PROXY STATEMENT

FOR 2006 ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

We are providing these proxy materials to you in connection with the solicitation of proxies by the Board of Directors of SunLink Health Systems, Inc. for the 2006 Annual Meeting of Shareholders and for any adjournment or postponement of the Annual Meeting. In this Proxy Statement, we refer to SunLink Health Systems, Inc. as SunLink, the Company, we or us.

We are holding the Annual Meeting at 10:00 a.m. local time, on Monday, November 6, 2006, at the Renaissance Waverly Hotel, 2450 Galleria Parkway, Atlanta, Georgia 30339, and invite you to attend in person.

We intend to mail this Proxy Statement and a proxy card to shareholders starting on or about October 2, 2006.

VOTING INFORMATION

All shares represented by properly executed proxies received by the Board of Directors pursuant to this solicitation will be voted in accordance with the shareholder's directions specified on the proxy. If no directions have been specified by marking the appropriate places on the accompanying proxy card, the shares will be voted in accordance with the Board's recommendations which are:

FOR the election of Karen B. Brenner, C. Michael Ford and Howard E. Turner, as directors of the Company for a term of two years. A shareholder signing and returning the accompanying proxy has power to revoke it at any time prior to its exercise by delivering to the Company a later dated proxy or by giving notice to the Company in writing or at the meeting, but without affecting any vote previously taken.

Record Date

You may vote all shares that you owned as of September 13, 2006, which is the record date for the Annual Meeting. On September 13, 2006, we had 7,343,120 common shares outstanding. Each common share is entitled to one (1) vote on each matter properly brought before the Meeting.

Ownership Of Shares

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy

directly to us, give your voting instructions by telephone or by the Internet, or vote in person at the Annual Meeting. If you hold your shares in a brokerage account or through a bank or other holder of record, you hold the shares in street name, and your broker, bank or other holder of record is sending these proxy materials to you. As a holder in street name, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Regardless of how you hold your shares, we invite you to attend the Annual Meeting.

How To Vote

Your Vote Is Important. We encourage you to vote promptly. Internet and telephone voting is available through 11:59 p.m. Eastern time on Sunday, November 5, 2006 for all shares. You may vote in one of the following ways:

By Telephone: If you are located in the U.S., you can vote your shares by calling the toll-free telephone number on your proxy card or, if you are an owner in street name, in the instructions that accompany your proxy materials. You may vote by telephone 24 hours a day. The telephone voting system has easy-to-follow instructions and allows you to confirm that the system has properly recorded your votes. If you vote by telephone, you do not need to return your proxy card.

By Internet: You can also vote your shares by the Internet. Your proxy card indicates the website you may access for internet voting. You may vote by the Internet 24 hours a day. As with telephone voting, you will be able to confirm that the system has properly recorded your votes. If you are an owner in street name, please follow the Internet voting instructions that accompany your proxy materials. You may incur telephone and internet access charges if you vote by the Internet.

By Mail: If you are a holder of record, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your shares in street name, please complete and mail the voting instruction card.

At The Annual Meeting: If you vote your shares now, it will not limit your right to change your vote at the Annual Meeting if you attend in person. If you hold your shares in street name, you must obtain a proxy, executed in your favor, from the holder of record if you wish to vote your shares at the Meeting.

All shares that have been properly voted and not revoked will be voted at the Meeting. If you sign and return your proxy card without any voting instructions, your shares will be voted as the Board of Directors recommends.

Revocation Of Proxies: You can revoke your proxy at any time before your shares are voted if you (1) submit a written revocation to our Secretary, (2) submit a later-dated proxy (or voting instructions if you hold shares in street name), (3) provide subsequent telephone or internet voting instructions or (4) vote in person at the Meeting.

Quorum And Required Vote

Quorum: We will have a quorum and will be able to conduct the business of the Annual Meeting if the holders of a majority of the shares that shareholders are entitled to vote are present at the Meeting, either in person or by proxy.

Votes Required For Proposals: To elect directors the proportion of votes required is a plurality of the votes cast.

