Voting your shares now will not prevent you from attending or voting your shares at the meeting if you desire to do so.

Only stockholders and persons holding proxies from stockholders may attend the meeting. If you plan to attend, please bring a photo ID. If your shares are held in the name of a broker, trust, bank or other nominee, you will need to bring a recent brokerage statement, proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares.

PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the Company or we, our, or us), for use at the annual meeting of stockholders to be held on Friday, December 5, 2008, at 11:00 a.m. Pacific time, at the Sheraton Carlsbad Resort & Spa, 5480 Grand Pacific Drive, Carlsbad, California 92008, and at any adjournment or postponement thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about October 20, 2008 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 8, 2008. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 8, 2008, approximately 7,041,663 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 180,941 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 8, 2008, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow the people named on the proxy card (Mark A. LeDoux and Randell Weaver) to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by internet or by mail. Shares held in street name may be voted by telephone or by internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California 92078, Attention: Mr. Randell Weaver, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. An abstention from voting will be used for the purpose of establishing a quorum, and will be considered a vote against a proposal. A broker non-vote will also be used for the purpose of establishing a quorum, but will not otherwise be counted in the voting process. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

How many votes are required to approve each of the proposals?

For the election of the Class III director, a plurality of the votes is required. This means that the candidate who receives the most votes will be elected to the available Class III position on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the other proposal. See, however, Proposal 2 Effect of Ratification.

As of October 8, 2008, our executive officers, including Mr. Dullea, a former executive officer, and directors held of record or beneficially approximately 1,627,430 shares, or 23.11%, of our issued and outstanding common stock. Our current executive officers and directors have indicated their intention to vote for the election of the nominee for the Class III director and for the other proposal described in this proxy statement.

Who pays for this proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, or other means. No additional compensation will be paid to these individuals for any such services. If necessary, we also may retain BNY Mellon Shareowner Services to help us solicit proxies and pay a fee to BNY Mellon Shareowner Services for any such solicitation services provided.

Board Meetings

The Board of Directors held eight meetings during the fiscal year ended June 30, 2008.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five directors are independent under the listing standards of the Nasdaq Stock Market. The members determined to be independent are Messrs. Davis, Dunn, Lane and Weldon.

Board Committees

The Board of Directors has an Audit Committee, a Human Resources Committee, which functions as a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee must also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

Audit Committee	Human Resources Committee	Nominating Committee
Joe E. Davis (Chairman)*	Lee G. Weldon (Chairman)	Lee G. Weldon (Chairman)
Alan G. Dunn	Joe E. Davis	Joe E. Davis
Alan J. Lane*	Alan G. Dunn	Alan J. Lane

* The Board of Directors has determined that Messrs. Davis and Lane are each an audit committee financial expert as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2008, the Audit Committee held ten meetings, the Human Resources Committee held seven meetings, and the Nominating Committee held two meetings.

Audit Committee. The Audit Committee operates under a charter originally adopted by the Board of Directors in 2000, amended and restated in April 2004, and further amended in August 2007. While the Audit Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment A to the proxy statement for our 2007 Annual Meeting of Stockholders filed with the SEC on October 29, 2007. The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in January 2006, and amended in August 2007. While the Human Resources Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment B to the proxy statement for our 2007 Annual Meeting of Stockholders filed with the SEC on October 29, 2007. The primary purpose of the Human Resources Committee is to oversee the Company's overall compensation and incentive programs for the Company's executive officers and certain other key personnel. The Human Resources Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from the Company's President, but has no authority to make final decisions except with respect to the Company's 1999 Omnibus Equity Incentive Plan as described below or as otherwise set forth in the committee's charter. Among other things, the Human Resources Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, retirement and other compensation, and is responsible for evaluating the performance of the Company's Chief Executive Officer and making recommendations to the Board of Directors concerning the compensation for such officer. In addition, the Board of Directors has delegated to the Chairman of the Human Resources Committee the authority to consider and act upon recommendations from the President and the Chief Financial Officer to grant stock options under the Company's 1999 Omnibus Equity Incentive Plan to employees of the

