ANNUAL MEETING OF SHAREHOLDERS

GENERAL

Introduction

The annual meeting (the Meeting) of shareholders of The Bancorp, Inc. (the Company) will be held on Wednesday, May 23, 2007, at 9:00 A.M., Philadelphia time, at The HUB, Revolution Meeting Room, Cira Center, 2929 Arch Street, 3rd Floor, Philadelphia, PA 19104 for the purposes set forth in the accompanying notice. Only shareholders of record at the close of business on March 27, 2007 will be entitled to notice of and to vote at such Meeting.

This statement is furnished in connection with the solicitation by the Board of Directors of the Company (the Board of Directors) of proxies from holders of the Company s common stock, par value \$1.00 per share (the Common Shares) and the Company s Series A preferred stock, par value \$.01 per share (the Preferred Shares), to be used at such Meeting, and at any and all adjournments thereof. Proxies in the accompanying form, properly executed and duly returned to the Company, and not revoked, will be voted at the Meeting and any and all adjournments thereof.

This proxy statement and the accompanying form of proxy will be sent on or about May 1, 2007 to shareholders of record as of March 27, 2007.

Revocation of Proxy

If a proxy in the accompanying form is executed and returned, it may nevertheless be revoked at any time before its exercise by giving written notice of revocation to the Secretary of the Company at its Wilmington address stated herein, by submitting a later dated proxy or by attending the Meeting and voting in person.

Expenses and Manner of Solicitation

The cost of soliciting proxies will be borne by the Company. Directors, officers and regular employees of the Company may solicit proxies either personally, by letter or by telephone. Such directors, officers and employees will not be specifically compensated for soliciting such proxies. The Company expects to reimburse banks, brokers, and other persons for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of the Common Shares.

Annual Report and Report on Form 10-K

The Company s 2006 Annual Report to Shareholders, including the financial statements and management s discussion and analysis of financial condition and results of operations for the year ended December 31, 2006, is being sent to shareholders of record as of March 27, 2007. Shareholders of record as of March 27, 2007, and beneficial owners of the Company s Common or Preferred Shares on that date may obtain from the Company,

without charge, a copy of the Company's most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission (the SEC), by a request therefor in writing. Any such request from a beneficial owner of the Company's Common or Preferred Shares must set forth a good faith representation that, as of the record date for this solicitation, March 27, 2007, the person making the request was the beneficial owner of the Company's Common or Preferred Shares. Such written requests should be directed to the Company at 405 Silverside Road, Wilmington, Delaware 19809, Attention: Martin F. Egan.

Shareholders Sharing an Address

Shareholders sharing an address with another shareholder may receive only one annual report or one set of proxy materials at that address unless they have provided contrary instructions. Any such shareholder who wishes to receive a separate copy of the annual report or a separate set of proxy materials now or in the future may write or call the Company to request a separate copy of these materials from: The Bancorp, Inc., 1818 Market Street, 28th Floor, Philadelphia, PA 19103, Attention: Investor Relations; telephone number (215) 861-7990. The Company will promptly deliver a copy of the requested materials.

Similarly, shareholders sharing an address with another shareholder who have received multiple copies of the Company's proxy materials may write or call the above address and phone number to request delivery of a single copy of these materials.

Shareholder Proposals and Nominations

Rule 14a-8 of the Securities Exchange Act of 1934 establishes the eligibility requirements and the procedures that must be followed for a shareholder's proposal to be included in a public company's proxy materials. Under the rule, proposals submitted for inclusion in the Company's proxy statement for its 2008 annual meeting of unitholders must be received by the Company's Secretary on or before the close of business on December 27, 2007. Proposals must comply with all the requirements of Rule 14a-8.

Shareholders who wish to submit their recommendations for director candidates to the Nominating and Governance Committee should send their written recommendation to the Company's executive offices, attention: Nominating and Governance Committee Chairman. These shareholders must represent that they are shareholders of the Company and will remain so through the date of the relevant annual meeting of shareholders of the Company and include the written consent of the person so recommended to serve as a director if nominated and elected and to provide such information as the Nominating and the Governance Committee may request, as well as a description of the nominee's background and qualifications. All shareholder recommendations received by the Nominating and Governance Committee will be reviewed at the first meeting of the Nominating and Governance Committee held after receipt of the recommendation. The Nominating and Governance Committee will consider nominees recommended by security holders for the 2008 annual meeting if submitted as described above by December 27, 2007 in order that the submission may be considered at the meeting of the Nominating and Governance Committee scheduled for January 2008.

