Information Concerning Forward-Looking Statements

In addition to historical information, this filing may contain a number of forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, such as anticipate, expect, project, intend, plan, believe, and words and terms of similar substance used in connection with any forward-looking statements. Forward-looking statements relating to the proposed merger include, but are not limited to: the proposed merger involving NSTAR and Northeast Utilities, including future financial and operating results; NSTAR's and Northeast Utilities' strategies and intentions; the expected timing of completion of the transaction; and other statements relating to the merger that are not historical. Forward-looking statements involve estimates, expectations and projections and, as a result, are subject to risks and uncertainties. There can be no assurance that actual results will conform with expectations. Important factors could cause actual results to differ materially from those indicated by such forward-looking statements. In connection with the proposed merger, these factors include, but are not limited to: risks and uncertainties relating to the ability to obtain the requisite NSTAR and Northeast Utilities approvals; the risk that NSTAR or Northeast Utilities may be unable to obtain governmental and regulatory approvals required for the merger; the risk that governmental and regulatory approvals may delay the merger or result in the imposition of conditions that could reduce the anticipated benefits from the merger; the risk that a condition to closing of the merger may not be satisfied; the length of time necessary to consummate the merger; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be realized; the risk that the cost savings may not be realized than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees and suppliers; the risk that the time on merger-related issues; the effect of future regulatory or legislative actions on the companies; and the risk that the credit ratings of the companies and their subsidiaries may be different from what the companies expect. These risks, as well as other risks associated with the merger, will be discussed in the statement/prospectus that will be included in the Registration Statement on Form S-4 that will be filed with the SEC in connection with the proposed merger. Uncertainties are identified and discussed in NSTAR's and Northeast Utilities' reports filed with the SEC and available at the SEC's website (www.sec.gov). Forward-looking statements included in this release speak only as of the date of this release. Neither NSTAR nor Northeast Utilities undertakes any obligation to update forward-looking statements to reflect events or circumstances after the date of this release.
