by PWC. The Committee considered the non-audit services that PWC provided in fiscal year 2006 and determined that the provision of those services is compatible with and does not impair PWC's independence.

In fulfilling its oversight responsibility for reviewing the services performed by Sara Lee's independent registered public accountants, the Committee carefully reviews its policies and procedures for the engagement of the independent registered public accountants. The Committee also discussed with Sara Lee's internal auditors and PWC the overall scope and plans for their respective audits. The Committee met with the internal auditors and PWC, with and without management present, to discuss the results of their examinations, the evaluations of Sara Lee's internal controls, and the overall quality of Sara Lee's financial reporting. The Committee also reviewed and discussed with PWC the fees paid to them, which fees are described following this report.

Based on the Committee's review and discussions of the matters referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the Financial Statements be included in Sara Lee's Annual Report on Form 10-K for the year ended July 1, 2006, for filing with the Securities and Exchange Commission.

Audit Committee Pre-Approval Policies and Procedures

Edgar Filing: LEE SARA CORP - Form DEF 14A

On an ongoing basis, management of Sara Lee defines and communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Committee approves the engagement of PricewaterhouseCoopers. On a periodic basis, Sara Lee's management reports to the Audit Committee regarding the actual spending for such projects and services compared to the approved amounts. The projects and categories of service are as follows:

**PROPOSAL 2: RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTANTS FOR THE 2007 FISCAL YEAR**

The Audit Committee has appointed PricewaterhouseCoopers to serve as Sara Lee's independent registered public accountants for its fiscal year ending July 2, 2007. The Audit Committee and the Board of Directors seek to have the stockholders ratify the Audit Committee's appointment of PricewaterhouseCoopers, which has served as Sara Lee's independent registered public accountants since 2002. Representatives of PricewaterhouseCoopers will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions. If the appointment of PricewaterhouseCoopers is not ratified by the stockholders, the Audit Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of PricewaterhouseCoopers.

THE AUDIT COMMITTEE AND THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMEND YOU VOTE *FOR* THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE 2007 FISCAL YEAR.

**PROPOSAL 3: STOCKHOLDER PROPOSAL REGARDING
CHAIRMAN AND CEO POSITIONS**

The International Brotherhood of Teamsters General Fund, 25 Louisiana Avenue, NW, Washington, D.C. 2001, has advised Sara Lee that it beneficially owns 150 shares of Sara Lee common stock and that it intends to present the following proposal for consideration at the Annual Meeting.

Stockholder Proposal

Edgar Filing: LEE SARA CORP - Form DEF 14A

Resolved: That stockholders of the Sara Lee Corporation (Sara Lee or the Company) ask the board of directors to adopt a policy that the board's chair be an independent director who has not previously served as an executive officer of Sara Lee. The policy should be implemented so as not to violate any contractual obligation. The policy should also specify (a) how to select a new independent chair if a current chair ceases to be independent during the time between annual meetings of shareholders; and, (b) that compliance with the policy is excused if no independent director is available and willing to serve as chair.

Supporting Statement

It is the responsibility of our Board of Directors to protect shareholders' long-term interests by providing independent oversight of management, including the Chief Executive Officer (CEO), in directing the

Table of Contents

corporation's business and affairs. Currently at our Company the CEO and President, Ms. Brenda Barnes, also holds the position of Board Chair. We believe that this current scheme may not be in the best interests of shareholders.

Sara Lee's shareholders require an independent leader to ensure that management acts strictly in the best interests of the Company, especially when our company and the industry as a whole face significant challenges.

By setting agendas, priorities and procedures, the position of Chair is critical in shaping the work of our Board of Directors. Accordingly, we believe that having an independent director serve as chair can help ensure the objective functioning of an effective board. Conversely, we fear that a President and CEO holding the position of Chair may limit our Board's ability to make truly independent decisions.

