## **SPARK NETWORKS, INC.**

### **PROXY STATEMENT**

#### **For Annual Meeting to be Held**

**June 18, 2008 at 10:00 am Pacific Daylight Time**

This proxy statement is delivered to you by Spark Networks, Inc. ( we, us, the Company, or Spark ), a Delaware corporation, in connection with the Annual Meeting of Stockholders of the Company to be held on June 18, 2008 at 10:00 am Pacific Daylight Time at 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211 (the Annual Meeting ). The approximate mailing date for this proxy statement and the enclosed proxy is May 8, 2008.

The purpose of the Annual Meeting is to seek stockholder approval of two proposals: (1) electing one director to the board of directors and (2) ratifying the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2008.

#### **Annual Report**

Our annual report to stockholders for the year ended December 31, 2007 will be concurrently provided to each stockholder at the time we send this proxy statement and the enclosed proxy card and is not to be considered a part of the proxy-soliciting material.

#### **Quorum; Voting Rights**

Holders of our common stock of record at the close of business on April 25, 2008 (the Record Date ) will be entitled to vote at the Annual Meeting. There were 25,225,449 shares of common stock outstanding as of the Record Date. Each share of our common stock is entitled to one vote, and the presence, in person or by proxy, of holders of a majority of the outstanding shares of our common stock, is necessary to constitute a quorum for the Annual Meeting. Abstentions and broker non-votes will be treated as present and entitled to vote for purposes of determining the presence of a quorum. If a quorum is not present at the Annual Meeting, we expect that the Annual Meeting will be adjourned to solicit

additional proxies. Stockholders may not cumulate their votes.

### **Voting Your Proxy**

Your vote is important. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to vote in advance. If you choose to vote by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided.

Stockholders who hold their shares beneficially in street name through a nominee (such as a bank or broker) may be able to vote by telephone, the Internet or mail. You should follow the instructions you receive from your nominee to vote those shares. If you are a stockholder who owns shares through a nominee and attends the Annual Meeting, you should bring a letter from your nominee identifying you as the beneficial owner of the shares and acknowledging that you will vote your shares.

## Counting of Votes

If a proxy in the accompanying form is duly executed and returned, the shares represented by the proxy will be voted as directed. If no direction is given, the shares represented by the proxy will be voted for (1) the election of the nominee for director named herein and (2) the reappointment of Ernst & Young as the Company's independent registered public accounting firm for the year ending December 31, 2008. All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Representatives of our transfer agent will assist us in the tabulation of the votes.

## Effect of Abstentions and Broker Non-Votes

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. A broker non-vote occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. Under American Stock Exchange rules, brokers that hold shares of our common stock in street name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters without specific instructions from those customers.

Abstentions and broker non-votes will be treated as present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will have no effect on the election of the director nominees, but will be counted as votes against the ratification of the appointment of Ernst & Young. Brokers that do not receive instructions are entitled to vote on the election of directors and the ratification of the appointment of our independent registered public accounting firm. Any broker non-votes will have no effect on the outcome of the matter (i.e. they will be neither a vote for nor a vote against the proposal).

## Revoking Your Proxy

Any proxy given may be revoked at any time prior to its exercise by notifying the Corporate Secretary of the Company in writing of such revocation, by duly executing and delivering another proxy bearing a later date, or by attending and voting in person at the Annual Meeting. The Company's principal executive office is located at 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211.

## Solicitation of Proxies

The cost of this solicitation of proxies will be borne by the Company. Solicitations will be made by mail. In addition, the officers and other regularly engaged employees of the Company may, in a limited number of instances, solicit proxies personally or by telephone. The Company has retained Georgeson, Inc. a proxy solicitation firm, for assistance with the distribution of the materials to beneficial stockholders and the solicitation of proxies for the annual meeting at a cost of approximately \$6,500 and reimbursement of reasonable out-of-pocket expenses. The Company will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy materials to beneficial owners of the common stock of the Company.

## Delivery of Proxy Materials to Households

## Edgar Filing: SPARK NETWORKS INC - Form DEF 14A

Householding is a program, approved by the Securities and Exchange Commission (the SEC), which allows companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports by delivering only one package of stockholder proxy material to any household at which two or more stockholders reside. If you and other residents at your mailing address own shares of our common stock in street name, your broker or bank may have notified you that your household will receive only one copy of our proxy materials. Once you have received notice

from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account. If you hold shares of our common stock in your own name as a holder of record, householding will not apply to your shares.

