PROXY STATEMENT

APPROXIMATE DATE OF MAILING: MARCH 8, 2007

The enclosed proxy is solicited by the Board of Directors of CKX Lands for use at its annual meeting of stockholders to be held on Thursday, April 26, 2007 at 11:00 a.m. at Chase Bank, Third Floor, One Lakeside Plaza, Lake Charles, LA, or any adjournments or postponements thereof. You may revoke your proxy at any time prior to it being voted by giving written notice to the Secretary of CKX Lands, by submission of a later dated proxy or by voting in person at the meeting. All expenses of preparing, printing and mailing the proxy and all materials used in solicitation will be borne by CKX Lands. Proxies may also be solicited in person or by telephone or fax by directors, officers and other employees of CKX Lands, none of whom will receive additional compensation for such services. CKX Lands will also request brokerage houses, custodians and nominees to forward these materials to the beneficial owners of the stock held of record by them and will pay the reasonable expenses of such persons for forwarding the material. The mailing address of CKX Lands principal office is P.O. Box 1864, Lake Charles, LA 70602.

On February 23, 2007, CKX Lands had outstanding 1,942,495 shares of Common Stock, its only class of stock, held of record by approximately 625 holders. Only stockholders of record at the close of business on February 23, 2007, will be entitled to receive notice of and to vote at the meeting. With respect to all matters that will come before the meeting, each stockholder may cast one vote for each share registered in his or her name on the record date. The presence, in person or by proxy, of holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the meeting. Stockholders voting, or abstaining from voting, by proxy on any issue will be counted as present for purposes of constituting a quorum. If a quorum is present, the election of directors will be determined by a plurality vote and the approval of the independent auditor will be determined by a majority vote. Abstentions will have no effect on the election of directors or the approval of the independent auditor.

Broker non-votes (described below) will have no effect on the election of directors or the approval of the independent auditor.

A broker or nominee holding shares registered in its name, or in the name of its nominee, that are beneficially owned by another person and for which the broker or nominee has not received instructions as to voting from the beneficial owner has the discretion to vote the beneficial owner's shares with respect to the election of directors and the approval of the independent auditor. However, the broker or nominee may not have discretionary authority to vote on other matters that may properly come before the meeting. Shares as to which a broker or nominee does not vote on a matter are referred to as broker non-votes on that matter. Broker non-votes will be counted as present at the stockholders' meeting for the purposes of calculating a quorum, but will not be counted as present for purposes of determining whether a particular matter has been approved.

The shares represented by properly executed proxies, unless previously revoked, will be voted at the meeting in accordance with the directions set forth on the proxies. If no choice has been specified on the proxy, the shares will be voted FOR the election of the nominees as directors and FOR approval of McElroy, Quirk & Burch APC as auditors. The proxy also gives

authority to the proxy holders to vote the shares in their discretion on any other matter presented at the meeting.

The primary function of the Audit Committee (the Committee) is to assist the Board of Directors (the Board) of CKX Lands, Inc. (the Company) in fulfilling its oversight responsibilities by overseeing: (a) the controls and other procedures of the Company that are designed to ensure that the information required to be disclosed by the Company in the reports that it files or submits under the Securities Exchange Act of 1934, as amended (the Exchange Act), is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission (disclosure controls and procedures), including overseeing the preparation of the financial reports and other financial information provided by the Company to any governmental body or the public; (b) the Company's controls and process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements required to be in conformity with Generally Accepted Accounting Principles as addressed by the Codification of Statements on Auditing Standards, AU Section 319, as in effect from time to time, or any superseding definition or other literature that is issued or adopted by the Public Company Accounting Oversight Board (internal controls and procedures); and (c) the Company's auditing, accounting and financial reporting processes generally as well as the audits of the Company's financial statements. II. Composition

The Committee shall be comprised of three or more directors as determined by the Board, each of whom shall meet the independence and experience requirements of the rules and regulations of the Securities and Exchange Commission (the "Commission"), and shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. No member of the Committee may serve on the audit committees of more than three public companies unless the Board determines that such service does not, and will not, impair the member's ability to effectively serve on the Committee and discloses the determination in the Company's annual proxy statement. All members of the Committee shall have a working familiarity with basic finance and accounting practices, and the Company shall endeavor, to the extent possible, to have at least one member of the Committee who has accounting or financial management experience sufficient to qualify as an audit committee financial expert under the rules and regulations the Commission, as such rules are in effect from time to time.

Unless a Chairman is elected by the full Board, the members of the Committee may designate a Chairman by majority vote of the full Committee.

The Committee may ask members of management or others to attend any meeting and provide pertinent information as necessary. IV. Authority

In discharging its oversight role, the Committee is granted the authority to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. The Committee, in its capacity as a committee of the Board, shall determine the appropriate funding that the Company shall provide for payments of: (a) compensation to any independent public accountant engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (b) compensation to any advisers employed by the Committee, as provided for above; and (c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

V. Responsibilities and Duties

In performing its responsibilities and duties, the Committee will seek to provide an open avenue of communication among the independent auditors, management, the Board and the internal auditors. The Committee is intended to provide an independent and, as appropriate, confidential forum in which interested parties can freely discuss information and concerns about the Company's financial reporting, disclosure controls and procedures and internal controls and procedures.

The Committee has direct responsibility for the appointment, compensation, retention and oversight of the work of any independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditors shall report directly to the Committee. The Committee shall have the sole power to: (a) approve all related-party transactions; (b) hire and fire the independent auditors, based on the Committee's judgment of the independent auditor's independence and effectiveness, as well as approve all fees and engagement terms; (c) resolve any disagreement between management and the independent auditors; (d) pre-approve all auditing services in accordance with applicable law or regulation; and (e) pre-approve all permissible non-audit services performed by the independent auditors in accordance with applicable law or regulation, subject to any de minimis exception that may be provided by applicable law or regulation. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals of audit and permitted non-audit services. Any decision by such member or members to grant pre-approval shall be presented to the Committee at its next scheduled meeting.

To fulfill its responsibilities and duties the Committee shall:
