ITEM 1.02 TERMINATION OF MATERIAL DEFINITIVE AGREEMENT

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

Environmental Power Corporation (the Company) is reporting the closing of transactions providing for the termination of the leasehold interest held by its subsidiary Buzzard Power Corporation (Buzzard) in the Scrubgrass Generating Facility located in Venango County, Pennsylvania (the Scrubgrass Facility) under the Amended and Restated Lease Agreement between Buzzard and SGC dated as of December 22, 1995, as amended or supplemented to date (as so amended or supplemented, the Lease Agreement). and for the termination of the obligations of Buzzard's parent, EPC Corporation (EPC), to Crystal Creek Coalpower Funding, LLC (Crystal Creek), under a Note Purchase Agreement dated September 4, 2003, and related agreements (the Loan Agreements).

As a result of the closing of these transactions, the Company now operates solely as a developer of renewable energy facilities for the production and commercial application of methane-rich biogas from agricultural and food industry wastes, through its subsidiary, Microgy, Inc., and related companies.

As previously reported, on November 30, 2007, Buzzard and Scrubgrass Generating Company, L.P. (SGC) entered into an Omnibus Agreement Regarding Termination of Lease (the Omnibus Agreement), relating to the termination of Buzzard's leasehold interest in the Scrubgrass Facility.

Also on November 30, 2007, EPC (Buzzard's parent and a subsidiary of the Company) entered into a Loan Termination Agreement (the Loan Termination Agreement) with Crystal Creek relating to the termination of EPC's obligations under the Loan Agreements and the forgiveness of all amounts owed by EPC to Crystal Creek thereunder.

The closing of the transactions contemplated by the Omnibus Agreement occurred on February 29, 2008, at which time the transactions contemplated by the Loan Termination Agreement also became effective. As reported in the Company's Form 10-Q filed with the U.S. Securities and Exchange Commission for the quarter ended September 30, 2007, the contemplated disposition has a combined transaction value to the Company of approximately \$6.0 million for accounting purposes, primarily related to the forgiveness of indebtedness of EPC Corporation to Crystal Creek and the recognition of a previously deferred gain.

As a result of the closing of the transactions contemplated by the Omnibus Agreement, Buzzard's leasehold interest in the Scrubgrass Facility, together with the assignment to Buzzard of certain contracts and other rights associated with the Scrubgrass Facility (the Related Rights), was terminated in exchange for a payment to Buzzard of \$375,000, and certain indebtedness of Buzzard to SGC was forgiven.
