Net sales increased 2% worldwide to \$641 million

Orthopedic reconstructive sales increased 3% worldwide and increased 7% in the U.S.

Knee sales increased 4% worldwide and increased 6% in the U.S.

Extremity sales increased 25% worldwide, with U.S. growth of 40%

Sports medicine sales grew 15% worldwide and increased 18% in the U.S.

Cash from operations increased to \$131 million compared to \$56 million in the prior year period

First Quarter Financial Results

Net sales increased 2% during the first quarter of fiscal year 2011 to \$640.7 million from \$630.1 million during the first quarter of fiscal year 2010. U.S. sales increased 5% to \$419.1 million during the first quarter of fiscal 2011, while Europe sales decreased 11% to \$137.2 million and International (primarily Canada, South America, Mexico and the Pacific Rim) sales grew 11% to \$84.4 million.

Reported operating income for the first quarter of fiscal year 2011 was \$69.7 million compared to operating income for the first quarter of fiscal year 2010 of \$79.1 million.

On a reported basis, we recorded a net loss of \$17.8 million for the first quarter of fiscal year 2011 compared to a net loss of \$22.8 million for the first quarter of fiscal year 2010.

Interest expense was \$126.8 million during the first quarter of fiscal year 2011 compared to \$131.5 million during the prior year period, primarily due to lower interest rates on floating rate debt.

The following table provides first quarter net sales performance by product segment:

Orthopedic reconstructive product sales increased 3% worldwide during the first quarter of fiscal 2011 and increased 7% in the United States. During the first quarter, knee sales increased 4% worldwide, with a growth rate of 6% in the U.S., which was primarily driven by continued market demand for the Vanguard® Complete Knee System and E1 antioxidant infused tibial bearings.

Hip sales were flat worldwide and increased 4% in the U.S during the first quarter. Extremity sales increased 25% worldwide during the first quarter, with growth of 40% in the U.S. Key products for extremities included the Comprehensive® Primary and Reverse Shoulder Systems.

Dental reconstructive device sales decreased 2% worldwide and grew 3% in the U.S. during the first quarter of fiscal 2011.

Fixation sales decreased 3% worldwide during the first quarter and were flat in the U.S. Growth of internal fixation and electrical stimulation sales was offset by decreased sales of craniomaxillofacial fixation and external fixation devices.

Spine sales were flat worldwide and increased 2% in the U.S. during the first quarter. Spinal stimulation sales growth was positive during the quarter, while sales were flat for the spine hardware and orthobiologics product category.

Sales of other products increased 6% worldwide during the first quarter and increased 3% in the U.S. Sports medicine sales grew 15% with 18% U. S. growth, while sales of softgoods and bracing products decreased during the first quarter. The strong sales growth for the sports medicine product category was a result of continued demand for the Company's broad portfolio of procedure-specific products, including the new JuggerKnot Soft Anchor.

Reclassifications

Certain prior period amounts have been reclassified to conform to the current presentation. Such reclassifications were limited to net sales information by product and geographical category. Specifically, for the three months ended August 31, 2009, the Company reclassified \$5.8 million from Other product net sales to Reconstructive product net sales and \$1.3 million from Spine product net sales to Fixation product net sales. For the three months ended August 31, 2009, the Company also reclassified \$1.0 million of net sales from Europe to International. The current presentation aligns with how the Company presently manages and markets its products.

Financial Schedule Presentation

The Company's unaudited condensed consolidated financial statements as of and for the three months ended August 31, 2010 and 2009 and other financial data included in this press release have been prepared in a manner that complies, in all material respects, with generally accepted accounting principles in the United States and reflects purchase accounting adjustments related to the merger referenced below.