Routine And Non-Routine Proposals: American Stock Exchange rules determine whether proposals presented at the shareholder meetings are routine or not routine. If a proposal is routine, a broker or other entity holding shares for an owner in street name may vote for the proposal without voting instructions from the owner. The election of the 2006 slate of directors is considered a routine item.

How We Count Votes: In determining whether we have a quorum, we count abstentions and broker non-votes as present and entitled to vote.

In counting votes on the proposals:

We do not count abstentions or broker non-votes, if any, as votes cast for the election of Directors, but we do count votes withheld for one or more nominees as votes cast.

Under our Code of Regulations, all matters, other than the election of directors, are determined by the holders of a majority of the voting shares held by shareholders present in person or by proxy at the time of the meeting, except where a different proportion is required by law.

CORPORATE GOVERNANCE

Our business is managed by the Company's employees under the direction and oversight of the Board of Directors. Except for Mr. Thornton, none of our Board members is an employee of the Company. The Board limits membership on the Audit Committee and Executive Compensation Committee (referred to in this proxy statement as the *Compensation Committee*) to independent non-management directors. We keep Board members informed of our business through discussions with management, materials we provide to them, visits to our offices and hospitals and their participation in Board and Board committee meetings.

The Board of Directors has adopted charters for the Board committees, resolutions governing the process for identification and nomination of candidates for the Board, and the Company's code of ethics (the SunLink Health Systems, Inc. Code of Conduct) for employees, including our principal executive officer, principal financial officer and principal accounting officer. These documents, together with the Company's Articles of Incorporation and Code of Regulations, provide the framework for the governance of the Company.

A complete copy of the charters of the Board committees, the resolutions governing the process for identification and nomination of candidates for the Board, and the Code of Conduct for employees may be found on the Company's website at <http://www.sunlinkhealth.com>. Copies of these materials also are available to shareholders without charge upon written request to the Secretary of the Company.

Summary of the Corporate Governance Principles

Independence

A majority of the Board of Directors is required to consist of independent, non-management directors who meet the criteria for independence required by the American Stock Exchange. Under such rules, a director is independent if he or she does not have a material relationship with the Company.

The Board of Directors has determined that as of September 13, 2006, six (6) of the Company's seven (7) incumbent directors are independent under these guidelines: Ms. Brenner and Messrs. Baileys, Burlison, Ford, Hall and Turner. Mr. Thornton, as a management director, also participates in the Board's activities and provides valuable insights and advice.

The non-management directors meet periodically in executive session without the Chief Executive Officer present.

The executive sessions of non-management directors are presided over by the director who is the chairman of the committee responsible for the issue being discussed. General discussions, such as the review of the Company's overall performance, are presided over by a director elected by a majority of the non-management directors.

Non-management directors have access to individual members of management or to other employees of the Company on a confidential basis. Directors also have access to Company records and files, and directors may contact other directors without informing Company management of the purpose or even the fact of such contact.

Business Combinations

In the event SunLink receives any formal written offer(s) to purchase more than 20% of SunLink's outstanding common stock, such proposal is required to be evaluated by the Board of Directors, who may delegate the evaluation of such offer to a committee of the Board of Directors (which may be its Executive Committee), so long as such committee is comprised of a majority of independent directors. Such committee will be empowered to retain such legal and financial advisors as it may deem necessary to advise it and the Board in respect of such offer(s).

In the event of any proposed business combination involving SunLink, the Compensation Committee is authorized to retain an independent financial advisor to evaluate and make recommendations to the Compensation Committee concerning any severance package proposed for any of SunLink's officers or Board members in connection with any proposed business combination and the financial effect thereof.

Director Share Ownership

The Company believes that each director should have a personal investment in the Company. Each outside director (or future outside director, as the case may be) is required to own at least one thousand (1,000) shares of SunLink common stock. Each outside director (or future outside director, as the case may be) must maintain ownership of such number of common shares until such outside director ceases to serve as a member of the Board.

Annual Meeting Attendance

The Board of Directors encourages all its members to attend the Annual Meeting of Shareholders. In November 2005, all director nominees and all continuing directors were present at the Annual Meeting of Shareholders.

