Item 2.02 Results of Operations and Financial Condition.

See the disclosure set forth in Item 4.02 of this Current Report which is incorporated into this Item 2.02 by this reference.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On April 8, 2009, the audit committee (the "Audit Committee") of Tri-S Security Corporation (the "Company") determined, upon advice of management, that the Company's consolidated financial statements and related disclosures included in the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2008 (collectively, the "Previously Issued Financial Statements"), should be restated because they contain errors as addressed in Financial Accounting Standards Board Statement of Financial Accounting Standards No. 154, *Accounting Changes and Error Corrections*. Accordingly, the Previously Issued Financial Statements and the earnings releases issued by the Company for the quarters ended March 31, June 30, and September 30, 2008, and for the quarter and year ended December 31, 2008 (collectively, the "Earnings Releases"), should not be relied upon. The Company intends to restate the Previously Issued Financial Statements to correct these errors by amending its Quarterly Reports for the quarters ended March 31, June 30, and September 30, 2008. The Audit Committee has discussed the matters disclosed in this Item 4.02 with the Company's independent registered accounting firm.

The errors in the Previously Issued Financial Statements relate to an incorrect payroll accrual for the quarters ended March 31, June 30, and September 30, 2008. As a result of this incorrect accrual, payroll expense and net loss were understated, and gross profit was overstated, in the Previously Issued Financial Statements and Earnings Releases. The following tables present the impact of the errors on previously reported amounts and the corrected amounts for the quarters ended March 31, June 30, and September 30, 2008, and for the quarter and year ended December 31, 2008.