As a long-term shareholder of our Company, we believe that an independent Board Chair will enhance Board leadership at Sara Lee, and protect shareholders from future management actions that can harm shareholders. Other corporate governance experts agree. As a Commission of The Conference Board stated in a 2003 report, "it is essential that the Chairman not have any relationships with the CEO or management that compromises his or her ability to act independently." (The Conference Board. Commission on Public Trust and Private Enterprise: Findings & Recommendations, p. 29). The Conference board also stated: "The ultimate responsibility for good corporate governance rests with the Board of Directors. Only a strong, diligent and independent Board of Directors that understands the key issues, provides wise counsel, and asks management the tough questions is capable of ensuring that the interests of shareowners as well as other constituencies are being properly served." (The Conference Board. Commission on Public Trust and Private Enterprise: Findings & Recommendations, p. 18).

We believe that the recent wave of corporate scandals demonstrate that no matter how many independent directors there are on the Board, the Board is less able to provide independent oversight of the officers if that Board Chair is also the CEO and President of the Company.

We, therefore, urge shareholders to vote FOR this proposal.

Board of Directors Statement in Opposition to the Stockholder Proposal

Sara Lee's Board of Directors believes that our current practice of combining the roles of Chairman of the Board (Chairman) and Chief Executive Officer (CEO) generally provides the most efficient and effective leadership model for Sara Lee. We believe that this governance structure provides the appropriate balance between the need for consistent strategic direction and the need for objectivity and independence of the non-management directors. The Board does not believe that separating these offices is necessary to ensure that the Board provides independent oversight of management. As a result, we believe the stockholder proposal is unnecessary and would not be in the best interest of Sara Lee's stockholders.

Sara Lee's corporate governance structures and practices already include several effective oversight mechanisms, some of which are described below.

Edgar Filing: LEE SARA CORP - Form DEF 14A

First, Sara Lee's Corporate Governance Guidelines (the "Guidelines") require that a substantial majority of the Board be comprised of independent directors. Currently, the Chairman and CEO is the only member of management who also is a member of the Board. The other eleven members of the Board are non-management directors, each of whom meets the independence requirements of the New York Stock Exchange and Sara Lee's director independence guidelines.

Second, as described in our Guidelines, the Board annually elects one independent director to serve as the Presiding Director, whose responsibilities include:

- a) presiding at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors;

Table of Contents

- b) advising management regarding the nature and extent of information that management regularly provides to the Board;
- c) advising the Chairman and the Corporate Secretary regarding the agendas for Board meetings;
- d) approving meeting schedules to help ensure that sufficient time is allocated for discussion of agenda items; and
- e) calling meetings of the independent directors.

The Presiding Director, currently Mr. Crown, provides leadership to the independent directors and thereby enhances their effectiveness in providing oversight of management.

Third, at least four times a year and generally at the end of every Board meeting, the independent directors meet in executive session without the Chairman and CEO or other management present to review, among other things, the CEO's performance. The Presiding Director chairs these meetings.

Fourth, various Committees of the Board perform oversight functions independent of management. Each of the Audit Committee, the Compensation and Employee Benefits Committee and the Corporate Governance, Nominating and Policy Committee is comprised entirely of independent directors. This means that independent directors directly oversee critical matters such as the integrity of the Company's financial statements, senior executive compensation, including the compensation of the Chairman and CEO, and the selection and evaluation of directors. The charters for each of these Committees, which are available on Sara Lee's Web site, provide a complete description of the responsibilities of each of these Committees.

Finally, the Board believes that its current governance structure, in which a single individual holds the offices of Chairman and CEO and an independent director serves as Presiding Director, is the most effective structure for Sara Lee, from a business perspective. Combining the roles of Chairman and CEO ensures that the Company will have clear and consistent leadership on critical strategic objectives. This structure maximizes the likelihood that these objectives will be attained, while eliminating any risk of a distracting clash on these issues between a Chairman and CEO. Any concerns that combining these roles will lead to an unhealthy concentration of authority in the hands of a single individual is minimized in our structure by the role of the Presiding Director who, as described above, provides leadership to the independent directors and thereby enhances their effectiveness in providing oversight of management.