Communicating with Directors

The Board of Directors has provided a means by which shareholders may send communications to the Board or to individual members of the Board. Such communications, whether by letter, e-mail or telephone, should be directed to the Secretary of the Company who will forward them to the intended recipients. However, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of the Secretary or his designee, may not be forwarded to the directors.

If a shareholder wishes to communicate to the Chairman of the Audit Committee about a concern relating to the Company's financial statements, accounting practices or internal controls, the concern should be submitted in writing to the Chairman of the Audit Committee in care of the Company's Secretary at the Company's headquarters address. If the concern relates to the Company's governance practices, business ethics or corporate conduct, the concern likewise should be submitted in writing to the Chairman of the Audit Committee in care of the Company's Secretary at the Company's headquarters address. If the shareholder is unsure as to which category his or her concern relates, he or she may communicate it to any one of the independent directors in care of the Company's Secretary.

The Company's whistleblower policy prohibits the Company or any of its employees from retaliating or taking any adverse action against anyone for raising a concern. If a shareholder or employee nonetheless prefers to raise his or her concern in a confidential or anonymous manner, the concern may be directed to the Office of the Technical and Compliance Services at the Company's headquarters or by telephone at 1-866-244-5952. The Vice President for such services or his designee will refer the concern to the Compliance Committee (a committee composed of Board and non-Board members and chaired by Ms. Brenner), or if appropriate, the Chairman of the Audit Committee who will assure that the matter is properly investigated.

ITEMS TO BE VOTED ON BY SHAREHOLDERS

Item 1 Election of Directors

The Company's Board of Directors is presently comprised of seven members. One class of Directors is normally elected at each Annual Meeting of Shareholders for a term of two years. At the 2006 Annual Meeting, shareholders will elect three directors who will hold office until the Annual Meeting of Shareholders in 2008. The Board of Directors has nominated Karen B. Brenner, C. Michael Ford and Howard E. Turner, who are presently directors of the Company, for election to terms of office of two years.

It is the intention of the proxy agents named in the proxy, unless otherwise directed, to vote such proxy for the election of Karen B. Brenner, C. Michael Ford and Howard E. Turner. The Company's systems of internal controls regarding finance, accounting, legal and compliance that management and the Board have established;

The Company's auditing, accounting and financial reporting processes generally; and

Edgar Filing: SUNLINK HEALTH SYSTEMS INC - Form DEF 14A

Perform any other activities consistent with the Audit Committee Charter, the Company's Code of Regulations and governing law as the Committee or the Board deem appropriate.

All three members of the Audit Committee are independent as defined in Section 121(A) of the American Stock Exchange's listing standards and Rule 10A-3 of the Securities Exchange Act of 1934. The Board has also determined that Mr. Ford meets the requirements for being an audit committee financial expert as defined by SEC regulations adopted in January 2003.

Compensation Committee

The Compensation Committee has the power and authority of the Board to perform and shall perform the following duties and responsibilities:

Develop guidelines and, on an annual basis, review the compensation and performance of the Company's senior executive officers, review and approve corporate goals relevant to the compensation of the Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of these goals and objectives, set the Chief Executive Officer's compensation based on this evaluation, evaluate the performance of the Company's senior executive officers and approve their annual compensation, and produce an annual report on executive compensation for inclusion in the Company's annual proxy statement, in accordance with all applicable rules and regulations;

Make recommendations to the Board with respect to incentive compensation plans and equity-based plans, and administer such plans by establishing criteria for the granting of awards to the Company's officers and other employees and reviewing and approving the granting of awards in accordance with such criteria;

Review and approve plans for managerial succession of the Company;

Review director compensation levels and practices, and recommend to the Board, from time to time, changes in such compensation levels and practices (including retainers, meetings fees, committee fees, stock options and other similar items as appropriate);

Annually review and reassess the adequacy of the Compensation Committee Charter and recommend any proposed changes to the Board for approval; and

Perform any other activities consistent with the Compensation Committee Charter, the Company's Code of Regulations and governing law as the Committee or the Board deem appropriate.

All three members of the Compensation Committee are independent, as defined in Section 121(A) of the American Stock Exchange's listed company guide.