VOTING AT THE MEETING

At the Meeting, only those holders of Common Shares and Preferred Shares at the close of business on March 27, 2007, the record date, will be entitled to vote. As of the record date, 13,772,820 Common Shares and 112,591 Preferred Shares were outstanding. Each holder is entitled to one vote per share on each matter of business properly brought before the Meeting. Shareholders do not have cumulative voting rights.

The presence at the Meeting in person or by proxy of holders of outstanding Common Shares and Preferred Shares entitled to cast a majority of all the votes entitled to be cast at the meeting will constitute a quorum. In order to be elected as a director as described in Proposal 1 below, a nominee must receive a plurality of all the votes cast at the Meeting at which a quorum is present, which means that the nominees with the most votes are elected. The affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present is required to approve the selection of Grant Thornton LLP as the Company's independent public accountants as described in Proposal 2 below. For any other matter which may properly come before the meeting, the affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present is required, either in person or by proxy, for approval, unless otherwise required by law.

Any proxy not specifying to the contrary, and not designated as a broker non-vote as described below, will be voted FOR:

the election of the directors; and

the approval of the selection of Grant Thornton LLP as independent registered public accounting firm for the Company for the fiscal year ending December 31, 2007.

Should any matters not described above be properly presented at the meeting, the persons named in the proxy form will vote in accordance with their judgment. The proxy form authorizes these persons, in their discretion, to vote upon such matters as may properly be brought before the meeting or any adjournment, postponement or continuation thereof.

Common Shares and Preferred Shares represented at the Meeting in person or by proxy but not voted on one or more proposals will be included in determining the presence of a quorum, but will not be considered cast on any proposal on which they were not voted. A failure by brokers to vote Common Shares or Preferred Shares held by them in nominee name will mean that such Common Shares or Preferred Shares will not be counted for the purposes of establishing a quorum and will not be voted. If a broker does not receive voting instructions from the beneficial owner of Common Shares or Preferred Shares on a particular matter and indicates on the proxy delivered with respect to such shares that it does not have discretionary authority to vote on that matter, which is referred to as a broker non-vote, those shares will be considered as present for the purpose of determining whether a quorum exists, but will not be considered cast on any proposal on which they were not voted. Brokers who hold Common Shares or Preferred Shares in street name for customers generally have the discretion to vote those shares with respect to certain matters, including the election of directors and the approval of the selection of accountants, if they have not received instructions from the beneficial owners. With respect to the election of directors described in Proposal 1 below, votes that are withheld and broker non-votes will not be counted as votes cast on the matter and will have no effect on the result of the vote. With respect to the approval of the selection of Grant Thornton LLP described in Proposal 2 below or with respect to any other matter properly brought before the Meeting requiring the affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present, either in person or by proxy, for approval, (a) abstentions will be counted as votes cast on any matter and will have the effect of a vote against the relevant proposal and (b) broker non-votes will not be counted as votes cast on any matter, and will have no effect on the results of the votes with respect to such proposals and other matters.

PROPOSAL 1. ELECTION OF DIRECTORS

Nominees

The Bylaws of the Company provide that the number of directors shall be fixed by the Board of Directors. The Board of Directors has fixed the number of directors at twelve. All directors are elected for a term of one year or until their successors are elected and qualified. The Board of Directors, upon the recommendation of its Nominating and Governance Committee, has nominated Betsy Z. Cohen, Daniel G. Cohen, Walter T. Beach, Michael J. Bradley, Matthew Cohn, Leon A. Should any of the nominees become unable or refuse to accept nomination or election as a director, the persons named as proxies intend to vote for the election of such other person as the Nominating and Governance Committee of the Board of Directors may recommend. COMPENSATION DISCUSSION AND ANALYSIS

General

During 2006, the SEC substantially revised the disclosures that we are required to make with respect to executive compensation. As part of the SEC's revised executive compensation discussion requirements, issuers must provide a Compensation Discussion and Analysis in which issuers explain the material elements of their compensation of executive officers by describing the following:

the objectives of the issuer's compensation programs;

the conduct that the compensation programs are designed to reward;

the elements of the compensation program;

the rationale for each of the elements of the compensation program;

how the issuer determines the amount (and, where applicable, the formula) for each element of the compensation program; and

how each element and the issuer's decisions regarding that element fit into the issuer's overall compensation objectives and affect decisions regarding other elements of the compensation program.