#### **Interest of Executive Officers and Directors**

None of the Company's executive officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting, except to the extent that a director is named as a nominee for election to the board of directors.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

The Company's board of directors is divided into three classes, with each class serving a three-year term and thereafter until the director's successor is duly elected and qualified or until the director's death, resignation or removal. One class of directors is elected annually at the Annual Meeting. The Company's Bylaws provide for a variable board of directors with a range of between two and nine members. The Company currently has five authorized members on its board of directors. The Company's Bylaws give the board of directors the authority to establish, increase or decrease the number of directors.

Unless otherwise directed by stockholders within the limits set forth in the Bylaws, the proxy holders will vote all shares represented by proxies held by them for the election of Michael A. Kumin, who is currently a member of the Company's board of directors. Mr. Kumin has advised the Company of his availability and willingness to serve if elected. In the event that Mr. Kumin becomes unavailable or unable to serve as a member of the Company's board of directors prior to the voting, the proxy holders will refrain from voting for him or will vote for a substitute nominee in the exercise of their best judgment. You can find information about Mr. Kumin below under the section Board of Directors and Executive Officers.

**Vote Required**

You may vote in favor or against the nominee and you may also withhold your vote as to the nominee. In order to elect the nominee, the affirmative vote of a plurality of all of the votes cast at the Annual Meeting is necessary for the election of the nominee for director assuming a quorum is present. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes and will have no effect on the result of the vote, although they will count toward the presence of a quorum.

## CORPORATE GOVERNANCE AND BOARD MATTERS

### Code of Business Conduct and Ethics

The Company's board of directors has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees. The purpose of the Code is to promote honest and ethical conduct. The Code is posted in the corporate governance section of the investor relations page of the Company's Web site located at [www.spark.net](http://www.spark.net), and is available in print, without charge, upon written request to the Corporate Secretary at Spark Networks, Inc., 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California 90211. The Company intends to post promptly any amendments to or waivers of the Code on its Web site.

### Director Independence

The board of directors has determined that each of the non-management directors, Jonathan B. Bulkeley, Benjamin Derhy, Michael A. Kumin and Thomas G. Stockham, as well as Michael A Brown, a former director who served during 2007, is an independent director as defined by the listing standards of The American Stock Exchange ( AMEX ) currently in effect and approved by the U.S. Securities and Exchange Commission ( SEC ) and all applicable rules and regulations of the SEC. All members of the Audit, Compensation and Nominating Committees satisfy the independence standards applicable to members of each such committee. The board of directors made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The board of directors considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the board of directors' review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the AMEX rules.

### Family Relationships

There are no family relationships among any of our executive officers or directors.

### Legal Proceedings

Neither the nominee nor any director or executive officer has been involved in the certain legal proceedings listed in Item 401 of Regulation S-K.

### Attendance of Directors at Board Meetings and Annual Meeting of Stockholders

During the year ended December 31, 2007, the board of directors met thirteen times, the Audit Committee met seven times, the Nominating Committee met four times and the Compensation Committee met twelve times. Each current director who was on the board during 2007 attended at least 75% of the aggregate number of meetings held by (1) the board of directors and (2) those committees of the board of directors

## Edgar Filing: SPARK NETWORKS INC - Form DEF 14A

on which he served, except Thomas G. Stockham who joined the board in August 2007 and attended five out of the seven meetings of the board held after his appointment as a director.

The Company does not have a policy requiring its directors to attend the Annual Meeting of Stockholders. In 2007, Mr. Berger attended the Annual Meeting of Stockholders in person.

### **Board Committees**

*Audit Committee.* The Audit Committee consists of Jonathan B. Bulkeley, Benjamin Derhy and Thomas G. Stockham, each of whom is an independent director. Mr. Bulkeley, Chairman of the Audit

Committee, is an audit committee financial expert as defined under Item 407(d) of Regulation S-K. The purpose of the Audit Committee is to represent and assist the Company's Board of Directors in its general oversight of the Company's accounting and financial reporting processes, audits of the financial statements and internal control and audit functions. The Audit Committee's responsibilities include:

The appointment, replacement, compensation, and oversight of work of the independent auditor, including resolution of disagreements between management and the independent auditor regarding financial reporting, for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services.