Executive Committee

The Executive Committee is empowered to exercise all of the authority of the Board of Directors except as to matters not delegable to a committee under the General Corporation Law of Ohio.

Nomination Procedures

The Board does not have a nominating committee but has adopted a nominating resolution which provides that the Company believes it to be in its best interest and the best interest of its shareholders to authorize the entire Board to identify and nominate directors to serve on the Company's Board so long as, pursuant to American Stock Exchange rules, director nominees so selected are approved by a majority of the independent directors and, when vacancies occur on the Board, the Board shall actively seek individuals qualified to become Board members based on business experience, professional expertise, industry experience and geographic representation. Shareholders who wish to submit nominees for election at an annual or special meeting of shareholders should follow the procedure generally described on page 30 and more particularly, in the Company's Code of Regulations. The Board of Directors applies the same standards in considering candidates submitted by shareholders as it does in evaluating candidates submitted by members of the Board of Directors. The Board does not have a separate policy with regard to the consideration of candidates recommended by shareholders other than the process provided in the nominating resolution.

COMPENSATION OF DIRECTORS

Cash Compensation. The Company Board typically evaluates director compensation on an annual basis with charges typically implemented on a twelve month cycle. The following table shows the effective or proposed effective date for director's compensation for the periods indicated, including monthly fees for services as a director, fees for attendance at a meeting of the Board of Directors, fees for attending an Audit Committee, Compensation Committee or Executive Committee meeting, fees for participating in telephone meetings, additional monthly fees for service on the Audit Committee, and the additional monthly fees paid to committee chairmen. We also reimburse customary expenses for attending Board, committee, and shareholder meetings.

⁵ Where attendance is via a telephonic meeting rather than in person, Board meeting fees are paid at a reduced rate.

Non-Cash Compensation. Each non-employee director currently is eligible to participate in the Company's 2001 Outside Directors' Stock Ownership and Stock Option Plan and in the 2005 Equity Incentive Plan. In December 2003, each of the Company's non-employee directors was granted options to purchase 6,250 shares of SunLink's common stock at an exercise price of \$2.90 per share. One-third of such options vest each year, beginning with the date of the grant. We anticipate that in 2006 we will award equity compensation to non-employee directors with an estimated value of \$20,000. If such award is made in the form of stock options, the Board expects the number of options to be derived from a Black-Scholes or other similar valuation. Upon adoption of the 2005 Equity Incentive Plan, we awarded each non-employee director 5,500 shares in restricted stock which will vest on November 11, 2006. Based on a \$9.90 closing price for Company common stock on June 30, 2006, such grant had a valuation of \$22,055. Assuming a \$9 per share market price and a 10 year option term, the Board anticipates that non-employee directors will receive a grant of options to purchase approximately 5,200 shares in future years.

Management Directors. We do not pay directors who are also our employees any additional compensation for serving as a director other than customary reimbursement of expenses.

Other Arrangements. Mr. Turner is a partner of the law firm of Smith, Gambrell & Russell, LLP. Mr. Mulligan, a director emeritus and our Secretary, is a partner of the law firm of Mulligan & Mulligan. These firms provided legal services to the Company in the fiscal year ended June 30, 2006 at customary rates and they continue to provide such services to the Company in the fiscal year ending June 30, 2007.

EXECUTIVE COMPENSATION

Compensation Committee Report

Overview

The Compensation Committee of the Board of Directors currently is comprised of three directors, who are not current or former members of the Company, each of whom is independent under the applicable rules of the American Stock Exchange. The committee is responsible for establishing the compensation policies and evaluating the compensation programs for the Company's executive officers and other key employees. In carrying out its duties, the committee make all reasonable attempts to comply with the \$1 million deduction limitation for executive compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended, unless the committee determines that such compliance in given circumstances would not be in the best interest of the Company and its shareholders.

Compensation Philosophy

Emphasize performance-based compensation;

Encourage strong financial performance by establishing goals that are internally equitable and externally competitive, enabling the Company to attract and retain qualified management; and

Encourage executive stock ownership and alignment with shareholder interests by providing a significant portion of compensation in Company common stock.

