Edgar Filing: Advanced Refractive Technologies, Inc. - Form SC 13D

As of October 14, 2006, UTEK was the record owner of 5,533,333 shares of common stock of Advanced Refractive Technologies, held exercisable warrants to purchase an additional 3,550,000 shares, and was the record owner of 97,000 shares of Series B convertible preferred stock of Advanced Refractive Technologies that would be convertible after December 13, 2006 into approximately 69,285,714 shares of Advanced Refractive Technologies common stock, assuming that the average of the closing prices for the Advanced Refractive Technologies common stock for the 10 trading days prior to the conversion of the stock was \$.021 per share, which was the market price of the stock on October 30, 2006. All of such shares of common stock (78,369,047 shares) would constitute approximately 24.7% of the 317,304,787 shares of common stock that would be outstanding after the exercise of such warrants and the conversion of such convertible preferred stock (based on the number of shares outstanding as contained in the most recently available filing with the Commission by Advanced Refractive Technologies (244,469,073 million shares)). UTEK has the sole power to vote and dispose of all of such shares.

CUSIP No. 007635 10 5

Item 1. Security and Issuer

The class of equity security to which this statement relates is the common stock, par value \$.001 per share (the "Common Stock"), of Advanced Refractive Technologies, Inc., a Delaware corporation ("Advanced Refractive Technologies"). The address of the principal executive offices of Advanced Refractive Technologies is 1062 Calle Negocio, Suite D, San Clemente, California 92673.

Item 2. Identity and Background

This statement on Schedule 13D (this "Statement") is being filed by UTEK Corporation, a Delaware corporation ("UTEK"). UTEK is a publicly-held specialty finance company focused on technology transfers. UTEK's services enable companies to acquire innovative technologies from universities and research laboratories worldwide. UTEK facilitates the identification and acquisition of external technologies for clients in exchange for their equity securities. In addition, UTEK offers companies the tools to search, analyze and manage university intellectual properties. UTEK is a business development company with operations in the United States, United Kingdom and Israel. UTEK's principal business office is located at 2109 E. Palm Avenue, Tampa, Florida 33605.

To the best of UTEK's knowledge as of the date hereof, set forth in Schedule I to this Schedule 13D and incorporated herein by reference is the following information with respect to each director and executive officer of UTEK:

- (1) name;
- (2) business address;
- (3) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted; and
- (4) citizenship.

During the last five years, neither UTEK nor, to the best of UTEK's knowledge, any of its directors or executive officers has been (1) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (2) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding has been or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

On May 18, 2005, UTEK entered into a Strategic Alliance Agreement with Advanced Refractive Technologies, pursuant to which UTEK agreed to perform certain services for Advanced Refractive

Technologies during the subsequent 12-month period, relating to the identification and acquisition of new technology, in consideration of a payment of 1,533,000 shares of the common stock of Advanced Refractive Technologies. Such shares are delivered in advance and earned ratably over the 12-month period.

On December 13, 2005, UTEK received 97,000 shares of Series B convertible preferred stock of Advanced Refractive Technologies in connection with the sale of its wholly-owned subsidiary, OptiMetrix Technologies, Inc. (OTI), to Advanced Refractive Technologies. At the time of the sale, OTI held \$200,000 in cash and technology licensed from Los Alamos National Laboratory (LANL), operated by the University of California for the Nuclear Security Administration of the U.S. Department of Energy. The 100,000 shares of Series B preferred stock are convertible into \$1,455,000 worth of common shares of Advanced Refractive Technologies at the option of UTEK at any time after December 13, 2006, with such stock being valued based on the average of the closing prices for the Advanced Refractive Technologies common stock for the 10 trading days prior to the conversion of the stock. Additionally, UTEK received a warrant for 750,000 shares of the common stock of Advanced Refractive Technologies priced at 50% of the conversion price for the Series B convertible preferred stock. The warrant is exercisable at any time, and from time to time, prior to December 1, 2008.

On February 20, 2006, UTEK received 97,000 shares of Series C convertible preferred stock of Advanced Refractive Technologies in connection with the sale its wholly-owned subsidiary, Ocular Therapeutics Inc. (OThI), to Advanced Refractive Technologies. At the time of the sale, OThI held \$325,000 in cash and technology licensed from Motility Inc. OThI also held the exclusive license to a patented technology for a small protein therapeutic (LD22-4) for the treatment of the wet form of age related macular degeneration. The 97,000 shares of Series C preferred stock are convertible into \$2,800,000 worth of common shares of Advanced Refractive Technologies at the option of UTEK at any time after February 20, 2007, with such stock being valued based on the average of the closing prices for the Advanced Refractive Technologies common stock for the 10 trading days prior to the conversion of the stock. Additionally, UTEK received a warrant to purchase 1,400,000 shares of Advanced Refractive Technologies at 50% of the conversion price for the Series C convertible Preferred Stock. The warrant is exercisable at any time, and from time to time, prior to February 20, 2009.

