IRSA INVERSIONES Y REPRESENTACIONES SOCIEDAD ANÓNIMA

(THE COMPANY)

REPORT ON FORM 6-K

Attached is an English translation of the summary of the letter dated July 4, 2007 filed by the Company with the *Comisión Nacional de Valores*:

By letter dated July 4, 2007, the Company reported that it has incorporated Solares de Santa María S.A.(Solares), a wholly owned subsidiary to be used as a vehicle, together with third party investors, for a development project in a 70 hectare plot of land (the Project) located in the city of Buenos Aires, in the former *Ciudad Deportiva de Boca Juniors*. To that effect, the Company sold such plot of land to Solares.

The Project will have offices, hotels, shops, nautical and sport clubs, and infrastructure such as schools, supermarkets, parking spaces, etc. as it has been conceived as a new neighborhood within the city of Buenos Aires. This neighborhood will have the special appeal of the green and water presence, two elements that will define the Project's urban structure with its water mirrors (canals), parks and public forests, and broad boulevards.

The Project presented to the governmental authorities, which was the result of the study of different proposals suggested by the COPUA (*Consejo del Plan Urbano Ambiental*) advisers, contemplates the assignment of 358,000 square meters to be destined to become public parks including a 90,000 square meter green sector, boulevards that will allow to visit and walk around the neighborhood; the transference of all water areas for public use, specifically the zone in front of the commercial area, which could become in the future a marina. With this Project the river presence in this part of the city is recovered for the general public.

In order to optimize and achieve the Project start up, and while the Company awaits the city government approvals and authorizations; the Company has contacted national and international investors with experience in this type of real estate developments.

Pursuant to the Project, the Company sold in commission 31,491,932 shares representing 10% of *Solares* capital stock to Mr. Israel Sutton Dabbah, part of the Sutton Group for US\$ 10,600,000 to be paid in the following manner: (i) US\$ 1,500,000 as a first installment; and (ii) the purchase balance price US\$ 9,100,000 payable on December 26, 2007.

In the Purchase Agreement in relation to the aforementioned shares, it was granted to the sellers (the Company and its subsidiary *Palermo Invest S.A.*) a first grade pledge on certain assets owned by the buyer, in order to secure the payment of the price agreed in the Purchase Agreement.
