**Item 1.02 Termination of a Material Definitive Agreement**

On December 27, 2007, the Company acquired certain intellectual property from IPWebTV, Inc. (an unrelated Delaware corporation) that was to be integrated into products being developed for the Company's subsidiary. The purchase price was 500 shares of the Company's previously unissued nonassessable convertible preferred stock. Each share of the convertible preferred stock could have been exchanged for one million shares of the Company's common stock.

On September 30, 2008, the Company's subsidiary and IPWebTV agreed that the Company's direction was not consistent with the IPWebTV business model and released its rights to certain intellectual property in exchange for the return of the Company's 500 convertible preferred shares. The Company has moved forward with a business model concentrating in the enterprise video surveillance market.

The Company retired and cancelled all 500 convertible preferred shares and has no preferred shares or other convertible securities outstanding as of this date.