On April 4, 2006, UTEK received 100,000 shares of Series D convertible preferred stock of Advanced Refractive Technologies in connection with the sale its wholly-owned subsidiary, Advanced Glaucoma Technologies, Inc. (AGTI), to Advanced Refractive Technologies. At the time of the sale, AGTI held \$350,000 in cash and technology licensed from the University of Arizona. The 100,000 shares of Series D preferred stock are convertible into \$2,800,000 worth of common shares of Advanced Refractive Technologies at the option of UTEK at any time after April 4, 2007, with such stock being valued based on the average of the closing prices for the Advanced Refractive Technologies common stock for the 10 trading days prior to the conversion of the stock. Additionally, UTEK received a warrant to purchase 1,400,000 shares of Advanced Refractive Technologies at 50% of the conversion price for the Series D convertible preferred stock. The warrant is exercisable at any time, and from time to time, prior to April 4, 2009.

On May 18, 2006, UTEK and Advanced Refractive Technologies renewed their Strategic Alliance Agreement, pursuant to which UTEK agreed to continue to perform services for Advanced Refractive Technologies during the subsequent 12-month period in consideration of a payment of 4,000,000 shares of the common stock of Advanced Refractive Technologies. Such shares are delivered in advance and earned ratably over the 12-month period.

CUSIP No. 007635 10 5

UTEK has no present plans or proposals relating to Advanced Refractive Technologies which relate to or would result in:

- (a) The acquisition by any person of additional securities of Advanced Refractive Technologies;
 - (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Advanced Refractive Technologies or any of its subsidiaries;
 - (c) A sale or transfer of a material amount of assets of Advanced Refractive Technologies or any of its subsidiaries;
 - (d) Any change in the present board of directors or management of Advanced Refractive Technologies, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
 - (e) Any material change in the present capitalization or dividend policy of Advanced Refractive Technologies;
 - (f) Any other material change in Advanced Refractive Technologies' s business or corporate structure including but not limited to, if Advanced Refractive Technologies is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by section 13 of the Investment Company Act of 1940;
 - (g) Changes in Advanced Refractive Technologies' charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Advanced Refractive Technologies by any person;
 - (h) Causing a class of securities of Advanced Refractive Technologies to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
 - (i) A class of equity securities of Advanced Refractive Technologies becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
 - (j) Any action similar to any of those enumerated above.
- UTEK intends to sell the shares of common stock it presently holds, and those into which it converts the preferred stock of Advanced Refractive Technologies in the future, as permitted under SEC Rule 144 and as market conditions permit.

Item 4. Purpose of Transaction

See Item 3 above.

Item 5. Interest in Securities of Advanced Refractive Technologies

As of October 14, 2006, UTEK was the record owner of 5,533,333 shares of common stock of Advanced Refractive Technologies, held exercisable warrants to purchase an additional 3,550,000 shares, and was the record owner of 97,000 shares of Series B convertible preferred stock of Advanced Refractive Technologies that would be convertible after December 13, 2006 into approximately 69,285,714 shares of

All of such shares of common stock (78,369,047 shares) would constitute approximately 24.7% of the 317,304,787 shares of common stock that would be outstanding after the exercise of such warrants and the conversion of such convertible preferred stock (based on the number of shares outstanding as contained in the most recently available filing with the Commission by Advanced Refractive Technologies (244,469,073 million shares)). UTEK has the sole power to vote and dispose of all of such shares.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of Advanced Refractive Technologies

Pursuant to the terms of the acquisition agreements under which UTEK obtained the shares of Series B, C and D convertible preferred stock of Advanced Refractive Technologies (as described in Item 3 above), promptly after the conversion of such shares of convertible preferred stock Advanced Refractive Technologies is required to file with the SEC and applicable state securities commissions a registration statement covering the resale of such shares by UTEK, as well as the any shares purchased by UTEK under the related warrant, and use its best efforts within reason to effect the registration of such shares.

The 4,000,000 shares of Advanced Refractive Technologies common stock issued to UTEK upon the renewal of their Strategic Alliance Agreement on May 18, 2006, are earned ratably over the 12-month period of the Agreement. If the Agreement is terminated prior to the end of such period, UTEK is obligated to return the unearned shares.

Except as described above, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of Advanced Refractive Technologies, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
