We are mailing this Proxy Statement to you on or about October 23, 2006, together with the accompanying proxy card and the Company's annual report on Form 10-K for the fiscal year ended June 30, 2006.

We cordially invite you to attend the Annual Meeting. Whether or not you plan to attend, please complete, date and sign the proxy card and return it promptly in the return envelope provided. If your shares are owned in **street name** and you prefer to vote over the Internet, please follow the instructions on the proxy card or other enclosed proxy material.

QUESTIONS AND ANSWERS

1. Q: Who is asking for my proxy?

A: Your proxy is being solicited by our Board for use at our Annual Meeting. Our directors, officers or employees may also solicit proxies on behalf of our Board, in person or by telephone, facsimile, mail or e-mail. If our directors, officers or employees solicit proxies, they will not be specially compensated. Contango will pay all costs and expenses of this proxy solicitation.

2. Q: What are stockholders being asked to vote on?

A: At our Annual Meeting, stockholders will be asked to vote:

To elect our board of directors to serve until the annual meeting of stockholders in 2007;

To ratify the appointment of Grant Thornton LLP as the independent auditors of the Company for the fiscal year ending June 30, 2007; and

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

On any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

3. Q: Who is entitled to vote?

A: The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on October 13, 2006 (the Record Date). As of the Record Date, the Company had outstanding 15,015,835 shares of common stock, par value \$0.04 per share (the Common Stock) and 2,000 shares of Series D perpetual cumulative convertible preferred stock, par value \$ 0.04 per share (Series D Preferred Stock). Approximately 833,330 shares of Common Stock are currently issuable upon conversion of the outstanding shares of Series D Preferred Stock.

4. Q: How many shares may vote at the Annual Meeting?

A: Holders of Common Stock and holders of Series D Preferred Stock will vote as one class at the Annual Meeting. Each record holder of Common Stock is entitled to one vote per share of Common Stock owned on the Record Date. Each record holder of Series D Preferred Stock is entitled to one vote per share for each share of Common Stock (including fractional shares) into which each share of Series D Preferred Stock is convertible, rounded to the nearest one-tenth of a share.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

Vote for, or withhold authority to vote for, each nominee for director.

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Kenneth R. Peak, the Company's Chairman, Chief Executive Officer, Chief Financial Officer and Secretary. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Peak's name and inserting the name of another person to act as his or her proxy. In such a case, the stockholder would have to sign the proxy card and deliver it to the person named as his or her proxy, and that person would have to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

If you return a signed proxy card without having specified any choices, Mr. Peak, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

FOR the election of each nominee for director;

FOR ratification of the appointment of Grant Thornton LLP as independent public accountants for the fiscal year ending June 30, 2007; and

At the discretion of Mr. Peak, as proxy, on any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

6. Q: How does the Board recommend I vote?

A: The Board unanimously recommends that you vote For each of the matters to be voted on at the Annual Meeting.

Our executive officers and directors who own shares of Common Stock have advised us that they intend to vote their shares in favor of the proposals presented in this Proxy Statement. As of the Record Date, executive officers and directors collectively owned or had voting control over 3,271,156 shares of Common Stock, representing approximately 22% of the total shares entitled to vote. See Security Ownership of Certain Beneficial Owners and Management .

7. Q: What vote is required?

A: Proposal 1, the election of directors, will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting. Proposal 2, the ratification of the appointment of Grant Thornton LLP as independent public accountants, will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting.

8. Q: What is a quorum ?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company's Common Stock and Series D Preferred Stock will constitute a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. A broker non-vote occurs when a nominee holding shares of the Company's Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders as a vote against, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

10. Q: What does it mean if I receive more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the Annual Meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies may be solicited in person, by telephone, facsimile, mail or e-mail by directors, officers and employees of the Company without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries for

their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

13. Q: How can a stockholder communicate with the Company's independent directors?

A: The Audit Committee is authorized to receive communications from stockholders. Mail should be addressed to the Independent Directors in care of the Chairman of the Audit Committee, Contango Oil & Gas Company, 3700 Buffalo Speedway, Suite 960, Houston, Texas 77098. Mail will not be opened but will be forwarded to the Chairman of the Audit Committee or the named independent director. Mail addressed to the Board of Directors will be delivered to Kenneth R. Peak, Chairman, Chief Executive Officer, Chief Financial Officer and Secretary. Mr. Peak is not an independent director.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, we will present the nominees named below and recommend that they be elected to serve as directors until the next annual stockholders meeting or until their successors are duly elected and qualified. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

Your proxy will be voted for the election of the five nominees named below unless you give instructions to the contrary. Your proxy cannot be voted for a greater number of persons than the number of nominees named.

Nominees

Presented below is a description of certain biographical information, occupations and business experience for the past five years of each person nominated to become a director. Five directors are to be elected at the Annual Meeting. All nominees are current directors standing for reelection to the Board. If any nominee should become unavailable for election, your proxy may be voted for a substitute nominee selected by the Board, or the Board's size may be reduced accordingly. The Board is unaware of any circumstances likely to render any nominee unavailable. Directors of the Company hold office until the next annual stockholders meeting, until successors are elected and qualified or until their earlier resignation or removal.

The Company does not have a standing nominating committee or nominating committee charter. Instead, the Board has adopted, by Board resolution, a process of nominating directors wherein nominees must be selected, or recommended for the Board's selection, by a majority of independent directors as defined in Section 121(A) of the American Stock Exchange listing standards. The Board believes that the independent members of the Board can satisfactorily carry out the responsibility of properly selecting or approving nominees for the Board without the formation of a standing nominating committee. Each Board member other than Kenneth R. Peak is an independent director. The Board will also consider nominees recommended by stockholders. The Company's Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. The procedures include a requirement that notices regarding a person's nomination be received in writing from the stockholder and by the Company's Secretary not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's annual meeting. Moreover, the notice must include such nominee's written consent to be named in the Company's proxy statement and to serve if elected. Minimum qualifications include extensive entrepreneurial experience and a solid understanding of financial statements. Each nominee below has been recommended by the Board.

Board Operations and Organization

Mission Statement. The Company's primary objective is to maximize stockholder value, while at all times observing the highest ethical standards. The Company will pursue this objective through participation in the energy industry.

Corporate Authority & Responsibility. All corporate authority resides in the Board, as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The independent members of the Board retain responsibility for selection, evaluation and the determination of compensation of the chief executive officer of the Company, oversight of the succession plan, approval of the annual budget, assurance of adequate systems, procedures and controls, and all matters of corporate governance. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. Directors are compensated in the form of both a cash payment and Company equity. During the fiscal year ended June 30, 2006, each outside director received a quarterly retainer of \$5,000 and a quarterly stock option grant to purchase 3,000 shares of Common Stock. The options vest in three equal annual installments, with the first installment vesting on the date of grant. Each outside director also received a \$1,000 cash payment for each board meeting and separately scheduled Audit Committee meeting attended. The Chairman of the Audit Committee received an additional quarterly stock option grant to purchase 1,500 shares of Common Stock.

Beginning on the date of this year's annual shareholder meeting and until further notice, in lieu of the stock option grants, each outside director will receive an annual retainer of approximately \$36,000 payable in Common Stock of the Company valued as of the day immediately preceding the date of the annual shareholder meeting (subject to rounding up or down such that the number of shares issued to each Director is evenly divisible by two). One-half of the shares will vest immediately, and one-half will vest in one year. The Chairman of the Audit Committee will receive an additional quarterly retainer of \$3,000, in lieu of the stock option grant to purchase 1,500 shares of Common Stock. Additionally, the quarterly retainer payable to each outside director will increase from \$5,000 to \$8,000. Each outside director will continue to receive a \$1,000 cash payment for each board meeting and separately scheduled Audit Committee meeting attended.