The three key elements of executive compensation are base salary, short-term incentives and long-term incentives. The Company's philosophy is to position an aggregate of these elements of compensation at a level that is commensurate with the Company's size and performance relative to other regional hospital companies, as well as a larger group of general medical industry companies.

Compensation Consultant

During the latter part of fiscal 2005 the Compensation Committee retained a compensation consulting firm to review and evaluate the current compensation packages for the three highest paid executives of the Company as compared to those of the executives of other health care companies with comparable revenues. The Committee considered the results of such survey as one source of information in formulating 2006 and future compensation packages and the reasonableness of potential compensation levels.

Base salaries

The Company's base salaries are intended to be consistent with its understanding of competitive practices, levels of executive responsibility, qualifications necessary for the particular executive position, and the expertise and experience of the executive officer. Salary adjustments reflect the Compensation Committee's belief as to competitive trends, the performance of the individual and, to some extent, the overall financial condition of the Company.

During the fiscal year ended June 30, 2006, the CEO, Mr. Thornton, was employed under an employment agreement which provided for an annual base salary of \$335,000. In the opinion of the Compensation Committee, and after consultation with a compensation consulting firm at the end of fiscal year 2005, Mr. Thornton's salary continues to be on the low end of salaries for CEOs of regional hospital management companies and also below that of CEOs for healthcare companies with similar revenues.

Short-Term Incentives

The short-term incentive for an executive is the opportunity to earn an annual cash bonus. The Committee has concluded that bonus payments should be primarily based on the achievement of specific predetermined financial targets while a smaller portion should be discretionary based on the Compensation Committee's evaluation of an executive's performance in specific qualitative areas.

The Executive Bonus Plan for the fiscal year ended June 30, 2006 provided that bonuses would be payable based on two factors: (1) the net income of the Company from continuing operations during fiscal 2006 and (2) the achievement of certain unweighted discretionary criteria.

The net income goal was set forth in the budget adopted by the Board in June 2005 for the 2006 fiscal year and represented a significant increase over the net income from continuing operations for fiscal 2006. The Company's net income from continuing operations substantially exceeded the goal set forth in the 2006 budget. Based on this positive result and the Compensation Committee's evaluation of each executive's performance against his discretionary criteria, the executive officers of the Company, were paid the bonuses set forth in the Summary Compensation Tables on page 17 and 18.

During the fiscal year ended June 30, 2006, Mr. Thornton was granted the opportunity to earn a bonus equal to sixty percent of his 2006 annual salary if certain criteria established by the Compensation Committee, after consultation with him, were met. (A more complete description of Mr. Thornton's employment agreement is contained on page 22 under the heading "Employment Contracts, Termination of Employment and Change-in-Control Agreements"). In the opinion of the Compensation Committee Mr. Thornton's cash bonus opportunity (which is calculated as a percentage of his salary) is somewhat on the low side for comparable positions for healthcare companies with similar revenues and below the market median for healthcare companies with similar revenues. If SunLink's revenues continue to increase, such disparity may be expected to increase.

Under the Executive Bonus Plan for fiscal 2006, Mr. Thornton's bonus for fiscal 2006 was weighted as follows: (1) 70% was based on the Company's net income from continuing operations for fiscal 2006 and (2) 30% was based on certain un-weighted discretionary criteria. As explained above, the Company exceeded the net earnings from continuing operations goal set for fiscal 2006 so a maximum bonus was paid to Mr. Thornton based on this factor. The un-weighted discretionary criteria chosen to evaluate Mr. Thornton's performance were: (i) maintaining an active acquisition program which capitalizes on suitable opportunities and (ii), maintaining an active program of investor relations and major shareholder contacts. The Committee concluded, and the Board agreed, that Mr. Thornton had substantially performed discretionary criteria and therefore had earned a proportionate bonus based thereon. Mr. Thornton was also granted 38,500 options for Company common stock on November 11, 2005. These options will vest one third each on November 11, 2006, 2007 and 2008.

Long-Term Incentives

While salary and short-term incentives are primarily designed to compensate current and past performance, the primary goal of the long-term incentive compensation program is to directly link management compensation with the long-term interests of the shareholders. The Company currently uses, as it has for many years, stock options to provide that link. Options are intended to provide strong incentives for superior long-term performance. On November 7, 2005, Company shareholders adopted the 2005 Equity Incentive Plan. In the future, the Compensation Committee may, at its discretion, grant awards to executive officers through this plan.

Report Of The Audit Committee

The authority, duties and responsibilities of the Audit Committee of the Board of Directors of the Company are set forth in detail in the written Audit Committee Charter, which was adopted by the Board of Directors of the Company and which complies with the applicable rules of the American Stock Exchange. The Audit Committee reviews and assesses the adequacy of its Charter on an annual basis. The Company's management is responsible for preparing the Company's financial statements and has represented to the Committee that the financial statements were prepared in accordance with generally accepted accounting principles. An independent registered public accounting firm is responsible for auditing the financial statements.

The Audit Committee has three members, each of whom is independent under the applicable rules of the American Stock Exchange. The Audit Committee met seven times during the 2006 fiscal year. In addition, the members of the Audit Committee reviewed, and the Chairman of the Audit Committee discussed with management, Cherry, Bekaert & Holland, L.L.P. (the Company's current independent registered accounting firm) and Deloitte & Touche, (the Company's former independent registered accounting firm) the interim financial information contained in each quarterly earnings release (for the periods such firms were engaged as the Company's accountants) prior to the release of such information to the public.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of the examinations, their evaluations of the Company's internal controls and the overall quality of the company's financial reporting. In addition, the Audit Committee met with the Chief Executive Officer and Chief Financial Officer of the Company to discuss the processes that they have undertaken to evaluate the accuracy and fair presentation of the Company's financial statements and the effectiveness of the Company's system of disclosure controls and procedures.

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the fiscal year ended June 30, 2006 with management and Cherry, Bekaert & Holland, L.L.P., including discussing with Cherry, Bekaert & Holland, L.L.P. the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended and by Rule 2-07 of Regulation S-X.

As a result of the reviews and discussions with management and Cherry, Bekaert & Holland, L.L.P. referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved that the audited financial statements of the Company be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2006 for filing with the Securities and Exchange Commission.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On October 21, 2004, the Company's Audit Committee dismissed Deloitte & Touche, LLP as its independent registered public accounting firm.

The report of Deloitte & Touche, LLP on our consolidated financial statements for the fiscal year ended June 30, 2004 contained no adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal year ended June 30, 2004 and through October 21, 2004, there were no disagreements between SunLink and Deloitte & Touche, LLP on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte & Touche, LLP, would have caused it to make a reference to the subject matter of the disagreements in connection with its report.

In connection with the audit of the fiscal year ended June 30, 2004 and through October 21, 2004, there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934).

We requested that Deloitte & Touche, LLP furnish us with a letter addressed to the SEC stating whether it agreed with the above statements. A copy of such letter, dated October 26, 2004, was filed as Exhibit 16.1 to our Form 8-K filed on October 26, 2004.

On October 21, 2004, the Audit Committee on behalf of the Company engaged Cherry, Bekaert & Holland, L.L.P. as SunLink's independent registered public accounting firm for the fiscal year ended June 30, 2006.

During the years ended June 30, 2006 and 2005 and the subsequent unaudited interim period through the date hereof, neither SunLink nor any of its representatives consulted with Cherry, Bekaert & Holland, L.L.P. regarding (i) the application of accounting principles to a specific completed or contemplated transaction or the type of audit opinion that might be rendered on SunLink's financial statements, which advice was an important

factor considered by SunLink in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any matter that was the subject of a disagreement with Deloitte & Touche, LLP or a reportable event as described above.

We requested Cherry, Bekaert & Holland, L.L.P. to review the disclosures therein which were required by Item 304(a) of Regulation S-K prior to the filing of such Form 8-K and provided Cherry, Bekaert & Holland, L.L.P. with the opportunity to furnish the Company with a letter addressed to the SEC containing any new information, clarification of views or disagreements with the statements. Cherry, Bekaert & Holland, L.L.P. did not issue any such letter.