The Board continues to believe that it is in the best interests of Sara Lee and its stockholders that the positions of Chairman and CEO be held by the same individual. Our current leadership model strikes an appropriate balance between strong executive leadership and independent oversight of management's performance. Requiring that the offices of Chairman and CEO be split would weaken our leadership structure without providing any added benefit beyond that already achieved by our existing governance structure. Accordingly, we do not believe that implementation of the proposal would be in the best interests of Sara Lee stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST PROPOSAL 3.

**PROPOSAL 4: STOCKHOLDER PROPOSAL REGARDING
THE COMPENSATION DISCUSSION AND ANALYSIS**

The American Federation of State, County and Municipal Employees, 1625 L Street, N.W., Washington, D.C. 20036, has advised Sara Lee that it beneficially owns 8,424 shares of Sara Lee common stock and that it intends to present the following proposal for consideration at the Annual Meeting.

Stockholder Proposal

RESOLVED, that stockholders of Sara Lee Corporation (Sara Lee) urge the board of directors to adopt a policy that Sara Lee stockholders be given the opportunity at each annual meeting of stockholders to vote on an advisory resolution, to be proposed by Sara Lee s management, to approve the Compensation Discussion and Analysis set forth in the proxy statement. The policy should provide that appropriate disclosures will be made to ensure that stockholders fully understand that the vote is advisory; will not affect any person s compensation; and will not affect the approval of any compensation-related proposal submitted for a vote of stockholders at the same or any other meeting of stockholders.

Supporting Statement

In our view, senior executive compensation at Sara Lee has been excessive in recent years. In 2005, CEO and Chairman Brenda Barnes received \$1,308,725 in salary and bonus, 250,000 options, and restricted stock awards valued at \$5,065,038. Also in 2005, former CEO Steven McMillan received a salary of \$1,189,500 over the threshold for deductibility of non-performance-related compensation and an annual bonus of \$539,081. For 2003, 2004, and 2005, Mr. McMillan received restricted stock awards valued in total at \$10,134,574. Over the same period of time, Mr. McMillan received 1,815,975 in options.

We believe that the current rules governing senior executive compensation do not give stockholders enough influence over pay practices. In the United Kingdom, public companies allow stockholders to cast an advisory vote on the directors remuneration report. Such a vote isn t binding, but allows stockholders a clear voice which could help reduce excessive pay. U.S. stock exchange listing standards do require stockholder approval of equity-based compensation plans; those plans, however, set general parameters and accord the compensation committee substantial discretion in making awards and establishing performance thresholds for a particular year. Stockholders do not have any mechanism for providing ongoing input on the application of those general standards to individual pay packages. (See Lucian Bebchuk & Jesse Fried, Pay Without Performance 49 (2004)).

Similarly, performance criteria submitted for stockholder approval to allow a company to deduct compensation in excess of \$1 million are also broad and do not constrain compensation committees in setting performance targets for particular executives. Withholding votes from compensation committee members who are standing for reelection is a blunt instrument for registering dissatisfaction with the way in which the committee has administered compensation plans and policies in the previous year.

Edgar Filing: LEE SARA CORP - Form DEF 14A

Accordingly, we urge Sara Lee's board to allow stockholders to express their opinion about senior executive compensation practices by establishing an annual referendum process. The results of such a vote would, we think, provide Sara Lee with useful information about whether stockholders view the company's compensation practices, as reported each year in the Compensation Discussion and Analysis, to be in stockholders' best interests.

We urge stockholders to vote for this proposal.

Board of Directors Statement in Opposition to the Stockholder Proposal

Sara Lee urges stockholders to vote against the stockholder proposal for two reasons. First, Sara Lee already has a much more efficient and meaningful method for stockholders to communicate with the Board. Second, the proposal fails to recognize that Sara Lee already has in place a thoughtful, performance-based executive compensation program.