Company and its subsidiaries, not including officers and directors of the Company, within the limitations of such plan, and only for grants not exceeding 5,000 shares, and with a term not exceeding five years, an exercise price equal to at least 110% of the last reported sale price of the Company's common stock on the Nasdaq Stock Market on the date of grant, and vesting over a period of not less than three years. The Human Resources Committee may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the committee deems appropriate.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in August 2004, and amended in August 2007. While the Nominating Committee charter is not currently available on our website, a copy of the charter, as amended, was included as Attachment C to the proxy statement for our 2007 Annual Meeting of Stockholders filed with the SEC on October 29, 2007. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See *Stockholder Communications with Directors* below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California, 92078, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a *Stockholder-Board Communication* or *Stockholder-Director Communication*. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly

scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of the Company's annual meetings of stockholders. It may not be possible or practicable, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of the Company's annual meetings of stockholders. At the Company's last annual meeting of stockholders held on December 11, 2007, each of the members of the Board of Directors was present.

PROPOSAL 1

ELECTION OF CLASS III DIRECTOR

Members of each class of our Board of Directors are elected to serve for a three-year term. The three-year terms of the members of each class are staggered, so that each year the members of a different class are due to be elected at the annual meeting. The Class III director currently is serving a term that is due to expire at the Annual Meeting. The Class I directors currently are serving a term that is due to expire at our next annual meeting, and the Class II directors are serving a term that is due to expire at the next annual meeting thereafter.

Nominees

At the Annual Meeting one Class III director is to be elected, to serve until the next annual meeting of stockholders held to elect Class III directors and until such director's successor is elected and qualified or until such director's death, resignation or removal. The Board of Directors proposes the election of the nominee named below, who currently is a Class III member of our Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted for the nominee named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. The person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that the nominee will be unable to serve.

Our Board of Directors proposes the election of the following nominee as a Class III member of the Board of Directors:

Alan J. Lane

Our Board of Directors unanimously recommends that you vote FOR the election of the nominee as a Class III director of the Company.

PROPOSAL 2

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended June 30, 2008 was Ernst & Young LLP. The Audit Committee of the Board of Directors has selected and approved Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2009. One or more representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so.

Audit Fees

The aggregate fees billed to the Company by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our statutory and regulatory filings during each of the last two fiscal years ended June 30, were:

2008	\$ 310,784
2007	\$ 318,869

Audit-Related Fees

There were no fees billed to the Company by Ernst & Young LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements and not included under Audit Fees above during the fiscal years ended June 30, 2008 and June 30, 2007.

Tax Fees

There were no fees billed to the Company by Ernst & Young LLP for professional services for tax compliance, tax advice, or tax planning provided during the fiscal years ended June 30, 2008 and June 30, 2007.

All Other Fees

There were no other fees billed to the Company by Ernst & Young LLP for products and services provided during the fiscal years ended June 30, 2008 and June 30, 2007.

Pre-Approval Policies and Procedures

On June 23, 2003, the Audit Committee approved certain policies and procedures under which all audit and non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Under these policies and procedures, proposed services to be provided by our independent registered public accounting firm may either be pre-approved without consideration of specific case-by-case services by the Audit Committee (general pre-approval), or require the specific pre-approval of the Audit Committee (specific pre-approval). The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by our independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts also will require specific pre-approval by the Audit Committee. In granting both general and specific pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance our ability to manage or control risk or improve audit quality. The term of any general pre-approval will be 12 months, unless the Audit Committee determines otherwise.

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on the Company's consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items. In addition, the Audit Committee may grant general pre-approval to other audit services, which include statutory or financial audits for subsidiaries of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant general pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent the Company retains its independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that do not require specific pre-approval by the Audit Committee are submitted to the Company's Chief Financial Officer, who determines whether such services are included within those that have received general pre-approval by the Audit Committee. All services proposed to be provided by our independent registered public accounting firm that require specific pre-approval by the Audit Committee are submitted to the Audit Committee or its delegated member by both the independent registered public accounting firm and the Company's Chief Financial Officer. LeDoux, Weaver and Dullea, payments for Company supplied cell phone and wireless internet access devices, and certain other benefits.

³ Mr. Dullea's employment with the Company was terminated effective on September 30, 2008.