Reviewing and discussing with management and the independent auditor various topics and events that may have significant financial impact on our Company or that are the subject of discussions between management and the independent auditors.

The board of directors has adopted a written charter for the Audit Committee. A current copy of the Audit Committee Charter is available on the Company's website at: [www.spark.net](http://www.spark.net).

*Compensation Committee.* The Compensation Committee consists of Michael A. Kumin, Benjamin Derhy and Thomas G. Stockham. Each member is an independent director. Mr. Kumin is the Chairman of the Compensation Committee. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for the Company's directors, executive officers, including our Chief Executive Officer, and key employees, and for the administration of our equity incentive plans, including the approval of grants under such plans to our employees, consultants and directors. The Compensation Committee conducts an annual review (in connection with the conclusion of our business planning process) of the compensation packages for each of our named executive officers. Based on this review, the Compensation Committee approves, to the extent applicable, (a) base salary changes, (b) any cash payout amounts earned under the previous year's annual cash incentive awards, (c) equity grants and (d) targets and potential payout amounts under any performance-based incentive compensation programs for the new year. The Compensation Committee will annually review the proposed performance metric(s) applicable to the named executive officers and approve the performance targets and target payout amounts for the named executive officers. The Company does not have a general equity grant policy. However, the Compensation Committee currently holds regular monthly meetings, which generally occur on the first Monday of the month to consider stock option grants and any other Compensation Committee business; however, the Compensation Committee may change this schedule to grant options on an alternative, consistent basis. The Compensation Committee may take other individual compensation actions during the year as needed. In reviewing and making compensation decisions of other executive officers, the Committee may consult with the Company's Chief Executive Officer and any others who can review the performance of the other executive officers, provide annual recommendations for individual management objectives, and provide input on strategic initiatives. The Compensation Committee has the authority, to the extent it deems necessary or appropriate, to retain a compensation consultant and other advisors to assist in the evaluation of director, Chief Executive Officer (CEO) or executive officer compensation.

The board of directors has adopted a written charter for the Compensation Committee. A current copy of the Compensation Committee Charter is available on the Company's website at: [www.spark.net](http://www.spark.net).

*Nominating Committee.* The Nominating Committee consists of Jonathan B. Bulkeley and Michael A. Kumin, each of whom is an independent director. Mr. Kumin is the Chairman of the Nominating Committee. The Nominating Committee assists in the selection of director nominees, approves director nominations to be presented for stockholder approval at our annual general meeting and fills any vacancies on our board of directors, considers any nominations of director candidates validly made by stockholders, and reviews and considers developments in corporate governance practices. The board of directors has adopted a written charter for the Nominating Committee. A current copy of the Nominating Committee Charter is available on the Company's website at: [www.spark.net](http://www.spark.net).

## The Director Nomination Process

The Nominating Committee considers nominees from all sources, including stockholders. Stockholder nominees are evaluated by the same criteria used to evaluate potential nominees from other sources. The board of directors will consist of a majority of directors who qualify as independent directors within the meaning of the listing standards of the American Stock Exchange, as the same may be amended from time to time. Minimally, nominees should have a reputation for integrity, honesty and adherence to high ethical standards. They should have demonstrated business experience and the ability to exercise sound judgment in matters related to the current and long-term objectives of the Company, and should be willing and able to contribute positively to the decision-making process of the Company. In addition, they should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of the Company or to fulfill the responsibilities of a director. The value of diversity on the board should be considered and the particular or unique needs of the Company shall be taken into account at the time a nominee is being considered. Additionally, the Nominating Committee considers the respective qualifications needed for directors serving on various committees of the board, and serving as chairs of such committees, should be taken into consideration. In recruiting and evaluating nominees, the Nominating Committee considers the appropriate mix of skills and experience and background needed for members of the board and for members of each of the board's committees, so that the board and each committee has the necessary resources to perform its respective functions effectively. The Nominating Committee also believes that a prospective nominee should be willing to limit the number of other corporate boards on which he or she serves so that the proposed director is able to devote adequate time to his or her duties to the Company, including preparing for and attending board and committee meetings. In addition, the re-nomination of existing directors is not viewed as automatic, but based on continuing qualification under the criteria set forth above. In addition, the Nominating Committee will consider the existing director's performance on the board and on any committee on which such director serves, which will include attendance at board and committee meetings.