The Vote Advocated by the Proposal Would Be a Crude and Inefficient Method of Expressing Support or Criticism of Sara Lee's Executive Compensation Practices

The process requested by the proposal is not necessary because Sara Lee already has a much more efficient and meaningful method of communicating with the Board of Directors. As discussed on page 5 under the heading "Communications with the Board of Directors," stockholders and other interested parties may communicate with members of Sara Lee's Board of Directors, including the Chair of any committee, by writing to the Board, or a specific Committee Chair or director at:

Through December 2006:
Board of Directors

(or specific Committee Chair or director)

c/o Roderick A. Palmore, Secretary
Sara Lee Corporation

70 W. Madison Street

Chicago, Illinois 60602-4260

As of January 2007:
Board of Directors

(or specific Committee Chair or director)

c/o Roderick A. Palmore, Secretary
Sara Lee Corporation

3500 Lacey Road

Downers Grove, Illinois 60515-5424

We believe that direct communications between stockholders and the Board, including the Compensation and Employee Benefits Committee, is a much more effective and accurate method of expressing support or criticism of Sara Lee's executive compensation practices. Unlike the vote advocated by the proposal, communicating directly with the Board will allow you to voice any specific observations or objections to Sara Lee's executive compensation practices directly to the decision makers, as opposed to voting on the narrow *disclosures* made by those decision makers. Moreover, communicating directly with the Board will eliminate the need for the Compensation and Employee Benefits Committee to speculate as to the meaning of stockholder approval or disapproval of the Compensation Discussion and Analysis that is included in the proxy materials for Sara Lee's annual meeting of stockholders (the "CD&A").

In addition, the vote recommended in the proposal would not provide any useful information to Sara Lee and members of the Compensation and Employee Benefits Committee. If implemented, the stockholder proposal would require Sara Lee stockholders to vote on the CD&A. Contrary to the assertions in the supporting statement for the proposal, the process advocated by the proposal would not allow stockholders to conduct an annual referendum on executive compensation, and it would not give Sara Lee stockholders the right to approve or disapprove of Sara Lee's executive compensation practices. Instead, the proposal would allow Sara Lee stockholders to vote on a very narrow issue—the disclosures contained in the CD&A in Sara Lee's proxy statement.

Edgar Filing: LEE SARA CORP - Form DEF 14A

For example, if stockholders vote for the CD&A, Sara Lee would not be able to determine if the affirmative vote signifies that stockholders approve of Sara Lee's executive compensation practices, or if the vote merely signifies that stockholders approve of the format and tone of the report. Conversely, Sara Lee would not be able to determine if a negative vote indicates that stockholders don't like the format, presentation or style of the report, or if stockholders disapprove of Sara Lee's underlying compensation practices. The lack of clarity as to the meaning of the vote requested by the proposal eliminates any benefits it offers.

Table of Contents

Sara Lee Already Has in Place a Thoughtful, Performance-Based Executive Compensation Program

The vote advocated by the proposal fails to recognize that Sara Lee already has in place a thoughtful, performance-based executive compensation program. Sara Lee's executive compensation program emphasizes the retention of key executives and the practice of appropriately rewarding key executives for positive results. The Compensation and Employee Benefits Committee, which is composed entirely of independent directors, none of whom has an interest in the compensation decisions the committee makes, oversees Sara Lee's executive compensation program. Sara Lee and the Compensation and Employee Benefits Committee continually monitor the executive compensation program and adopt changes to reflect the dynamic, global marketplace in which Sara Lee competes for talent. Sara Lee will continue to emphasize pay-for-performance and equity-based incentive programs that reward executives for results that are consistent with stockholder interests.

To assist stockholders in understanding Sara Lee's executive compensation program, Sara Lee historically has provided detailed disclosure of its executive compensation program in its proxy materials. These disclosures discuss the compensation arrangements for Sara Lee's chief executive officer and four other highest paid executive officers. The CD&A will supplement Sara Lee's compensation disclosures by setting forth Sara Lee's approach and philosophy with respect to executive compensation. The CD&A, along with the other information provided in Sara Lee's proxy statement, fully and fairly describes Sara Lee's executive compensation program, as well as provides information with which stockholders may evaluate Sara Lee's executive compensation program.

Sara Lee does not believe the advisory vote called for by the stockholder proposal will enhance Sara Lee's compensation program, its disclosures regarding the compensation program, or otherwise is in the best interests of its stockholders. Instead of encouraging stockholders to take advantage of Sara Lee's current policies and procedures, the proposal advocates substituting a narrower and less effective mechanism. Sara Lee urges stockholders to reject this approach.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST PROPOSAL 4.