Board Size. In general, smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors shall be elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2006, the Board held six meetings. During the fiscal year ended June 30, 2006, the Board passed resolutions by

unanimous written consent on eleven occasions. Each director attended at least 75% of all Board and applicable committee meetings. We encourage our Board to attend our annual meeting of stockholders. During fiscal year 2005, the Company had four directors, all of whom were present at the 2005 annual meeting.

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. As a consequence, the committee structure of the Board is limited to the Audit Committee. The Audit Committee is composed solely of independent directors. The Board may form other committees as it determines appropriate.

Audit Committee. The Audit Committee was established by the Board for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company. The Audit Committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The Audit Committee also reviews the scope and adequacy of our system of internal controls and procedures over financial reporting. Members of the Audit Committee are Messrs. Brehmer (Audit Committee Chairman), Reimer and Schoonover. The Audit Committee met formally four times during the fiscal year ended June 30, 2006. The Board has determined that Mr. Brehmer is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission (SEC).

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FIVE
NOMINEES AS DIRECTORS OF CONTANGO, TO SERVE UNTIL THE NEXT
ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS
ARE DULY ELECTED AND QUALIFIED.**

PROPOSAL 2

RATIFICATION OF THE SELECTION OF OUR AUDITORS

The Board has appointed Grant Thornton LLP, independent public accountants, for the examination of the accounts and audit of our financial statements for the fiscal year ending June 30, 2007. Grant Thornton LLP also served in such capacity for the fiscal year ended June 30, 2006. At the Annual Meeting, the Board will present a proposal to the stockholders to approve and ratify the engagement of Grant Thornton LLP. The Board expects that representatives of Grant Thornton LLP will be present and will have the opportunity to make a statement, if they desire, and to respond to appropriate questions. The Audit Committee will consider the failure to ratify its selection of Grant Thornton LLP as independent public accountants as a direction to select other auditors for the fiscal year ending June 30, 2007.

**THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS
INDEPENDENT PUBLIC ACCOUNTANTS.**

CORPORATE GOVERNANCE

It has specifically reviewed the provisions of the Sarbanes-Oxley Act of 2002, the rules of the SEC and the listing standards and rules of the American Stock Exchange.

Executive Compensation

The Company's executive compensation program is designed to attract and retain highly qualified executives and to motivate them to maximize stockholder return. It is intended to provide overall competitive compensation levels and incentive pay levels that vary based on corporate and individual performance. The compensation package for Kenneth R. Peak, Chairman and Chief Executive Officer, is determined by the independent directors on the Board. The compensation packages for other executive officers are determined by the Board in consultation with the Chairman and Chief Executive Officer.

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

There are three basic components to the Company's current compensation system: base pay, annual incentive compensation in the form of a cash bonus, and the grant of stock options or restricted stock. Each component is addressed in the context of individual and Company performance and competitive conditions. In determining competitive compensation levels, the Company analyzes data that includes information regarding the general natural gas and oil exploration and production industry.

Chairman and Chief Executive Officer. The independent members of the Board retain responsibility for selection, evaluation and the determination of compensation of the chief executive officer. The independent directors have set Mr. Peak's base salary at \$150,000 per year.

Based on the Company's performance, the independent directors awarded Mr. Peak a \$750,000 cash bonus for the fiscal year ended June 30, 2006. The award was made in recognition of the performance of the Company during the 2006 fiscal year from an operating, liquidity and balance sheet perspective. The independent members of the Board cited as their bases for compensation, the net income and EBITDAX results of the Company for the fiscal year ended 2006, the strengthening of the balance sheet following the \$13.5 million property sale of Texas and Alabama properties, the discovery at Grand Isle 72 (Liberty), the Company's acreage position in the Fayetteville Shale play and the significant exploration prospects generated during the fiscal year. The independent members of the Board cited these achievements as being reflected in the change in the valuation and stock price over the last several years. The Company paid approximately \$1,300 per month in monthly club membership dues.