Employment Agreements

We have employment agreements with Messrs. LeDoux and Weaver. Under the terms of each agreement, the officer's employment is at-will and the employment may be terminated at any time, with or without cause, by either the officer or the Company. Each officer receives an annual salary, payable no less frequently than monthly, and may receive certain employee benefits available generally to all employees or specifically to executives, including bonus compensation in a manner and at a level determined from time to time by the Board of Directors, medical, dental, vision, term life, short and long term disability, long term care, and participation in the Company's Employee Stock Purchase Plan. The annual salaries of Messrs. LeDoux, Weaver and Dullea in effect at June 30, 2008 were:

Name	Annual Salary
Mark A. LeDoux	\$ 262,830
Randell Weaver	\$ 325,000 ¹
John F. Dullea	\$ 275,000

¹ Mr. Weaver's employment agreement was amended effective as of June 28, 2008 to increase his annual salary from \$300,000 to \$325,000.

Under the terms of the employment agreements for Messrs. LeDoux and Weaver, each officer is entitled to a severance benefit, including standard employee benefits available to other corporate officers, in the event the officer is terminated by the Company without cause in an amount equal to one year's compensation, provided the officer executes and delivers to the Company a general release of claims. If an officer does not execute and deliver a general release of claims, the severance benefit is reduced to one month's compensation. No officer is entitled to receive a severance benefit if the officer is terminated by the Company for cause, or if the officer voluntarily resigns or retires. If an officer is terminated by the Company without cause upon a change in control, each officer is entitled to receive a severance benefit in an amount equal to two years' compensation, provided the officer executes and delivers to the Company a general release of claims. If the officer does not execute and deliver a general release of claims, the severance benefit is reduced to one month's compensation. In addition, if any officer is terminated by the Company without cause upon a change of control, all then outstanding options held by the officer become fully exercisable and remain so for the term of the option, provided that the officer executes and delivers to the Company a general release of claims.

The employment agreement with Mr. Dullea was terminated effective September 30, 2008. Under the terms of his employment agreement, upon execution of a separation agreement and general release of claims, Mr. Dullea is entitled to receive (i) a severance benefit in an amount equal to 18 months' base salary, which amount is approximately \$412,500; and (ii) payment by the Company of the premiums for continuing health insurance coverage for Mr. Dullea for 18 months following his termination in an amount equal to approximately \$12,346. If Mr. Dullea elects not to execute a general release of claims, the employment agreement provides that the severance benefit would be reduced to one month's base salary. In addition to the severance benefits described above, Mr. Dullea also is entitled to receive a reasonable amount for executive outplacement services during the 18 month or one month severance period, as applicable, based on current market prices for such services. In the event of any dispute regarding Mr. Dullea's employment or the termination of his employment agreement, Mr. Dullea and the Company would be subject to the terms of a mediation and arbitration agreement entered into between the parties on December 5, 2005. As a result of any such dispute, the actual amount of the severance benefit paid to Mr. Dullea may be greater than the amount provided for under the terms of the employment agreement.

DIRECTOR COMPENSATION

Each of the non-employee directors (Messrs. Davis, Dunn, Lane and Weldon) receives an annual retention fee of \$10,000, and a fee of \$1,000 for each board and committee meeting such director attends. The \$1,000 paid for each board and committee meeting a director attends does not apply to and no payment is made for special meetings of a committee or the board held via teleconference unless otherwise expressly determined by the Board on a case by case basis. The annual retention fee is paid in advance at the beginning of each year of a director's term, which is determined to commence on the date of the annual meeting held to elect any class of directors and to continue until the next annual meeting of stockholders held to elect any class of directors. Directors appointed during a term year may receive a proportional amount of the annual retention fee for that year. Options and other equity awards may be granted to directors on a discretionary basis. Mr. LeDoux receives no additional compensation for serving as a director. Directors are reimbursed for travel and other expenses incurred in connection with attending board and committee meetings. Mr. LeDoux is the general partner of the limited partnership and the trustee of the trust, although he does not have a pecuniary interest in the trust. The Board's approval was conditioned on a purchase price of \$6.489 per share, which price represented a 10% discount from the closing price on June 29, 2007. The repurchase was completed on July 6, 2007.
