INFORMATION TO BE INCLUDED IN THE REPORT

Item 2.05. Costs Associated with Exit or Disposal Activities.

On February 21, 2007, the Board of Directors of Insmmed Incorporated (the Company) committed to a business restructuring plan following the Company's announcement of the Settlement, Development and License Agreement with Tercica, Inc. and Genentech, Inc, which laid out the terms for settlement of all of the outstanding litigation between the parties and includes an agreement that the Company will withdraw IPLEX from the short stature market. The restructure will eliminate the Company's commercial department and downsize the Company's manufacturing facility located Boulder, Colorado resulting in an immediate reduction of approximately 34% of the Company's current workforce of 150. Employees who are affected by the restructuring have received notification of the plan and will be provided with severance payments. The Company expects to complete the restructuring plan by March 9, 2007 and that the restructure will allow its current cash reserves to fund operations into the fourth quarter of 2007. As of December 31, 2006 the Company had \$24.1 million of cash on hand.

As a result of the restructuring plan, the Company estimates that it will incur a one-time restructuring charge in March 2007 of approximately \$1.7 million for severance payments. The Company estimates that the \$1.7 million represents the total amount of restructuring charge to be incurred including future cash expenditures. The charges that the Company expects to incur in relation to the restructuring plan are subject to a number of assumptions, and actual results may materially differ. The Company may also incur other material charges not currently contemplated due to events that may occur as a result of, or associated with, the restructuring plan.

Item 5.02 Departure of Directors or Principal Officers

As a result of the restructure, on March 7, 2007, the Company announced that Mr. Philip J. Young, Executive Vice President and Chief Business Officer will be leaving the company effective immediately.

Item 9.01. Financial Statements and Exhibits

d) Exhibits.