## Employment Contracts and Termination of Employment and Change of Control Arrangements

### *Adam S. Berger*

On February 12, 2007, in connection with the appointment of Adam S. Berger as CEO, the Company and Mr. Berger executed an Executive Employment Agreement (the "Agreement").

*Term, Salary and Bonus.* The Agreement will continue until December 31, 2010, unless terminated earlier. Pursuant to the terms of the Agreement, Mr. Berger receives a base salary of \$350,000 per year, which will be reviewed annually and may be increased at the sole discretion of the Compensation Committee of the board of directors in light of Mr. Berger's performance and the Company's financial performance and other economic conditions, but may not be decreased without Mr. Berger's written consent. Mr. Berger will also be paid an annual retention bonus of \$50,000. Mr. Berger is eligible to receive an annual performance bonus equal to a minimum of \$75,000, a maximum of \$450,000 and a target amount of \$300,000. The performance bonus will be based on a twelve-month calendar year and will be based on goals set by the board of directors with input from Mr. Berger and the Compensation Committee related to the Company's gross revenue, earnings before interest, depreciation and amortization (also known as EBITDA) and management objectives.

*Option Grants.* On February 12, 2007, in connection with execution of the Agreement, Mr. Berger received a grant under the Company's 2004 Option Scheme of 1,030,000 stock options with an exercise price of \$5.45. 257,500 of the options vested on February 12, 2008 and 1/36<sup>th</sup> of the remaining 772,500 options vest each month thereafter so that all 1,030,000 options will be vested and exercisable four years from the date of grant. Mr. Berger also received an additional 200,000 stock options with an exercise price of \$6.81, which was 125% of fair market value of the Company's ordinary shares on that date. 50,000 of those options vested on February 12, 2008 and 1/36<sup>th</sup> of the remaining 150,000 options vest each month thereafter so that all 200,000 options will be vested and exercisable four years from the date of grant. Lastly, on February 21, 2007, the effective date of the Agreement, Mr. Berger received a grant of 70,000 incentive stock options, 17,500 of which vested on the one year anniversary of the grant date and 1/36<sup>th</sup> of the remaining 52,500 will vest each month thereafter so that all 70,000 options will be vested and exercisable four years from the date of grant. All options have a term of 10 years.

*Other Benefits.* Mr. Berger is eligible for all health and welfare benefits generally available to the Company's fulltime employees, with the Company covering the costs of such benefits and reimbursing Mr. Berger for COBRA health and welfare plan expenses associated with his prior employer. Mr. Berger will be reimbursed for reasonable, out-of-pocket business expenses incurred in the performance of his duties on behalf of the Company, including up to \$7,500 per year in business related education and training, and for any reasonable legal fees incurred in connection with the Agreement, the negotiation and execution of any new employment agreements of any successor organization in connection with a change in control and any future agreements with the Company entered into upon termination of employment.

*Termination Benefits.* Generally, upon termination, Mr. Berger will receive his prorated salary earned as of the date of termination and a payment for any accrued unused vacation. If Mr. Berger is terminated without cause or if he leaves for good reason, then Mr. Berger will also receive a severance package that consists of (i) a single cash lump sum payment equal to his retention bonus plus 100% of his base salary, (ii) reimbursement of COBRA health and welfare plan expenses for 12 months following termination, and (iii) immediate vesting of the lesser of 325,000 options or the remaining unvested options; provided that Mr. Berger executes a separation agreement with the Company that includes a general mutual release. Termination with cause means admission to or conviction of a felony, gross negligence or willful misconduct in the performance of employment duties that is likely to materially damage the Company's financial position, or material breach of the Agreement by Mr. Berger that is not cured within 30 days of notice. Good reason means a material breach of the Agreement by the Company that is not cured within 30 days of notice, Mr. Berger's base salary, retention bonus or other bonus opportunity is reduced without his consent or the options are not fully complied with by the

Company, a reduction in Mr. Berger's title, duties, or responsibilities or the assignment of any duties inconsistent with his position, a requirement to relocate without Mr. Berger's consent of more than 35 miles, the Company's non-renewal of the Agreement or, to the extent required, stockholder approval is not obtained for any provisions of the Agreement. Mr. Berger will not be entitled to any severance package if he voluntarily resigns or otherwise terminates employment with the Company other than for good reason, or the Company terminates Mr. Berger's employment with cause.