Table of Contents**Appendix A****CATEGORICAL STANDARDS FOR DETERMINING DIRECTOR INDEPENDENCE****Excerpt of Sara Lee's Corporate Governance Guidelines****Definition of What Constitutes Independent Directors**

No Director will qualify as an independent Director of Sara Lee unless the Board has affirmatively determined that the Director meets the standards for being an independent director established from time to time by the New York Stock Exchange (NYSE), the U.S. Securities and Exchange Commission and any other applicable governmental and regulatory bodies. To be considered independent under the rules of the NYSE, the Board must affirmatively determine that a Director has no material relationship with Sara Lee (either directly or as a partner, shareholder or officer of an organization that has a relationship with Sara Lee). To assist it in determining each Director's independence in accordance with the NYSE's rules, the Board has established guidelines, which provide that a Sara Lee Director will be deemed independent unless:

- (i) within the preceding three years, the Sara Lee Director was an employee, or an immediate family member of the Director was an executive officer, of Sara Lee;
- (ii) within the preceding three years, the Sara Lee Director received during any twelve-month period more than \$100,000 in direct compensation from Sara Lee, or an immediate family member of the Director received during any twelve-month period more than \$100,000 in direct compensation for services as an executive officer of Sara Lee, excluding director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii) (A) the Sara Lee Director or an immediate family member of the Sara Lee Director is a current partner of a firm that is Sara Lee's internal or independent auditor; (B) the Sara Lee Director is a current employee of such a firm; (C) an immediate family member of the Sara Lee Director is a current employee of such a firm and participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) the Sara Lee Director or an immediate family member of the Sara Lee Director was, within the last three years (but is no longer), a partner or employee of such a firm and personally worked on Sara Lee's audit within that time;
- (iv) within the preceding three years, a Sara Lee executive officer served on the board of directors of a company that, at the same time, employed the Sara Lee Director, or an immediate family member of the Director, as an executive officer;
- (v) the Sara Lee Director is a current executive officer or employee, or an immediate family member of the Sara Lee Director is a current executive officer, of another company that made payments to or received payments from Sara Lee for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or two percent (2%) of such other company's consolidated gross revenues;
- (vi) the Sara Lee Director serves as an officer, director or trustee of a charitable organization, and discretionary charitable contributions by Sara Lee and the Sara Lee Foundation to such organization, in the aggregate in any one year, exceed the greater of \$1 million, or two percent (2%) of that organization's total annual charitable receipts (and discretionary charitable contributions

Edgar Filing: LEE SARA CORP - Form DEF 14A

shall include corporate cash contributions (including support for benefit events), grants from the Sara Lee Foundation, Matching Grants under the Sara Lee Foundation's Matching Grants Program, and product donations); or

- (vii) the Sara Lee Director is an executive officer of another company which is indebted to Sara Lee, or to which Sara Lee is indebted, and the total amount of either company's indebtedness to the other

A-1

Table of Contents

is more than two percent (2%) of the total consolidated assets of the company the Sara Lee Director serves as an executive officer.

For purposes of these guidelines, an immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home, and references to Sara Lee include all subsidiaries and divisions that are consolidated with Sara Lee Corporation.

The Board annually will review all commercial and charitable relationships between its Directors and Sara Lee to determine whether the Directors meet these categorical independence tests. If a Director has a relationship with Sara Lee that is not covered by these independence guidelines, those Sara Lee Directors who satisfy such guidelines will consider the relevant circumstances and make an affirmative determination regarding whether such relationship is material or immaterial, and whether the Director would therefore be considered independent under the NYSE's rules.

Sara Lee will disclose in its proxy statement (a) the basis for any Board determination that a relationship was immaterial despite the fact that it did not meet the categorical independence tests of immateriality set forth above, and (b) any charitable contributions made by Sara Lee or the Sara Lee Foundation to any charitable organization in which a Sara Lee Director serves as an executive officer if, within the preceding three years, contributions in any single fiscal year exceeded the greater of \$1 million, or two percent (2%) of such charitable organization's consolidated gross revenues.
