**Item 1.01. Entry into a Material Definitive Agreement.**

On July 2, 2009, United Air Lines, Inc. ( United ) issued and sold \$175,000,000 aggregate principal amount at maturity of 12.75% senior secured notes due 2012 (the Notes ). The Notes are offered pursuant to the Prospectus Supplement, dated June 26, 2009 (the Prospectus Supplement ), to the Prospectus, dated December 1, 2008 (the Prospectus ), which forms a part of an automatic shelf registration statement on Form S-3 ASR (Registration No. 333-155794) (the Registration Statement ) of UAL Corporation (the Company ) and United, filed with the Securities and Exchange Commission on December 1, 2008.

The Company and United entered into an underwriting agreement, dated as of June 26, 2009 (the Underwriting Agreement ), with Goldman, Sachs & Co. and Citigroup Global Markets Inc. (collectively, the Underwriters ), in connection with the issuance and sale of the Notes. Delivery of the Notes was made under the Underwriting Agreement on July 2, 2009.

The Underwriters or their affiliates have from time to time provided and/or may in the future provide investment banking, commercial banking and financial advisory services to the Company, for which they have received or will receive customary compensation.

The Notes are being offered at a discount from their principal amount at maturity. The Notes will mature on July 15, 2012. The interest on the outstanding principal amount of the Notes is payable quarterly on January 15, April 15, July 15 and October 15 of each year, beginning October 15, 2009. The Notes will initially be secured by a lien on all aircraft spare parts owned by United that are located in the United States (subject to certain exceptions) (the Collateral ) and may later also be secured by other collateral owned by United. The Notes will rank junior in right of payment to United s debt secured by assets other than the Collateral to the extent of the value of such assets and will be structurally subordinated to all existing and future liabilities of United s subsidiaries. United may redeem the Notes in whole or in part at any time and the Notes are subject to mandatory redemption in certain circumstances. The payment obligations of United under the Notes are fully and unconditionally guaranteed by the Company.

The Notes are issued under an indenture, dated as of July 2, 2009 (the Indenture ), between United and Wells Fargo Bank Northwest, N.A., as trustee and collateral agent (the Collateral Agent ). Under the Indenture, United is required to maintain certain Collateral ratio requirements or if a Collateral ratio requirement is not met, United is required to provide additional collateral or to redeem some or all of the Notes within 45 days. Three Mortgage and Security Agreements (each a Mortgage ), each between United and the Collateral Agent, dated as of July 2, 2009, set forth the terms of the first priority security interest in the Collateral, one Mortgage covering Section 1110 eligible Collateral, one Mortgage covering Collateral not eligible for Section 1110 protection and one Mortgage covering other collateral owned by United that may later be used as security.

The foregoing description of the Underwriting Agreement, the Indenture and the Mortgages is qualified in its entirety by reference to these agreements and instruments, copies of which are filed herewith as exhibits, and are incorporated by reference herein. For a more detailed description of the agreements and instruments entered into by United and the Company with respect to the Notes, see the disclosure under the captions Description of the Notes and Underwriting contained in the Prospectus Supplement.