*Death or Disability.* Upon death or disability, Mr. Berger is entitled to payment of his retention bonus, his unpaid prorated base salary, reimbursement of COBRA health and welfare plan expenses incurred in the subsequent 12-month period, and a single cash lump-sum payment equal to the minimum bonus that would have been paid that year, prorated according to the number of days that have elapsed since the beginning of the fiscal year in which Mr. Berger dies or becomes disabled. Disability includes Mr. Berger's inability by reason of physical or mental illness to fulfill his obligations pursuant to the Agreement for 90 consecutive days or for a total of 180 days in any 12-month period which renders Mr. Berger unable to perform the essential functions of his job, even after reasonable accommodations are made by the Company.

*Change of Control.* Upon a change in control of the Company, all of Mr. Berger's unvested stock options will immediately vest. However, if a successor company retains Mr. Berger for the one-year period following a change in control then the Agreement will remain effective and any proceeds received by Mr. Berger with respect to 50% of Mr. Berger's options, the vesting of which was accelerated by the change in control, will be deposited in escrow to be released upon the earlier of the one year anniversary of employment by the successor company or if Mr. Berger is terminated for any reason except for cause by the successor company or without good reason by Mr. Berger. Furthermore, if Mr. Berger is terminated without cause or leaves for good reason within one year after a change of control, then Mr. Berger will receive the severance package described above under Termination Benefits. The escrow will be forfeited if Mr. Berger is terminated during that one year period for cause or if he leaves without good reason. A change in control is the acquisition of 50% or more of the total voting power of the Company's voting securities, the disposition of all or substantially all of the Company's assets, the liquidation or dissolution of the Company, a merger, consolidation, or similar transaction other than a business combination that would result in the voting securities of the Company outstanding immediately prior to such a transaction continuing to represent at least 50% of the total voting power represented by the voting securities of the Company or such surviving entity.

*Tax-Related Provisions.* If Mr. Berger is deemed a specified employee as defined in Section 409A of the Internal Revenue Code, the Company may pay him interest at the prime rate plus 3% on any amounts deferred. If any payment to Mr. Berger would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, together with any interest or penalties imposed with respect to such excise tax, then Mr. Berger will be entitled to receive an additional payment equal to the amount of the excise tax.

*Other Terms.* Mr. Berger is prohibited from disclosing confidential information regarding the Company or engaging in any work that creates an actual conflict of interest with the Company's business where such conflict would materially and substantially disrupt the Company's operations. Any obligation not to disclose confidential Company information will continue for two years after the date Mr. Berger's employment is terminated. Furthermore, during the term of the Agreement and for 12 months after, Mr. Berger has agreed, with certain exceptions, not to interfere with the Company's relationship with its employees, customers, suppliers and other business partners.

#### ***Gregory R. Liberman***

In August 2005, the Company entered into an employment agreement with Gregory R. Liberman which defined the terms of his employment as our Chief Operating Officer. The agreement was amended in March 2006 and again in November 2006 to reflect updates to the terms of his employment as President and Chief Operating Officer. The agreement contains a change of control provision

whereby all unvested option shares vest and become exercisable immediately in the event a person or entity purchases more than 50% of the Company's shares. Either party may terminate the employment agreement without cause with 30 days notice. If the Company terminates the employment agreement without cause, or if Mr. Liberman terminates the employment agreement for good reason, Mr. Liberman is entitled to receive severance pay from the Company for a period of six months following the termination of his employment. Termination with cause includes a material misappropriation of any monies or assets or properties, a material breach by Mr. Liberman of the terms of the agreement that has not been cured within 30 days after written notice, the conviction of, or plea of guilty or nolo contendere, to a felony or to any criminal offense involving moral turpitude, gross negligence or willful misconduct. Good reason includes the Company's requirement to relocate more than 50 miles, or any material breach by the Company which is not cured within 30 days of written notice. The amount of severance to be paid to Mr. Liberman each month will equal his monthly salary at the time of his termination, less applicable payroll tax withholding. This agreement also prescribes a twelve month period following termination wherein Mr. Liberman is prohibited from soliciting or disaffecting customers and employees of the company.

***Joshua A. Kreinberg***

On July 2, 2007, the Company and Joshua A. Kreinberg entered into an Executive Employment Agreement, which defines the terms of Mr. Kreinberg's employment as the Company's General Counsel and Secretary.