The Company's compensation philosophy is dictated by the Compensation Committee of the Board of Directors. The duties and responsibilities of the Compensation Committee, which consists entirely of independent directors of the Board, include:

establishing the compensation and benefits philosophy and strategy for the Company, in consultation with the Chief Executive Officer;

determining performance measures and goals for measuring corporate performance as they relate to compensation, in consultation with the Chief Executive Officer;

establishing compensation awards for the Chief Executive Officer, including salary, bonus, stock awards, and, if applicable, contracts and any supplemental compensation or benefit arrangements;

Edgar Filing: Bancorp, Inc. - Form DEF 14A

reviewing and approving compensation programs covering the other executive officers and, considering the recommendation of the Chief Executive Officer, approving individual compensation awards for this group;

reviewing the Company's overall compensation and benefits budget;

reviewing and approving all stock option, restricted stock and other equity alternative grants.

Betsy Cohen, the Company's Chief Executive Officer, participates in determinations regarding the compensation and design of the benefit programs for all employees, including the Company's other executive officers. However, she does not participate in determining her own compensation.

Compensation Objectives and the Focus of Compensation Rewards

The Compensation Committee believes that an appropriate compensation program should draw a balance between providing rewards to executive officers while at the same time effectively controlling compensation costs. Executive officers are rewarded in order to attract highly qualified individuals, to retain those individuals in a highly competitive marketplace for executive talent and to motivate them to perform in a manner that maximizes corporate performance.

The Company's executive compensation programs consist of three key elements to reward and motivate its executive officers in line with the Compensation Committee's objectives described above:

a current cash compensation program consisting of salary and cash bonus incentives;

long-term equity incentives reflected in grants of stock options and/or restricted stock awards; and

other executive perquisites.

These programs aim to provide executives with an overall compensation package that is competitive with peer group institutions, and seek to align individual performance with the Company's long-term business objectives.

The Compensation Committee annually reviews the Company's mix of short term performance incentives versus longer term incentives. The Compensation Committee has not set percentages of short term versus long term incentives. Instead, it looks to provide a reasonable balance of those incentives.

The Compensation Committee also benchmarks the Company's compensation programs to a peer group. The Compensation Committee reviews the financial statements and other publicly available data of banking institutions on an on-going basis. Asset size is the primary factor it considers in establishing the peer group.

Although considerable knowledge about the competitiveness of the Company's compensation programs is gained through the benchmarking process and by conducting periodic studies, the Compensation Committee recognizes that each financial institution is unique and that significant differences between institutions in regard to executive compensation practices exist. The Compensation Committee believes that the combination of executive compensation programs that the Company provides fulfills its objectives of providing a competitive level of compensation and benefits in order to attract and retain key executives. The Compensation Committee also believe that the Company's incentive programs appropriately reward performance to achieve profitability and growth while at the same time allowing the Company to maintain controls over its compensation costs.

The Compensation Committee's policy for allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for the Company and its shareholders. The Company provides cash compensation in the form of base salary to meet competitive salary norms and reward superior performance on an annual basis in the form of bonus compensation. The Company provides non-cash compensation to reward superior performance as measured against specific objectives and long-term strategic goals.

Specific Elements of the Compensation Program

Below are the specific elements of the Company's compensation program for executive officers.

Salary. The Company believes that it is important for it to retain a competitive salary structure in order to retain its existing qualified executive officers and maintain a base pay structure consistent with the structures

used for the compensation of similarly situated executives at similarly sized banking institutions. The Company believes that a key objective of its salary structure is to maintain reasonable fixed compensation costs by targeting base salaries at a competitive average, taking into account performance as well as seniority.

Bonus. Bonuses are designed to motivate executives by rewarding performance. The Compensation Committee considers the Company's financial performance, including growth, return on assets, return on equity, the efficiency ratio and earnings per share. The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the annual bonus of the other executive officers, based on their respective contributions to the performance of the areas for which they are responsible.

Long-Term Incentive Compensation. Long-term incentives are provided to executive officers through The Bancorp, Inc. 2005 Omnibus Equity Compensation Plan (the Plan). The Plan permits the grant of stock options and restricted stock awards. Stock options previously have been granted to executive officers at an exercise price equal to the then current market price of the Company's Common Stock. Options and restricted stock awards under the Plan are granted on a discretionary basis taking into account the Company's financial performance and each executive's contribution to such performance. Overall, the objective of long-term incentive compensation awards is to tie the interests of executive officers directly to increases in shareholder value. Mrs. Cohen, Mr. Cohen and Mr. Mastrangelo all received restricted stock units in 2006 based on the performance of the Company in 2005.

Other Elements of Compensation for Executive Officers. In order to attract and retain qualified executives, the Company provide executives with a variety of benefits and perquisites, consisting primarily of retirement benefits through a 401(k) savings plan, life insurance, memberships, and the use of automobiles. Details of the values of these benefits and perquisites may be found in the footnotes and narratives to the summary compensation table.