The Company believes, based on information provided to the Company by the persons required to file such reports, that all filing requirements applicable to such persons during the period from July 1, 2005 through June 30, 2006 have been met, except that Ms. Brenner and Messrs. Thornton, Baileys, Burleson, Ford, Hall, Turner, Morris, Alvis, Orth and Stockslager failed to timely file a Form 4 for grants of Company common stock and stock options made on November 11, 2005. The Committee shall include at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the member's financial sophistication satisfying the applicable requirements of the American Stock Exchange, the Exchange Act and the rules and regulations of the SEC.

The members of the Committee shall be elected by the Board. Unless a Chair is elected by the full Board, the members of the Committee shall designate a Chair by majority vote of the full Committee membership.

III. MEETINGS

Review and appraise the audit efforts of the Company's independent auditors (who shall report directly to the Audit Committee), engage or dismiss the independent auditors as is considered appropriate and pre-approve any significant non-audit relationship with the Company's independent auditors (approval of any such non-audit relationship must be disclosed in the Company's periodic reports).

Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, including procedures for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Provide an open avenue of communication among the independent auditors, financial and senior management, and the Board of Directors.

Review the Company's compliance program and report and provide any recommendations to the Board of Directors on such program.

Report to the Board of Directors the results of the Audit Committee's work.

To fulfill its responsibilities and duties the Committee shall:

Documents/Reports Review

Review the Company's annual consolidated financial statements and other financial information submitted to the SEC or the public, including any certification, report, opinion, or review rendered by the independent auditors.

Review with financial management and the independent auditors: (i) the interim financial information contained in the Company's Quarterly Reports on Form 10-Q prior to filing, (ii) earnings announcements prior to release (if practicable) and (iii) the results of the review of such information by the independent auditors.

Consult with the independent auditors concerning the Company's critical accounting policies and any off-balance sheet financing arrangements.

Determine what senior members will be assigned to the audit staff and be comfortable with their professionalism.

Approve fees and other compensation to be paid to the independent auditors.

On an annual basis, review and discuss with the auditors all significant relationships the auditors have with the Company to determine the auditors' independence, and receive and review the independent auditors' annual letter to the Company delineating all relationships between the auditor and the Company.

Periodically consult with the independent auditors out of the presence of management about internal controls and the completeness and accuracy of the Company's financial statements.

Discuss with the independent auditors whether their audit scope is adequate considering the Company does not have an internal audit staff and program.

Edgar Filing: SUNLINK HEALTH SYSTEMS INC - Form DEF 14A

On at least an annual basis, review the Company's audit committee charter and make any necessary updates and revisions when appropriate.

Financial Reporting Processes

Consult with the independent auditors and review the integrity of the Company's financial reporting processes, both internal and external.

Consider the independent auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting.

A-2

Discuss with the independent auditors any alternative accounting treatment within generally accepted accounting principles of financial information identified by the independent auditors that has been discussed with management, the ramifications of the alternative treatment and the treatment preferred by the auditors.

Following completion of the annual audit, review separately with each of the management and the independent auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of the work or access to required information.

Review processes and policies of the Company designed to ensure compliance with applicable laws and regulations and endeavor to ensure that the Company's compliance efforts are effective.

Review with the Company's legal counsel, legal compliance matters including corporate securities trading policies.

Review with the Company's legal counsel, any legal matter that reasonably would be expected to have a significant impact on the organization's financial statements.

Perform any other activities consistent with this Charter, the Company's By-laws and governing law, as the Committee deems necessary or appropriate or the Board may request in writing.

V. EXPENSES

The Company shall provide the Audit Committee adequate funds to achieve its purpose, including any funding the Audit Committee reasonably deems appropriate, to engage the independent auditors, independent counsel or other advisers as it determines necessary to carry out its duties.

VI. LIMITATIONS ON RESPONSIBILITIES AND DUTIES

Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. Members of the Audit Committee do not represent themselves to be or to serve as, accountants or auditors by profession.

A-3

Therefore, the Audit Committee expects to and will rely, without independent verification, on management's representations that the financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and on the representations of the independent auditors included in their report on the Company's financial statements. The Audit Committee's oversight does not provide its members with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Further, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles or, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards.