For the fiscal year ended June 30, 2005, the independent directors awarded Mr. Peak a \$500,000 cash bonus and granted him a stock option to purchase 250,000 shares of Contango Common Stock. Mr. Peak also received as compensation in fiscal year 2005, a golf club membership worth \$125,000, and the Company paid monthly club membership dues of approximately \$700 per month. For the fiscal year ended June 30, 2004, the independent directors awarded Mr. Peak a \$100,000 cash bonus and granted him a stock option to purchase 400,000 shares of Contango Common Stock.

Executive Officers. The Board has set, at the recommendation of Mr. Peak, the fiscal year 2007 base pay for Lesia Bautina, Senior Vice President and Controller; Sergio Castro, Vice President and Treasurer; and Marc Duncan, President and Chief Operating Officer of Contango Operators, Inc., at \$150,000, \$125,000, and \$200,000 per year, respectively. Cash bonuses, stock option grants and/or restricted stock awards are available annually as approved by the Board, at the recommendation of Mr. Peak. Factors used in determining the grant of a cash bonus, stock option grant and/or restricted stock awards include, among others, individual and Company performance and competitive conditions. For the fiscal years ended June 30, 2006, 2005 and 2004, Ms. Bautina received cash bonuses of \$125,000, \$110,000, and \$100,000, respectively, received stock option grants to purchase zero, 85,000, and 15,000 shares of Contango Common Stock, respectively, and received 10,000 shares of Contango restricted stock for the year ended June 30, 2006, of which 1/3 vested immediately. The remaining 2/3 will vest annually over the next two years. For the fiscal year ended June 30, 2006, Mr. Duncan received a cash bonus of \$75,000 and 5,000 shares of Contango restricted stock, of which 1/3 vested immediately. The remaining 2/3 will vest annually over the next two years. For the fiscal year ended June 30, 2005, Mr. Duncan received option grants to purchase 50,000 shares of Contango Common Stock. Mr. Duncan joined Contango in June 2005. For the fiscal year ended June 30, 2006, Mr. Castro received a cash bonus of \$15,000 and 1,500 shares of Contango restricted stock, of which 1/3 vested immediately. The remaining 2/3 will vest annually over the next two years. Mr. Castro joined Contango in March 2006. Upon his hiring, he received a stock option grant to purchase 25,000 shares of Contango Common Stock.

The Company may periodically grant additional cash bonuses, new stock option grants and/or restricted stock awards to provide continuing incentive for future performance. In making the decision to make additional grants and/or awards, the independent directors and the Chairman and Chief Executive Officer would consider factors such as the size of previous grants/awards and the number of stock options and shares of stock already held and the degree to which increasing that ownership stake would provide the additional incentives for future performance, the likelihood that the grants/awards would encourage the executive officer to remain with the Company and the value of the executive's service to the Company.

Audit Committee Pre-Approval Policies and Procedures

The 2006 audit and non-audit services provided by Grant Thornton LLP were pre-approved by the Audit Committee. The non-audit services which were pre-approved by the Audit Committee were also reviewed to ensure compatibility with maintaining the accounting firm's independence.

The Audit Committee has established pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee selects and appoints outside auditors, considers the independence and effectiveness of the outside auditors, approves the fees and other compensation to be paid to the outside auditors and is responsible for oversight of the outside auditors and reviews any revisions to the estimates of audit and non-audit fees initially approved. The Audit Committee receives the written disclosures required by generally accepted auditing standards. The Audit Committee has also received and reviewed the written disclosures and the letter from Grant Thornton LLP required by Independent Standards Board No. 1 (concerning matters that may affect an auditor's independence), and has discussed with Grant Thornton LLP their independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Contango's Annual Report on Form 10-K for the year ended June 30, 2006 for filing with the Securities and Exchange Commission.