Employment Agreements

The Company has entered into one employment agreement, dated April 20, 2005, with Betsy Z. Cohen, its Chief Executive Officer. The material terms of this agreement are described below. The post-termination and severance provisions of these agreements are discussed in Potential Payments on Termination or Change-In-Control below.

The employment agreement with Mrs. Cohen has an effective date of January 1, 2005 and provides that she will devote such time to the Company as is reasonably required to fulfill her duties. Under the agreement, Mrs. Cohen will receive an annual base salary to be determined by the Compensation Committee. Mrs. Cohen is also eligible for bonuses as determined by the Compensation Committee. The agreement has a term of five years that is automatically renewed so that, on any day that the agreement is in effect, it will have a then current term of five years. The Company may terminate Mrs. Cohen without cause or Mrs. Cohen may resign for good reason upon sixty days notice. Additionally, upon or after a change of control of the Company, the Company may terminate Mrs. Cohen without cause or she may resign for good reason upon sixty days notice. Upon any such termination or resignation, Mrs. Cohen will be entitled to receive only the amount due to her under the Company's severance pay plans, if any; provided that, if she executes a mutual release of claims with the Company, she will receive (a) a lump sum cash payment equal to one month of her base salary for each month she was employed by the Company, up to a maximum of five years, at the rate in effect immediately before her termination, and (b) a pro rated bonus, if any, for the year in which the termination occurs. Mrs. Cohen may also resign upon thirty days notice in which event no further payments are due other than accrued benefits. If Mrs. Cohen is disabled for ninety consecutive days in any twelve month period, the Company may terminate her employment. If Mrs. Cohen's employment terminates on account of disability, (a) the vesting of the SERP

described below will accelerate if the termination occurs at any time after January 1, 2008, (b) Mrs. Cohen will receive any amounts of salary or bonus earned, accrued and owing but not paid and (c) Mrs. Cohen will receive a pro rated bonus, if any, for the year in which the termination occurs. If Mrs. Cohen dies during her term of employment, the Company must pay her estate all amounts of salary and bonus earned, accrued and owing but not paid and a pro rated bonus, if any, for the year in which death occurs. The Company may terminate Mrs. Cohen's employment at any time for cause. Upon any such termination for cause, Mrs. Cohen shall be entitled to any base salary and benefits accrued and earned before her termination.

The agreement defines "cause," generally, as conviction of a felony, intentional and continuous failure to substantially perform duties or a breach of the confidentiality and intellectual property provisions of the agreement. The agreement defines "good reason," generally, as the Company demoting Mrs. Cohen or materially reducing her duties, the Company requiring Mrs. Cohen to be based outside of Philadelphia, Pennsylvania, the failure of Mrs. Cohen to be elected to the Board of Directors or a material breach of the agreement by the Company. The agreement defines a "change of control," generally, as having occurred if (a) any person becomes a beneficial owner of securities representing more than 25% of the voting power of the then outstanding securities or (b) the consummation of (i) a merger or consolidation of the Company where the directors of the Company immediately before the transaction constitute less than a majority of the board of directors of the surviving corporation or (ii) a sale or other disposition of all or substantially all of the assets of the Company or (c) during a period of two consecutive years, the incumbent directors cease for any reason to constitute at least two-thirds of the Board of Directors, provided that if either the election or nomination of any new director was approved by a vote of at least two-thirds of the incumbent directors before such election or nomination, the new director will be considered a member of the incumbent directors.

The employment agreement provides for the establishment of a Supplemental Employee Retirement Plan, or SERP, for Mrs. Cohen. Mrs. Cohen will be fully vested in the amount of the SERP benefit earned and the benefit will be fully accrued upon her attainment of age 70, upon the occurrence of a change of control or in the event that she is terminated by the Company without cause or resigns for good reason, as defined above. The employment agreement requires the Company to establish a trust to serve as the funding vehicle for the SERP benefits and to make contributions to the trust in such amounts or in such number of the Common Shares as the Company reasonably determines to be sufficient to provide the present value of the benefit as accrued at the time of the contribution. The value of this benefit is 100% of the average of Mrs. Cohen's base salary over the 36 months during the term that provides the highest average except that the average may not exceed \$300,000 nor be less than \$150,000. Upon a change of control of the Company, the Company has agreed to immediately contribute to the trust an amount sufficient to permit the full payment of the SERP benefit due to Mrs. Cohen at age 70. Notwithstanding the establishment of a trust, the Company's obligation to pay the benefit constitutes a general, unsecured obligation of the Company, payable out of its general assets, and the assets of the trust will be available to pay the claims of the Company's creditors.