*Term and Compensation.* Mr. Kreinberg's employment agreement continues indefinitely, however, either party may terminate the agreement upon 30 days' written notice or immediately by the Company or Mr. Kreinberg for cause or good reason, respectively. Pursuant to the terms of the agreement, the Company will pay Mr. Kreinberg an annual base salary of not less than \$215,000 per year. Mr. Kreinberg is eligible for annual bonuses and salary increase reviews in accordance with the normal customs and practices of the Company.

*Options.* In connection with the execution of the agreement, the Company issued to Mr. Kreinberg options to purchase 70,000 of the Company's shares, 25% of which became exercisable on April 1, 2008 and 6.25% of which vest at the end of each three-month period thereafter. Plus, the options contain a Change of Control Provision whereby all unvested options will automatically vest if any person acquires a vested interest in more than 50% of the Company's shares; provided, however, that if a successor company retains Mr. Kreinberg's services for the one-year period following such change of control, then any cash proceeds with respect to 50% of those options that were accelerated will be deposited into escrow which will provide that (i) the proceeds will be paid to Mr. Kreinberg upon the earlier of the one-year anniversary of such change of control or if Mr. Kreinberg is terminated without cause or he resigns for good reason, and (ii) the proceeds will be forfeited if Mr. Kreinberg is terminated during the one-year period for cause or he resigns without good reason.

*Severance.* If Mr. Kreinberg is terminated without cause or he resigns for good reason, Mr. Kreinberg will receive severance pay, based on his current salary, for six months following termination. The term "cause" includes a material misappropriation of the Company's assets, a material breach of the Agreement that has not been cured, conviction of a felony, and gross negligence or willful misconduct. Good reason includes relocation in excess of 50 miles, a reduction in or non-payment of base salary, the Company's non-compliance with the terms of option agreements, and a material breach by the Company of the agreement that is not cured.

*Non-Solicitation.* Mr. Kreinberg must not, for twelve months following termination of the Agreement, solicit or attempt to cause any customer of the Company (or any subsidiary, affiliated, or holding companies) not to do business with the Company nor solicit for employment, employ or disaffect any other employee of the Company (or any subsidiary, affiliated, or holding companies), other than through normal recruiting efforts applied generally to the public.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. In computing the number of shares beneficially owned by a person and the percentage of ownership of that person, shares of common stock subject to options and warrants held by that person that are currently exercisable or become exercisable within 60 days of the Record Date are deemed outstanding even if they have not actually been exercised. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

The following table sets forth certain information with respect to beneficial ownership of the Company's common stock as of the Record Date, based on 25,225,449 issued and outstanding shares of common stock, by:

Each person known to be the beneficial owner of 5% or more of the Company's outstanding common stock;

Each executive officer;

Each director; and

All of the executive officers and directors as a group.

To our knowledge, except as indicated by footnote and subject to applicable community property laws, each person named in the table below has sole voting and investment power with respect to the ordinary shares set forth opposite such person's name. Unless otherwise indicated, the address of our officers and directors is c/o: Spark Networks, Inc., 8383 Wilshire Blvd., Suite 800, Beverly Hills, California 90211.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee consists of three non-employee directors who are independent under the standards adopted by the board of directors and applicable AMEX Rules and SEC standards. The Audit Committee represents and assists the board of directors in fulfilling its responsibility for oversight and evaluation of the quality and integrity of Spark's financial statements, Spark's compliance with legal and regulatory requirements, the qualifications and independence of Spark's registered public accounting firm, Ernst & Young LLP, and the performance of Spark's internal controls and of Ernst & Young LLP.

The Audit Committee has reviewed and discussed with Spark's management, internal finance staff, internal auditors and Ernst & Young LLP, with and without management present, Spark's audited financial statements for the fiscal year ended December 31, 2007 and management's assessment of the effectiveness of Spark's internal controls over financial reporting. The Audit Committee has also discussed with Ernst & Young LLP the results of the independent auditors' examinations and the judgments of Ernst & Young LLP concerning the quality, as well as the acceptability, of Spark's accounting principles and such other matters that Spark is required to discuss with the independent auditors under applicable rules, regulations or generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has received from Ernst & Young LLP the written disclosures required by Independence Standards Board Standard No. 1, as amended, and has discussed with Ernst & Young LLP their independence from Spark and management, including a consideration of the compatibility of non-audit services with their independence, the scope of the audit and the fees paid to Ernst & Young LLP during the year.

Based on our review and the discussions referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the SEC.
