ITEM 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a) On December 18, 2009, Nanophase Technologies Corporation (the "Company") received a notice from the Listing Qualifications Department of the NASDAQ Stock Market ("NASDAQ") informing that, for the last 30 consecutive business days, the bid price of the Company's common stock had traded below the minimum \$1.00 per share requirement for continued inclusion under NASDAQ Listing Rule 5450(a)(1) (the "Rule"). To regain compliance, the bid price of the Company's common stock must close at \$1.00 per share or more, for a minimum of ten consecutive business days.

The notice further provides that in accordance with NASDAQ Listing Rule 5810(c)(3)(A), the Company will be provided a grace period of 180 calendar days, or through June 16, 2010, to regain compliance with the Rule. If at any time before June 16, 2010, the Company regains compliance, NASDAQ will provide written notice to the Company that it complies with the Rule.

If the Company cannot demonstrate compliance with the Rule by June 16, 2010, NASDAQ will determine whether the Company meets the Nasdaq Capital Market initial listing criteria as set forth in NASDAQ Listing Rule 5505, except for the bid price requirement. If the Company satisfies the initial listing criteria, NASDAQ will notify the Company that it has been granted an additional 180 calendar days to regain compliance. Thereafter, if the Company has not regained compliance, and is not eligible for an additional compliance period, NASDAQ will provide written notification that the Company's securities will be delisted. At that time, the Company may appeal NASDAQ's determination to delist its securities to a Listing Qualifications Panel.

The Company has not yet determined to take any action in response to this notice, but will evaluate potential responses depending on the trading price of its common stock, and the time remaining in any applicable grace period to regain compliance with the Rule.

On December 23, 2009, the Company issued a press release announcing the receipt of the notice from NASDAQ described above. The press release is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
